Index ............................................................................................................. 162
I am concluding my first year as president of Community College of Denver. As I enter my second year, I suppose I would be considered a rising freshman or a newly-minted sophomore. Either way, I’m finding CCD a delightful haven of intellectual growth and curiosity. That’s exactly the thing that makes CCD so special. It encourages growth and curiosity.

It is becoming more prevalent these days to refer to community college as having admissions policies that are rooted in “guided enrollment” rather than “open enrollment”. Don’t get me wrong, CCD has no intentions of turning any students with the grit and determination to academically excel away. Like other community colleges focused on retention, persistence and graduation rather than double-digit admissions growth, CCD is seeking incoming students with a mind-set bent toward personal and academic growth. We seek to have enter our ranks men and women — regardless of age or any other consideration — who are open-minded, curious and perfectly willing to let us guide you toward your academic goals.

This growth mind-set acknowledges a couple of key things. First, that college is a personal and family investment that will require sacrifices. No more marathon television watching. No more partying ‘til the wee hours of the morning. In some cases, very little time to be the always available spouse, sibling or responsible home-care provider. At bottom, college requires hard choices. Second, the choice means that you will become more different and, perhaps, more unknowable to those believing that they know you well. They know the old you. The new you will have to come to know on your new growth terms. Let me give you an example. A first-generation college mom attending CCD may soon discover that green vegetables retain their nutrients best if microwaved rather than boiled in a pot. She changes her cooking methods and her sisters berate her for trying to act better than they are — even despairing that Big Mama never cooked that way. If this situation resembles one that you have faced, you have to stiffen your back with the sure knowledge that, well, knowledge is power and your family members may eventually come around.

This growth mind-set carries with it a huge portion of curiosity. In fact, your curiosity may have given rise to your growth mind-set whether you are a recent high school graduate or a seasoned worker wishing to retool for a better life. Curiosity has driven you to see CCD as a part of your immediate plans. Good choice again. Denver, this majestic city that we call home, has its roots in pioneers and settlers — some First Nation people and other late followers — who curiously ventured out into the unknown to make Colorado and the Denver metropolitan area home. Without curiosity there is no possibility for growth and you have set into motion spectacular personal growth by being open to the new and unknown.

Growth and curiosity ignite what CCD does best; namely, direct and guide our students on a journey of intellectual development unlike any other. If you are willing, open and determined to hold onto your curiosity, our incredible faculty, advisors and staff stand ready to guide you through your chosen academic course of study toward whatever those big dreams you possess may be. What we ask simply is that you take the investment of your precious time and resources as seriously as we do. If we push you, it is because we care and know fully that you can travel this course from start to finish. If we send you far more emails and text messages than you might prefer, it is because we want to hear more from you about those new discoveries that you are making in your classes, lab and study groups. If we continue to proclaim to you that we believe you are among the best students anywhere, it is because, well, we believe it completely!

The CCD 2015-2016 Catalog provides a wealth of information about college life and educational programs that are available to you. Treat the Catalog as your academic “yellow pages,” namely, a book that you can always find answers to questions about courses, schedules, academic majors and their requirements and much, much more. Wear this book out and we will be all the happier. Write notes in it. Mark it up with highlighters and crayons. Dog-ear its pages and otherwise make it a book that you are not ashamed to say you completely wore out.

Highlights of what to expect at CCD:
• Choose from over 100 degree or certificate programs representing options that will prepare you for a four year degree or provide job specific skills.
• CCD guarantees students who graduate with an Associate of Arts (AA) or Associate of Science (AS) will be able to transfer credits to Colorado public colleges and universities.
• CCD has achieved the designation of Hispanic Serving Institution (HSI).
• The newly redesigned Developmental Education program successfully prepares students to succeed in college level work.
• Several programs are available to assist students in achieving academic success including TRIO Student Support Services, the Educational Opportunity Center, the Resource Center and the Transfer Center.

With nearly 10,000 students, CCD is a community of curious, active learners who understand what it means to try and try again — and grow in the doing. Try us. Stay with us. Graduate. Welcome to CCD!

Warm regards,

Everette J. Freeman / President
CCD is regionally accredited by The Higher Learning Commission and a member of the North Central Association.

This Catalog is a valuable tool in answering questions and helping students who attend Community College of Denver. The CCD Catalog is organized to guide students through each step of their college career:

- Admission and Registration
- Tuition and Fees
- Financial Aid
- Campus Services
- Selected Policies
- Degree and Certificate Requirements
- Course Descriptions
- Faculty and Staff Information

Please see a CCD General Studies Advisor or Program Advisor to answer any questions about the material in this Catalog or for help in planning educational goals.

This catalog is one of three publications that are essential to a student’s success at Community College of Denver. The other two publications are:

- Admissions & Registration Guide - a yearly publication of classes offered. The specific courses offered at CCD are available online.
- Student Handbook - an annual publication of regulations and resources at CCD. The handbook is distributed to students attending orientation and is available for pick-up at the Welcome Center or the Lowry Campus.

Each course listed in the catalog may not be offered every semester. Some courses are taught only when there is a demand for specific instruction to complete a major curriculum. For a list of courses available each semester, students should consult the current online class schedule.

Nothing in the Catalog, Admissions & Registration Guide, or Student Handbook is intended to create (nor shall be construed as creating) an expressed or implied contract. CCD reserves the right to modify, change, delete, or add to, as it deems appropriate, the policies, procedures, and other general information in the Catalog, Admissions & Registration Guide, or Student Handbook.

**WHICH CATALOG TO USE**

This catalog is effective Summer Semester 2015 through Spring Semester 2016. First time students at Community College of Denver should use this catalog.

Continuing students who have not had a 12-month lapse in enrollment since first enrolling at CCD have the following “catalog of record” options for meeting their graduation requirements. Catalog in effect when the student:

- is admitted to CCD;
- first registers at CCD;
- submits a Program of Study Change Request form;
- or applies for graduation.

Students cannot combine major requirements from multiple catalogs for graduation purposes. The catalog of record can be used for only six years for degree programs and three years for certificate programs. Students who do not maintain continuous enrollment (attend at least one term during each 12 month period) must be readmitted and are subject to the catalog in effect beginning with the term for which they are readmitted.

CCD retains the right to cancel or change programs or course offerings where enrollments are insufficient or for any other reason.

**WHERE TO FIND CATALOG UPDATES**

This catalog is true and accurate at the time of publication. Additions and changes may occur because of changes in state, system or college regulations, or accreditation requirements. Updates, changes, and addenda to this catalog can be found on the CCD website: www.ccd.edu.
Community College of Denver has established the following institutional outcomes:

- **A CCD graduate is a Complex Thinker.**
  Students will explore and evaluate multiple sources of information, which they will synthesize to solve problems; they will extract meaning from texts, instruction, experience, and other relevant sources to construct new problem-solving approaches based on their insights. Students will make relevant connections between classroom and out-of-classroom learning.

- **A CCD graduate is an Effective and Ethical User of Technology.**
  Students will exhibit technological literacy and the skills to effectively use it; they will demonstrate the responsible application of intellectual property and privacy; students will use technology ethically and effectively to communicate, solve problems, and complete tasks; students will remain current with technological innovations.

- **A CCD graduate is an Effective Communicator.**
  Students will convey meaning by writing and speaking coherently and effectively in a way that others understand; students will write and speak after reflection; students will influence others through writing, speaking, or artistic expression that is appropriate for the context and audience; students will use appropriate syntax and grammar; students will listen attentively to others and respond appropriately. Students will understand and apply conventions of effective writing and oral communication in academic, public, and professional discourse.

- **A CCD graduate is Globally Aware.**
  Students will consider the interconnectedness of our community and world; they will understand how cultural differences (such as beliefs, traditions, religion, ethnicity, sexuality, and gender) impact personal and community participation; they are aware of the social, environmental, and economic impacts of their actions; they evaluate how technology links individuals and communities and are aware of the social, environmental, technological, and economic impacts of their actions.

- **A CCD graduate is Personally Responsible.**
  Students will incorporate ethical reasoning into action; they will explore and articulate the values of professionalism in personal decision-making. They exemplify dependability, honesty, and trustworthiness and accept personal accountability for their choices and actions. Students will exhibit self-reliant behaviors, including: managing time effectively, accepting supervision and direction as needed, perseverance, valuing contributions of others, and holding themselves accountable for obligations.

- **A CCD graduate is a Numeric Thinker.**
  Students will select relevant data and use several methods such as algebraic, geometric, and statistical reasoning to solve problems; they will interpret and draw inferences from data and mathematical models; they are able to represent mathematical information symbolically, graphically, numerically, and verbally.
DIVERSITY AT CCD
CCD provides an educational environment that fosters cultural diversity, international understanding, and global awareness. CCD is dedicated to expanding access, particularly for underserved, first-generation and minority students. CCD’s commitment to diversity is reflected by the student population:

- The average age of students is 26.
- 56 percent of students are female.
- Students of color comprise more than half of the student body.
- Hispanic students make up 26 percent of CCD’s population, which makes CCD a Hispanic Serving Institution (HSI).
- Over 58 percent of students in 2013-2014 received financial aid awards at CCD.

CCD is an equal opportunity educational institution and does not discriminate on the basis of race, color, religion, national origin, sex, sexual orientation, gender expression, age, veteran status, or disability. It also does not tolerate acts of ethnic intimidation, which are unlawful acts against persons or groups because of race, color, ancestry, religion, or national origin for the purpose of inciting and provoking bodily injury or damage to property.

The following office has been designated to handle inquiries regarding nondiscrimination policies:

Rhonda Pylican
Director of Human Resources/Title IX Officer
PO Box 173363, Campus Box 240
Denver, CO 80217-3363
303-352-3037

CCD HISTORY
The Colorado Legislature created CCD in 1967. Three years later, classes began in a renovated auto showroom close to Denver’s Civic Center. When enrollment increased rapidly, the college expanded into retail storefronts near the main building.

In 1975, CCD moved to the 124-acre Auraria Higher Education Center campus in downtown Denver. It sits on the west bank of Cherry Creek, originally the site of the 1858 frontier town of Auraria. The campus has the oldest-standing structure in Denver — the former Temple Emmanuel, now the Emmanuel Gallery, an exhibition space for student and faculty artwork. It also is the only community college in the nation to share a campus with two four-year universities — Metropolitan State University of Denver and University of Colorado Denver. The three institutions share classroom buildings, a regional library, recreational facilities, a performing arts center, and a student union.

CCD is one of 13 institutions in the Colorado Community College System. It is the third largest with more than 6,000 full-time equivalent students and an unduplicated student headcount of more than 15,000. CCD is the only community college in the City and County of Denver.

CAMPUS INFORMATION
AURARIA CAMPUS
CCD’s main Auraria Campus is in the heart of the city and within walking distance of downtown, Larimer Square, the 16th Street Mall, LoDo, the Denver Pavilions, Colorado Convention Center, and the Denver Center for the Performing Arts Complex. The Auraria Campus is close to Sports Authority Field at Mile High, home of the Denver Broncos; Coors Field, home of the Colorado Rockies; the Pepsi Center, home of the NHL Colorado Avalanche and NBA Nuggets; Elitch Gardens; and the Downtown Aquarium.

AURARIA HIGHER EDUCATION CENTER (AHEC)
Community College of Denver has a partnership with the Auraria Higher Education Center (AHEC).

AHEC is committed to providing an effective, comprehensive and supportive environment which facilitates the missions of Community College of Denver, Metropolitan State University of Denver, and the University of Colorado Denver; including the Auraria Campus Police Department (ACPD).

SATELLITE LOCATIONS
In 1985, CCD North opened at 6221 Downing St., six miles northeast of Auraria. Until July 2015, CCD North will house two trades programs: fabrication welding and machine technologies. After July 2015, these programs will be housed at the CCD Advanced Manufacturing Center at 2570 31st St., 4 miles northwest of Auraria.

During the summer of 1989, CCD’s Center for Health Sciences moved to the Lowry Campus. Former Lowry Air Force Base classrooms were renovated to house the health sciences programs. The former air force base dental clinic was adapted for CCD’s Dental Hygiene program. The Lowry Campus borders east Denver and west Aurora.

In 2003, CCD entered into a unique partnership with Denver Public Schools, launching the CEC Middle College of Denver. Middle College students earn dual high school and college credit for classes they take during their junior and senior years.

Under a similar arrangement with CCD in fall 2004, DPS opened Southwest Early College, a charter school. In the students’ “13th year” of school, they can graduate with both a high school diploma and an associate’s degree.

GAINFUL EMPLOYMENT
Information on occupations, rates for completion and placement, program costs, and median loan debt may be found at www.ccd.edu/gainfulemployment.

COLLEGE GUARANTEES
WE GUARANTEE YOUR TRANSFER
To help eliminate the guesswork of transferring course credits and associate’s degrees, Colorado has developed a statewide guaranteed transfer program called GT Pathways (guaranteed transfer pathways) and many statewide articulation agreements. Community College of Denver adheres to these established programs and agreements to guarantee the transfer of credit.

