

# TRIO Scholars

Center for Academic Support and Achievement

WEEKLY UPDATE

JUNE 5, 2009

## INSIDE THIS UPDATE

- Greetings! |
- Peer Mentors |
- Student Panel |
- CASA Grad Celebration 2
- ArtReach Events 2

### Greetings!

As you probably noticed, there was no weekly update last week, as I was out of state at an academic conference. There, I learned about many great uses of educational technology that we may implement to enhance the services and communication tools available to you, the student. One example of this is our CCD TRiO Scholars page on Facebook. If you haven't done so yet, become a "fan" of our page!

Enjoy!

- TRIO Scholars Staff

### Peer Mentors

Your TRIO peer mentors Daisy Pereyra and Imane Benjelloun are available to help you with scholarship searches, off-campus resource searches, FAFSA applications, and general questions. Your peer mentors are here to help!

From here on, if Troy is your educational case manager, then Daisy is your peer mentor. On the other hand, if Khara is your educational case manager, then Imane is your peer mentor. You can set up an appointment with Daisy or Imane by calling or stopping by the CASA front desk - 303 556 4964.

### Participate in the Summer Bridge Student Panel

We need a few more TRIO Scholars to participate in the Summer Bridge Student Panel. This will be a low key event allowing incoming CCD students to ask current TRIO Scholars about the college experience.

The student panel will be on August 13 from 9:00 AM to 11:00 AM. You may "count" this event as a social/cultural activity for the fall semester. Also, all panel participants will be invited to the Summer Bridge BBQ the following day. E-mail Troy to sign up for the student panel.

## CASA Graduation Celebration

We celebrated over 60 graduates at the 2009 CASA Graduation Celebration. Family, friends, food, and some great arts and entertainment highlighted the afternoon.

Check out pictures from the event here:
