CCD students are responsible for reading and following college policies and procedures that apply to every enrolled student. You will find the policies outlined in the college catalog online at www.ccd.edu and in the CCD Student Handbook. Copies of the Student Handbook are available in Student Life, Tivoli Student Union Room 309.

Community College of Denver does not discriminate on the basis of sex/ gender, race, color, age, creed, national or ethnic origin, physical or mental disability, veteran status, pregnancy status, religion, genetic information, gender identity, or sexual orientation in its employment practices or educational programs and activities.

Information on occupations, rates for completion and placement, program costs and median loan debt can be found at ccd.edu/gainfulemployment.

# CCD GUIDING PRINCIPLES

### **CCD VISION STATEMENT**

Every member of our community will attain the education he or she desires.

#### CCD MISSION STATEMENT

CCD provides our diverse community an opportunity to gain quality higher education and achieve personal success in a supportive and inclusive environment.

# **CCD VALUES**

Involvement • Student-Focus • Integrity • Lifelong Learning Excellence • Healthy Work Environment

#### **TARGETS 2019**

- CCD will serve as the model of community college education that successfully integrates the entire college to support student learning and success.
- CCD will provide all students with thoughtfully designed program tracks that align with institutional outcomes and workforce needs.
- CCD will double the percentage of students who complete certificates and degrees.
- CCD will re-energize and redefine the college as the destination for high quality transfer and workforce preparation.

# STRATEGIC PRIORITIES

# 1. Student Learning & Success

CCD will prioritize student learning and successful completion of educational goals.

# 2. Organizational Integration & Effectiveness

CCD will re-envision internal relationships to maximize college assets and provide an environment for excellence.

# 3. External Engagement & Partnerships

CCD will build bridges into the community to address needs, improve engagement and create opportunities.

# 4. Culture of Evidence, Transparency & Shared Information

CCD will increase access to information and data to enhance institutional decision making.

# **INSTITUTIONAL OUTCOMES**

CCD has established the following institutional outcomes:

- A CCD graduate is a Complex Thinker.
- A CCD graduate is an Effective and Ethical User of Technology.
- A CCD graduate is an **Effective Communicator**.
- A CCD graduate is Globally Aware.
- A CCD graduate is Personally Responsible.
- A CCD graduate is a Numeric Thinker.

# **ACCREDITATION**

CCD is accredited by The Higher Learning Commission and is a member of the North Central Association. For more information, contact The Higher Learning Commission

30 North LaSalle Street, Suite 2400, Chicago, Illinois 60602-2504 Phone: 800.621.7440 / 312.263.0456

# SUCCESSFUL ENROLLMENT FOR NEW STUDENTS

NEW STUDENTS: USE THIS SIMPLIFIED WORKSHEET TO APPLY & REGISTER FOR CLASSES AT CCD. FOR FULL INSTRUCTIONS, SEE PAGES 5-15.

# STEP 1: APPLY FOR ADMISSION CCD.edu/Apply

☐ Get started by filling out our free online application at www.ccd.edu/apply. Applying is free; and if you are least 17 years of age, you will be automatically accepted. We will send you an acceptance letter via email with your Student ID number and instructions to log into your CCDConnect Student Portal.

# STEP 2: APPLY FOR FINANCIAL AID & SCHOLARSHIPS FAFSA.gov

☐ Fill out the Free Application for Federal Student Aid (FAFSA).

This is your application for all federal and state aid, including grants, loans and work-study. CCD's school code is 009542.

The priority deadline for the FAFSA and CCD scholarships is April 15. Need help? Contact the Educational Opportunity Center for assistance (303-352-8746). Apply for CCD scholarships at CCD.edu/Scholarships.

# STEP 3: DEMONSTRATE COLLEGE READINESS CCD.edu/CollegeReady

 All students must demonstrate college readiness prior to starting classes. CCD provides several options for you to demonstrate college readiness, detailed at CCD.edu/CollegeReady

# STEP 4: COMPLETE ORIENTATION CCD.edu/NewStudentOrientation

□ Register for an on-campus or online orientation at CCD.edu/NewStudentOrientation. The on-campus orientation is full service, helping all students to: demonstrate college readiness, meet with an academic advisor, register for classes, start/update/finish your financial aid package, tour campus and get your campus ID/bus pass. Online orientation is available if you cannot, or choose not to, attend on campus.

# STEP 4A: MEET WITH AN ADVISOR CCD.edu/Advising

Our advisors will help you pick the right classes, understand program requirements and register for classes according to your program pathway. For details about your advisor and how to make appointments visit CCD.edu/Advising.

# STEP 4B: REGISTER FOR CLASSES CCDConnect

- ☐ If you didn't already do so during New Student Orientation, be sure to register for your classes! Access your CCDConnect student account by going to CCD.edu and clicking "CCDConnect" at the top right corner of the page. Register early for the best selection of classes and times.
- ☐ Authorize CCD to apply your COF Stipend to discount your tuition bill through the "Authorize COF" link on CCDConnect under the Financial Aid & Payment section.

# STEP 5: PAY TUITION & CONFIRM YOUR FINANCIAL AID CCDConnect

- ☐ After you register for classes, make sure you have done one of the following: 1) Make sure financial aid award covers your whole tuition & fees bill (not including work-study), 2) pay your tuition in full 3) or set up a payment plan. Note: If you register after the payment deadline, payment is due by the following Monday to avoid being dropped for non-payment. If you miss the deadline, you may be dropped from all classes and your seat will be offered to other students.
- ☐ Make sure your mailing address is up to date with us on CCDConnect, as you will be sent instructions on how to select your refund preferences should you have any refund issued to you by CCD. This information will be mailed to you within 7-10 business days after registering for classes.

# **AFTER YOU'VE ENROLLED:**

- ☐ Log into CCDConnect to review your book list, purchase your books and supplies
- ☐ Purchase your student ID
- ☐ Pick up your RTD Buss Pass
- ☐ Contact the Accessibility Center
- ☐ Email your advisor
- Log in to D2L and view your class syllabus
- Go to class

# STEPS TO SUCCESSFUL ENROLLMENT FOR ASSET, DACA & UNDOCUEMNTED STUDENTS

USE THIS SIMPLIFIED WORKSHEET TO APPLY & REGISTER FOR CLASSES AT CCD. FOR FULL INSTRUCTIONS, SEE CCD.EDU/ASSET

# STEP 1: APPLY TO CCD at CCD.edu/Apply

- Advancing Students for a Stronger Economy Tomorrow (ASSET), Deferred Action for Childhood Arrivals (DACA) & Undocumented students must choose "Non-U.S. Citizen" when asked citizenship status.
- DACA students can provide their Social Security number.
- ☐ All males between the ages of 17 years, 9 months and 26 years must register with Selective Service System. See 'Steps to Success' at CCD. edu/Asset for more information.

# STEP 2: CHECK YOUR TUITION CLASSIFICATION with CCD Admissions, Registration & Records ADVANCING STUDENTS FOR A STRONGER ECONOMY TOMORROW

# ADVANCING STUDENTS FOR A STRONGER ECONOMY TOMORROW (ASSET) RESIDENCY REQUIREMENTS

- Did you earn a Colorado high school diploma in Colorado (CO) or General Educational Development (GED) test in CO on or after September 1, 2013?
- Did you attend a high school in CO for at least three (3) years immediately before earning your high school diploma in CO or CO GED?
- Were you admitted to an institution of higher education in CO within twelve (12) months of graduating or earning your CO GED?

# If yes, you may be eligible for in-state tuition under the Senate Bill 13-033, or Colorado ASSET.

- OR Did you earn a high school diploma in CO or GED in CO before September 1, 2013?
  - Did you attend a high school in CO for at least three (3) years immediately before earning your high school diploma in CO or GED in CO?
- Have you been physically present in CO for the last eighteen (18) months?

If yes, you may be eligible for in-state tuition under Colorado ASSET.

# DEFERRED ACTION FOR CHILDHOOD ARRIVALS (DACA) RESIDENCY REQUIREMENTS

- DACA students may qualify for in-state tuition under the ASSET tuition requirements.
- DACA students that do not qualify for in-state tuition via ASSET may qualify for in-state tuition if CO domicile requirements are met.
- Students 23 years old and over must have lived in CO for twelve (12) months immediately before the start of the semester and must provide: 1) The amended application, and 2) Two intent items dated one year prior to the first day of class (For example: a copy of their CO state-issued ID or driver's license, a copy of their CO pay stub or signed letter of employment on letterhead, a copy of their Colorado State Income Tax form 104), and/or a copy of the student's employment authorization card (EAD).
- Students 22 years old and younger must submit parent's residency information. The student's parent must have lived in CO for twelve (12) months prior to the first day of class. The parent must provide the following: 1) The amended application, and 2) Two intent items dated one year prior to the first day of class. (For example: copy of parent's Colorado state-issued ID or driver's license, copy of parent's CO pay stub or signed letter of employment on letterhead, and or/copy of parent's CO State Income Tax form 104).

See 'Steps to Success' at CCD.edu/Asset for more information.

# **STEP 3: ACTIVATE YOUR CCD EMAIL ACCOUNT on CCD Connect**

 Activate and check your college-assigned CCCS student email address regularly for important information regarding your account.

# STEP 4: APPLY FOR SCHOLARSHIPS

If you're registering for at least 6 credit hours:

- ☐ Submit the DREAMer Income Information Form online.
- ☐ Complete the CCD Scholarship Application by April 15

# STEP 5: DEMONSTRATE COLLEGE READINESS CCD.edu/CollegeReady

☐ All students must demonstrate college readiness prior to starting classes.

# STEP 6: COMPLETE ORIENTATION CCD.edu/NewStudentOrientation

 All new first-time students must attend orientation before receiving advising. A hold will be placed on your account until you have attended a session.

# STEP 7: MEET WITH YOUR ACADEMIC ADVISOR CCD.edu/Advising

 Our advisors will help you pick the right classes, understand program requirements and register for classes according to your pathway.

# STEP 8: REGISTER FOR CLASSES on CCDConnect

☐ Register through CCDConnect. Register early for best selection of classes and times. Be sure to check for any registration holds.

#### STEP 9: AUTHORIZE COF on CCDConnect

 Authorize CCD to apply your COF Stipend to discount your tuition bill through the "Authorize COF" link on CCDConnect under the Financial Aid & Payment section.

# STEP 10: PAY TUITION & CONFIRM YOUR SCHOLARSHIPS CCDConnect

- ☐ After you register for classes, make sure you have paid your tuition or set up a payment plan. Note: If you register after the payment deadline, payment is due by the following Monday to avoid being dropped for non-payment.
- Make sure your mailing address is up to date with us on CCDConnect, as you will be sent instructions on how to select your refund preferences should you have any refund issued to you by CCD.

# **AFTER YOU'VE ENROLLED:**

- ☐ Log into CCDConnect to review your book list, purchase your books and supplies
- Purchase your student ID and pick up your RTD Buss Pass in the bookstore in the Tivoli Student Union
- ☐ Contact the Accessibility Center
- Email your advisor
- ☐ Access your courses & view your class syllabus in D2L on CCDConnect.
- ☐ Go to class!

## For more help, go to CCD.edu/Asset\_staff

# Admissions, Registration & Records

303-556-2420 | Confluence 114 | CCD.edu/ARR

# **Financial Aid & Scholarships**

303-556-5503 | Confluence 120 | CCD.edu/FinAid

# STEPS TO RETURNING STUDENTS

RETURNING STUDENTS: USE THIS WORKSHEET TO REGISTER FOR CLASSES AT CCD. SEE FULL INSTRUCTIONS ON PAGES 9-15. START WITH STEP 4.

# **CHECK YOUR ACADEMIC STANDING**

☐ Check your registration status under the Student tab on CCD Connect. You need to be in "good standing" or "initial standing" academically in order to register for classes. If you see "academic probation" or "suspension," please see the Academic Advising Center.

# **CHECK YOUR STUDENT EMAIL**

☐ Review and take care of any important emails.

# **PAY ANY OUTSTANDING BILLS**

 at the CCD Cashier's Office. Registration will not be permitted for subsequent semesters until all financial obligations to the college are paid in full.

# CHECK TO MAKE SURE YOU DON'T HAVE ANY CURRENT 'HOLDS' ON YOUR ACCOUNT

☐ A 'hold' will prevent you from being able to add, drop or withdraw for current or future semesters.

### BE SURE YOU ARE MAKING SATISFACTORY ACADEMIC PROGRESS

☐ If you receive financial aid, view your Satisfactory Academic Progress status on CCDConnect, under the Student Finance tab, in the "Financial Aid Information" box. Contact Financial Aid if you have questions.

If you are Ineligible for Aid, you may print appeal forms at www.ccd.edu. Complete the appeal, then see your designated Academic Advisor to review and sign your appeal paperwork. Attach required documentation before submitting to Financial Aid.

# REVIEW DEGREEWORKS

- Plan out your preferred class schedule. For assistance, see your Academic Advisor.
- ☐ Verify that you've declared the correct major.

# **UPDATE YOUR CONTACT INFO**

☐ (phone, address, etc) on the Student tab on CCDConnect.

# STEP 4A: MEET WITH AN ADVISOR CCD.EDU/ADVISING

All continuing students should meet regularly with their assigned Academic Advisor through the Academic Advising Center. Call or come by to schedule an appointment, or plan to stop by during walk-in hours. (Note: availability may be limited during walk-in times).

### **STEP 4B: REGISTER FOR CLASSES on CCDCONNECT**

- ☐ Watch for CCD's Priority Registration dates! They allow you to register as early as possible for the best selection of classes and times.
- Access your CCDConnect student account by going to www.ccd.edu and clicking "CCDConnect" at the top right corner of the page.
- ☐ Authorize CCD to apply your COF Stipend to discount your tuition bill through the "Authorize COF" link on CCDConnect under the Financial Aid & Payment section.

Priority Registration Dates					
Number of credits you've earned:	You may register for fall classes starting:	You may register for spring classes starting:			
45 OR MORE	APRIL 3	NOV. 6			
30-44	APRIL 5	NOV. 8			
15-29	APRIL 7	NOV 10			

# STEP 5: PAY TUITION & CONFIRM YOUR FINANCIAL AID CCDCONNECT

☐ After you register for classes, make sure have done one of the following: 1) Make sure financial aid award covers your whole tuition & fees bill (not including work-study), 2) pay your tuition in full 3) or set up a payment plan. Note: If you register after the payment deadline, payment is due by the following Monday to avoid being dropped for non-payment. If you miss the deadline, you will be dropped from all classes and your seat will be offered to other students.

# **NEXT STEPS:**

# **GET YOUR BOOKS AND SUPPLIES**

☐ Log into CCDConnect to review your book list.

# **RE-APPLY FOR FINANCIAL AID**

☐ You'll need to complete a FAFSA each year. Want help? To set an appointment, call the Educational Opportunity Center (EOC) at 303-352-TRIO (8746).

# HOW TBECOME A CCD CITYHAWK!

# STEP 1 APPLY FOR ADMISSION

Admissions, Registration & Records

New applicants, and former students returning after an absence of more than three consecutive semesters, must complete an admissions application at www.ccd.edu/apply.

There is no application fee, and the college accepts all students who are at least 17 years of age. For students under the age of 17, a Request for Waiver of Admissions may be granted. Please refer to the Catalog for additional information on the waiver process.

The college may deny admission to anyone whose background indicates that his or her presence would endanger the health, safety, welfare, or property of others, or would interfere with the function of the college. Additionally, CCD reserves the right to deny admission or continued enrollment to anyone who has misrepresented his or her credentials or background.

### **Tuition Classification (Residency)**

Tuition classification is based on the information provided on the *Application for Admission*. Failure to answer all questions could lead to initial classification as non-resident for tuition purposes. After status is determined, it remains unchanged unless additional information is provided to revise the status.

New students who feel that their non-resident status was based on incomplete information must submit the *Amended Application form* to the Admissions, Registration & Records Office for re-review. This must be completed by no later than the earliest drop (census) date for courses in which students are enrolled.

Continuing students who have attended as non-residents and believe they have met the requirements for in-state tuition must submit the *Petition for In-State Tuition form* for evaluation; available at ccd.edu/studentforms. Petitions and supporting evidence must be submitted within 30 days of the first day of class.

U.S. citizens or qualifying non-U.S. citizens who have been domiciled in Colorado continuously for one year or more prior to the start of the term may qualify for in-state tuition. Students must show that they intend to make Colorado their permanent home at the beginning of the one-year domicile period by obtaining legal ties with the state (i.e. driver's license, vehicle registration, voter registration, etc.). Tuition classification for students under the age of 23 may be based on their parent or court-appointed legal guardian's domicile. Students under the age of 23 who have been emancipated for at least one year prior to the first day of class and wish to be considered for in-state tuition based on their domicile in Colorado, must provide proof of emancipation along with the *Petition for In-State Tuition form*.

Active duty military personnel stationed in Colorado and their dependents qualify for in-state tuition by submitting the *Active-Duty Military Residency Requirement Waiver* that has been certified by an Education Services Officer on the base in which they are stationed.

For more information on residency requirements, visit the Colorado Department of Higher Education's website at highered.colorado.gov or ccd.edu/residency.

# START HERE. GO ANYWHERE!

# SIGN UP FOR COLLEGE OPPORTUNITY FUND (COF)

Sign up online at www.collegeincolorado.org. All students who are residents of Colorado and are planning to enroll in college must sign up for the College Opportunity Fund (COF) stipend, which will pay a portion of each student's total in-state tuition. Eligible students who do not sign up for COF must pay their entire tuition bill, including the portion that would have been paid by the COF stipend. Students must also authorize their COF each semester to have it applied to their tuition bill. Check each bill to ensure that the authorization was applied to your account. For more detailed instructions, download a Quick Guide PDF at www.ccd.edu/EnrollmentQuickGuides, or contact COF at ask-cof@college-assist.org or 720-264-8550.

# **HOW TO APPLY FOR COF**

## Step One: SIGN UP

- 1. Go to www.ccd.edu, click on CCDConnect
- 2. Login using your Student ID number (S#) and password
- 3. Click on the Student tab
- 4. Click on "Apply for COF"
- Be sure to type your correct Social Security Number (SSN) and date of birth. Students without a SSN may contact arr@ccd.edu for more information
- Be sure to use your legal name that appears on your driver's license and social security card
- · Be sure to use your current address
- Be sure your information matches your CCD student record in CCDConnect (see CCDConnect section for instructions) It is vital that your personal information match exactly what you have on file at the CCDConnect website, or the computer will not be able to authorize your stipend.
- Be sure to enter your correct Driver's License number or Colorado ID number.

# **Step Two: AUTHORIZE**

You must authorize your COF at CCD each semester that you are enrolled in classes.

- 1. Go to www.ccd.edu, click on CCDConnect
- 2. Login using your Student ID number (S#) and password
- 3. Click on the Student tab
- 4. Click on "Authorize COF"
- 5. Select the term for which you wish to authorize the COF Stipend, click submit
- 6. Select the appropriate action, click submit
- After successful completion of this step, you will receive a message that states "Your choice was saved successfully."

After you have authorized your COF and registered for classes, it takes three to five days for it to apply to your student account. Double check the line items on your billing statement under "Registration Menu." It should show COF and the amount that was credited to your account. If, after 5 days, this line item is not on your billing statement, call Admissions, Registration & Records at 303-556-2420.

Students may visit the Educational Opportunity Center (EOC) for assistance applying for admissions and COF. Call 303-352-TRIO (8746) for an appointment.

## Western Undergraduate Exchange Program

The Western Undergraduate Exchange (WUE) is a program through which students in participating states may enroll at a special, reduced tuition rate, lower than the out-of-state tuition rate, excluding the College Opportunity Fund. Online courses are not eligible for WUE rates. Participating states include Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, Wyoming and the Commonwealth of the Northern Mariana Islands (CNMI). Contact Admissions, Registration & Records for more information.

# **ADDITIONAL CONSIDERATIONS**

If you are transferring in credits, applying to special programs that need pre-requisites, an international student, a concurrent enrollment student, an interinstitutional student, or studying for your GED, see below.

#### **Transfer Students**

Students who want to earn transfer credit for courses that they completed at another regionally-accredited post-secondary institution must have official transcripts from prior schools sent directly to Admissions, Registration & Records. Transfer credit will be evaluated for degree-seeking or certificate-seeking students who are currently registered. CCD will only transfer in credits which apply to the student's declared program of study. Please allow 7 - 10 business days for completion of transfer evaluations.

#### Transfer of Credits from Area Vocational Technical Schools to CCD

Students who complete the technical coursework contained in a state approved career and technical education certificate program at one of the four Area Vocational Technical Schools (AVTS) can take additional academic credit hours at CCD and earn an AAS degree in Applied Technology.

## YOUR RESPONSIBILITIES REGARDING ENROLLMENT

You are responsible to make sure that you:

- 1. Follow the Steps to Successful Enrollment.
- 2. Activate your student-assigned email account and check it regularly to receive all notifications from the college.
- 3. Verify residency status.
- 4. Provide up-to-date address and phone number.
- 5. Ensure that you are registered for the appropriate course(s) and that your name appears on the class roster.
- 6. Verify that you have received your College Opportunity Fund (COF) stipend if you are paying in-state tuition.
- Meet college deadlines published in this registration guide, catalog and online at ccd.edu, particularly the refund and payment deadlines
- 8. Drop your classes if you decide not to attend.
- 9. Verify that your financial aid is approved by the payment deadline. (If not, you are expected to make official payment arrangements.)
- 10. Verify that your third-party payments have been received prior to the payment deadline.
- 11. Follow the syllabus requirements and attend courses.
- Sign in to your CCDConnect account periodically to ensure that you have not been dropped (i.e. dropped for non-attendance or non-payment).
- 13. Review your account periodically to check for registration holds. Resolve any issues promptly in order to be able to add, drop or withdraw from classes by published deadlines.