GT Pathways applies to all Colorado public colleges and universities, including Community College of Denver. After starting at any public college or university in Colorado and, upon acceptance to another, students can transfer up to 31 credits of previously and successfully (C or better) completed GT Pathways coursework. These courses will automatically transfer and continue to count towards general education core or graduation requirements for any liberal arts or science associate’s or bachelor’s degree. Students should check with the school they wish to attend so they are clear about which credits will transfer beyond any that are guaranteed by GT Pathways.

The purpose of a statewide transfer articulation agreement is to identify the courses a student at a Colorado public community college must complete as part of an Associate of Arts (AA) or Associate of Science (AS) degree to be guaranteed to be able to complete a bachelor’s degree program (BA or BS) at any public four-year college or university that offers that bachelor’s degree program. Students should check with their Program Advisor at CCD and the 4-year school they wish to transfer into to ensure they are registering for the appropriate courses. These statewide transfer articulation agreements are also referred to as Degrees with Designation. For more information, see www.highered.colorado.gov/academics/transfers/students.html

Besides GT Pathways and the statewide transfer articulation agreements listed above, many colleges and universities have other transfer agreements that may apply to students. For students who complete an Associate of Arts or Associate of Science degree, 60 credit hours of their AA or AS degree are guaranteed to transfer to a Colorado public four-year school once they are accepted for admission; students may be able to finish a Bachelor of Arts or Bachelor of Science degree within another 60 credit hours. This is called a 60 + 60 transfer plan. Note that some bachelor’s degrees require more than an additional 60 credits to complete. When in doubt, students should speak to a Program Advisor.
AURARIA MAIN CAMPUS
303-556-2600
1111 W. Colfax Ave.
P.O. Box 173363, Denver, CO 80217-3363

RTD Light Rail Stations on Auraria Campus
- Colfax at Auraria station: West Colfax Avenue, between Lipan and Mariposa streets
- Auraria West Campus station: Adjacent to the Aspen Parking Lot, between Fourth and Fifth streets

RTD Routes to the Auraria Campus
- Via Auraria Parkway: #0, #15
- Via Colfax Avenue: #1, #16, #16L, #29L, #30, #31, #36L
- Via Seventh Street: #10

The Auraria student fee-paid Regional Transportation District (RTD) CampusPass entitles students taking on-campus classes to ride buses and Light Rail free in the Denver area and now gives students regional service, too.

CENTER FOR HEALTH SCIENCES AT LOWRY

## Academic Calendar

### Summer 2015
- **May 25**: Memorial Day Holiday *(No classes/all locations closed)*
- **May 26**: Classes begin, check schedule for alternative late start dates
- **July 4**: Independence Day *(No classes/all locations closed)*
- **Aug 3**: Last day of classes

### Fall 2015
- **Aug 17**: Classes begin, check schedule for alternative late start dates
- **Sept 7**: Labor Day Holiday *(No classes/all locations closed)*
- **Nov 26**: Thanksgiving Holiday *(No classes/all locations closed)*
- **Nov 23-Nov 29**: Fall Break *(No classes/offices open M-W & F)*
- **Dec 7**: Last day of classes
- **Dec 25-Jan 1**: Holiday Break *(No classes/all locations closed)*

### Spring 2016
- **Jan 18**: Martin Luther King, Jr. Holiday *(No classes/all locations open)*
- **Jan 19**: Classes begin, check schedule for alternative late start dates
- **Mar 21-27**: Spring Break *(No classes/all locations open)*
- **May 9**: Last day of classes
- **TBD**: CCD Commencement
TRADITIONAL-STYLE COURSES
CCD offers traditional-style courses in which students are required to attend lectures and/or labs on specific days and times. Regular classes run for 15 weeks during Fall and Spring semesters and for 10 weeks during Summer semester. Classroom instruction includes a minimum of 15 hours of in-person contact per credit hour. Instruction may include lectures, small group discussions, labs, field trips, or other in-person delivery methods. Many traditional-style courses include online exercises.

HYBRID COURSES
Hybrid courses include both traditional-style, in-class sessions and online meetings, exercises and/or scheduled discussions. This format combines the flexibility of online courses with the opportunity to meet face-to-face with the instructor and classmates.

ONLINE COURSES
CCD Online Courses: Class participation and the exchange of ideas are the foundation of CCD online courses. CCD online courses have specific beginning and ending dates and learners cover designated material with weekly due dates for assignments. Learners retain control over their daily schedules and do not need to be at the computer at a specific time on a specific day. Email access and computer literacy are required.

CCOnline Courses: CCCOnline is a consortium of all the community colleges in Colorado. For more information, visit www.ccconline.org.

To meet the diverse needs of students, Community College of Denver offers a variety of ways for students to reach their educational goals.

LATE-START COURSES
Late-start courses are designed to accommodate students who enroll after the term begins. Credit earned through late-start courses is identical to credit earned through any other CCD course. Class duration, start dates, and end dates vary; students should check the course schedule for complete details.

EVENING AND WEEKEND COURSES
Like traditional-style courses, evening and weekend courses require attendance on specific days and times. Many evening and weekend courses may also be late-start or accelerated and may meet for longer class sessions than traditional-style courses.

ACCELERATED COURSES
Accelerated courses offer fast-paced, intensive learning options for motivated students and are ideal for those who can work independently. Check class requirements and class dates, as some accelerated courses are also late-start courses.

LEARNING COMMUNITY COURSES
Learning Community courses are co-taught courses and are designed to enhance student learning by pairing developmental and/or college-level courses in a learning community.

INTER-INSTITUTIONAL COURSES WITH MSU DENVER & CU DENVER
CCD and neighbor institutions Metropolitan State University of Denver (MSU Denver) and University of Colorado Denver (CU Denver) have an inter-institutional agreement that allows CCD students to take select courses at MSU Denver or CU Denver if space is available. The tuition will be paid at CCD, excluding any fees that may be required. MSU Denver and CU Denver students can also take select courses at CCD if space is available. For instructions on how to register for inter-institutional courses, please refer to Inter-institutional Registration on page 19.

THE SMALL BUSINESS DEVELOPMENT CENTER
The Small Business Development Center (SBDC) provides small business owners and aspiring entrepreneurs with guidance in small business planning, start-up preparation, loan and bid package preparation, contract identification, and marketing plan development. SBDC staff works with grant writing and funding for small businesses, small business computerized databases, and information networking. Visit the SBDC at 1445 Market St. or call 303-620-8076.
Academic Calendar: The period that makes up the school year. CCD’s academic calendar consists of two 15-week semesters (Fall and Spring) and one 10-week Summer semester. There are set start and end dates for each semester. Payment, drop, registration and grading policies are set in accordance to the academic calendar. Not all classes follow the traditional 15-week (or 10-week in Summer) schedule.

Academic Progress: The college policy which dictates the minimum GPA a student must maintain to continue enrollment at CCD. Failure to meet Academic Progress requirements could also affect financial aid eligibility.

Academic Year: Students are assigned an academic year depending upon the number of college-level credit hours completed.

- Freshman: Successful completion of fewer than 30 college-level semester credit hours.
- Sophomore: Successful completion of 30 or more college-level semester credit hours.
- Unclassified: Awarded a degree at the associate level or above.

Census Date: The last date a student can drop a class and receive a refund. Classes dropped before the census date will not appear on a student’s academic record. Students who withdraw from a course after census date will not receive a refund. Withdrawn courses will appear on the academic record. Students who withdraw from a course after census date will not appear on a student’s schedule. Students should refer to their schedule of classes to determine the withdrawal date for each course.

Corequisite: If a course has a corequisite, students must take the course simultaneously with another. It is the student’s obligation to know and meet course corequisites as stated in the course description section of the CCD Catalog and the web course schedule. Corequisites will be checked at registration and the student may be dropped if the corequisite is not met.

College-Level Courses: Courses numbered 100 or higher (ex MAT 121). Grades received in college-level courses are used when calculating GPA. These courses can be used to satisfy graduation requirements.

College Opportunity Fund (COF): A stipend provided to eligible undergraduate students who are Colorado residents. The stipend pays a portion of total in-state tuition for students attending a Colorado public institution or participating private institution. The stipend is paid on a per-credit-hour basis. The credit-hour amount is set annually by the General Assembly.

Consortium: A written agreement between two schools that allows a student to be co-enrolled at CCD and another institution and receive financial aid based on the combined enrollment at both institutions.

Course Load: The typical course load for full-time CCD students is 12 or more credit hours. For tuition and certification purposes, students who register for fewer than 12 credit hours are considered part-time during the academic year.

For enrollment verification purposes, student course load (Fall, Spring or Summer) is defined:

- Twelve credits is full-time
- Nine credits is three-quarter time
- Six credits is half time
- Less than six credits is less than half time

Developmental Courses: Courses numbered below 100 (ex. MAT 050). Grades received in developmental courses are not used when calculating GPA and these courses cannot be used to satisfy graduation requirements. These are also sometimes referred to as “remedial” courses.

Emancipation: For tuition classification (residency) purposes, unmarried students under the age of 23 whose parents do not live in Colorado become emancipated and are eligible to establish their own domicile upon reaching 22 years of age. Students may only establish domicile after being emancipated. Thus, an individual emancipated at age 22 may be considered for in-state tuition based on their domicile in Colorado after turning 23.

FAFSA: The Free Application for Federal Student Aid (FAFSA) must be submitted annually in order to determine eligibility for financial aid.

FERPA: Family Educational Rights and Privacy Act of 1974 (FERPA) is a Federal law that protects the privacy of a student’s education records.

General Studies Advisor: An advisor who helps both new and continuing students develop an academic plan, understand academic policies and procedures, discuss placement test results and access campus resources.

GPA: Grade Point Average (GPA) is the average grade earned by a student. This is a measure of a student’s academic achievement and is calculated by dividing the total number of grade points earned by the total number of credits attempted. Only grades received in college-level courses taken at CCD are used to calculate GPA.

Home Institution: For both consortium agreements and inter-institutional registration, the home institution refers to the institution from which the student is seeking a certificate or degree. Typically, the student receives financial aid from the degree-granting institution (the home institution).

Host Institution: For both consortium agreements and inter-institutional registration, the host institution refers to the institution where the student will be visiting and taking courses to transfer back to the home institution.

Inter-Institutional Registration: CCD students may take select college-level courses at MSU Denver or CU Denver under the inter-institutional agreement if space is available. Under this agreement, MSU Denver and CU Denver students may take select college-level courses at CCD if permitted by their home institution.

Late Start/Accelerated: Courses designated as Late Start/Accelerated have varying start and end dates compared to the traditional 15-week semester courses.

Major: The field of academic study in which a student specializes. The selected major will determine which courses are required for a student’s program of study.

Prerequisite: If a course has a prerequisite, students must have certain knowledge to be successful in the course. The prior knowledge may be demonstrated through a test score or a successful completion of a prior course (ex. must have completed CCR 092 with a grade of C or better). Completion of the prerequisite is required prior to enrolling in the course. Grades of U/D, U/F, D, F, W, or Incompletes are not acceptable. It is the student’s obligation to know and meet course prerequisites as stated in the course description section of the CCD Catalog and the web course schedule. Prerequisites will be checked at registration and the student may be dropped if prerequisite is not met.

Program Advisor: An advisor who is assigned to a specific academic center or special program. Program Advisors help students who have declared their program of study track their academic progress, provide information about important deadlines, assist with transfer to 4-year institutions, and answer questions regarding program completion.

Sequence: Set of two or more courses in one subject area usually taken in numerical order (ex. ENG 121, ENG 122).

Withdrawal Date: The last date a student can drop a class and receive a grade of W. No refund will be given for classes withdrawn from after the census date. Students must withdraw from their course(s) via their CCD-Connect account. Students who stop attending classes without withdrawing will receive failing grades. The withdrawal date varies depending upon the length of the course. Students should refer to their schedule of classes to determine the withdrawal date for each course.
**STEPS TO SUCCESSFUL ENROLLMENT**

1. **APPLY TO CCD AT WWW.CCD.EDU**
   - Students need to apply for admission to Community College of Denver if they are new to college, transferring from another institution or returning to CCD after an absence of more than one year.
   - Record the student identification number.
   - Apply for the College Opportunity Fund (COF) on the admissions application.
   - To transfer credit from any regionally accredited institution, provide official transcripts to Admissions, Registration & Records.

2. **APPLY FOR FINANCIAL AID**
   Fill out the Free Application for Federal Student Aid (FAFSA) at www.FAFSA.gov. CCD’s school code is 009542. Every year, the priority deadline for the FAFSA is April 15. The financial aid process takes four to six weeks, so start early! Apply for CCD scholarships at www.ccd.edu/scholarships. Students may contact the Educational Opportunity Center for assistance in applying: 303-352-8746 (TRIO).

3. **ACTIVATE YOUR CCD EMAIL ACCOUNT**
   It is the official means of communication between students and the college. Record the password in a secure location. At least once a week students should sign in to CCDConnect, the web portal for the college to view registration, financial aid status and check the email account.

