

Why visit those generic online job posting sites? Access jobs from employers who are looking for CCD students with CAREER CONNECTIONS!

Career Connections is CCD's exclusive online system to help you:

- Find part-time, full-time, work-study, internship, or volunteer opportunities
- Apply directly to employers for open positions
- Safely store and manage your resumes, cover letters, portfolio items, and letters of recommendation
- View the Career Development Center Events Calendar, showing workshops, career fairs, and job shadowing opportunities
- Search for employers in your career or academic major field
- Access additional job search resources and tutorials
