SUMMARY OF SIGNIFICANT CHANGES TO THE CDS FOR 2009-2010

The items listed below are shaded in yellow throughout the spreadsheet's worksheets.

CHANGED ITEMS

First professional : removing references to the first professional degrees throughout the CDS, since this nomenclature is no longer relevant.

Question A5: "Degrees offered" will allow colleges to indicate if they offer a doctoral/research; doctoral/professional; or doctoral other. First professional and first professional certificate categories will be eliminated.

Question B1: First professional enrollment will be captured in "graduate" enrollment. The categories of First-time, first-professional students, all other first-professionals, and total first-professional are being eliminated and rolled into the graduate section.

Question B3: "Number of degrees awarded" will drop the categories of first professional degrees and first professional certificates and change the doctoral category to: Doctoral degrees – research/scholarship, Doctoral degrees – professional practice, and Doctoral degrees – other.

Question I1f: "Instructional faculty" - eliminating first professional from question F.

Indebtedness: clarification to questions H5 and H5A. Changing "undergraduate indebtedness" to read "undergraduate-borrower cumulative principal borrowed"

Changing H5 from:

Report the average per-borrower cumulative <u>undergraduate indebtedness</u> of those in line H4.

To:

Report the average per-undergraduate-borrower cumulative principal borrowed of those in line H4.

Changing H5a from:

Report the average per-borrower cumulative <u>undergraduate indebtedness</u> through federal loan programs--Federal Perkins, Federal Stafford Subsidized and Unsubsidized. Include both Federal Direct Student Loans and Federal Family Education Loans.

To:

Report the average per-<u>undergraduate-borrower cumulative principal borrowed</u>, of those in H4a, through federal loan programs--Federal Perkins, Federal Stafford Subsidized and Unsubsidized. Include both Federal Direct Student Loans and Federal Family Education Loans.

Freshman Profile

Provide percentages for ALL enrolled, degree-seeking, full-time and part-time, first-time, first-year (freshman) students enrolled in fall 2009, including students who began studies during summer, international students/nonresident aliens, and students admitted under special arrangements.

C9 Percent and number of first-time, first-year (freshman) students enrolled in fall 2009 who submitted national standardized (SAT/ACT) test scores. Include information for ALL enrolled, degree-seeking, first-time, first-year (freshman) students who submitted test scores. Do not include partial test scores (e.g., mathematics scores but not critical reading for a category of students) or combine other standardized test results (such as TOEFL) in this item. Do not convert SAT scores to ACT scores and vice versa. The 25th percentile is the score that 25 percent scored at or below; the 75th percentile score is the one that 25 percent scored at or above.

Provide 2010-2011 academic year costs of attendance for the following categories that are applicable to your institution.

Check here if your institution's 2010-2011 academic year costs of attendance are not available at this time and provide an approximate date (i.e., month/day) when your institution's final 2010-2011 academic year costs of attendance will be available:

G1 Undergraduate full-time tuition, required fees, room and board List the typical tuition, required fees, and room and board for a full-time undergraduate student for the FULL 2010-2011 academic year (30 semester or 45 quarter hours for institutions that derive annual tuition by multiplying credit hour cost by number of credits). A full academic year refers to the period of time generally extending from September to June; usually equated to two semesters, two trimesters, three quarters, or the period covered by a four-one-four plan. Room and board is defined as double occupancy and 19 meals per week or the maximum meal plan. Required fees include only charges that all full-time students must pay that are not included in tuition (e.g., registration, health, or activity fees.) Do not include optional fees (e.g., parking, laboratory use).

H. FINANCIAL AID

Aid Awarded to Enrolled Undergraduates Enter total dollar amounts awarded to enrolled full-time and less than full-time degree-seeking undergraduates (using the same cohort reported in CDS Question B1, "total degree-seeking" undergraduates) in the following categories. (Note: If the data being reported are final figures for the 2008-2009 academic year (see the next item below), use the 2008-2009 academic year's CDS Question B1 cohort.) Include aid awarded to international students (i.e., those not qualifying for federal aid). Aid that is non-need-based but that was used to meet need should be reported in the need-based aid columns. (For a suggested order of precedence in assigning categories of aid to cover need see columns. (For a suggested order of precedence in assigning categories of aid to cover need, see the entry for "non-need-based scholarship or grant aid" on the last page of the definitions section.)

If your institution has recently implemented any major financial aid policy, program, or initiative to make your institution more affordable to incoming students such as replacing loans with grants, or waiving costs for families below a certain income level please provide details below:

I. INSTRUCTIONAL FACULTY AND CLASS SIZE

Please report the number of instructional faculty members in each category for Fall 2009. Include faculty who are on your institution's payroll on the census date your institution uses for IPEDS/AAUP.