4. **MEET THE ASSESSMENT REQUIREMENT**
   In order to register for classes, all students must meet assessment requirements in the areas of math, reading and English. Students must do one of the following:
   - Take the placement test to assess current academic skill level. Before taking the test, students are strongly encouraged to complete an Accuplacer Workbook and to attend an Accuplacer Workshop. Completing the workbook may also exempt a student from paying the initial $10 test fee. Bring the completed workbook to the Testing Center prior to testing.
   - Provide a copy of ACT or SAT scores (no more than five years old) with the following scores:

<table>
<thead>
<tr>
<th>Assessment</th>
<th>ACT</th>
<th>SAT</th>
</tr>
</thead>
<tbody>
<tr>
<td>English</td>
<td>18</td>
<td>440 (Critical Reading)</td>
</tr>
<tr>
<td>Math</td>
<td>19</td>
<td>460</td>
</tr>
</tbody>
</table>

   OR

   - Provide the Testing Center with an unofficial copy of college transcripts from a regionally accredited institution along with the Transcript Intake Form for review.
   - If accommodations are needed for the test due to a disability, contact the Accessibility Center.

5. **ATTEND NEW STUDENT ORIENTATION**
   All new first-time students must attend orientation before receiving advising. A hold will be placed on the account until an orientation session has been attended. Register at www.ccd.edu/NewStudentOrientation.

6. **GET ADVISING**
   - Students NEW to CCD should see the Academic Advising Center (AAC) for initial advising.
   - Students continuing or transferring to CCD who are at college-level and declared in a program/major should see a Program Advisor in the Academic Center that houses the appropriate major or program/certificate.
   - Students needing to complete developmental education courses should see an AAC General Studies Advisor for initial advising.
   - "If help is needed in determining what type of advisor is appropriate, please call the Academic Advising Center at 303-556-2481 or come to the One Stop in Confluence (1st floor, Ste. 123).

7. **REGISTER FOR CLASSES**
   Register through CCDConnect at www.ccd.edu. Register early for the best selection of classes and times.

8. **COMPLETE THE PAYMENT PROCESS**
   - Pay the tuition and fees in full at least one week before classes start. Payment options are available. If registering for a course after the payment deadline, payment is due at the time of registration. If the payment deadline is missed, a student may be dropped from all classes and the original classes may no longer be available.
   - Activate the HigherOne/CCCS Refund Card to select refund preferences.
NEXT STEPS

- Immunization Records to Health Center
- All students must provide proof of immunization against Measles, Mumps, and Rubella (MMR) to the Health Center at Auraria.
- Purchase a Student ID and RTD Pass
- CCD Student ID is $20 at the Student ID Center in the Tivoli. Bring a schedule and valid, government-issued photo ID.
- Get Books and Supplies
- Visit Student Life for more information

RESOURCES FOR NEW STUDENTS

No one at CCD expects students to navigate college by themselves. The college has many services to help students make the most of their time at CCD so they leave with all the knowledge and skills needed for career success or transfer to a four-year institution.

STUDENT ORIENTATION

All students who are new to CCD must sign up for and attend student orientation. It is highly recommended that students complete placement testing prior to orientation. It is important to prepare for testing before taking the Accuplacer because test scores determine a student’s eligibility for courses. Students will leave orientation prepared to meet with their advisors and register for classes.

At orientation, students will have the opportunity to learn about services on campus, develop community with other new students, and become prepared for success in classes. Orientation will allow students to become familiar with the syllabus and classroom expectations. During orientation students will learn how to use CCD Connect, Degree Works, and Desire to Learn (D2L). Students will also learn extensively about services and programs that are integral to success at CCD including Academic Advising, Accuplacer Preparation, Transfer Success Center, Career Development Center, Financial Aid, Recreation Center, Auraria Library and more.

By attending orientation, students will be prepared to register for and be successful in classes.

For questions about orientation or how to sign up, visit http://www.ccd.edu/newstudentorientation, email ccd.orientation@ccd.edu, or call 303-556-2600.

ACADEMIC ADVISING CENTER (AAC)

The Academic Advising Center’s General Studies Advisors serve ALL new students for initial advising. The AAC serves students for all programs and majors, as well as undecided students and students who need to complete developmental education courses. As a result of connecting with the AAC students will understand who their advisor is and how to connect with them, next steps as to the course registration process, the connection between initial coursework and their academic/career goals, and be directed to resources and offices on campus that will aid in their success. Students are seen through appointments and/or walk-in hours. The AAC is located in CENF 123. Main Phone: 303-556-2481

PROGRAM ADVISORS

Each of CCD’s Academic Centers has Program Advisors to work with students who have selected the degree or certificate program they wish to pursue. The role of the Program Advisor is to help students stay on track with their academic plan, understand policies and procedures, access campus resources, complete their degree or certificate program, and successfully transfer or enter the work-force upon completion. Many CCD students have jobs, families, and other responsibilities outside of school; Program Advisors can also help students identify campus resources to help students succeed in college while managing their other responsibilities. To find the appropriate Program Advisor, students should visit the Academic Center that houses their program of study.

These centers include:
- Center for Career and Technical Education — Cherry Creek Building, Room 201
- Center for Health Sciences — Lowry Campus, Building 849
- Center for Arts and Humanities — Cherry Creek Building, Room 307
- Center for Math and Science — Confluence, Room 301
- Center for Performing Arts, Behavioral & Social Sciences — King Center, Room 594

FACULTY

CCD faculty members are experts in their subject areas. Get to know them. Ask them about their own careers. They can tell students about jobs, salaries, and four-year colleges and universities where students can continue their education. Don’t be afraid to ask questions.

THE RESOURCE CENTER

The Resource Center’s (RC) mission is to enhance the academic success of all students at Community College of Denver. Staff is available to assist students throughout their whole journey - from application to graduation and transfer. Students are provided guidance, information, and resources that are essential to creating and growing their “tool box” of strategies that will enhance success in the domains of academic, financial, and personal wellness. The Resource Center also houses the First Year Experience Program which guides the transition into college for first-time college students. In addition, the RC provides programming that coaches Denver Scholars to help ensure they keep their scholarships and maintain success as college students. For more information, call 303-556-4964 or visit Cherry Creek 141.

TRIO PROGRAMS • Funded by the U.S. Department of Education Educational Opportunity Center (EOC)

The Educational Opportunity Center (EOC) is a community service program that provides educational planning, information and assistance.

These services, which are free and open to the general public, include:
- career counseling
- college/university admission
- vocational-technical school enrollment
- academic assessment coordination
- federal and state student financial aid application (FAFSA) assistance
- scholarship searches
- educational planning workshops

More information about services and appointments is available online at www.ccd.edu/eoc, by phone at 303-352-8746 (TRIO), or at the EOC office located in the Cherry Creek Building, Suite 137, on the Auraria Campus.

Student Support Services (SSS)

The Student Support Services (SSS) program serves low-income, first-generation college students, and students with documented disabilities. The SSS staff and peer mentors provide students with many services...
including academic advising and course selection, academic tutoring, financial aid application assistance, scholarship search assistance, transfer guidance, career exploration, a Summer Bridge Program, and social-cultural activities. For more information, including a complete list of available services, call 303-352-TRIO (8746).

Summer Bridge Program
Prior to each Fall semester as a part of SSS, a Summer Bridge Program is offered to participants which provides a foundation for a successful college education. This program serves freshmen and returning students who enter CCD in either the Summer or Fall semester. In this program, students prepare to take classes, learn about financial assistance, explore career options, participate in a variety of enrichment activities, and learn about student services at CCD. For more information, call 303-352-TRIO (8746).

ADMISSION
CCD has an open-door admission policy and accepts applicants 17 years of age or older. Admission to the college does not guarantee enrollment into a particular course or program.

APPLICATION FOR ADMISSION
Prior to enrolling at the college, applicants must complete an Application for Admission online at www.ccd.edu. Acceptance letters are sent by e-mail or by regular U.S mail.

RE-ADMISSION (FORMER STUDENTS)
Former students who return after an absence of three consecutive semesters or more must reapply for admission. Re-admitted students will be subject to the requirements of the current catalog.

SPECIAL APPLICATION PROCEDURES
Select programs have a separate application process due to limited space and prerequisites designed to facilitate successful completion. Students need to review program requirements in this catalog and contact the appropriate Program Advisor for assistance with special application procedures.

UNDERAGE ADMISSION
Applicants under age 17 wishing to secure a waiver of the minimum age for admission must meet the following criteria:
• Applicant must demonstrate readiness for college level work by meeting all state established cut scores for college level English and mathematics.
• Applicant not in the CCD College Pathways Concurrent Enrollment Program must meet with Academic Advising Center (AAC) to determine the appropriate class(es) and get the underage waiver request form.
• Applicant and parent must meet with the Dean of Student Development and Retention to determine eligibility for admission and appropriateness of course selection, to review college expectations, and to complete the acknowledgment form.
• Applicant’s parent or guardian must sign the acknowledgment form indicating that the parent has been advised regarding expectations of the college.
Applicant will receive the final request decision from the Dean of Student Development and Retention.

INTERNATIONAL STUDENT ADMISSION
Admission Requirements
Non-immigrant international students who wish to obtain a student visa (F-1) to study at Community College of Denver must complete the following requirements:
1. Complete an Application for International Admission available on the CCD website.
2. Submit non-refundable application fee of $75 (USD).
3. Submit official copies of high school and college transcripts (if available). All documents must be accompanied by a certified English translation.
4. Submit documents of financial support or bank statements showing a minimum balance of $25,565 (USD) to cover expenses for each academic year. Students who have a sponsor must submit an Affidavit of Support along with financial documents. The affidavit is available on the United States Citizenship and Immigration Services (USCIS) website: www.uscis.gov.
5. Submit evidence of English proficiency.
• Meet the minimum test scores through one of the following: Test of English as a Foreign Language (TOEFL), International English Language Testing System (IELTS) or Michigan Test. For specific test score requirements, refer to the International Admissions website at www.ccd.edu.
• Successful completion of an intensive program of English-as-a-Second-Language (ESL) at an approved institution. Students are required to take the English Writing Test at CCD.
• Students who test below the college level must enroll in developmental coursework.
• English proficiency may be waived for applicants who (1) have graduated from a U.S. high school, (2) have attended at least three semesters on a full-time basis at an English-speaking institution of higher education, or (3) are nationals of countries where English is the official language of instruction in the educational system.
6. Students transferring from a U.S college/university must submit:
• Official transcript(s).
• Current financial statement(s).
• Passport and I-94 Arrival-Departure Record.
• Copy of Form I-20 issued by the institution from which they are transferring.
7. CCD will issue Form I-20 and an acceptance letter once all the requirements are satisfied.

Submission of Application Materials
All required materials must be received by the application deadline.
• The application deadline for international students (F-1) who are currently in the United States is two weeks prior to the start of the term.
• The application deadline for students who are outside the United States is three months prior to the start of the term as shown below.

<table>

Please send application materials to:
Admissions, Registration & Records
Campus Box 201, PO Box 173363
Denver, CO 80217-3363

For express deliveries (UPS, FedEx, DHL, etc.), please use:
Admissions, Registration & Records
1501 5th Street
Denver, CO 80204
Tel: 303.556.3564 or 303.352.3300

Maintaining F-1 Student Status
• International students must maintain full-time enrollment and good academic standing with a grade point average (GPA) of 2.0 or higher each term.
• To achieve full-time enrollment, international students may not repeat classes which they have completed with a grade of C or higher.
• Internships and/or off-campus employment may be recommended under specific circumstances with USCIS/Designated School Official (DSO) approval.
• Students are expected to notify the DSO of any changes that may impact their non-immigrant student status.
• New student orientation is mandatory for all international students.
DENIAL OF ADMISSION
The college may deny admission to anyone whose background indicates that their presence would interfere with the function of the college or would endanger the health, safety, welfare, or property of others. CCD has the right to deny admission or continued enrollment to anyone who has misrepresented their credentials or background.

PRIVACY
In applying to CCD, students must act on their own behalf. Others may not access student information without the student’s prior written approval (see Family Education Rights and Privacy Act on page 51).

IMMUNIZATION
All students must provide documented proof of immunization against Measles, Mumps and Rubella (MMR) to the Health Center at Auraria. For more information, please call 303-556-2525 or visit: http://www. msudenver.edu/healthcenter

STUDENT IDENTIFICATION NUMBER
A social security number is required for a student's social security number. This number is the student institution assign to each student a unique ID number that cannot be a student's social security number. This number is the student identification number (SID). A social security number is required for financial aid, the College Opportunity Fund, VA benefits, and records integrity and tax purposes.

TUITION CLASSIFICATION (RESIDENCY)
Tuition classification is governed by state law (Title 23, Article 7, of the Colorado Revised Statutes of 1973, as amended) and by judicial decisions that apply to all public institutions of higher education in Colorado and is subject to change at any time. The college is required to apply the rules set forth in the law and does not have authority to make exceptions unless specifically permitted by law.

