RITCHIE CENTER — UNIVERSITY OF DENVER CAMPUS

MESSAGE FROM THE PRESIDENT

Dear CCD Graduate,

Congratulations on your graduation from the Community College of Denver (CCD). On behalf of CCD's faculty, staff and alumni, we are proud to share this day with you. We commend you on your academic achievements and for reaching this milestone in your life. The degree or certificate you have earned is the result of dedication, long hours of study, discipline, and the uncompromising pursuit of your goal of a college education. Now, that day has come; you have reached your goal. Celebrate this moment. Take the time to thank those who have supported you, and continue striving to reach other wonderful dreams and goals.

From every CCD member, we wish you great success in the years to come. Best Wishes!

Sincerely,

THE IMPORTANCE OF REGALIA

REGALIA — the emblems, symbols and special dress of graduation include the robes, hoods, stoles, caps, tassels, cords and medals worn by Community College of Denver (CCD) graduates, faculty, staff and administrators. CCD graduates are wearing purple robes and mortarboards (caps). The purple and gold tassels that hang from the graduates' mortarboards identify CCD as their graduating college. Many of our graduates also wear a gold tassel, which indicates they are members of the Phi Theta Kappa Honor Society. A shorter gold tassel on the headgear of faculty, staff and administrators signifies the individual has earned a doctorate degree. A beret (tam), instead of a mortarboard, means the person has earned an advanced degree. Faculty, staff and administrators also wear "hoods" over their robes, which visually separate them from the graduates. Hood colors identify the school from which the individual graduated, the degree he or she earned and the area of study emphasis. Colored stripes on robe sleeves and at the throat also identify areas of study emphasis and degrees earned.

SIGNIFICANCE OF THE MACE

The academic scepter, or mace, was one of the earliest distinctive signs of medieval university officials. The mace was originally a wooden staff carried by royal messengers. It was carried by university dignitaries during processions and graduation ceremonies, and was displayed as a symbol to command order during classes. In the 15th century it became symbolic of academic dignity. The mace of CCD is proudly carried and displayed during each commencement ceremony.

CCD HONORS for degree recipients are indicated by the following symbols in this program and if noted graduates may be recognized by the designated regalia described below:

- ▼ **Cum Laude**
(with honor) Cumulative Grade Point Average (CGPA) of 3.5-3.74
- ❖ **Magna Cum Laude**
(with great honor) CGPA of 3.75-3
- **Summa Cum Laude**
(with highest honors) CGPA of 4.0

■ **Honors Program** – These graduates may wear purple and gold cords and have completed the special honors program that requires additional course work within regular classes.

+ **National Society for Leadership and Success** – These graduates wear white stoles with black and white cords. NSLS is the nation's largest leadership honor society. Members are selected based on academic standing or leadership potential. Candidacy is a nationally recognized achievement of honorable distinction.

◆ **Phi Theta Kappa** – These graduates wear a gold stole and have distinguished themselves not only by earning high grades, but through leadership, fellowship and service to the school and community. PTK officers are wearing medals that signify their office.

● **President's Service Award** – These graduates wear medallions for recognition by the CCD President for their overall outstanding contribution to the college and the communities it represents. A student may receive this award only once.

★ **Psi Beta National Honor Society in Psychology** – These graduates may wear cords, stoles or medallions. Psi Beta's mission is to encourage professional development and psychological literacy of all students at two-year colleges through promotion and recognition of excellence in scholarship, leadership, research, and community service.

§ **Scholarship Recipient 2016/17, 2017/18** – These graduates distinguished themselves while attending CCD and were awarded scholarships for their outstanding contributions and achievements.

In recognition of their military service to the United States of America, CCD honors graduating military and veteran students with red, white and blue cords.

Graduates of the Health Sciences Programs may wear special pins to signify entry into their profession.

DEGREES & CERTIFICATES

CERTIFICATES

CCD offers a variety of certificate and degree programs. The college specially designs courses and sequences of courses in cooperation with business, commerce and local government that lead to a certificate award for students who complete the programs. Study for a certificate provides opportunity and rewards for students who wish to improve skills in their occupational/vocational fields. Courses in certificate sequences apply toward appropriate associate degree programs at CCD. Certificates are offered in more than 40 fields/occupations.

DEGREES

Associate of Arts (AA) Degree – A CCD Associate of Arts (AA) degree provides a learning foundation in communications, social science, arts and humanities. Although some students earn their AA for personal enrichment, most plan to transfer their AA credits to four-year colleges and universities to earn baccalaureate (bachelors') degrees. Eighteen statewide AA transfer degree designations are offered.

Associate of Science (AS) Degree – The CCD Associate of Science (AS) degree is a university parallel/transfer program in mathematics and the sciences. Six statewide AS transfer degree designations are offered.

Associate of General Studies (AGS) Degree – CCD offers an Associate of General Studies (AGS) degree. This degree requires the lower-division core general education courses, which transfer to all majors at all state four-year colleges and universities.

Associate of Applied Science (AAS) Degree – An Associate of Applied Science (AAS) degree program at CCD prepares students for entry-level employment in a given occupation or helps students upgrade employable skills. AAS degrees are offered in nearly 30 areas of emphasis at the college.

Bachelor of Applied Science (BAS) Degree – CCD offers the Bachelor of Applied Science (BAS) as a degree completion program enabling students with a prior AAS to enhance their professional development and expand their career options. CCD offers a BAS Degree in Dental Hygiene.

IN MEMORIAM

Carlos Moreno, a dear colleague and friend, was one of the victims in the tragic Walmart shooting in Thornton on Wednesday, November 1, 2017

Moreno worked in the Auraria Higher Education Center's Facilities Services department. He's remembered fondly for his eternal kindness, contagious smile, and constant dedication over the course of his 18 years on the Auraria Campus.