The following definition of full-time instructional faculty is used by the American Association of University Professors (AAUP) in its annual Faculty Compensation Survey (the part time definitions are not used by AAUP). Instructional Faculty is defined as those members of the instructional-research staff whose major regular assignment is instruction, including those with released time for research. Use the chart below to determine inclusions and exclusions:

	Full-time	Part-time
(a) instructional faculty in preclinical and clinical medicine, faculty who are not paid (e.g., those who donate their services or are in the military), or research-only faculty, post- doctoral fellows, or pre-doctoral fellows	Exclude	Include only if they teach one or more non- clinical credit courses
(b) administrative officers with titles such as dean of students, librarian, registrar, coach, and the like, even though they may devote part of their time to classroom instruction and may have faculty status	Exclude	Include if they teach one or more non- clinical credit courses
(c) other administrators/staff who teach one or more non-clinical credit courses even though they do not have faculty status	Exclude	Include
(d) undergraduate or graduate students who assist in the instruction of courses, but have titles such as teaching assistant, teaching fellow, and the like	Exclude	Exclude
(e) faculty on sabbatical or leave with pay	Include	Exclude
(f) faculty on leave without pay	Exclude	Exclude
(g) replacement faculty for faculty on sabbatical leave or leave with pay	Exclude	Include

Full-time instructional faculty: faculty employed on a full-time basis for instruction (including those with released time for research)

Part-time instructional faculty: Adjuncts and other instructors being paid solely for part-time classroom instruction. Also includes full-time faculty teaching less than two semesters, three quarters, two trimesters, or two four-month sessions. Employees who are not considered full-time instructional faculty but who teach one or more non-clinical credit courses may be counted as part-time faculty.

Minority faculty: includes faculty who designate themselves as black, non-Hispanic; American Indian or Alaska Native; Asian or Pacific Islander; or Hispanic.

Doctorate: includes such degrees as Doctor of Philosophy, Doctor of Education, Doctor of Juridical Science, and Doctor of Public Health in any field such as arts, sciences, education, engineering, business, and public administration. Also includes terminal degrees formerly designated as "first professional," including dentistry (DDS or DMD), medicine (MD), optometry (OD), osteopathic medicine (DO), pharmacy (DPharm or BPharm), podiatric medicine (DPM), veterinary medicine (DVM), chiropractic (DC or DCM), or law (JD).

Terminal degree: the highest degree in a field: example, M. Arch (architecture) and MFA (master of fine arts).

11	j)	Total number in stand-alone graduate/ professional programs in which faculty teach virtually only graduate-level students			

I2 Student to Faculty Ratio

11

Report the Fall 2009 ratio of full-time equivalent students (full-time plus 1/3 part time) to full-time equivalent instructional faculty (full time plus 1/3 part time). In the ratio calculations, exclude both faculty and students in stand-alone graduate or professional programs such as medicine, law, veterinary, dentistry, social work, business, or public health in which faculty teach virtually only graduate-level students. Do not count undergraduate or graduate student teaching assistants as faculty.

12	Fall 2009 Student to Faculty ratio	27 to 1	(based on	5466 students
			and	205 faculty).

13 Undergraduate Class Size

In the table below, please use the following definitions to report information about the size of classes and class sections offered in the Fall 2009 term.

Class Sections: A class section is an organized course offered for credit, identified by discipline and number, meeting at a stated time or times in a classroom or similar setting, and not a subsection such as a laboratory or discussion session. Undergraduate class sections are defined as any sections in which at least one degree-seeking undergraduate student is enrolled for credit. Exclude distance learning classes and noncredit classes and individual instruction such as dissertation or thesis research, music instruction, or one-to-one readings. Exclude students in independent study, co-operative programs, internships, foreign language taped tutor sessions, practicums, and all students in one-on-one classes. Each class section should be counted only once and should not be duplicated because of course catalog cross-listings.

Class Subsections: A class subsection includes any subsection of a course, such as laboratory, recitation, and discussion subsections that are supplementary in nature and are scheduled to meet separately from the lecture portion of the course. Undergraduate subsections are defined as any subsections of courses in which degree-seeking undergraduate students enrolled for credit. As above, exclude noncredit classes and individual instruction such as dissertation or thesis research, music instruction, or one-to-one readings. Each class subsection should be counted only once and should not be duplicated because of cross-listings.

Using the above definitions, please report for each of the following class-size intervals the number of class sections and class subsections offered in Fall 2009. For example, a lecture class with 800 students who met at another time in 40 separate labs with 20 students should be counted once in the "100+" column in the class section column and 40 times under the "20-29" column of the class subsections table.

J. DEGREES CONFERRED

J1 Degrees conferred between July 1, 2008 and June 30, 2009

J1 For each of the following discipline areas, provide the percentage of diplomas/certificates, associate, and bachelor's degrees awarded. To determine the percentage, use majors, not headcount (e.g., students with one degree but a double major will be represented twice). Calculate the percentage from your institution's IPEDS Completions by using the sum of 1st and 2nd majors for each CIP code as the numerator and the sum of the Grand Total by 1st Majors and the Grand Total by 2nd major as the denominator. If you prefer, you can compute the percentage using 1st majors only.