In-state status requires domicile in Colorado for one year prior to the first day of class. Domicile is defined as an individual’s true, fixed, and permanent home and place of habitation. An individual may only have one domicile at any one time.

At the beginning of the one year period, individuals are expected to take appropriate actions to demonstrate the intent to remain in Colorado permanently. This includes, but is not limited to:

- surrendering legal ties with their former state of residence,
- obtaining Colorado Driver’s License/Identification within the statutory period,
- registering motor vehicle within the statutory period,
- registering to vote in Colorado,
- obtaining permanent employment in Colorado,
- filing income tax in Colorado,
- any other factors that document the individual’s intent to establish a permanent home in Colorado.

Individuals are qualified to begin the one year domicile period upon reaching 22 years of age, and thus would satisfy the one year domicile requirement at 22 years of age. The one year domicile period also begins upon marriage or emancipation if the individual is under 22 years of age.

Individuals under the age of 23 are eligible for in-state tuition if a parent or court-appointed legal guardian meets the requirements of the tuition law.

The tuition law recognizes the special circumstances regarding military personnel, honorably discharged veterans, Olympic athletes, inmates, recent Colorado high school graduates or GED recipients, and individuals who relocate to Colorado for employment purposes. Please contact Admissions, Registration & Records at 303-556-2420 for information on specific circumstances.

Active duty members of the armed forces, as well as their spouse and dependent children, whose permanent duty station is in Colorado will be charged in-state tuition, even if the permanent duty station changes, as long as the student (armed forces member, their spouse or dependent child) is continually enrolled in classes. Service members should contact their military base Education Office for documentation.

Eligible non-U.S. citizens must provide immigration documents, which may include, but are not limited to 1-94 Arrival-Departure Re- cord, Permanent Residency Card or other required documents.

COLORADO ASSET BILL
Senate Bill 13-033, also known as Colorado ASSET, allows U.S. Citizens, Permanent Residents, and students without lawful immigration status to receive in-state tuition through attendance and graduation from a Colorado public high school or through attendance at a Colorado high school combined with obtaining the GED.

To qualify for in-state tuition under ASSET, students must:

- Have attended a public or private high school in Colorado for at least three years immediately preceding the date the student either graduated or completed a high school diploma in Colorado; and
- Be admitted to a Colorado college or university within 12 months of graduation from a Colorado high school or completion of a Colorado GED.

Students without lawful immigration status must apply for COF and complete an affidavit stating that the student has applied for lawful presence or will apply as soon as he or she is eligible to do so.

Students without lawful immigration status who graduated or completed their GED prior to September 1, 2013, but were not admitted to a college or university within twelve months after graduating or completing the GED must have been physically present in Colorado on a continuous basis for at least 18 months preceding the start of the semester.

As with the traditional domicile path, residency classification will be determined based off the information and documents submitted by the student. The burden of proof is on the individual seeking in-state tuition.

INITIAL CLASSIFICATION
Students are classified as resident or non-resident for tuition purposes based on the information provided on the Application for Admission. Failure to answer all questions could lead to initial classification as a non-resident. After the student’s status is determined, it remains unchanged in the absence of satisfactory evidence to the contrary.

CHANGE IN TUITION CLASSIFICATION
New students who believe their initial tuition classification was based on incomplete information and wish to prove eligibility must submit an Amended Application Form by census date of the earliest part-of-term in which they are enrolled. Continuing students who attended and paid non-resident tuition or individuals emancipated prior to 22 years of age shall have up to 30 days from the first day of class to complete the Petition for In-State Tuition. If sufficient evidence is not presented by the published deadline, the classification becomes final as to that term.

Information submitted to qualify for in-state classification is subject to independent verification and will not be returned to students. Individuals submitting false information or falsified supporting documents are subject to college disciplinary proceedings and may face criminal charges.

TUITION CLASSIFICATION FOR REVERSE TRANSFER DEGREES
When awarding a Reverse Transfer Degree to a non-active student, CCD will use the last known residency as listed in CCD’s student information system. This will not impact tuition classification as the student will have a registration hold placed for the term in which the degree is being awarded. Students will be made inactive for any future terms and must reapply for admission if they seek re-enrollment at CCD.

APPEAL PROCEDURE
Students who are denied in-state tuition will not be allowed to drop courses after the census date. Students are responsible for dropping all
courses by census date even if a decision on the Petition for In-State Tuition has not yet been received. Students who are denied in-state tuition may appeal the decision of the Tuition Classification Officer. The decision of the appeals committee is final and will not be overturned by the Colorado Department of Higher Education (CDHE).

CCD reserves the right to correct tuition classification after the deadline in cases where the college believes an error was made.

**WESTERN UNDERGRADUATE EXCHANGE (WUE) PROGRAM**

Students who are residents of Western Interstate Commission for Higher Education (WICHE) states may be eligible to request a reduced Western Undergraduate Exchange (WUE) tuition rate which is less than the non-resident rate. WICHE states include Alaska, Arizona, California, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Utah, Washington, and Wyoming.

Students applying for the WUE program must provide evidence of domicile in the qualifying states and will be required to reapply for WUE each academic year.

Students are not permitted to apply time spent in the WUE program toward satisfaction of residency requirements for tuition purposes. Online courses are not eligible for the WUE tuition rate.

**ASSESSMENT TEST FOR PLACEMENT**

The State of Colorado mandates that incoming students to Colorado’s state-supported institutions of higher education complete a basic skills assessment test and enroll in appropriate courses based on the test outcomes. At CCD, students must complete the Accuplacer or secure an exemption before registering for courses.

Beginning in April 2015, all CCCS institutions will be implementing a new placement exam. For the most up to date information about the exam, as well as prep materials, placement scores and fees please visit our website at: www.ccd.edu/testing

**BASIC SKILLS ASSESSMENT TEST (BSAT)**

Any student at CCD who wishes to enroll in courses must meet the assessment requirement by taking the Accuplacer exam. The purpose of assessment is to help students succeed by placing them in classes that are appropriate for their skill level. Based on the test results, an advisor will recommend appropriate classes to the student. The Accuplacer exam may include reading comprehension, sentence skills, essay writing and mathematics. The assessment test is computerized, untimed, and requires approximately two hours to complete. See www.ccd.edu for study guides to review skills before taking the exam.

Students are required to meet minimum scores to enroll in specific classes. If the minimum scores are not achieved, this does not affect the student’s admission to the college. The test scores for placement are available in the Academic Advising Center and the Testing Center.

**Other Ways to Meet the Assessment Requirement:**

Students may be able to receive an exemption from taking all or part of the BSAT by showing proof of one or more of the following:

- ACT or SAT scores from within the past five years – ACT score minimum requirements: 18 in English and 19 in math. SAT score minimum requirements: 440 on critical reading for English and 460 in math.
- Transcript of successful completion of an Associate of Arts degree, Associate of Science degree, Bachelor’s degree, Master’s degree, or Doctorate degree from a regionally accredited institution.
- Successful (C or higher) completion of college level courses in English and/or math (less than 10 years old) at a regionally accredited institution.
- Successful (C or higher) completion of basic skills courses in reading, writing or math (less than 10 years old) from a regionally accredited institution.
- Appropriate Accuplacer scores from an approved institution from within the past five years. It is strongly recommended to take the assessment test again if scores are more than two years old.
- Sufficient scores on specific Advanced Placement Exams, International Baccalaureate Exams and/or CLEP Exams from within the past five years.

Please note that all submissions to the Testing Center must include the student’s name, the institution, and the grades/scores as part of the transcript and be accompanied by a Transcript Intake Form. Differing names on the transcript and the student’s account may require additional documentation. Unofficial transcripts are acceptable as long as the applicant has met the requirements.

**CREDIT FOR PRIOR LEARNING EXAMS**

The CCD Testing Center offers the College-Level Examination Program (CLEP) tests and DANTES exams. Both nationally recognized tests allow students to receive college credit for learning acquired outside the traditional college classroom. See Credit for Prior Learning on page 36.

**ACADEMIC ADVISING CENTER (AAC)**

The Academic Advising Center’s General Studies Advisors serve ALL new students for initial advising. The AAC serves students for all programs and majors, as well as undecided students and students who need to complete developmental education courses. As a result of connecting with the AAC, students will understand who their advisor is and how to connect with them, next steps as to the course registration process, the connection between initial coursework and their academic/career goals, and be directed to resources and offices on campus that will aid in their success. Students are seen through appointments and/or walk-in hours. The AAC is located in CNF 123. Main Phone: 303-556-2481.

**ACADEMIC ADVISING CENTER (AAC)**

The Academic Advising Center’s General Studies Advisors serve ALL new students for initial advising. The AAC serves students for all programs and majors, as well as undecided students and students who need to complete developmental education courses. As a result of connecting with the AAC, students will understand who their advisor is and how to connect with them, next steps as to the course registration process, the connection between initial coursework and their academic/career goals, and be directed to resources and offices on campus that will aid in their success. Students are seen through appointments and/or walk-in hours. The AAC is located in CNF 123. Main Phone: 303-556-2481.
ACADEMIC ADVISING
Meet with the Right Advisor

- NEW students to CCD should see the Academic Advising Center for initial advising.
- Continuing/transfer students who are at college-level and declared in a program/major should see a Program Advisor in the Academic Center that houses their major or program/certificate.
- Any student needing to complete developmental education courses should see an AAC General Studies Advisor for initial advising.
- Students seeking a certificate that is 30 credits or less should connect right away with the Program Advisor for their academic center.

“If students need help determining who their advisor is, please call the Academic Advising Center at 303-556-2481 or come to the One Stop in Confluence (1st floor, Ste 123).

Center for Arts and Humanities • 303-556-2473

DECLARING OR CHANGING PROGRAM OF STUDY
Students should indicate their program of study when completing the Application for Admission. A student declares a program of study when first enrolling and should verify the program online via CCDConnect each semester. New students should consult this catalog or a General Studies Advisor to determine available programs of study.

Students may request to change their program of study with the Admissions, Registration and Records office and/or may need to see a Program Advisor for select programs and approvals. All students are advised to meet with a Program Advisor or General Studies Advisor to discuss program requirements before changing their program of study. All Center for Health Sciences programs and most Career and Technical Education (CTE) programs require department approval in order for Admissions, Registration and Records to change a student’s program of study.

Students should consult with Financial Aid and Veterans Affairs before changing their program of study as it may impact their eligibility.

REGISTRATION
Students are encouraged to meet with their assigned General Studies or Program Advisor to ensure appropriate course placement and degree progress before registering for classes through CCDConnect. Registration instructions and deadlines are published each semester in various college publications. It is the student’s responsibility to keep informed of all deadlines and policies.

PREREQUISITE REQUIREMENTS
If a course has a prerequisite, students must have certain knowledge to be successful in the course. The prior knowledge may be demonstrated through an exam or a successful completion of a prior course (ex. must have completed CCR 092 with a grade of C or better). Completion of the prerequisite is required prior to enrolling in the course, and U/D, U/F, D, F, W, or I grades are not acceptable. It is the student’s obligation to know and meet course prerequisites as stated in the course description section of the CCD Catalog. Prerequisites will be checked at registration and the student may be dropped if prerequisites are not met.

If the prerequisite requirements are for college composition and reading, math, or English-as-a-Second Language courses, the Testing Center must enter the basic skills test exemption on the student’s record to allow registration. This is required in order for the college to be in compliance with the Colorado Commission on Higher Education Statewide Remedial Education Policy, Section I, Part E.

If the prerequisite requirement is not for college composition and reading or math, students may request that the Testing Center also review previous transcripts from a regionally accredited college or university to approve and enter a prerequisite waiver. All requests for prerequisite waivers must be submitted to the Testing Center. Refer to the college online schedule or program requirements for specific requirements. Most CCD courses require minimum basic skill assessment scores.

BIOLOGY PREREQUISITE REQUIREMENT
Students intending to enroll in BIO 201 or BIO 204 are required to complete BIO 111 with a grade of C or better and pass the Science Placement Test. Transfer students who have taken an equivalent college biology class should submit previous transcripts from a regionally accredited college or university to the Testing Center for approval of the prerequisite requirement. When submitting to the Testing Center, students must indicate that they would like a biology prerequisite override so the Program Advisor can be notified. Although the college can transfer in a BIO 111 course that is up to 10 years old for prerequisite waivers, some Center for Health Sciences programs require that BIO 111 must be completed no more than seven years prior to enrollment in BIO 201 or 204.

AUDITING CLASSES
By auditing a class, a student may participate in class activities but does not receive a formal transcript grade. Students must indicate intent to audit a class at registration or by the census deadline listed on the student schedule. Students must pay for the class in full before an audit request will be processed. Once the audit has been approved, the class cannot be changed to a credited class.

Audited classes are not eligible for the College Opportunity Fund stipend. Students will be responsible for the full in-state or out-of-state tuition. Audited classes do not meet the credit hour requirements for financial aid or veteran benefits and may not be applied to certificate or degree requirements. Class credits for which an AU (Audit) grade is earned will not count in attempted hours and earned hours. No quality points will be assigned and there will be no impact on either the term or cumulative GPA.