You can verify your COF stipend, financial aid awards, payments received, and address information through CCDConnect. It is important to check CCDConnect frequently for new information, especially if you are receiving financial aid or scholarships.

The four AVTS are: Emily Griffith Technical College, Pickens Tech Center, Delta-Montrose Area Vocational Technical Center, and San Juan Basin Technical College.

Credits for a certificate completed at the AVTS are transferrable for an AAS in Applied Technology. In addition, some individual courses may be approved for transfer on a course-by course basis and applied to selected degrees. Refer questions about the transfer of individual courses to the appropriate Program Advisor.

## **Application to Selective Admissions Programs**

CCD offers many programs and courses that require students to take prerequisite courses. Admission to the college does not guarantee acceptance to a program that has selective admissions standards or requirements. Check the requirements for each academic program and course in the college catalog at www.ccd.edu.

# **International Student Applicants**

International students who want to enroll at CCD must submit the following documents:

- ☐ International Student Application for Admission online
- ☐ International Student Application fee (\$75)
- Official high school and any prior college transcripts from their home country. Academic documents must be translated to English, evaluated and certified.
- ☐ Financial support documents from either a United States or international bank showing that the student or their parents/sponsor(s) have a minimum of \$25,565 U.S. dollars for a nine-month academic year to cover tuition, books and living expenses for their stay in the United States. Financial documentation should be converted to U.S. dollars and translated to English. An Affidavit of Support must accompany all financial documents, signed by the student and their Sponsor(s).
- □ Evidence of proficiency in the English language. An official TOEFL score report should be sent directly to CCD by indicating the institution code 4137 when taking the exam. Refer to www.ccd. edu/InternationalStudents for specific test information, minimum requirements and exemptions. Proof of English proficiency does not exempt students from taking the placement test.
- If applicable, students who are currently attending school in the United States must also submit copies of their I-20 form, Passport, Visa and latest I-94 page.
- ☐ Attend mandatory New International Student Orientation International students applying to CCD and seeking to obtain an I-20 form to apply for an F1 Visa should visit the Office of International Student Services in Admissions, Registration & Records or visit www.ccd.edu/international.

# **Concurrent Enrollment at CCD**

Through Concurrent Enrollment, CCD provides an opportunity for high school students to take college classes while they are still enrolled in high school. Students can take CCD classes at their high school campus as well as at the Auraria campus. The credits that students earn will be part of their CCD transcripts and also count for high school graduation requirements. Students who have met the graduation requirements of their high school, have earned a minimum of twelve transferable college credits, and are deemed college-ready may apply for the ASCENT program which allows them to complete a year of college at CCD while enrolled in a fifth year of high school. Students attending CCD through Concurrent Enrollment are not eligible for financial aid.

For more information, please contact the professional school counselor at the high school or the CCD College Pathways office at 303-352-3301.

# **Inter-institutional Programs**

CCD has inter-institutional agreements with neighbor institutions Metropolitan State University of Denver (MSU Denver) and the University of Colorado Denver (CU Denver), as well as the Colorado School of Mines

# FINANCIAL AID

# SIGNING UP FOR FINANCIAL AID

# COMPLETE THE FAFSA (FREE APPLICATION FOR FEDERAL STUDENT AID) ONLINE AT WWW.FAFSA.GOV

- Link your FAFSA to the IRS using the IRS Data Retrieval Tool.
- Enter CCD's school code (009542) on your FAFSA.
- CCD's Financial Aid Office should receive your FAFSA from the Department of Education within one week
- Your FAFSA is valid for the fall, spring, and summer semesters.
- In October, you may submit a new FAFSA for the upcoming academic year.
- Your FAFSA will let the CCD Financial Aid Office know if you qualify for grants, work-study and loans.
- If you are an ASSET/DACA or undocumented student, please see CCD.edu/asset for more information on how to apply for scholarships.

# CHECK TO SEE IF ANY ADDITIONAL INFORMATION IS REQUIRED FROM YOU

- Check your student email or CCDConnect account to view your award and see if any documents are required. Contact the CCD Financial Aid Office with any questions.
- You may be selected for a process called verification by the Department of Education. This may require you to submit a Federal Tax Return Transcript from the IRS (or Verification of Non-filing letter) and fill out other forms, which may take additional time to complete.
- You will only be awarded financial aid after all of your paperwork has been received and processed. You need to act on this quickly.

THE FINANCIAL AID PROCESS MAY TAKE UP TO **2-4 WEEKS** 

THE PRIORITY DEADLINE FOR FINANCIAL AID IS **APRIL 15** 

#### **RECEIVE YOUR AWARD LETTER**

- Your award letter will list the types of financial aid you may be eligible to receive at CCD and will give you instructions on how to accept your awards.
- Most awards require students to be enrolled in at least 6 credit hours (half time status).
- · Grants are automatically accepted on your behalf.

### AFTER YOU REGISTER FOR CLASSES

- Make sure your financial aid awards (not including work-study) are enough to cover the cost of your tuition and fees.
- If your awards are not enough, you will need to pay
  the difference, or you may be dropped from classes.
   Set up a payment plan with the Cashier's Office or
  online through your CCDConnect account. Payment
  plans require an initial payment to be made.

# DROPPED FROM CLASSES FOR NON-PAYMENT?

- The payment deadline for the semester is the Monday before the first day of classes for that semester.
- If you are dropped from your classes, you'll need to re-enroll and you may not get into the classes you want.

# **TYPES OF AID**

# **GRANTS**

- Grants do not have to be paid back as long as you complete your classes.
- Grant awards are based on full time enrollment (12 or more credit hours), and the amount that pays into your account will be reduced if you are enrolled less than full time.
- Full time (12 or more credit hours)
- Three quarter time (9-11 credit hours)
- Half time (6-8 credit hours)
- Less than half time (1-5 credit hours) for the Federal Pell Grant only (depending on EFC)
   No other aid is allowed, and not all students qualify.
- 6 to 8 credit hours during the summer semester is considered half time for financial aid purposes

# **WORK-STUDY**

- $\bullet \ \ \text{Flexible on-campus jobs are available while you're enrolled at least half time.}$
- If awarded work-study, the Financial Aid Office will inform you of the job search process.

# LOANS (OPTIONAL)

- Loans must be paid back with interest six months after your enrollment falls below half time.
- $\bullet$  CCD recommends that you avoid borrowing loans whenever possible.
- · Your award letter will give you directions on how to accept your loan offer on CCDConnect.
- First-time Direct Loan borrowers at CCD must complete a **Master Promissory Note (MPN)** and **Entrance Counseling** online at www.studentloans.gov before loan funds pay into their CCD student account. There is a 30-day delay before funds are released to first-time borrowers.

# **SCHOLARSHIPS**

- Priority deadline is April 15. You may apply after that date, but apply early for the best chance for an award.
- Submit your  ${\bf essay}$  and  ${\bf apply}$  online at www.ccd.edu/scholarships.
- If you are receiving a private scholarship, notify the donor that you are attending CCD.
- Any scholarships or third party funding you receive may affect your eligibility for other financial aid awards

# HOW TO GET YOUR FINANCIAL AID

# ACTIVATE YOUR STUDENT REFUND ACCOUNT

- You will be sent information to activate your student refund account after you enroll.
- Financial aid will first pay into your outstanding balance of tuition/fees, and then all refunds from grants, loans, and scholarships will be sent to you based on the refund preference you selected via Bank Mobile

# **BOOK ADVANCE**

- If eligible, up to \$500 of your expected financial aid refund may be advanced to your student refund account the week before classes start.
- To qualify: 1) your accepted financial aid award must be higher than your balance due. 2) You must be registered for classes. 3) Your financial aid file must be completed at least one month before the semester starts.

# KEEP IT GOING MAINTAIN SATISFACTORY ACADEMIC PROGRESS

- You must meet Satisfactory Academic Progress (SAP) requirements after every semester or you will lose eligibility for financial aid.
- You must maintain a cumulative GPA of 2.0.
- You must pass at least 67% of all credit hours attempted.
- You can only receive financial aid for up to 150% of the amount of credits required to earn your degree/ certificate (90 credits for a 60 credit associate's degree, including any transfer credits).
- You must complete at least one attempted class each semester.
- If you withdraw from or fail any of your classes ("W"s, "F"s,"U"s, or combinations), you may be required to repay all or a portion of your financial aid.

(CSM). CCD students can take select courses at these schools if space is available. (Note: Online and extended campus courses are not part of this agreement.) Complete an inter-institutional application form from the CCD Admissions, Registration & Records office and submit it according to dates published by MSU Denver, CU Denver or CSM. For more information on this program, see the "Register for Classes" section of this Enrollment and Registration Guide.

### **General Education Development (GED)**

CCD offers preparation classes in Pre-GED Basic Skills and English as a Second Language to get students ready for the Colorado High School Equivalency examinations. Contact the Foundational Skills Institute for more information and an application at 303-556-3805.

# STEP 2 APPLY FOR FINANCIAL AID & SCHOLARSHIPS

Financial Aid Office

Students may be eligible for financial aid to help pay for their education and all U.S. citizens and eligible non-citizens are encouraged to apply. Most students are eligible for some type of assistance including grants, scholarships, loans, and work-study. More information about financial aid and how CCD processes aid is available at www.ccd.edu. In order to be eligible for scholarships and financial aid, applicants must be enrolled in an eligible CCD degree or certificate program.

Financial aid may only pay for courses applicable to a student's declared degree or certificate program.

To determine financial aid eligibility at CCD, students must complete the Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov and include the CCD School Code 009542 on the application. If students need help filling out the FAFSA or understanding the aid process, they can make an appointment with the Educational Opportunity Center, 303-352-TRIO (8746).

CCD participates in the Federal Direct Loan Program. With this program, students and parents may borrow student loans directly from the federal government rather than from banks or private lenders. Federal Direct and PLUS loans are financing options available to most students. Federal Direct Loans are available year round and require half-time enrollment. Interest rates on these loans are generally preferable to credit card interest rates. See ccd.edu or contact the Financial Aid Office for more information.

# **Your Financial Aid Responsibilities**

To protect your privacy, all requests and notifications are emailed to your CCD student email account. This includes information about eligibility and award payments.

If a student is awarded grants or has accepted loan or scholarship funds, this money will be applied toward tuition. If the award is less than the total tuition bill, the student must pay the difference when registering for classes. It is the student's responsibility to check the bill to ensure that the aid is applied. If the amount of aid received is greater than the total tuition bill, the remaining funds will be paid to the student via the student's refund account. Financial aid funds are paid after the last day to drop a full-semester course (census date). Assistance for book purchases is automatically released to students who qualify, starting one week before classes begin. See "Book Advance" at www.ccd.edu.

If a student is not awarded financial aid before the payment deadline, the student must make arrangements through the Cashier's Office or through CCDConnect to pay the tuition bill. If the student's financial aid award is granted during the same semester, the student may receive these funds as full or partial reimbursement.