Common Data Set Definitions
II definitions related to the financial aid section appear at the end of the Definitions document.
tems preceded by an asterisk (*) represent definitions agreed to among publishers which do not appear on the DDS document but may be present on individual publishers' surveys.
Academic advisement: Plan under which each student is assigned to a faculty member or a trained advise
who, through regular meetings, helps the student plan and implement immediate and long-term academic and rocational goals.
Accelerated program: Completion of a college program of study in fewer than the usual number of years,
nost often by attending summer sessions and carrying extra courses during the regular academic term.
dmitted student: Applicant who is offered admission to a degree-granting program at your institution.
Adult student services: Admission assistance, support, orientation, and other services expressly for adults
who have started college for the first time, or who are re-entering after a lapse of a few years. American Indian or Alaska native: A person having origins in any of the original peoples of North America
and who maintains cultural identification through tribal affiliation or community recognition.
Applicant (first-time, first year): An individual who has fulfilled the institution's requirements to be considered
or admission (including payment or waiving of the application fee, if any) and who has been notified of one o
he following actions: admission, nonadmission, placement on waiting list, or application withdrawn (by
applicant or institution). Application fee: That amount of money that an institution charges for processing a student's application for
acceptance. This amount is not creditable toward tuition and required fees, nor is it refundable if the student
tot admitted to the institution. Asian or Pacific Islander: A person having origins in any of the original peoples of the Far East, Southeast
sia, the Indian Subcontinent, or Pacific Islands. This includes people from China, Japan, Korea, the
Philippine Islands, American Samoa, India, and Vietnam. Associate degree: An award that normally requires at least two but less than four years of full-time equivale
solicitie degree: An award that normally requires at least two but less than four years of full-time equivale college work.
Bachelor's degree: An award (baccalaureate or equivalent degree, as determined by the Secretary of the
J.S. Department of Education) that normally requires at least four years but not more than five years of full-
ime equivalent college-level work. This includes ALL bachelor's degrees conferred in a five-year cooperative
work-study plan) program. (A cooperative plan provides for alternate class attendance and employment in
pusiness, industry, or government; thus, it allows students to combine actual work experience with their colleg studies.) Also, it includes bachelor's degrees in which the normal four years of work are completed in three
ears.
Black, non-Hispanic: A person having origins in any of the black racial groups of Africa (except those of
lispanic origin).
Board (charges): Assume average cost for 19 meals per week or the maximum meal plan.
Books and supplies (costs): Average cost of books and supplies. Do not include unusual costs for special proups of students (e.g., engineering or art majors), unless they constitute the majority of students at your
istitution.
calendar system: The method by which an institution structures most of its courses for the academic year.
Campus Ministry: Religious student organizations (denominational or nondenominational) devoted to
ostering religious life on college campuses. May also refer to Campus Crusade for Christ, an
nterdenominational Christian organization.
Career and placement services: A range of services, including (often) the following: coordination of visits
employers to campus; aptitude and vocational testing; interest inventories, personal counseling; help in esume writing, interviewing, launching the job search; listings for those students desiring employment and
hose seeking permanent positions; establishment of a permanent reference folder; career resource material
Carnegie units: One year of study or the equivalent in a secondary school subject.
Certificate: See Postsecondary award, certificate, or diploma.
Class rank: The relative numerical position of a student in his or her graduating class, calculated by the high
school on the basis of grade-point average, whether weighted or unweighted. College-preparatory program: Courses in academic subjects (English, history and social studies, foreign
anguages, mathematics, science, and the arts) that stress preparation for college or university study.
Common Application: The standard application form distributed by the National Association of Secondary
School Principals for a large number of private colleges who are members of the Common Application Group

community or participate in volunteer activities coordinated by academic departments.
Commuter: A student who lives off campus in housing that is not owned by, operated by, or affiliated with the
ollege. This category includes students who commute from home and students who have moved to the area o attend college.
Contact hour: A unit of measure that represents an hour of scheduled instruction given to students. Also
eferred to as clock hour.
Continuous basis (for program enrollment): A calendar system classification that is used by institutions
hat enroll students at any time during the academic year. For example, a cosmetology school or a word
processing school might allow students to enroll and begin studies at various times, with no requirement that
lasses begin on a certain date. Cooperative education program: A program that provides for alternate class attendance and employment
properative education program: A program that provides for alternate class alternative and employment pusiness, industry, or government.
Cooperative housing: College-owned, -operated, or -affiliated housing in which students share room and
poard expenses and participate in household chores to reduce living expenses.
Counseling service: Activities designed to assist students in making plans and decisions related to their
education, career, or personal development.

Credit course: A course that, if successfully completed, can be applied toward the number of courses
required for achieving a degree, diploma, certificate, or other formal award. Credit hour: A unit of measure representing an hour (50 minutes) of instruction over a 15-week period in a semester or trimester system or a 10-week period in a quarter system. It is applied toward the total number of hours needed for completing the requirements of a degree, diploma, certificate, or other formal award.
Cross-registration: A system whereby students enrolled at one institution may take courses at another nstitution without having to apply to the second institution.
Deferred admission: The practice of permitting admitted students to postpone enrollment, usually for a period of one academic term or one year.
Degree: An award conferred by a college, university, or other postsecondary education institution as official
recognition for the successful completion of a program of studies. Degree-seeking students: Students enrolled in courses for credit who are recognized by the institution as