MAXIMUM COURSE LOAD
Eighteen (18) credit hours is the maximum course load for all students. Students cannot register for more than 18 credits in any given semester without special permission from the Director of Academic Advising, Director of Program Advising, Dean of Student Development and Retention, or Center Dean.

ADD/DROP CLASSES
It is the student’s responsibility to add or drop classes by the published deadline.

- Students can add classes to their class schedules up to the last day to register according to published deadlines.
- Students may drop classes for a full refund by the published census date for each class.
Dates are published each semester in the Admissions & Registration Guide. Census dates vary so it is important to know if the course is a traditional 15-week course (Fall and Spring term) or a traditional 10-week course (Summer term); all other census dates are specified in the student schedule. Census dates can also be verified with a General Studies Advisor, Program Advisor, or with the Admissions, Registration and Records office.

Students may be dropped for failure to pay their outstanding balance. Students who do not attend by census date may be dropped for non-attendance, which may include any required corequisite course regardless of attendance in that course. Any student dropped after the last day to register will not be permitted back into the course.

Classes dropped before the census date will not appear on an official transcript. After the census date, students have the option to withdraw without a refund, up to the published last date to withdraw.

Financial aid recipients should check with the Financial Aid Office prior to dropping or withdrawing from any classes as this could affect their financial aid award and students may have to repay awards. Veterans should consult the VA Certifying Official prior to dropping a class as it may impact their educational benefits.

WAITLIST
Students may place their name on a waitlist when a course is at maximum capacity and closed for registration. CCD honors the order of the waitlist and extends enrollment availability to students via a notification email sent to their student email account in the order in which they appear on the list. It is the student’s responsibility to register for the class via CCDConnect prior to the deadline indicated in the notification email. No exceptions will be allowed for students who miss notification. Students may have less than 24 hours to register if the deadline allowed overlaps the last day to register. Payment must be made in accordance with the payment policy. Faculty must honor the waitlist if there are openings in their class and cannot sign any students into a closed course.

WITHDRAWALS
Withdrawing from classes after census date will result in a grade of W. Withdrawal dates vary so it is important to know if a course is a traditional 15-week course (Fall and Spring term) or a traditional 10-week course (Summer term); all withdrawal dates are specified in the course schedule. Withdrawal dates can also be verified with a General Studies Advisor, Program Advisor, or with the Admissions, Registration and Records office. No academic credit is awarded for a withdrawal. A withdrawn course will count in attempted credits.

Financial aid recipients should check with the Financial Aid Office prior to dropping or withdrawing from any classes as this could affect their financial aid award and students may have to repay awards. Veterans should consult with the VA Certifying Official prior to withdrawing from a course as it may impact their educational benefits.

INTER-INSTITUTIONAL REGISTRATION
Under the inter-institutional registration program, CCD and its partners on the Auraria Campus (MSU Denver and CU Denver) allow students to take select college-level courses at a host institution if space is available. CCD students have the advantage of paying lower tuition rates for courses offered by the host institution while MSU Denver and CU Denver students have access to a diverse selection of electives and courses that may not be available at their home institution.

Online, off-campus, or extended campus courses are not covered under this agreement. For detailed instructions on how to register for inter-institutional courses, please refer to www.ccd.edu.

CCD Students—CCD certificate or degree seeking students who want to take classes at MSU Denver or CU Denver must submit both the Inter-Institutional Application and Inter-Institutional Registration forms, which can be obtained at CCD’s Admissions, Registration and Records Office. Students who participate in the inter-institutional program must adhere to the procedures and deadlines established by their home and host institutions. CCD students are required to meet MSU Denver or CU Denver course prerequisites prior to registration and may not register for more credits at the host institution than what they are registered for at CCD. Students may be subject to additional course fees at the host institutions and are responsible for paying these fees directly to MSU Denver or CU Denver.

In order to ensure that an inter-institutional course will transfer to CCD and apply towards the student’s certificate or degree program, CCD encourages students to meet with a General Studies Advisor or Program Advisor prior to registering for an inter-institutional course. Inter-institutional course registration does not alter certificate and degree requirements. Students may be required to submit a Course Substitution Form and an official transcript from the host institution in order to have inter-institutional courses apply to their program requirements for graduation.

MSU Denver and CU Denver Students—MSU Denver and CU Denver students are permitted to take classes at CCD through the inter-institutional registration process after obtaining an inter-institutional form from their home institution. Forms must be completed with required approvals and signatures from the home institution prior to submission at CCD. Students must submit an online application for admission at CCD and must adhere to procedures and deadlines established by their home and host institutions. This includes meeting the required course prerequisites at CCD prior to registration. Students are not permitted to register for more credits at CCD than what they are registered for at their home institution. Students may be subject to additional course fees and must pay them directly to CCD.

Metropolitan State University of Denver (MSU Denver) Developmental Students—MSU Denver’s developmental education is available to Metropolitan State University of Denver (MSU Denver) students who require basic skills remediation. MSU Denver students must register for CCD developmental courses at their home institution and adhere to MSU Denver’s registration procedures and deadlines. Final grades will appear on both CCD and MSU Denver transcripts. If a student should transfer from MSU Denver to CCD, these courses will be included in the student’s Satisfactory Academic Progress (SAP) calculation for financial aid at CCD.

University of Colorado Denver (CU Denver) Developmental Students—CCD offers Algebraic Literacy (MAT 055) to CU Denver students who require remediation in mathematics. CU Denver students must register for MAT 055 at their home institution and must adhere to registration procedures and deadlines set by CU Denver. Final grades will appear on both CCD and CU Denver’s transcripts. If a student should transfer from CU Denver to CCD, these courses will be included in the student’s Satisfactory Academic Progress (SAP) calculation for financial aid at CCD.

CCDConnect is CCD’s online student portal. Students are responsible for utilizing CCDConnect to:
• Read student email
• Register for classes
• Pay tuition
• Obtain financial aid information
• View grades
• Review degree progression via Degree Works
• Verify social security number
• Authorize COF
• Plus much more!

Tuition and Fees
The State Board for Community Colleges and Occupational Education determines tuition, which is subject to change annually. Fees also can change. Tuition rates and refund deadlines vary for CCCOnline courses. Contact the Cashier’s Office at 303-556-2075 with questions about CCCOnline tuition and payment. Updated information on CCD tuition and fees is online at www.ccd.edu under “Current Students.”

Rates are subject to change without notice.

Fee Descriptions
Students at CCD’s Auraria Campus pay set fees for a variety of services and programs. CCD satellite campuses pay all fees except the Auraria Bond Fee, Clean Energy Fee and RTD Bus Pass Fee.

Auraria Bond Fee ($36.96 for 1-3 credits, $51.14 for 4-6 credits, $68.16 for 7-11 credits, $78.12 for 12 credits or more): Auraria Campus students voted to approve a fee to pay off the bonds that funded construction on the Tivoli Student Union, Auraria Early Learning Center, campus health physical education and recreation facilities. Students at all three Auraria institutions pay this fee.

RTD Bus Pass Fee ($89.00 per term): The Auraria Student RTD Pass covers fares for local bus service in the Denver-metro area, Light Rail and all Express or Express Regional services. With the pass, students get a $3.75 discount on all Sky-Ride routes. The pass is not valid for special services like the BroncosRide, RockiesRide, Access-a-Ride and Guaranteed Ride Home.

Student Activity Fee ($6.37 per credit hour): This fee supports CCD Student Life staff and programs, including New Student Orientation and First Year Experience, CCD Student Government, Student Handbook publication, child care scholarships, lending library, food bank, recreational activities, student events, Tivoli Student Computer Lab, Gay, Lesbian, Bisexual and Transgender Student Services and the Phoenix Center at Auraria.

Auraria Higher Education Center Resource Library Fee ($4.57 per credit hour): This fee supports Auraria Library functions.

Clean Energy Fee ($5.00 per term): This student approved fee is for purchasing clean, renewable, electrical power for the Auraria Campus.

Health Center Fee ($24.00 per term)

Immunization Fee ($2.00 per term)

Building/Renovation Fee ($8.00 per credit hour): This fee supports the construction of the Confluence Building and the renovation of Cherry Creek Classroom Building.

Auraria Fees: Students are responsible for paying all Auraria fees prior to graduating. If a student neglects to pay Auraria fees (ex. parking or library fees), the student will be held liable for these fees past CCD graduation.

All CCD students pay the following fees:

- Registration Fee: The Colorado Community College System charges a mandatory $12.55 per semester registration fee to students at all 13 of its colleges. Instructional Fees: CCD charges a $6.60 per credit hour instructional program fee for high- and medium-cost classes. Other fees and charges may apply.

- Additional Fees: Please be aware that certain departments, majors or classes may assess specific fees in order to offset associated costs, such as textbook fees, lab fees or tool kit fees. * Fees are subject to change without notice.
COLLEGE OPPORTUNITY FUND (COF)
The College Opportunity Fund (COF) provides a tuition stipend for in-state resident students completing undergraduate coursework at a public or participating private college. The amount of the per-credit-hour tuition stipend is set annually by the General Assembly and pays a portion of students’ total in-state tuition.

In-state resident students must create a lifetime account at www.cccd.edu/cof and authorize the use of the stipend each semester through CCDConnect. Students who fail to apply and/or authorize the use of the COF stipend within the time allowed will be responsible for the full cost of their tuition.

TUITION REFUND POLICY
Students may receive a refund of tuition and fees for any classes dropped by the census date or for any classes the college canceled. The census date for standard classes is listed in the Admissions & Registration Guide or in the Academic Calendar online at www.cccd.edu. The census date varies depending upon the length of the class. Students should refer to their schedule of classes to determine the census date for each class. It is the student’s responsibility to drop classes by the published deadline. No refunds are given after the census date. Students receiving financial aid may have their aid adjusted and should check with the Financial Aid Office prior to dropping a class.

Students who are owed a refund will be required to pay for all classes added after refunds are issued. Account balances can be viewed and paid online at CCDConnect.

Prior to the census date, students may be dropped from their classes for failure to pay their outstanding balance or for non-attendance, which may include any required corequisite class regardless of attendance in that class. If dropped prior to census, students are not responsible for the tuition for dropped classes. If dropped after census for non-payment or non-attendance, the student will not be permitted back into the class.

Military students who are called to active duty during the semester should talk to the Admissions, Registration and Records office to discuss the tuition refund policy.

HIGHERONE
Students will receive all refunds through the HigherOne refund process. All enrolled students 17 years old and older will be mailed a HigherOne Refund Card. Upon the receipt of the card, the student must activate the HigherOne refund card and select the preferred method of payment. Students may select to have their refunds credited to their HigherOne refund card, may have their refunds credited to their existing bank account via ACH, or may request a paper check.

Students who are eligible for refunds may have their refunds credited electronically to their HigherOne refund card or bank within five to seven business days. HigherOne will mail checks to a student’s home address within 21 days if a student selects a paper check.

EXTINGUISHING CIRCUMSTANCE APPEAL PROCESS
The Extenuating Circumstance Appeals Committee may approve a late withdrawal and/or tuition credit for emergencies that exist beyond the student’s control preventing compliance with the established dates and deadlines for that term.

• To receive an Extenuating Circumstance Appeal packet, students must first meet with their General Studies Advisor or Program Advisor.
• Students must submit a completed Extenuating Circumstance Appeal packet and supporting documentation within one calendar year from the end of the semester for which the student is appealing.
• The Extenuating Circumstance Appeal packet must include all required application forms and all supporting documentation. Completed Extenuating Circumstance Appeal packets will be reviewed and the student will be notified by CCD email or the phone number on file of the committee’s decision within 30 calendar days. Written notification will also be mailed to the student’s address on file.
• The appeal packet must include all required signatures to be considered.
• The Extenuating Circumstance Appeal will be denied if the student failed to comply with the deadline if the extenuating circumstance allowed for submission in a timely manner.
• If an appeal is denied, a student may request to have the appeal reconsidered by the committee, only if the student can supply additional documentation to support the extenuating circumstance. When a second review is requested, the decision made by the committee is final.
• Students who have received financial aid and are granted an Extenuating Circumstance Appeal may not receive refunds. Credit balances will be used to repay federal aid first. Contact the Financial Aid Office for more information.

FINANCIAL AID
CCD uses the Free Application for Federal Student Aid (FAFSA) to determine a student’s eligibility for all forms of student financial aid, including grants, scholarships, work study, and loans. Some student financial aid awards are based on limited funding and are awarded on a first-come, first-served basis. For this reason, CCD encourages students to apply early each year (by April 15).