Courses in different sections may have different start and end dates. To remain eligible for all Title IV aid, students must complete at least one credit in each section for which they are enrolled. If all sections are not completed, the student must repay any unearned financial aid and would become Ineligible for Aid during the following semester. Students who

owe a repayment may not be able to receive financial aid at any school until the payment is made.

Students who do not begin attending classes or do not actively participate in an academic activity (as defined by the federal Title IV regulations) are not eligible for financial aid. This includes federal, state and institutional aid. Any funds received must be immediately repaid.

Students who fail to drop from classes prior to the published drop date are responsible for any tuition and fees and may be required to repay financial aid. A copy of this *Return to Title IV* policy is available in the CCD Financial Aid Office and online at www.ccd.edu.

To remain eligible for financial aid, students must meet the terms of the Satisfactory Academic Progress Policy. Details are online at www.ccd.edu.

### **COLLEGE-ASSIGNED EMAIL**

The college-assigned student email account is the primary official means of communication between students and the college. Students are expected to sign into CCDConnect and check their email account on a frequent and consistent basis, as they will be responsible for all information sent there. This account is active for life.

# STEP 3 DEMONSTRATE COLLEGE READINESS

CCD Testing Center • CCD.edu/CollegeReady

Students must demonstrate college readiness prior to being placed into college-level stand-alone math and English courses. If students do not meet college readiness requirements, they will be advised to register for a co-requisite support course in addition to their math course. They may be advised to register for a co-requisite support course or an intensive reading and writing course prior to college composition. Support courses are designed to aid students in completing their English and math courses in the first semester. CCD students who need a math or English courses for their certificate or degree are strongly encouraged to take these classes during their first semester. Advisors will assist students into the right course.

## **College Readiness**

In order to take college-level math or English without registering for an additional support course, college readiness must be demonstrated by one of the following means:

 ACT, SAT, OR ACCUPLACER SCORES at or above the levels below from within the past five years. Students must submit their unofficial score report along with the Test Score Intake Form to the Testing Center Before 2/29/16 After 3/1/16

 ASSESSMENT
 ACT
 SAT
 SAT ACCUPLACER

 Math
 MAT 120:
 19
 460\*
 500
 60

 MAT 121:
 23
 80

 English/Reading/Writing
 18
 440\*
 470

- \* SAT score requirements and names changed in March 2016. If you took the SAT after March 2016, the following weights apply 500 in Math and 470 in Evidence Based Reading & Writing.
- \*\* If you have CCPT scores, please see your advisor or the Testing Center for placement.
- 2) HIGH SCHOOL COURSEWORK AND GPA If a student graduated high school within the past two years with a 3.0 unweighted GPA and passed the following high school classes with a "B" grade or better:
  - Algebra II to enroll in liberal-arts or CTE level math or statistics
  - Pre-Calculus to enroll in College Algebra.
  - 11th grade English to enroll in College English, or any other course with a developmental English/reading prerequisite.
- 3) COLLEGE CREDIT TRANSFER If student has earned English and math credits at a regionally accredited institution of higher education, they should complete the *Transcript Intake Form* and submit it with unofficial copies of their college transcripts to the Testing Center for review.

4) HIGH SCHOOL EQUIVALENCY DIPLOMA Students can demonstrate college readiness with the following minimum scores:

GED (after 2014) Mathematical Reasoning: 165

Reasoning through Language Arts: 165

HiSET Math: 15

Language Arts Reading: 15 Language Arts Writing: 15

TASC Math: 560

Reading: 580 Writing: 560 Writing Essay: 6

5) CCD ASSESSMENT: Students can demonstrate college-level English readiness through an English Self-Assessment Survey. If the results of the survey are unclear, students may choose to take the CCD Placement Test. Additionally, Students wishing to opt-out of the math support courses may also take the CCD Placement Test. The Placement Test is a very important exam that determines course placement, and thus, how many classes students need to take to complete a degree or program, so students are strongly encouraged to prepare thoroughly before testing. The cost to take the exam is \$10. The assessment test is not timed, but allow approximately three hours to take the test.

Unofficial high school or college transcripts, or test scores must be submitted along with a completed *Transcript Intake Form* via email, fax or in person at the Testing Center for review.

# **English-as-a-Second Language or International Students**

CCD students whose first language is not English might need additional English as a Second Language (ESL) courses before pursuing a certificate or degree. For some students, ESL courses may be their goal. Nonnative English students should visit the Testing Center and take the LOEP test to determine language proficiency level. Based on results, students will be advised into either ESL coursework or ENG 121.

International students with appropriate TOEFL scores will be advised into ENG 121 with or without support.

# **Assessment for Distance Learning Students**

Students who take online classes also must demonstrate college readiness. Contact the CCD Testing Center at 303-556-3810, or visit www.ccd. edu/testing for instructions on completing your testing from a distance.

# **CCDConnect**

FIND CCDConnect at the top bar of www.CCD.edu.

Choose the Student tab to:

- Update your contact information (address, telephone, email)
- · Register, look up and withdraw from classes
- Check registration status and "holds" on your account
- · Authorize COF each semester · Access your grades and transcripts
- View your class schedule See Important Dates Calendar

Choose the Student Finance tab to:

- Review your billing statement
- · Check your financial aid award, accept award offers
- · Pay your bill by credit card or set up a payment plan
- · Check the status of your financial aid requirements

Choose the Campus Life tab for:

- Information about Auraria events Parking & transportation links
- · View jobs & Work-Study Positions

### STEP 4 COMPLETE ORIENTATION

College Opportunity and Student Outreach

New Student Orientation teaches students important information about being a successful student at CCD. Topics covered in orientation include: advising, class registration, campus resources, financial aid, syllabus review, classroom expectations with CCD Faculty and getting involved on campus. Take advantage of this opportunity to meet other students and prepare for success at CCD.

ALL STUDENTS SHOULD COMPLETE THE COLLEGE READINESS PROCESS PRIOR TO ATTENDING ORIENTATION to ensure that students can meet with an Academic Advisor and register during their orientation session.

ALL NEW FIRST-TIME STUDENTS ARE REQUIRED TO ATTEND ORIENTATION BEFORE RECEIVING ADVISING. A hold will be placed on a students account until they have attended a session. Register at www.ccd.edu/NewStudentOrientation.

Exemptions from in-person Orientation are provided under certain limited circumstances. Students exempt from Orientation may still need to complete an online orientation session prior to meeting with an Academic Advisor. Please visit ccd.edu/NewStudentOrientation to complete the online orientation or to review the exemption requirements. Contact the orientation department directly at ccd.orientation@ccd.edu or 303.352.3166 to inquire about an exemption. International students have different requirements.

For more information, go to www.ccd.edu/NewStudentOrientation.

# **CONTINUING STUDENTS: START HERE**

# STEP 4A MEET WITH AN ADVISOR

All new students must see an Academic Advisor if they are registering for the first-time. All continuing students should meet regularly with their assigned Academic Advisor. Come by the Academic Advising Center in CNF 123 or call 303.556.2481 to schedule an appointment, or plan to stop by during walk-in hours. (Note: availability may be limited during walk-in times).

The best time to see an Academic Advisor is before the start of registration each semester. This ensures a greater chance of having the right academic tools to be successful. Academic Advisors are knowledgeable about all college resources and can inform students of campus Specialists who can further assess their needs and provide access to appropriate programs and services. The Academic Advising Center is here to support students; however, students are ultimately responsible for monitoring their own progress and understanding CCD policies.

# **Accessibility Center**

Many students have conditions which present barriers to their ability to participate in college classes in the same fashion as other students. Those conditions may be invisible, like having a diagnosed learning disability. If you know you have a condition that interferes with your success, or if you think you may have such a condition, you're invited to consult with CCD's Accessibility Center (AC), in Confluence 121, to discuss your situation with us. All conversations are confidential.

The AC complies with the Americans with Disabilities Act Amendments Act of 2008 (ADAAA) and the Rehabilitation Act of 1973/ Section 504 guidelines. The following services may be available to qualifying disabled students: sign language and oral interpreting; notetaking; use of assistive technology and adaptive software; consultation with instructors; testing accommodations; classroom furniture accommodations; tutor referral; and liaison with rehabilitation agencies and other Colorado postsecondary institutions.

Students who need accommodations due to a disability should register with the AC as early as possible, and should plan ahead so they can be assisted in fully accessing their college education.

# **HOW TO REGISTER FOR CLASSES**

GO TO WWW.CCD.EDU click CCDConnect

#### ENTER YOUR USER ID AND PASSWORD:

# Enter your Student ID (aka "S" number) in the User ID Field

- "S" must be in upper case, after the S everything is a number.
- Your Student ID number can be obtained from the Admissions, Registration & Records Office.

#### **Enter Your Password**

- Once you login, you will be automatically directed to the "Update Your Password" page to create a new password. Your password must contain at least 8 characters, utilize both upper and lower case letters, and must contain one number or symbol.
- After resetting your password, you will be asked to enter a security question. Create a question to which you will remember the answer.
- If you forget your password, click "Forgot Password" on the login page and the security question page will display.
- Help is available 24/7 at 1-888-800-9198 if you experience trouble logging into your account.

**CLICK: LOGIN.** 

## CLICK THE STUDENT TAB.

# CLICK ADD OR DROP CLASSES.

Students attending multiple CCCS colleges should make sure the Institution is set to Community College of Denver.

### **SELECT TERM AND CLICK "SUBMIT."**

# READ AND ACCEPT THE STUDENT ACCOUNT PAYMENT AGREEMENT.

# ENTER THE 5-DIGIT COURSE REFERENCE NUMBER (CRN).

for the class you would like to add and click "Submit Changes." Multiple CRNs may be entered.

# IF YOU DO NOT KNOW THE CRN, CLICK "CLASS SEARCH."

# SELECT SUBJECT AND CLICK COURSE SEARCH.

- To select multiple subjects, press and hold the "Ctrl" key.
- Select "Advanced Search" to narrow course results.

# **SELECT VIEW SECTIONS.**

# CHECK THE AVAILABLE COURSE AND CLICK "REGISTER."

The "Select" column may contain the following codes:

- Blank You may currently enroll in this section.
- C Section closed, no seats available. Select another section, waitlist the section or check back later.

Check the section in which you wish to enroll, and click "Register."

FOR MORE DETAILED INSTRUCTIONS, DOWNLOAD A QUICK GUIDE PDF AT WWW.CCD.EDU/QUICKGUIDES.

QUESTIONS ABOUT PROGRAM PATHWAY REQUIREMENTS SHOULD BE DIRECTED TO YOUR ASSIGNED ADVISOR IN THE ACADEMIC ADVISING CENTER.

### STEP 4B REGISTER FOR CLASSES

Admissions, Registration & Records

It is the responsibility of the student to add, drop, or withdraw from courses in accordance with deadlines published by the college.

Students may drop courses before the published census deadline to avoid being assessed tuition or to receive a tuition refund.

Adding, dropping, or withdrawing from classes may affect federal student aid and VA benefits. Please consult the Financial Aid Office and/or Veteran's Services prior to taking such action.

