

Login to D2L

Two ways:

- CCD Connect – S# and password
- Select My Schedule icon

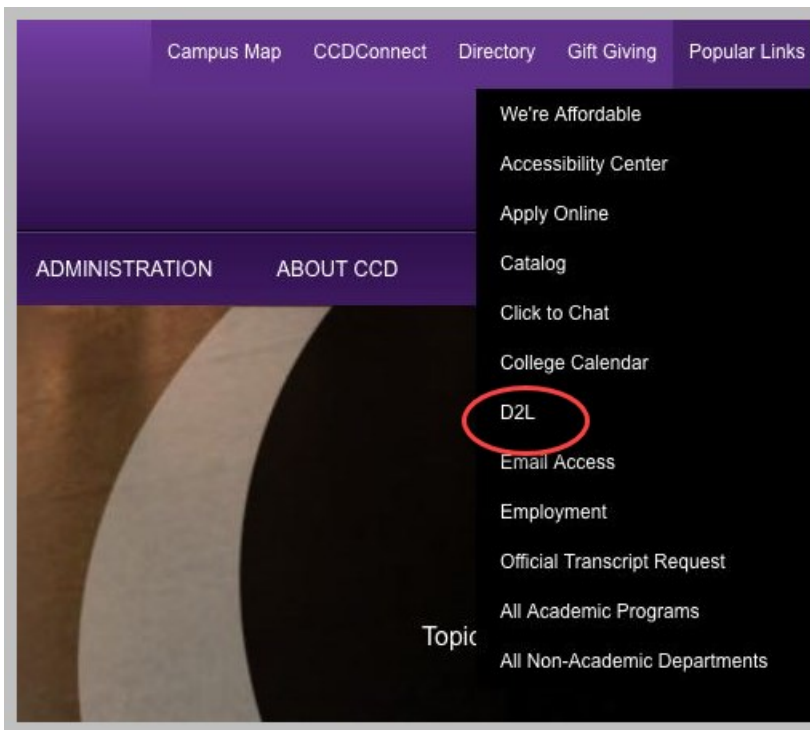

- Click on any of your courses and this will link you to D2L.

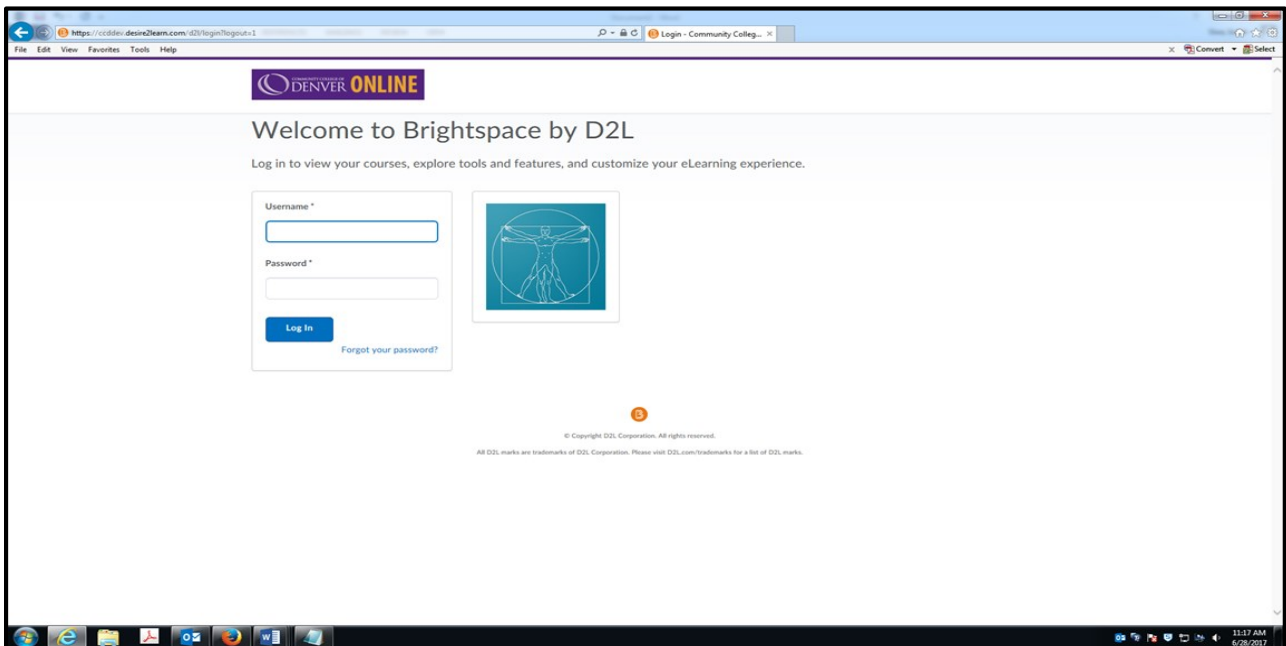

- Do a search on CCD's webpage, CCD.EDU
- Popular Links – Choose D2L

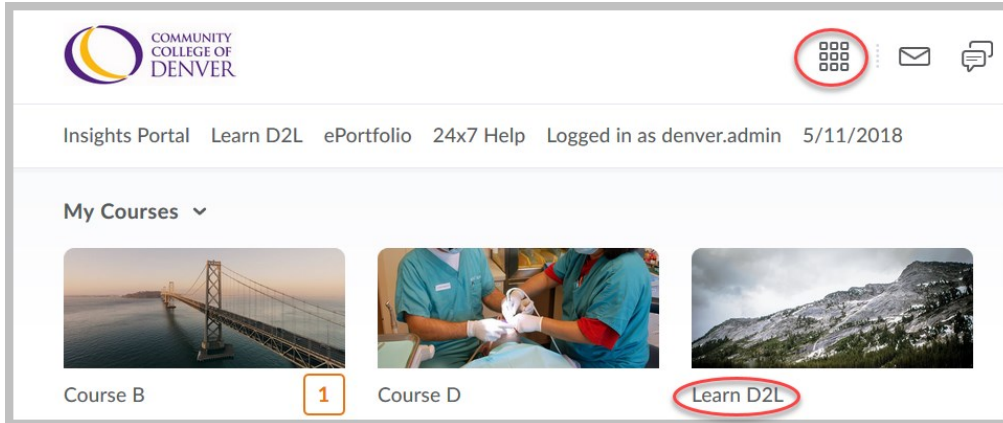

- User name is S#, Password is the same that you set up through CCD Connect

Course Homepage

- Choose your Course – different options that will take you to the same place.
 - a. Tiny squares icon, or “the waffle” will take you to courses listed by name
 - b. Click on image or name of course beneath image

- Classes will not appear on your D2L homepage until their official start date.
- Course home is the main page for a class in D2L. Instructor information, course news, a calendar, and more can be found here. This page is set up by your instructor.