ELIGIBILITY
In order to determine eligibility, students are advised to submit the FAFSA following the application process provided below. Eligible students must meet all of the following criteria:
• Be a citizen or eligible non-citizen of the United States.
• Be accepted for admission at CCD in a degree or eligible certificate program.
• Have a high school diploma, GED, or foreign school equivalent.
• Students who first enrolled in a program of study prior to July 1, 2012 may qualify under previously existing rules for meeting Ability to Benefit criteria. Please check with the Financial Aid Office for any questions about this eligibility status.
• Be registered with Selective Service (male students only).
• Be in good standing at the college and meet Satisfactory Academic Progress (SAP) requirements.
• Not be in default on a student loan or owe a repayment of a federal grant.

Other factors that impact eligibility:
• Students enrolled in programs that require fewer than 16 credits with less than 15 weeks of coursework are not eligible for financial aid.
• Students who have attempted more than 30 developmental education credits are not eligible for financial aid for additional developmental coursework.
• Students who have attempted a course more than twice may not be eligible to receive financial aid for the same course a third time and are encouraged to contact the Financial Aid Office to determine eligibility.

ELIGIBLE NON-CITIZENS
To qualify for financial aid as a non-citizen, a student must be able to provide documentation of one of the following to the Financial Aid Office:
• An Alien Registration Receipt Card (I-151 or I-551) or a Conditional Permanent Resident Card (I-151C)
• An Arrival-Departure Record (I-94) from the Department of Homeland Security showing any one of the following designations:
  • Refugee, asylum granted
  • Cuban-Haitian entrant
  • Indefinite parole
  • Citizen of the Freely Associated States – Republic of the Marshall Islands, Federated States of Micronesia, or the Republic of Palau (considered for grant aid and Federal aid only)
• Students attending CCD under DACA or ASSET do not qualify for federal or state financial aid. These students are encouraged to apply for scholarships at CCD.

APPLICATION PROCESS
1. Apply for a PIN (personal identification number) online at www.pin.ed.gov. The PIN must be used each year to electronically sign the FAFSA. A dependent student must also have a parent apply for a PIN.
2. Complete the FAFSA online at www.fafsa.gov. The FAFSA becomes available on January 1 each year for the following Fall, Spring, and Summer semesters. A student can estimate tax information in order
to avoid a delay in processing. A student may also opt to “Link to the IRS” if taxes have already been filed. Students are advised to link their FAFSA to the IRS when possible.

- Students who do not elect the “Link to the IRS” option may be required to submit a copy of federal tax return transcripts to the Financial Aid Office.
- In order to send the FAFSA to CCD, students can use CCD’s school code: 000542.

3. After completing the FAFSA, the Federal Processor will send the student a Student Aid Report (SAR), outlining each response provided on the FAFSA. If necessary, students can use the PIN to make corrections to the FAFSA.

4. When CCD receives the student’s FAFSA, the Financial Aid Office will send the student a Missing Information Letter, informing the student of additional required documentation in order to qualify for financial aid at CCD. This information will also be available online through CCDConnect.

- All required documentation must be submitted by April 15 in order for the student to be considered for priority awarding of first-come, first-served funding, including some grants, scholarships and work-study funds.

5. When the student’s file is completed in the Financial Aid Office, the student will receive an Award Notice. This information will also be available online through CCDConnect.

TYPES OF AID

The FAFSA not only determines a student’s eligibility for financial aid but also determines the types of aid available to the student. Financial aid may be need-based or non-need-based, depending on the Estimated Family Contribution (EFC) as determined by the U.S. Department of Education.

Grants – All grants at CCD are need-based and do not need to be repaid. Award amounts and eligibility depend on EFC and enrollment status. Students do not need to attend full time to receive grant funds, if eligible.

Direct Student Loans – Direct Loans are guaranteed by the U.S. Department of Education and do not require a credit check. Students must be enrolled at least half time to receive Direct Loans. Most Direct Loans must be repaid six months after the student is no longer enrolled at least half time (six or more credits) in an eligible program.

Federal annual limits apply to loans, depending on the student’s grade level and dependency status. To accept Direct Loans, students must accept the amount needed online via CCDConnect and complete an Entrance Counseling session and a Master Promissory Note (MPN) at www.studentlans.gov. Students must also complete Exit Counseling when no longer enrolled at least half time.

Students who borrowed their first Direct Loans between July 2012 and July 2014, however, must begin repayment after dropping below half time enrollment and do not qualify for the six month grace period. For additional repayment information, students can call 1-800-848-0979 or visit www.studentaid.gov.

Federal Direct Subsidized Loan – need-based. Interest (4.66%) is paid by the federal government on behalf of the student while the student is enrolled at least half time. Repayment begins six months after the student is no longer enrolled at least half time.

Federal Direct Unsubsidized Loan – not need-based. Interest (4.66%) accrues and capitalizes while the student is enrolled. While the student is not required to make payments on any Direct Loans while enrolled at least half-time, the student is strongly encouraged to make interest payments while in school.

Federal Direct PLUS Loans (Parents) – Parents may borrow directly from the federal government on behalf of the student. Repayment typically begins within 60 days after disbursement. The parent has up to 10 years to repay the loan. Credit checks are required and not all loans are guaranteed. If a parent is denied a PLUS loan due to credit, the student may borrow additional unsubsidized Direct Loans.

Work-Study – Regardless of financial need as determined by the FAFSA, both Federal and Colorado Work-Study may be available on a first-come, first-served basis. Students earn work-study through part-time employment on or off campus and must be enrolled at least half time to qualify. Students can gain employment experience in an area directly related to their field of study while being paid bi-weekly. Eligible students are notified of their maximum work-study eligibility through the Financial Aid Award Notice or CCDConnect.

Scholarships – A form of gift aid that does not need to be repaid. Scholarship criteria may include academic achievement, need, talent, special qualities or a combination of these factors. Institutional and private scholarships are posted on www.ccd.edu. Students apply annually starting in January for the upcoming academic year. Priority is given to students who apply on or before April 15.

COST OF ATTENDANCE

A student’s COA includes actual educational expenses (tuition, fees, books and supplies) and estimated living expenses (room and board, transportation, medical and personal expenses based on Colorado Department of Higher Education guidelines). A student’s financial aid cannot exceed the COA and there is no guarantee that a student’s financial aid will cover all costs.

Sample Budget (actual amounts are subject to change)

<table>

</tr>
</tbody>
</table>

Students may request budget increases for certain expenses such as child care, a one-time computer purchase, or for medical expenses by contacting the Financial Aid Office. Such requests, if granted, do not guarantee the availability of additional funds.

SATISFACTORY ACADEMIC PROGRESS (SAP)

Federal regulations require all financial aid recipients to maintain Satisfactory Academic Progress (SAP) in order to receive financial aid. In order to maintain SAP standards at CCD, students must earn a minimum 2.0 cumulative GPA and complete at least 67 percent of their coursework. SAP standards also require students to complete their degree/program within 150 percent of the published length of the program. All credit hours taken at CCD, including all credits attempted when not receiving financial aid and all transfer hours, are included in determining a student’s SAP status. Students may become Ineligible for Aid if they do not complete any courses within a single term. If determined Ineligible for Aid, students may appeal to have aid reinstated at the Financial Aid Office.

FINANCIAL AID REPAYMENT

Students are only eligible for aid for courses in which they establish attendance. If a student does not establish attendance in a course and/or fails to drop a course before the published census date, the student may be charged tuition and fees. The student may also be required to repay any aid released. Corequisite courses may also be dropped if non-attendance is reported for either course.

Students who do not complete at least one credit hour for each part of term may be required to repay a portion of any financial aid received to CCD and/or the U.S. Department of Education. If CCD reports an amount owed to the U.S. Department of Education, the student will not be eligible to receive aid at any institution until the funds are repaid in full. The complete Return to Title IV policy is available online at www.ccd.edu.
CCD has policies and standards to help students know what to expect of CCD and what CCD expects of students. The following is a summary of the information students need to know. A General Studies Advisor, Program Advisor or anyone on the Student Affairs staff can help students understand these policies, standards and rights as a CCD student.

ACADEMIC PROGRESS GUIDELINE
All CCD students are expected to maintain satisfactory academic progress. Recognizing the value of measuring academic progress for all students, CCD has established the following practice and procedure for measuring academic standing. This procedure is intended to be informational and helpful, but also establishes clear standards of academic progress that must be met and maintained in order to be a successful student at CCD. A student’s academic standing at one Colorado Community College System (CCCS) college will impact academic standing at other CCCS colleges.

ACADEMIC PROGRESS PROCESS
For students who have attempted fewer than 9 credit hours, CCD will monitor satisfactory progress through an Academic Alert process. These students are not subject to Academic Standing.

Academic Standing applies to all students who have attempted 9 or more credits at a CCCS college, regardless of the number of term credits they attempt from that point forward. Academic Standing is applied consistently and uniformly within each CCCS institution. CCD will determine Academic Standing following the posting of the majority of term grades for each semester. Students placed on probation or suspension will be notified of their status. Suspended students will not be allowed to attend any CCCS college in the subsequent semester/s unless an appeal is approved. Academic Standing status will be noted on the advising, official, and unofficial transcripts. The Academic Standing of a student is not specific or limited to CCD as it will impact a student’s enrollment at other CCCS colleges.

ACADEMIC PROGRESS DEFINITIONS
• Only college level classes will be used to calculate term and cumulative GPAs.
• This includes summer term courses.
• Only courses taken “in residence” will be used for this procedure; “In residence” means courses taken at CCD. Courses taken elsewhere and transferred in do not apply. The GPA calculations for this procedure may not match those used for financial aid purposes.

ACADEMIC PROGRESS STANDARDS

Initial Standing — Student has attempted fewer than 9 cumulative credit hours with a cumulative GPA that is greater than or equal to 2.00 for all classes attempted.

Academic Alert — Student has attempted fewer than a cumulative 9 credits with a cumulative GPA less than 2.00 for all classes attempted.

Good Standing — Student has attempted at least 9 cumulative credit hours and has a cumulative GPA greater than or equal to 2.00 for all classes attempted.

Probation — Student has attempted at least 9 cumulative credit hours and has a cumulative GPA less than 2.00 for all classes attempted.

Returning to Good Standing — By the conclusion of the Academic Probation term, the student must raise their cumulative GPA to at least 2.0. If this condition is met, the student returns to Good Standing.

Probation (continuing) — If a student on Academic Probation earns a term GPA of at least 2.00 for all classes attempted during the term, but fails to raise their cumulative GPA to at least 2.0 for all classes attempted, the student will be allowed to attend the next term, but will remain on Academic Probation.

Suspension — If a student on Academic Probation earns a term GPA of less than 2.0 for all classes attempted, the student will be suspended and will not be allowed to enroll at any CCCS college for the next term, excluding summer term (as summer term may not be used as a “suspension term”).

ACADEMIC PROGRESS SUSPENSION RULES
• Summer term may not be used as a “suspension term”.
• Summer term may be used to remediate (improve) the GPA if approved by CCD. If a student wishes to enroll for summer term after being suspended, they will need to follow CCD’s Suspension Reinstatement Procedure.
• Initial suspension is for one term, excluding summer term.
• A second suspension is for two terms, excluding summer term.
• A third suspension is for two full years, or 4 academic terms excluding summers.
• A student who has served the suspension time for initial suspension, second suspension, or third suspension, will be required to submit an Academic Suspension Appeals Packet and meet with their CCD General Studies Advisor or Program Advisor to review and sign the packet.
• If approved by the Academic Appeals Committee, the student will be reinstated for two classes and be required to complete an accountability contract during their semester of reinstatement.

ACADEMIC PROGRESS SUSPENSION APPEALS
• Students may appeal their suspension by following the CCD Suspension Reinstatement Procedure. If a student intends to transfer to another CCCS college, the student may appeal to the transferring CCCS college.
• If the student’s suspension appeal is approved, the student will be reinstated for the semester approved.
• Students put on Suspension will be dropped from all courses for any future terms. Students will not be able to register for courses until they meet the requirements outlined in the Suspension Reinstatement Procedure. Students are ultimately responsible for their enrollment and need to check their enrollment schedule for accuracy.
Academic Progress Suspension Reinstatement Procedures

The Academic Suspension Reinstatement procedures require that a student meet with a General Studies Advisor or Program Advisor to review the Academic Suspension Reinstatement Packet prior to submitting it to the Academic Appeals Committee for review. The completed and reviewed packet should be turned into the Academic Advising Center, Confluence 123.

The Academic Suspension Packet can be found at www.ccd.edu/studentforms under “Academic Advising Center.” Students should be prepared for the session with their General Studies Advisor/Program Advisor by reading and completing the forms in the packet. The following should be presented to the Advisor for review and signature:

- An unofficial transcript/copy of academic record.
- A typed Letter of Appeal.
- Any supporting documentation outlining the circumstances that led to suspension.

After the Appeals committee reviews all appeals, an Academic Suspension Committee member will notify a student of their reinstatement status via their CCCS email account and by phone. If the student is approved for reinstatement, the student must follow the planned and approved courses outlined in the Academic Reinstatement Plan and sign a reinstatement contract with the AAC Suspension Advisor. In order to continue enrollment at CCD, students must meet all requirements outlined in their Reinstatement Contract.