### **Course Registration Waitlist**

When a course section reaches maximum capacity, students will have the option to join a wait-list for that section through CCDConnect. If a seat becomes available, the first student on the waitlist will be notified of the opening via their college-assigned student e-mail account. The open seat will only be reserved for a maximum period of 24 hours. Students may not be not automatically added and must take action to register within the time allowed, or the open seat will be offered to the next student in the waitlist queue.

Students must register before 11:59 p.m. on the last day to register. There are no exceptions for students who do not register within the time allowed. Only students who are officially registered are allowed to attend classes and faculty will not sign students into a full class, nor will late-registration be allowed after the last day to register. For this reason, students are encouraged to register early for best course selection.

## **Academic Standing**

Students on academic suspension are unable to register for courses. Students should contact their Academic Advisor for reinstatement information. This applies to all institutions in the Colorado Community College System.

#### **Auditing Classes**

Students may audit – or take for no credit – courses listed in this schedule at the regular tuition rate. The deadline to request an audit grade is the census date (see calendar). Students cannot change an "audit" to a "for-credit" class after the census date. The College Opportunity Fund does not apply to audited courses. For more information, please contact Admissions, Registration & Records.

# **Colorado Community Colleges Online**

CCCOnline offers students another learning option for completing their on-campus experience. Students pursuing the Associate of Arts (AA) or Associate of Science (AS) degree programs may complete these entire degrees by taking CCCOnline courses. For additional information about CCCOnline, please refer to www.ccconline.org.

# **Course Load**

Students should discuss with their Academic Advisor how many courses to register for each semester. The maximum load is 18 credit hours. Special approval for a course overload may be granted upon review by a Senior Advisor in the Academic Advising Center; a Course Overload Appeal Form must be submitted by the student's Academic Advisor.

# MSU Denver and CU Denver Inter-institutional Registration

CCD degree- or certificate-seeking students who want to take classes at Metropolitan State University of Denver (MSU Denver) and at the University of Colorado Denver (CU Denver) may take select courses if space is available. (Note: Online and extended campus courses are not part of this agreement.) Complete an inter-institutional application form from the CCD Admissions, Registration & Records office and submit it according to dates published by MSU Denver or CU Denver. Students who participate in the inter-institutional program are responsible for following the procedures and deadlines set by all three institutions.

MSU Denver or CU Denver students who want to take classes at CCD

may take select courses if space is available. (Note: Online, remedial and extended-campus courses are not part of this agreement.) MSU Denver or CU Denver students who want to take CCD classes must obtain instructions and deadlines from their home institution. All students are required to meet course prerequisites, which includes assessment testing. These forms are authorized by their home institution prior to submitting them to CCD. The amount of credit taken at CCD must be equal to or less than the amount of credits taken at the student's home institution. After completion of the application and registration process, CCD will process the forms to prevent tuition assessment. The student will be responsible for paying for these courses at their home institution. Schedule adjustments must be processed according to the published deadlines at the home institution and CCD.

Courses taken at the host institutions in no way alter existing degree requirements, but may apply toward degree requirements, subject to approval by the home school. Students are advised to confer with department chairs and Academic Advisors before registering inter-institutionally. Students should confirm, before enrolling at an institution, that desired courses will satisfy degree requirements at the home institution. There is also a limit to the number of credits that can transfer. Students may only receive financial aid at their home institution.

# **Colorado School of Mines Inter-Institutional Registration**

CCD and Colorado School of Mines (CSM) have an inter-institutional agreement. CCD students who are registered for six credit hours or more at CCD may apply to register for EPICS 151, Engineering Design I, at CSM during the same term. This registration is intended to allow prospective CSM transfer students to be integrated into the CSM community in advance of their formal transfer from CCD to CSM. As part of the CSM inter-institutional program, CCD students must meet the following requirements: be degree-seeking, registered for six or more credit hours at CCD, and must be co-enrolled in MAT 201 or have completed MAT 201.

CCD degree – or certificate – seeking students who want to take classes at Colorado School of Mines (CSM) can pick-up the inter-institutional registration form from Admissions, Registration & Records. Review the instructions and deadlines before submitting forms. Students who participate in the inter-institutional program are responsible for following the procedures and deadlines set by the two institutions. Students submit completed forms to Admissions, Registration & Records for processing. Students will receive an email from CSM once their registration is approved with the course information. Waitlisted students must diligently check their CSM email for the registration notification. If a student fails to register within the allotted time, students will need to re-waitlist, registration is not guaranteed. There are no exceptions for students who do not register within the time allowed.

# **CCD REPORT CARD/STUDENT EVALUATIONS**

Student evaluations of faculty during spring semester 2015 gave the following scores based on a 10 point scale, with 10 being the highest.

-	I believe I am learning useful skills that I will be able to apply in my life
-	I am learning to analyze topics using different approaches $\textbf{8.8}$
-	The course included lectures, class discussions, and activities that make the subject matter meaningful
-	I am encouraged to participate actively in class discussions $\bf 8.6$
-	The classroom environment is encouraging and supportive of my learning
-	The assignments in the course enhance my learning
-	I use the feedback given by the instructor to improve my learning.8.8
-	I understand what I have to do to be successful in this course. . $\bf 9.0$
-	I think that course content is explained clearly
-	My instructor is approachable

CSM students are permitted to take one elective course, not offered at CSM and should obtain the inter-institution application and registration from their home school. These forms are authorized by their home institution prior to submitting them to CCD. CSM students must adhere to all published deadlines. Colorado School of Mines students are able to register for online and extended campus courses. All students are required to meet course prerequisites, which includes assessment testing. CSM students can register for online and off-campus courses. After submission of forms, CCD will process the forms to prevent tuition assessment. The student will be responsible for paying for the course at their home institution. Schedule adjustments must be processed according to the published deadlines at Colorado School of Mines and CCD.

Courses taken at the host institution in no way alter existing degree requirements, but may apply toward degree requirements, subject to approval by the home institution. Students are advised to confer with department chairs and academic advisors before registering inter-institutionally. Students should confirm before enrolling that desired courses will satisfy degree requirements at the home institution.

Students may only receive financial aid at their home institution.

#### Withdrawals

After census date, students may withdraw from classes up to the published withdrawal deadline. A grade of "W" will appear on official records and full tuition and fees will be assessed. Consult your instructor or assigned Academic Advisor before withdrawing. Withdrawals can negatively impact financial aid as well.

# **STEP 5 PAY TUITION & CONFIRM FINANCIAL AID**

See page 12 for a tuition and fee chart. Cost calculators are available on our website at www.ccd.edu.

Students must pay their tuition and fees ON or BEFORE the tuition payment deadline. After the deadline, if a student registers for a course, tuition is due the Monday after they register, or they will be dropped from their course. After the last day to drop, students are responsible for paying tuition in full.

CCD accepts cash, personal checks, Discover, MasterCard, Visa or American Express.\* Students assume full responsibility for tuition, fees and any other incurred debts. CCD has a \$17 fee for returned checks. You can go to www.ccd.edu/pay for more information.

Here are your payment options:

- Pay online by credit card during registration.
- Set up a payment plan online.
- Mail payment to: Community College of Denver, Campus Box 700, P.O. Box 173363; Denver, CO 80217-3363.
- Pay in person at the Cashier's Office or use the drop box.

# **Promissory Notes**

If a student is registered for six or more credit hours and does not owe CCD money from a prior term, they can defer a maximum of 50 percent of their tuition and fees. This service will cost a \$35 deferral fee, and students must be prepared to make payments on the due dates. Promissory note applications will be accepted until the last day of the add period (see calendar). Visit the Cashier's Office for the promissory note form.

CCD and a collection service will pursue unpaid balances. Students will be responsible for any collection charges up to 30 percent of the unpaid balance.

# **Tuition Management Plan**

CCD's offers the Nelnet Business Solutions (NBS) Tuition Management program helps students conveniently budget for college expenses. The plan allows students to pay tuition and fees either by credit card or automatic bank payment in four installments. Students wanting this option can secure classes for a \$35 enrollment fee and 25 to 50 percent of tuition as down payment, depending on when they apply.

# TUITION & FEES

This is the most current tuition and fee chart at the time of printing. View the most current tuition and fee chart at www.ccd.edu. TUITION RATES MAY CHANGE.

For more information on tuition and fees, go to www.ccd.edu. For complete tuition, payment and refund deadline information, see pages 12-14. Differential tuition rates will be applied to Dental Hygiene, Nursing, WUE, CCD Online and CCCOnline courses (see chart below). Contact the Cashier's Office at 303-556-2075 regarding tuition and payment guestions.

# **TUITION AND FEE TABLE RESIDENT**

WUE				\$205.35	\$205.35

<sup>\*</sup> The State of Colorado historically subsidized higher education for in-state students by giving money directly to the colleges. The State gives money for the subsidy to students by sending it to the institution the student designates. This money, known as COF stipends, is applied to an in-state student's tuition if the student applies for and authorizes the use of the stipend. The college receives the money and it appears as a credit on your tuition bill. Currently the COF stipend is estimated to be worth \$75 per credit hour. ESTIMATED BASE TUITION CALCULATION: Total estimated base in-state tuition (\$211.90) minus estimated "College Opportunity Fund Stipend" (\$75) equals the student's estimated share of in-state tuition (\$136.90).

<sup>\*\*</sup> Miscellaneous fees include: a student activity fee of \$7.08/credit hour with a \$84.96 maximum; an Auraria Higher Education Center bond fee \$38.37 for 1-3 credit hours, \$53.09 for 4-6 credit hours, \$70.76 for 7-11 credit hours, and \$81.10 for 12 or more credit hours; an Auraria library resource fee of \$4.74/ credit hour; an Auraria Health Center fee of \$2; an RTD fee of \$106.00; a Student Building Fee of \$8.00/ credit hour; a Health Center Fee (MSUD Med Ctr) of \$24/term; a Clean Energy Fee of \$5/term; a \$13.00 registration fee; and a Student Facilities fee of \$5.04/term. Satellite locations, online courses and health programs are not automatically assessed RTD, Auraria Library, and AHEC bond fees. See Student Fee information on page 13.

<sup>\*\*\*</sup> Fees & refund deadlines differ for CCCOnline courses. See calendar at www.ccconline.org.

Note: An Instructional Program Fee of \$6.80/credit hour will be added for Med-High cost classes and all CCR, MAT and ENG classes.

#### **Veterans Benefits for Tuition**

Veterans who plan to use GI Bill® education benefits can apply online at www.gibill.va.gov. Please submit an application five weeks before the first day of class to allow sufficient processing time. For a list of documents required to send an enrollment certification to the VA, please visit ccd.edu/veterans. Students using Montgomery Chapter 30 GI Bill® or Survivors and Dependent Education Assistance Chapter 35 are responsible for their tuition and fees and must make payment by the tuition payment deadline each semester. Veterans using the Post 9/11 GI Bill® will need to contact the CCD Veteran Services office each semester prior to the tuition payment deadline. For more information contact Veteran Services at 303.352.5008.

