Summertime!

It's summertime, and the living is easy! Well, except for summer courses, your job, taking care of the family, and so on. Nevertheless, though you cannot always control your circumstances, you can always control how you respond. So, take on a summer-time state of mind, make some time to relax with family and friends, and get the most out of these long days.

Enjoy!

Tuition for Summer Semester due Tuesday, May 19th

Participate in the Summer Bridge Student Panel

Share your wisdom as a college student with our incoming Summer Bridge students this August. Students participating in Summer Bridge will be preparing to start their first semester at CCD, and they will certainly benefit from hearing your thoughts and stories related to your personal experiences at CCD. The event will be very low key and informal - just a chance for our new TRIO students to talk with current TRIO students.

The student panel will be on August 13 from 9:00 AM to 11:00 AM. You may "count" this event as a social/cultural activity for the fall semester. Also, all panel participants will be invited to the Summer Bridge BBQ the following day.

Please contact Troy (troy.abfalter@ccd.edu) if you are interested in participating in the Summer Bridge Student Panel as a current TRIO Scholar.

“Rest is not idleness, and to lie sometimes on the grass on a summer day listening to the murmur of water, or watching the clouds float across the sky, is hardly a waste of time.”

Scholarship Opportunities

The Credit Union of Colorado Scholarships are offered to students enrolled at any of the 13 colleges of the Colorado Community College System. Scholarships will be available for both full-time and part-time students.