CREDIT COMPLETION PROGRESS

Recognizing the value of credit completion for all students with regards to retention, transfer and credential attainment; CCD has established the following practices and procedures for measuring credit completion progress. Students must meet the standards of credit completion progress in order to be successful students at CCD.

CREDIT COMPLETION PROCESS

For students who have attempted fewer than 9 credit hours, CCD will monitor credit completion through an Alert Process. These students are not subject to the Credit Completion Progress guideline.

Credit Completion Progress standards apply to all students who have attempted 9 or more credits at CCD, regardless of the number of term credits they attempt from that point forward. Credit Completion Progress standards will be applied consistently and uniformly within each CCCS college. CCD will determine Credit Completion Progress standards following the posting of the majority of term grades for each semester. Students placed on warning 1, warning 2 or warning 3 will be notified of their status. Credit Completion Progress status will be noted on the advising and unofficial transcripts only (it will not be noted on the official transcript). The Credit Completion Progress status of a student is specific to CCD and does not impact a student’s enrollment at other CCCS colleges.

CREDITS COMPLETION DEFINITIONS

- Credit Completion Progress includes all credit bearing classes (developmental and college level), which will be used to calculate the percent of attempted credits passed. This includes summer term courses.
- Only courses taken “in residence” will be used for this calculation; “In residence” means taken at CCD. Courses taken elsewhere and transferred in do not apply. The credit completion rate for this procedure will not necessarily match those used for financial aid purposes or athletic eligibility.
- Grades considered to be passing when computing the percent of attempted credits passed are as follows: A, B, C, D, S/A, S/B, S/C, and S.
- Grades considered to be failing when computing the percent of attempted credits passed are as follows: I, F, U/D, U/F, W, and AW.
- Course Completion Rate is calculated by dividing the total attempted credits by the number of credits successfully completed as per the definitions above.

CREDIT COMPLETION STANDARDS

Initial Standing — Student has attempted fewer than 9 cumulative credit hours will not be assessed for credit completion.

Good Standing — Student has attempted at least 9 cumulative credit hours and has a cumulative course completion rate of at least 50%.

Warning 1 — Student has attempted at least 9 cumulative credit hours and has a cumulative course completion rate of less than 50% for the first time.

Warning 2 — Student has attempted at least 9 cumulative credit hours and has a cumulative course completion rate of less than 50% for the second time.

Warning (continued) — If a student on Credit Completion Probation passes 50% or more of their attempted term credits, but fails to raise their cumulative completion rate to 50%, they will be allowed to continue the next term, but will remain on Credit Completion Probation.

Warning 3 — Student has attempted at least 9 cumulative credit hours and has a cumulative course completion rate of less than 50% for the third time.

CREDIT COMPLETION WARNING RULES

- Students on Warning 1 will receive a communication regarding their credit completion status and will be given information on student support services at CCD.
- Students on Warning 2 will receive a communication regarding their credit completion status and will have a credit completion registration hold placed on their CCD student account. The student will not be able to make any changes to their student account until they meet with their General Studies Advisor or Program Advisor to appeal. CCD reserves the right to limit the number of credit hours the student may enroll in when placed on Warning 3 status.
- Reviews of appeals are completed by the Academic Appeals Committee.
- Appeal forms can be found at www.ccd.edu/studentforms under the “Academic Advising Center.” Completed Credit Completion Warning appeal documents should be turned in to the Academic Advising Center, Confluence 123.

ACADEMIC RENEWAL POLICY

The purpose of academic renewal is to allow a student the one-time opportunity to remove a maximum of 30 semester credit hours of poor academic performance from the grade point average (GPA) calculation. Academic renewal applies only to courses taken at CCD and may only be awarded once. The original grades and credits remain on the permanent academic transcript and credit hours are deducted from the student’s remaining COF stipend eligible hours. A notation indicating “Academic Renewal Awarded” will be made on the official transcript and the grades will be excluded from the GPA. After being granted, Academic Renewal is irreversible. Credit excluded from the GPA calculation cannot be used to satisfy the requirements for completion of a certificate or degree.

The following conditions must be met to apply for Academic Renewal:

- Up to 30 hours can be excluded from GPA, but those grades will remain on the student’s transcript.
- The student cannot have been enrolled at CCD for two calendar years to be eligible for Academic Renewal.
- The student must be enrolled and have completed at least six semester credit hours with a minimum 2.0 GPA since returning to CCD. For Reverse Transfer Degree only, the student may fulfill this requirement by demonstrating enrollment in at least 6 credit hours with a 2.0 term GPA during the last semester of attendance at the four year institution.
- The Academic Renewal Form must include a General Studies Advisor’s or Program Advisor’s signature.
- Only grades of D and F are eligible for academic renewal and exclusion from GPA calculation.
A student concerned about a poor academic record is encouraged to meet with a General Studies Advisor or Program Advisor to discuss other academic progress options and strategies for academic success.

The Academic Renewal Policy is only applicable to CCD. Other institutions receiving a CCD transcript for transfer are not bound by CCD’s policy and may choose to calculate the student’s transfer GPA to include all grades, even those excluded by CCD under this policy.

Students applying for Academic Renewal are responsible for investigating the potential impact of Academic Renewal on transfer admission, financial aid, veteran’s benefits, and other agencies and organizations.

ACADEMIC INTEGRITY POLICY

Students at Community College of Denver are expected to behave as responsible members of the college community and to be honest and ethical in their academic work. CCD strives to provide students with the knowledge, skills, judgment and critical thinking needed to function in society. To falsify or fabricate the results of one’s research; to present the words, ideas, data, or work of another as one’s own; or to cheat on an examination corrupts the essential process of higher education and is a disservice to the student, faculty and staff community. All members of Community College of Denver community share the responsibility and authority to challenge and report acts of academic dishonesty.

GUIDELINES FOR ACADEMIC INTEGRITY

Students assume full responsibility for the content and integrity of the coursework they submit.

The following are guidelines to assist students in observing academic integrity:

- Students must do their own work and submit only their own work on examinations, reports and projects, unless otherwise permitted by the instructor.
- Students are encouraged to contact their instructor about appropriate citation guidelines.
- Students may benefit from working in groups. However, students must not collaborate or cooperate with others on graded assignments, examinations, or other academic exercises unless clearly directed to do so by the instructor.
- Students must follow all written and/or verbal instructions given by instructors or designated college representatives prior to taking examinations, placement assessments, tests, quizzes and evaluations.
- Students are responsible for adhering to course requirements as specified by the instructor in the course syllabus.

FORMS OF ACADEMIC DISHONESTY

Note: Community College of Denver recognizes that when students make a good faith attempt to credit sources, some mistakes in citation format or use of quotations can be viewed as errors in form and mechanics rather than true academic dishonesty.

Actions constituting violations of academic integrity include, but are not limited to, the following:

CHEATING: intentionally using or attempting to use unauthorized materials, information, or study aids in any academic exercise.

Examples of cheating include, but are not limited to:

- Copying from another’s assignment or receiving unauthorized assistance from another during an academic exercise or in the submission of academic material.
- Using a calculator, computer, or other materials when not authorized by the instructor.
- Collaborating with another student or students during an academic exercise without the consent of the instructor.

PLAGIARISM: intentionally or knowingly representing the words or ideas of another as one’s own in any academic exercise.

The following are considered to be forms of plagiarism:

- Word-for-word copying of another person’s ideas or words.
- Interspersing one’s own words within a document while, in essence, copying another’s work.

Rewriting another’s work, yet still using the original author’s fundamental idea or theory.
- Inventing or counterfeiting sources.
- Submission of another’s work as one’s own.
- Neglecting quotation marks on material that is otherwise acknowledged.

MISUSE OF ACADEMIC MATERIALS: the misuse of academic materials includes, but is not limited to:

- Stealing or destroying college or library reference materials, or computer equipment and/or programs.
- Stealing or destroying another student’s notes or materials, or having such materials in one’s possession without the owner’s permission.
- Receiving assistance in locating or using sources of information in an assignment when such assistance has been forbidden by the instructor.
- Illegitimate possession, disposition, or use of examinations, test banks or answer keys to examinations.
- Unauthorized alteration, forgery, or falsification of academic records.
- The sale or purchase of examinations, papers, projects, or assignments.

COMPLICITY IN ACADEMIC DISHONESTY: complicity involves knowingly contributing to another’s acts of academic dishonesty.

FABRICATION: intentional and unauthorized falsification or invention of any information or citation in an academic exercise.

FACILITATING ACADEMIC DISHONESTY: intentionally or knowingly helping or attempting to help another to violate any provision of this policy.

MULTIPLE SUBMISSION: unauthorized submission of academic work for which academic credit has already been earned and when such submission is made without authorization.

PENALTIES FOR ACADEMIC DISHONESTY

If a student is found responsible for violating academic integrity policies, any one or a combination of the following penalties may be imposed by the faculty member, or by the faculty member and his/her supervisor:

- Verbal or written warning.
- Request to have student repeat assignment, project or examination in question.
- A grade of F for the assignment, project, examination or course.

The Provost or designee may also issue the following disciplinary sanctions, in accordance with the Student Conduct Code of Conduct:

- Disciplinary admonition and warning.
- Disciplinary probation with or without the loss of privileges for a definite period of time. The violation of the terms of the disciplinary probation or the breaking of any college rule during the probation period may be grounds for suspension or expulsion from the college.
- Suspension from Community College of Denver for a definite period of time.
- Other disciplinary action as deemed appropriate may include, but is not limited to: referral to support services and/or programs; assignment of written apology or essay; participation in community service activities.

ACADEMIC DISHONESTY COMPLAINT PROCEDURE

1. The faculty member observing or investigating the apparent act of academic dishonesty documents the commission of the act by writing down the time, date, place and a description of the act.
2. The faculty member collects evidence, often by photocopying the plagiarized assignment and creating a paper trail of all that occurs after the alleged act of academic dishonesty. In most cases, the evidence will include various samples of the student’s work showing a radical disparity in style or ability.
3. The faculty member provides the student an opportunity to explain the incident.
4. The faculty member explains to the student the procedures and
penalties for academic dishonesty and gives the student a copy of CCD’s Academic Integrity Policy and the Student Code of Conduct.

5. The faculty member may resolve the matter by determining an appropriate course of action, which may include a verbal or written warning, a grade of F on an assignment, project, or examination or no further action. Note: Faculty should report all violations of academic integrity and the course of action taken to the Provost or his/her designee via Maxient, the student conduct report tool.

For questions/comments regarding the contents or procedures of this policy, please contact the appropriate Center Dean on page 59 at Community College of Denver, 303-556-2600.

ACADEMIC STANDARDS

CCD CURRICULUM STANDARDS

Community College of Denver follows the Colorado state mandated common course descriptions, competencies and outlines for any course offered, regardless of the method of delivery. For online, hybrid, and accelerated courses, CCD uses existing academic structures in the development of courses and curricula.

ATTENDANCE

Attendance in all class sessions is critical for academic success. Regular and punctual attendance is expected, and each instructor will keep a complete record of student attendance for the entire length of each course. Students will be counted absent from missed class meetings, beginning with the first day of class. Faculty may report any student who does not attend the first 15 percent (census date) of the course and the student will be dropped and not be allowed to re-register for the course. Any corequisite required for a course that is dropped for non-attendance may also be dropped. Students are responsible for properly processing a withdrawal from a class if they want to avoid receiving a failing grade.

Students must provide instructors with a valid reason for an absence in a timely manner. However, accommodations may not be made for missed course assignments, participation, quizzes, tests or class sessions. Students are responsible for learning the material that was taught during the absence and completing all class assignments.

The attendance policy for health sciences and other programs may differ because of clinical requirements or rules set by approving agencies.

COMMON GRADING SYMBOLS

CCD GRADE POLICY

Achievement in a course is measured by meeting specific course objectives. CCD students are evaluated using a letter-grade system. The following explains what each grade means. For more information, visit www.ccd.edu, consult the course syllabus or ask the instructor to explain their grading system.

Colorado Community College System Inventory of Common Grading Symbols

I— INCOMPLETE

The I or incomplete grade is a temporary grade. It is designed for students who have completed a majority of the course work (defined as at least 75 percent of all course assignments and tests) in a satisfactory manner (grade C or better), but are unable to complete within the semester due to documented illness or circumstances beyond their control.

If circumstances prevent the student from completing a test or assignments by the end of the term, then it is the student’s responsibility
to initiate the request for an incomplete grade from the instructor. The instructor will determine whether the student has a reasonable chance of satisfactorily completing the remaining course activities in a timely manner. In the event that a student and instructor cannot reach resolution concerning an Incomplete, then the student should contact the Department Chair.

In requesting an incomplete grade, the student must present the instructor with documentation of circumstances justifying an incomplete grade. The instructor and student will sign an Incomplete Grade form and submit it to the Center Dean for approval. While waiting for the work to be completed, the instructor will assign an incomplete grade on the grade roster.

Military personnel and emergency management officials who are required to go on Temporary Duty (TDY) during a term should contact the college’s definition of enrollment, they are still enrolled.