### **Financial Aid as Part of the Payment Process**

If an awarded grant, scholarship or accepted loan will not cover the full payment of the tuition and fee balance, students are responsible for the remaining balance due. Students can be dropped after the tuition payment deadline and are dropped for non-payment beginning on the tuition payment deadline (see calendar of important dates). Check with the Cashier's Office for payment details. Students awarded grants, scholarships or loans in excess of their tuition and fee balance will not be dropped for non-payment.

Note: Financial aid grants are awarded based on full-time enrollment (12 or more credit hours). The grant aid that will pay to the student account is prorated based on actual enrolled credit hours. Students enrolled in 9–11 credits will have their grants adjusted to three-quarter time; students enrolled in 6–8 credits will have their grants adjusted to half time; students enrolled in less than six credits should check with the Financial Aid Office for payment amounts. Federal Direct and PLUS loans are awarded based on initial eligibility and class standing. Students enrolled in less than six credit hours are not eligible for federal loans or work-study.

Students who would like to receive a Federal Direct Loan must make sure to complete the entire Direct Loan process and be enrolled in at least six credit hours prior to the last day to add classes.

If students are receiving financial aid, the final step is to make sure that their award is applied to their accounts.

# **Tuition Refund Policy**

Students who pay out of pocket may receive a 100 percent refund of tuition and fees through the census date (the last day to drop). Please see the calendar of registration deadlines by session in this schedule. If a student received financial aid, their awards may be adjusted. Please contact Financial Aid for more information. CCD will not give tuition and fee refunds or financial credits after the census date. Please check your class schedule for any amount owed to the college. Contact the Cashier's Office for questions about your account balance.

# **Student Refund Accounts**

All refunds of tuition/fee charges, or credits from financial aid payments, are managed through a third-party service. Students who are enrolled will receive information at their mailing address from the third-party servicer, including instructions to activate student refund accounts. It is important that students keep their mailing address current with CCD in order to receive information about their student refund accounts.

## **CCCS Student Account Refund Card ATM**

The Refund Card ATMs are in the Confluence and Cherry Creek lobbies. The ATM is free if using the CCCS Refund Card, but charges a \$2.50 fee for other bankcards. It is set up to dispense increments of \$50; if you want a smaller amount, press "Other Amt." and put in multiples of \$10.

# **Fee Descriptions**

Students at CCD's Auraria Campus pay set fees that cover a variety of services and programs. Please see the tuition and fee chart on page 12.

Fees are subject to change. All CCD students pay the following fees.

- Registration Fee: The Colorado Community College System charges a mandatory per-semester registration fee to students at all 13 of its colleges.
- Instructional Fees: CCD charges a per-credit-hour instructional program fee for high- and medium-cost classes. Other fees and charges may apply.
- Student Activity Fee: This fee supports CCD Student Life staff and programs, including Leadership Programs, CCD Student Government, Student Handbook publication, child care scholarships, lending library, food bank, recreational activities, student events, Auraria Student Health Center, Gay, Lesbian, Bisexual & Transgender Student Services, and the Phoenix Center.

Students at the Auraria Campus pay these fees as well:

- Auraria Bond Fee: Auraria Campus students voted to approve a fee to pay off the bonds that funded construction on the Tivoli Student Union, Auraria Child Care Center, campus health, physical education and recreation facilities. Students at all three Auraria institutions pay this fee.
- Clean Energy Fee: This student-approved fee is for purchasing clean, renewable, electrical power for the Auraria Campus.
- Immunization Fee: This fee supports the Auraria Health Center's efforts in providing immunization to students against Measles, Mumps, and Rubella. The program is necessary in order for the institution to remain in compliance with State Immunization Rules.
- RTD Bus Pass Fee: The Auraria Student RTD Bus Pass covers fares for local bus service in the Denver-metro area, Light Rail, and all Denver Metro Express or Express Regional services. With the pass, students get a \$3 discount on all SkyRide routes. The pass is not valid for local service in Boulder and Longmont or special services like the BroncosRide, RockiesRide, Access-a-Ride and Guaranteed Ride Home
- Auraria Higher Education Center Resource Library Fee: This fee supports Auraria Library functions.
- Health Center at Auraria Fee: This per semester fee is to allow continued access to the Health Center at Auraria.
- Student Facilities Fee This per term fee is to support Tivoli Park and the Student Coffee lounge/patio.

# **Additional Fees**

Please be aware that certain departments, majors or classes may assess specific fees in order to offset associated costs, such as textbook fees, lab fees or tool kits. For a complete listing, please go to www.ccd.edu/TuitionandFees.

# **NEXT STEPS**

www.CCD.edu/NextSteps

# **Immunization Records to Health Center**

All students must provide proof of immunization against Measles, Mumps and Rubella (MMR) to the Health Center at Auraria. For more information, visit www.msudenver.edu/healthcenter/immunizationrequirements.

# Get your Books and Student ID and RTD Pass

Students are expected to have their books and student ID by the first day of class

Log into CCDConnect to review your book list. The campus bookstore, Tivoli Station, is located in the Tivoli Student Union. Students are not required to purchase textbooks through the Tivoli Station, but they offer new and used textbooks, and they stock all of the required textbooks.

Your CCD ID is \$22 at the Student ID Center in the Tivoli. Bring your schedule and valid, government-issued photo ID. For more information, visit www.ahec.edu/student-services, click on ID center.

# **Book Advance**

Financial aid funds are not released (or disbursed) until after Census Date, the last day to drop a 15-week class (see important dates). To assist students who receive financial aid in purchasing books and supplies, the CCD Book Advance Program is available. The CCD Book Advance Program is based on students' financial aid awards and pending payments at CCD only. This is an automatic process if students have funds available. There is no need to sign up for a CCD Book Advance.

To qualify for a CCD Book Advance, a student's total accepted financial aid funds for the semester must be greater than the tuition and fee balance, which will result in a refund. In addition, students must:

- have all financial aid requirements completed one month prior to the first day of the semester,
- be enrolled in at least six credit hours (or be Federal Pell eligible),
- be meeting Satisfactory Academic Progress requirements, and
- not have exceeded 30 attempted developmental credit hours.

The first round of CCD Book Advance funds will be available on student refund accounts by 3 p.m. on the tuition payment deadline.

The maximum advance for purchasing books is \$500, or the amount of the student's expected refund if less than \$500. The minimum amount is \$50. Students who meet all of the above qualifications and the financial aid priority deadlines required for the Book Advance may receive the advance prior to the first day of classes. Students not in Good Standing may experience a delay if their status must be reviewed. The last day for Book Advance eligibility is the Friday before the drop deadline.

### Attend Class & Be Successful!

There are many people at CCD to support students, including instructors, classmates, Academic Advisors, peer mentors, administrators, student support services and many others.

The Career and Transfer Center offers assistance in career assistance: resume building, cover letters, job searches, tips on interviewing, career and major exploration; as well as help to complete a successful transfer to a four-year college or university.

The KEYS Scholarship Program supports women and men who once depended on another's income, but no longer are able to depend on that income due to change in household or sudden change in financial situation, such as: being a single parent, divorce, separation or becoming widowed, whether married or unmarried. The program provides quality services to assist displaced homemakers in learning self-sufficiency, self-advocacy and self-confidence. We offer services that help with life skills, financial literacy, job readiness, community and support services referrals. The program specifically works with displaced homemakers who are learning how to overcome barriers by discovering, and being involved in, their own growth and development. The program assists with tuition, fees and books required for major.

The **Resource Center** provides a holistic approach to advising, focusing on the academic, personal, and financial health of all CCD students. It also houses the First Year Experience program, assigning a Specialist to students who are starting their first year of college.

Students should contact **Student Life** to get involved with clubs and organizations, to find out about campus events, to access to the CCD Food Bank, and more.

**TRIO Student Support Services** (SSS) provides comprehensive academic, financial and personal guidance within an active community of students and staff. All TRIO SSS participants are overcoming obstacles to higher education—such as limited income, first generation to college, or disability—en route to graduation and transfer.

The **Tutoring Center** provides academic support for all students enrolled in CCD courses. Professional tutors are available in each center, five days a week, during the semester: Math, Writing, ESL, and Student Success.

Veteran Services assists students who are veterans with their transition into an educational setting. It serves as a liaison between CCD veterans and the Department of Veteran Affairs (DVA), helps students apply for VA educational benefits, monitors academic performance and provides referrals to veteran services on campus.

# VISIT CCD.EDU FOR A COMPLETE LIST OF ALL OUR STUDENT SUPPORT SERVICES.

# STEPS GRADUATION

AS YOU NEAR COMPLETION OF YOUR CERTIFICATE OR DEGREE PROGRAM, MAKE SURE TO FOLLOW THESE STEPS TO ENSURE YOU RECEIVE YOUR DIPLOMA

# 1. CHECK YOUR PROGRESS TOWARD GRADUATION

Do a DegreeWorks audit on CCDConnect:

- A. Log on to CCDConnect.
- B. Click on the "Student" tab.
- C. Click "DegreeWorks" in the "Steps to Graduate" box in the right-hand column.
  - The audit for your officially declared program(s) will appear in a new window.
  - If you are pursuing multiple programs (e.g.: a certificate and an associate's degree) you can select the correct program from the "Program Type" drop-down box at the top of the page.
  - NOTE: If you do not have the correct degree declared with Admissions, Registration & Records, submit a "Program of Study Change Request." Allow seven business days for DegreeWorks to be updated with your corrected degree. Some degree and certificate programs require Academic Advisor or department approval. See the Academic Advising Center for questions.
- D. Print your DegreeWorks audit by clicking "Print" at the top center of the page.

# 2. APPLY FOR GRADUATION

www.CCD.edu/GradApp

If you plan to complete a CCD certificate or degree program, you must apply to have your degree or certificate posted to your transcript and to be issued a diploma. Graduation is different than the Commencement ceremony. Apply for graduation at the beginning of the semester in which you plan to graduate.

Complete the following checklist:

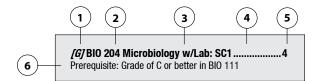

- A. Have all official transcripts from other college(s) sent to Admissions, Registration & Records (ARR).
- B. Pick up a graduation application from ARR or at ccd.edu/GradApp. See "Important Dates" for deadlines.
- C. If you are applying for graduation in an Associate of Applied Science (AAS) or Certificate program, you will need to take the "Graduation Department Chair Review" form to your Academic Advisor for processing. This form must be turned in with your graduation application. Students applying for an AS, AA or AGS may skip to step "D".
- D. Log into your CCDConnect account to verify that your name is correct on your account. Your name in the student information system is considered official and will appear on your certificate or degree. You may need to request a name change if your name is incorrect or has changed. If so, request a "Change of Information" form from ARR.
- E. Complete all paperwork if applying for Prior Learning Assessment with Admissions, Registration & Records and the Academic Advising Center.
- F. Students with a current "I" grade must have the academic center submit a grade change to ARR before the end of the next term.
- G. Submit your Graduation Application and Graduation Department Chair Review form to ARR by the published deadline.

There is one Commencement (Graduation) Ceremony each academic year, in May. See ccd.edu/commencement for more information.

# FOR MORE INFORMATION

# **HOW TO READ THIS SCHEDULE**

# **KEY**

- 1 [G] Denotes a Guaranteed Transfer Course
- 2 Course Number
- 3 Course Title
- 4 Code for guaranteed general education core transfer courses
- 5 Credit Hours: denotes number of credits to be awarded after successful completion of the course
- **6** Previous coursework required to enroll in the class

# **DEFINITIONS AND SYMBOLS**

Prerequisite: A course you must have taken during any semester before this one, or an appropriate test series must have been completed.

[G] Guaranteed Transfer Courses: The general education core requirements you complete at CCD meet the lower-division general education requirements of all public baccalaureate colleges and universities in Colorado. For more information download the college catalog at www.ccd.edu.

Corequisite: A course you must take during the same semester.

# **COURSE ABBREVIATION KEY**

The following is a complete list of major academic departments at CCD. Classes may not be offered in each department every semester. Please check the class listings in this guide.

### **CCD WANTS YOU TO KNOW**

The CCD Catalog contains everything you need to know about being a CCD student, including a wealth of information on student rights and responsibilities, academic policies, student activities, and college resources. Download the catalog at www.ccd.edu.

Our website includes more information on:

- Accreditation of the college and its programs: A list of the current accrediting agencies for CCD is online or available on request at the President's Office.
- Degree and training programs offered: A list of all academic programs is online or you can request a copy through academic departments.
- College facilities and services: A list of the facilities and services CCD offers; including the Auraria Library, recreation center, computer labs and student support services.
- Services for student with disabilities
- · College faculty members
- Requirements and procedures for withdrawing from CCD courses
- Federal Student Aid return of funds guidelines: Students receiving federal student aid who withdraw, drop out, or stop attending school before 60 percent of the semester has passed may owe a refund to the federal student aid programs and to CCD.
- · Graduation and transfer rates

Please note: Nothing in the *Admissions & Registration Guide* is intended to create (nor shall be construed as creating) an expressed or implied contract. The College reserves the right to modify, change, delete, or add to, as it deems appropriate, the policies, procedures, and other general information in the *Admissions & Registration Guide*.

#### **GRADUATION AND TRANSFER RATES**

Of the 571 first-time, full-time, degree-seeking students who entered Community College of Denver in the fall of 2012, 26 percent had either graduated or transferred to another Colorado public postsecondary institution at the end of three academic years (by the end of summer 2015). Another 14 percent were still enrolled at CCD in the fall of 2015.

#### **GAINFUL EMPLOYMENT**

Information on occupations, rates for completion and placement, program costs and median loan debt may be found at www.ccd.edu/qainfulemployment.

# **VOTER REGISTRATION**

CCD fully advocates that students and staff register to vote. The most direct way to register to vote is to go to the Colorado Secretary of State's website at www.sos.state.co.us/ and click on "Register to Vote."

# CCD ALCOHOL/DRUG POLICY: DRUG-FREE SCHOOLS

CCD is committed to having alcohol/drug free campuses. In compliance with the Drug-Free Schools and Communities Act, the following is CCD's policy and prevention program for drug and alcohol abuse.

Use, possession, distribution, or sale of alcohol or drugs (narcotics or other controlled substances), except as expressly permitted by the law, is prohibited at CCD. Attending classes or College functions while under the influence of alcohol, drugs/illegal substances shall also be considered a violation of this policy.

Any student who is in violation of the above standards of conduct will be processed through the Student Code of Conduct: www.ccd.edu/studentcode. Any employee who violates the above standards will be processed under Human Resources.

# ALCOHOL AND DRUG POLICY

By Gubernatorial decree and in compliance with applicable laws, the illegal use of alcohol, other drugs, or controlled substances when on campus is prohibited.

In addition to the policy described above, education, training, and treatment programs are available through the Student Life Programs at each institution and through Auraria Human Resources. The campus may take action when policies on the use, possession, distribution, manufacture, and sale of illegal drugs have been violated. AHEC also cooperates with local, state and federal authorities in the detection and possession of drug offenses.

AHEC alcohol policies apply to the Auraria Campus and institutionsponsored activities. Administrators, alumni, faculty, guests, staff and students must adhere to all applicable state and local laws and regulations related to the sale and use of alcoholic beverages. The most common laws related to alcohol use and sales are as follows:

- The sale of alcoholic beverages is prohibited except in areas, at times, and on dates licensed by the Colorado State Department of Revenue.
- Persons under 21 years of age cannot legally possess or consume alcoholic beverages of any kind. The furnishing of alcoholic beverages to under-aged persons is prohibited.
- Alcohol cannot be consumed or carried in open containers on any street, sidewalk, alley, automobile, or public area (except as noted herein).

### SERVING ALCOHOL

Those persons or organizations that control the service of alcoholic beverages are responsible for compliance with applicable laws and campus policies. Those policies are:

- Service of alcoholic beverages is planned to stop before the close of the event.
- The burden of proof for showing legal age is on the alcohol consumer. No alcohol will be served unless clear evidence of legal age is presented. It is the responsibility of those in charge of an event to ensure that no one who is under age is served or consumes any alcoholic beverages.
- Alcohol may not be consumed or carried in open containers in common areas or "public" areas of any building or grounds except as follows: for group activities or events where a liquor license (if required) has been obtained and the scheduling officer has approved the event.

# **ILLEGAL DRUGS**

The policy for Auraria and the institutions prohibit the sale, manufacture, distribution, use or possession of illegal drugs on the Auraria Campus. This policy applies equally to administrators, faculty, staff, and students.

NOTE: Although possession and use of marijuana consistent with the requirements of the Colorado Constitution is no longer a crime in the State of Colorado, the possession and use of marijuana remains illegal under federal law. Consistent with federal law, including the Controlled Substances Act and the Drug Free Schools and Communities Act, the use and/or possession of marijuana continues to be prohibited while a student is on college owned or college controlled property, and/or any function authorized or supervised by the college and/or in state owned or leased vehicles.

# **VIOLATION OF DRUG POLICY**

Sale, distribution or manufacturing of illegal drugs by a member of the Auraria Campus community will normally result in the administration taking action to curtail the activity. This policy applies within or upon the grounds, buildings, or any other facilities of the campus. Sanctions may be imposed upon individuals found in violation of these policies, as well as violation of laws controlling drugs and alcohol.

More specific and detailed information about Auraria and institutional policies addressing drugs and alcohol concerns can be found in operations manuals, student handbooks, personnel offices or administrative policy information. Faculty, staff and students are encouraged to obtain this information through the Student Life or administrative areas of

Community College of Denver, Metropolitan State University of Denver, University of Colorado Denver or the Auraria Higher Education Center Administrative office.

Auraria Police Department 1201 5th Street, Suite 110 Denver, CO 80204 Police Communications (303) 556-5000 Fax (303) 556-4731 E-Mail dispatch@ahec.edu

# HEALTH RISKS OF ALCOHOL AND DRUG USE Alcohol Affects the Body

Alcohol is a drug. It is important for students and staff to understand that alcohol abuse impairs judgment and the peripheral and central nervous system. Alcohol affects different people in different ways. Some of the characteristics that determine the way alcohol affects people include: • Gender • Mood • Body Weight • Type of Alcohol

- Full/Empty Stomach Speed of Consumption
- Use of Medication or Other Drugs.

For most people, the effects of alcohol are determined by simple volume.

# **Alcohol Impairment**

When a person drinks alcohol, it can enter the bloodstream as soon as they begin to drink. The molecular structure of alcohol (or ethanol) is small, so the alcohol can be absorbed or transferred into the blood through the mouth, the walls of the stomach, and the small intestine.

The stomach has a relatively slow absorption rate; it is the small intestine that absorbs most of the alcohol. It is important to keep the alcohol in the stomach as long as possible by eating food, which dilutes the alcohol and keeps it from entering the small intestine so quickly. Once alcohol gets into the bloodstream it moves through the body and comes into contact with virtually every organ. However, some of the highest concentrations, and the highest impact, are caused by the alcohol that reaches the brain.

The body is quite efficient when it comes to dealing with alcohol. The liver is designed to metabolize the alcohol as it is consumed. Enzymes break down the alcohol into harmless products and then it is excreted. However, the liver can only handle so much alcohol at a time. For a person of average weight and body type, the liver and small intestine can handle alcohol at a rate of about one drink per hour.

If a person drinks at a faster rate than one drink per hour, the alcohol stays in the body, waiting to be metabolized. If there is more alcohol in the body than can be metabolized, the result is increasing levels of intoxication.

Information source: www.bacchusnetwork.org

For information regarding the affects of illicit drugs on the body, we recommend: www.justice.gov/dea/druginfo/factsheets.shtml

# POTENTIAL SANCTIONS FOR VIOLATIONS OF THE ALCOHOL AND DRUG POLICY

At the Community College of Denver, any student who is found to be in violation of the alcohol and/or drug policy will be adjudicated under the Student Code of Conduct: CCD.edu/StudentCode. If found responsible for a violation, the student may face sanctions which range from warning to expulsion.

## RESOURCES FOR STUDENTS AND EMPLOYEES

If a student or employee has questions about alcohol or drug use and is in need of counseling, treatment or rehabilitation programs, information is available through the Auraria Health Center at 303.556.2525.

Information on available counseling, treatment, rehabilitation or re-entry programs is available through the Colorado Department of Health, CCD's Human Resources Department and the following resources.

Auraria Health Center, PL150, 303-556-2525

**Additional Treatment Centers** 

- Adams Community Mental Health Center, 303-853-3654
- Arapahoe/Douglas Mental Health Network, 303-730-3303
- Boulder County Mental Health Center, 303-447-1665 (24 hours)
- Mental Health Center of Denver, 303-504-6500
- Jefferson County Mental Health Center, 303-425-0300 (24 hours)

## **DIRECTORY INFORMATION**

CCD designates the following as directory information: student name, major field of study, participation in officially recognized activities or sports, dates of attendance, part-time or full-time enrollment status, degree/awards received, and most recent educational institution attended. The college may disclose this information without prior written consent, unless notified in writing to the contrary by the first day of classes each semester. Admissions, Registration & Records handles all requests for CCD student directory information.

### PRIVACY ACT NOTIFICATION

Other than the directory information specified in the section above, the college will not release educational records of students without their written consent. The signed and dated consent must indicate which records CCD can release.

CCD complies fully with the Family Educational Rights and Privacy Act (FERPA), which protects the privacy of student educational records. Contact Admissions, Registration & Records for more information.

# **AMERICANS WITH DISABILITIES ACT**

The Americans with Disabilities Act Amendments Act (ADAAA) of 2008 prohibits discrimination based on disability in admission to, access to and the operation of programs, services or activities at CCD. The college is committed to providing an environment where all students have the opportunity to attain their educational goals. CCD provides both physical and programmatic access for all students. Reasonable accommodations will be made to ensure full educational opportunities for all students.

Questions, complaints and requests for additional information may be directed to the Accessibility Center Director, Dr. Christine Flug, Campus Box 400, P.O. Box 173363, Denver, CO 80217-3363, 303-556-3300.

#### NOTICE OF NON-DISCRIMINATION

The Community College of Denver prohibits all forms of discrimination and harassment including those that violate federal and state law, or the State Board for Community Colleges and Occupational Education Board Policies 3-120 or 4-120. The College does not discriminate on the basis of sex/gender, race, color, age, creed, national or ethnic origin, physical or mental disability, veteran status, pregnancy status, religion, genetic information, gender identity, or sexual orientation in its employment practices or educational programs and activities. The Community College of Denver will take appropriate steps to ensure that the lack of English language skills will not be a barrier to admission and participation in vocational education programs.

The College has designated Patty Davies as its Affirmative Action Officer/Equal Opportunity Coordinator/Title IX Coordinator with the responsibility to coordinate its civil rights compliance activities and grievance procedures. For information, contact:

Patty Davies
Director of Human Resources/Title IX Coordinator
Administration Building, Room 310
Campus Box 240 / P.O. Box 173363
Denver, CO 80217-3363
303.352.3310

You may also contact the Office for Civil Rights, U.S. Department of Education, Region VIII, Federal Office Building, 1244 North Speer Boulevard, Suite 310, Denver, CO 80204, telephone (303) 844-3417.

### Aviso de No Discriminación

Community College de Denver prohíbe toda forma de discriminación y acoso inclusive las que violan la ley federal y estatal, o las políticas 3-210 o 4-120 del State Board of Community Colleges and Occupational Education (Consejo Estatal de Instituciones de Educación Superior de Dos Años y de Educación Vocacional). Community College de Denver no discrimina a base de sexo/género, raza, color, edad, credo, origen nacional o étnico, disabilidad física o mental, estado de veterano, estado de embarazo, religion, información genética, identidad de género, u orientación sexual en sus prácticas de empleo o programas y actividades educativos. Community College de Denver tomará medidas apropiadas para asegurar que la falta de habilidades en el inglés no sea barrera para la admisión y participación en programas de educación vocacional.

Community College de Denver ha designado a Patty Davies como su Agente de Acción Afirmativa/Coordinadora de Oportunidad Equitativa/ Coordinadora de Título IX con la responsabilidad de coordinar sus actividades de cumplimiento con los derechos civiles y los procedimientos de reclamación. Para información, póngase en contacto con:

Patty Davies
Director of Human Resources/Title IX Coordinator
Administration Building, Room 310
Campus Box 240 / P.O. Box 173363
Denver, CO 80217-3363
303.352.3310

También se puede poner en contacto con la Office for Civil Rights (Oficina de Derechos Civiles), U.S. Department of Education, Region VIII, Federal Office Building, 1244 North Speer Boulevard, Suite 310, Denver, CO 80204, teléfono (303) 844-3417.

# **CAMPUS CRIME INFORMATION**

Campus crime information and reported criminal offenses committed on the Auraria Higher Education Center (AHEC) Campus, and at CCD Health Sciences Center at Lowry and The Advanced Manufacturing Center are available through the AHEC website at www.ahec.edu/campuspolice/clery\_report.htm.

Community College of Denver strives to provide a safe and healthy environment that enhances the learning process. Each student and employee should be able to attend classes, work on campus, and/or participate in activities with a feeling that they are in an environment that is safe and secure. The college provides to all prospective students and CCD employees the Campus Security Policies and Procedures and the most recent campus crime statistics. This is part of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC § 1092(f)). For a complete report go to www.ccd.edu, or contact the Director of Student Conduct at 303-556-2597.

# Statement Regarding Registered Sex Offenders

Colorado Revised Statutes requires that "each institution of post secondary education in the state shall provide a statement to its campus community identifying the name and location at which members of the community may obtain the law enforcement agency information collected pursuant to 19-3-412(6.3), C.R.S., concerning registered sex offenders."

Information concerning persons who are required by Colorado law to register as sex offenders, including registered sex offenders who are enrolled, employed, or volunteering at CCD, may be obtained from the Denver Police Department, 1331 Cherokee St. (720-913-2000) or the Auraria Campus Police (303-556-5000).

#### FINANCIAL TERMS AND CONDITIONS

The following is the Agreement between us (Colorado Community College System) and you, regarding our delivery of educational services for which you agree to pay in the future in accordance with this agreement. The Colorado Community College System includes Arapahoe Community College, Community College of Aurora, Community College of Denver, Colorado Northwestern Community College, Front Range Community College, Lamar Community College, Morgan Community College, Northeastern Junior College, Otero Community College, Pueblo Community College, Pikes Peak Community College, Red Rocks Community College, Trinidad State Junior College, and the System Office hereinafter referred to as 'the College'. By allowing charges to be applied to your student account, you will be bound by this Agreement.

- Use of Account You authorize us to add to your account all tuition, fees, and other charges incurred by you as a result of attending the College.
- 2. Promise to pay By registering for classes or authorizing charges to be added to your account, you represent to us that you have the intention and ability to pay and you promise to pay for all charges placed on your account as well as any service charges or collection costs, if any, that may be due. This includes subsequent registrations for this term and any part of term within this term of registration.
- 3. Student Account and Billing Statement Student Account activity is available electronically via the student portal. In addition, the College may send electronic billing statement notices to the student's College-issued email address on record. The College may also send paper billing statements to the student's physical address on record with the college of attendance, but is not required to do so. Failure by a student to view their Student Account or receive any billing statement does not constitute valid grounds for waiving late payment penalties or registration, grade, diploma or transcript holds.
- 4. Minimum Payment Billed charges are due in full by the payment deadline determined by each college. Check with your college of attendance for more information. Accounts not paid in full by the college deadline will be placed on hold for future registration, grades, diplomas, and transcripts. This hold on services includes all Colorado Community Colleges.
- 5. Types of Payments The College is able to accept payment on your account by cash, check, money order, VISA, MasterCard, Discover, deferred payment plans and third party payer authorizations. The college you are attending may also accept American Express. Payments are accepted in person or by mail at the cashier's office of the College. Credit card payments are accepted online through your student web portal. For more information on paying online contact the cashiers office of the College you are attending. Students who have previously provided a check that was dishonored by their financial institution (insufficient funds check or EFT) and students who have previously filed bankruptcy may be required to pay in cash or with other certified funds. Check with your college of attendance for more information.

### 6. Other Fees

Returned Check Fee – A returned check fee will be added to your account for any check returned by your financial institution. The College reserves the right to pursue all legal remedies available to collect on a returned check.

Collection Agency Costs – Collection agency costs will be assessed on the unpaid balance of your account, including internal collection costs of no more than 40% of the unpaid balance, after internal collection efforts have failed to induce you to pay your account or enter into a payment Agreement. Your account will be sent to a collection agency and may be reported to one or more credit bureau reporting service(s). To the extent permitted by applicable law, you agree to pay all costs and disbursements, including reasonable attorney's fees, incurred by us in legal proceedings to collect or enforce your indebtedness.

Interest – The college you are attending or the collection agency may assess interest on the unpaid portion of your past due student account. Interest costs may be assessed up to the maximum permitted under Colorado law.

7. Payments – Payments and credits posted after the due date or totaling less than the entire balance owed to your college will reduce the balance due as of the date posted but will not remove restrictions and holds on registration, grades, diplomas, and transcripts. All payments received will be applied to the billed unpaid balance. Payments made to your account through the Office of Financial Aid will be applied as mandated by the State, the Federal government or the organization providing the funds. Any excess amount paid to your account through the Office of Financial Aid will be automatically refunded to you, without a request on your part. If you have activated your student refund account, your refund will be processed according to the refunding preference you established. If you do not have a student refund account a check will be mailed to your current address on file.

Please note: Federal financial aid regulations do not permit the College to automatically apply your upcoming financial aid refund to a past due balance from a previous term. If you expect a refund of financial aid to pay off a prior term balance from a previous financial aid year, you will need to personally receive the refund and then separately pay your balance due at the Cashier's Office for your college of attendance. Similarly, financial aid received for one college may not be applied to a balance you owe at a different Colorado community college.

- 8. Hold on Services The Community College System colleges will not permit you to register for classes, release a diploma, or provide a transcript, if you have an outstanding financial obligation to any of the Community Colleges other than a loan that is not yet due or on which payments are current. In addition the colleges may withhold other services if you have an outstanding financial obligation with any other school within the Community College System.
- 9. Credit Reports We may release information to credit reporting agencies about our experience with your account. We may obtain a credit report on you at any time in the future to review your account and information from that review may be used to influence your ability to obtain credit with the College.
- 10. Entire Balance Due If you fail to make a required payment when due or break any other promise under this Agreement or a separate payment Agreement, we can declare the entire balance of your account due and payable at once without notice or demand.

- 11. Removal from Classes The College reserves the right to drop your enrollment in class for failure to abide by this Agreement or any other payment Agreement you have entered into with a College.
- 12. Collection Cost To the extent permitted by applicable law, you agree to pay all costs and disbursements, including reasonable attorney's fees, incurred by us in legal proceedings to collect or enforce your indebtedness.
- 13. Bankruptcy Enrollment in (a) class(es) constitutes a financial obligation between the student and College. Any and all services received by the student under this Agreement are for educational purposes and constitute an educational loan pursuant to 11 U.S.C. § 523(a) (8) that is non-dischargeable in bankruptcy.
- 14. Telephone Consumer Protection Act (TCPA) I authorize the College and their respective agent(s) and contractors to contact me regarding my loan request or my loans(s), including repayment of my loan(s), at the current or any future telephone number either provided or acquired for my cellular phone or other wireless device using an automated telephone dialing equipment or artificial or pre-recorded voice or text messages.
- 15. Change of Terms We can change the terms of this Agreement at any time. We will provide notice of such change on your student portal account and allow you the opportunity to pay your account in full if you dispute the change. It is your responsibility to ensure you are aware of any changes, including changes to any and all tuition and fees. Changes may apply to all outstanding unpaid indebtedness and to any future transactions on your account.
- 16. Disclaimer of Liability We offer your account in our own interests and disclaim any duty or responsibility other than those expressly set forth in this Agreement.
- 17. Assignment We can assign your account and any of our rights under this Agreement without your consent or notice to you.
- 18. Governing Laws This Agreement will be governed by the laws of the State of Colorado and all applicable federal laws. Any provision of this Agreement that is rendered null and void by the operation of this provision shall not invalidate the remainder of this Agreement, to the extent capable of execution.
- 19. Notices All notices required to be given by us in connection with your account shall be deemed to have been delivered on the day when they are deposited in the United States mail, properly addressed and with postage prepaid. Any notice by email is considered received when the email enters the information processing system that the recipient has designated or uses for the purpose of receiving email. Student account information is considered received when the information is posted on the student portal.
- 20. Billing Rights Summary In case of errors or questions about your account, if you think your account is inaccurate, or if you need more information about a transaction on your account, write to us immediately at the address shown on your bill, or call the College Cashier's Office at the number on your bill.
- 21. State of Colorado Offset As an agency of the State of Colorado, we have the authority to intercept state income tax refunds or other funds due you from the State of Colorado (vendor, lottery, gaming etc.) for debts owed to the state.