Military personnel and emergency management officials who are required to go on Temporary Duty (TDY) during a term should contact the instructor for special consideration. Documentation of official TDY assignment is required and must be approved by the Provost.

An incomplete grade which is not converted to a letter grade by the instructor after one subsequent semester (not including summer semester) will become an F grade unless a higher default grade has been assigned by the instructor.

To avoid duplicate payment of a course, students should not re-enroll in a class in which an incomplete grade is pending, since according to the college’s definition of enrollment, they are still enrolled.

S – SATISFACTORY
The satisfactory grade is equivalent to a grade of C or better. These grades are not included in the GPA calculation or in quality points. The course will count for attempted and earned credits.

U – UNSATISFACTORY
The unsatisfactory grade is equivalent to a D or F grade. These grades are not included in the GPA calculation. The course will count in attempted credits, but will not carry earned credits.

S/A, S/B, S/C – SATISFACTORY
These are satisfactory grades awarded only for developmental and remedial courses. The A, B, and C indicate the level of satisfactory performance. These grades are not included in the GPA calculation. The course will count for attempted and earned credits.

U/D, U/F – UNSATISFACTORY
These are unsatisfactory grades awarded only for developmental and remedial courses. The D and F indicate the level of unsatisfactory performance. These grades are not included in the GPA calculation. The course will count in attempted credits, but will not carry earned credits.

W – WITHDRAWAL
The W or withdrawal grade is assigned when a student officially withdraws from a course after the course census date. A withdrawal can only be processed during the first 80 percent of the course. No academic credit is awarded. The course will count in attempted hours.

AW – ADMINISTRATIVE WITHDRAWAL
The AW or administrative withdrawal is assigned by the college when a student has been administratively withdrawn. No academic credit is awarded. The course will count in attempted hours. CCD only grants AW grades for extenuating circumstances that are documented, appealed and approved by the Extenuating Circumstance Appeal Committee.

LAST DATE OF ATTENDANCE
Faculty are required to provide the last date of attendance for each student who is awarded an F, I, U, or U/F.

REPEAT FIELD INDICATORS – I OR E
Assigned for repeated courses on the student’s transcript, an I will indicate include in earned hours and GPA calculation or E will indicate exclude from earned hours and GPA calculation.

CREDIT HOURS
CCD follows the Colorado Commission on Higher Education recommendation that “for every hour of credit, students must engage in a minimum of 12.5 hours of instructional time” (15 week semester = 50 minutes per week per credit). Therefore, all courses including online, hybrid, and accelerated are designed and facilitated so that students have the opportunity to devote enough time to meet course objectives.

As a general rule, for every hour spent in class, students should also plan to dedicate at least two hours (three hours for math/science courses) outside of class to study and complete assignments. When deciding on a course load, students should keep these time requirements in mind.

GRADE APPEALS
Appeals regarding final grades should be initiated by the student within 60 calendar days after the date grades are posted for the semester in which the grade was awarded. Before making an appeal, the student should first discuss the grade with the instructor, and then if necessary, with the Department Chair. If there is no resolution, the student can appeal the grade by submitting a written statement to the Center Dean explaining the problem. The Center Dean will investigate and respond in writing within 15 days. The Dean’s decision is the final step of the grade appeal process.

GRADE POINT AVERAGE (GPA)
Grade points measure a student’s achievement for the credit hours completed. To calculate the GPA, multiply the number of grade points by the number of credit hours received for each course. Total the number of credits and the number of grade points separately. Divide the total grade points by the total credits.

<table>
<thead>
<tr>
<th>Course</th>
<th>Credits</th>
<th>Grade</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>ANT 111</td>
<td>3</td>
<td>A</td>
<td>12=(3 x 4)</td>
</tr>
<tr>
<td>BIO 111</td>
<td>5</td>
<td>A</td>
<td>20=(5 x 4)</td>
</tr>
<tr>
<td>CIS 118</td>
<td>3</td>
<td>B</td>
<td>9=(3 x 3)</td>
</tr>
<tr>
<td>ENG 121</td>
<td>3</td>
<td>D</td>
<td>3=(3 x 1)</td>
</tr>
<tr>
<td>POS 111</td>

<td>F</td>
<td>0=(3 x 0)</td>
</tr>
<tr>
<td><strong>Totals</strong></td>
<td><strong>17</strong></td>
<td></td>
<td><strong>44</strong></td>
</tr>
</tbody>
</table>

Total grade points divided by total credits equals the cumulative grade point average. Therefore, the grade point average for the above example is 44 divided by 17 for a 2.59 GPA.

Students may use Degree Works for GPA calculation assistance.

REPEATING COURSES
All CCD college-level courses may be repeated twice at CCD. For most courses, once a student attempts to register for the same course a third time, they will be directed to an advisor and must be approved for registration. If a student is denied registration, the student has the right to appeal through the Repeat Appeals committee. A fourth repeat attempt will require an appeal, which must be approved by the Repeat Appeals committee.
Each grade received will be listed on the transcript. The transcript notation will follow the course indicating that the course was repeated and designating whether the course will be included in the GPA. The highest grade will be used in the GPA calculation. All credit hours earned for initial and repeated courses will be deducted from a student’s remaining COF stipend eligible hours. Repeating a course may impact a student’s financial aid eligibility. If the same grade is earned two or more times for a repeated course, the most recent instance of the duplicate grade will be included in the term and cumulative GPA. All other duplicate grades will be excluded from the term and cumulative GPA. The Repeat Policy does not apply to courses transferred to CCD.

Repeated courses may be applied only one time to a certificate or degree, except for variable credit courses and designated courses that may be repeated within program requirements. CCD will designate courses that may be repeated within program requirements.

If both the initial and the repeated course were taken in Fall 2006 or after, the system should automatically remove the lower grade from the GPA. If either the initial or the repeated course (or both) were taken prior to Fall 2006, then the student must complete a “Petition for Repeat Courses” form and submit it to the Admissions, Registration and Records Office. If students do not see the repeated designation, they may submit a “Petition for Repeat Courses” form to Admissions, Registration and Records.

For Developmental Courses only:
The grading system for developmental courses changed beginning Fall 2006 and developmental grades are no longer included in the cumulative GPA calculation. However, if either the initial course or the repeated course (or both) were taken prior to Fall 2006, then the student must complete and submit a “Petition for Repeat Courses” form to the Admissions, Registration and Records Office in order for the developmental coursework to be reviewed.

Appeal forms can be found at www.ccd.edu/studentforms under the “Academic Advising Center.” Completed appeal documents should be turned into the Academic Advising Center, Confluence 123 – to the attention of the Repeat Appeals Committee.

**CCD CELEBRATES STUDENT SUCCESS**

**GRADUATION HONORS**
Graduation honors recognize outstanding academic achievement throughout a student’s academic career. The honors are awarded to students who complete the requirements for an associate degree, completing at least 30 credit hours with a 3.5 or better cumulative GPA at CCD. Only college-level courses completed with CCD will be included in the GPA calculation.

The three levels of recognition are defined as follows and will be posted on the students transcript:

- **Cum Laude** (“with honor”) – 3.50 to 3.749 cumulative GPA
- **Magna Cum Laude** (“with great honor”) – 3.75–3.99 cumulative GPA
- **Summa Cum Laude** (“with highest honor”) – 4.0 cumulative GPA

**HONORS PROGRAM**
The CCD Honors Program was established in 1990 to recognize outstanding talent among CCD students and to provide a supportive, stimulating support community for them throughout their time at CCD.

Students in CCD’s Honors Program go a step beyond the routine, turning ordinary courses into extraordinary learning experiences. Student transcripts will reflect the individual Honors courses and the overall completion of the Honors Program, providing recognition that will serve students as they transfer to other institutions, seek scholarships, and pursue career goals.

All CCD students are welcome in the program. To participate, students contract with individual instructors to do work above and beyond the ordinary class requirements. Once they have completed this supplemental work, the class will be transcended as an “Honors course.” There is no fee to join the Honors Program.

Students who complete the Honors Program (15 credits worth of Honors Courses with 3.5 or better cumulative GPA) will have their degrees and/or certificates awarded with Honors. Honors Program graduates receive special recognition at CCD’s annual commencement ceremony. Also CCD’s Honors Program can be transferred to Metropolitan State University’s Honors Program.

To learn more about the CCD Honors Program, please visit https://www.ccd.edu/org/ccd-honors-program or contact the Honors Program Coordinator at 303-556-3861.

**SEMESTER HONORS**
CCD provides an opportunity for students to be recognized with Academic Honors, on a semester-by-semester basis. CCD has three recognized Academic Honors: Dean’s List, Vice President’s List, and President’s List. Students who qualify will receive a notation for that term on their official transcripts. Students must complete a minimum of 12 college-level credits during the term to be eligible for this recognition. Development courses are not included in the calculation for semester honors.

**PHI THETA KAPPA**
Phi Theta Kappa is the international honor society for two-year community and junior colleges and recognizes student academic excellence, while promoting academic community through its Alpha Mu Mu chapter at CCD.

To be eligible for membership in Phi Theta Kappa, students must have at least a 3.5 grade point average after completing 12 or more credit hours of college-level work. Eligible students are invited to join each semester, becoming lifetime members.

Phi Theta Kappa members are honored at graduation for their outstanding academic achievements. Only Phi Theta Kappa members are eligible for over $37 million in transfer scholarship money.

For more information, interested and eligible students should visit CCD Phi Theta Kappa’s Facebook page, Alpha Mu Mu, or contact Student Life at 303-556-2597 for the name(s) of the faculty advisor(s).

**PSI BETA**
Psi Beta is the national honor society in psychology for community and junior colleges. Its mission is to encourage professional development and psychological literacy of all students at two-year colleges through promotion and recognition of excellence in scholarship, leadership, research, and community service.

Psi Beta members gain recognition for achieving the honor of membership and are eligible for national awards, annual awards, and other benefits.

For more information, interested and eligible students should contact Student Life at 303-556-2597 for the name(s) of the faculty advisor(s).

**GRADUATION REQUIREMENTS**

**CCD CATALOG REQUIREMENTS FOR GRADUATION**
This catalog is effective Summer Semester 2015 through Spring Semester 2016. First time students at Community College of Denver who are admitted during this period should use this catalog.

Continuing students who have not had a 12-month lapse in enrollment since first enrolling at CCD have the following “catalog of record” options for meeting their graduation requirements. Catalog in effect when the student:

- is admitted to CCD;
- first registers at CCD;
- submits a Program of Study Change Request form;
- or applies for graduation.

Students cannot combine major requirements from multiple catalogs for graduation purposes. The catalog of record can be used for only six years for degree programs and three years for certificate programs. Students...
who do not maintain continuous enrollment (attend at least one term during each 12 month period) must be readmitted and are subject to the catalog in effect beginning with the term for which they are readmitted.

CCD retains the right to cancel or change programs or course offerings where enrollments are insufficient or for any other reason. Each course listed in the catalog may not be offered every semester. Some courses are taught only when there is a demand for specific instruction to complete a major curriculum.

BEFORE STUDENTS CAN GRADUATE

Degrees and certificates will be granted during the semester in which the final requirements are completed. Students need to apply for graduation by the published deadline.

An incomplete grade in a course required for graduation in the final semester will result in a denial for graduation and the student must submit a new graduation application by the following graduation deadline.

GRADUATION CHECKLIST

- Students are encouraged to meet with a Program Advisor to ensure certificate/degree requirements have been met.
- If applying for an AA, AS, or AGS degree, students must submit a completed Graduation Application to Admissions, Registration, and Records by the published deadline.
- If applying for a certificate or an AAS degree, Graduation Application, and Department Chair Review forms must be submitted. Students should contact their Program Advisor before the published deadline to discuss completion of this paperwork. Graduation Applications submitted without a Department Chair Review form will be denied.
- Students requesting credit for previous college course work must have all official transcripts sent to Admissions, Registration, and Records. Official transcripts must be submitted prior to the end of the semester of graduation. Students must check their unofficial CCD transcript to ensure the transfer credit has been applied to their record.
- Credit for Prior Learning (CPL) may be applied toward a student’s degree or certificate only after formal processing and granting of credit. The student must also receive approval to use CPL credit towards graduation. The CPL evaluation must be completed prior to the end of the semester of graduation.
- Diplomas will be printed with the name currently on record with CCD’s student information system. All requests for name changes must be submitted to Admissions, Registration, and Records before or during the semester the graduation application is submitted.
- Each degree/certificate requires a separate Graduation Application and, if applicable, a Department Chair Review Form.
- An incomplete grade will result in a denied graduation.
- If the Graduation Application is disapproved for any reason, the student must reapply during the new semester of graduation. All application deadlines apply.
- Degree/certificates will be mailed to students approximately eight weeks after grades have posted for the semester of graduation. All financial obligations to CCD or other Colorado Community College System (CCCS) colleges must be cleared before a degree, certificate or transcript will be released. Diplomas will be mailed to the address currently on record with CCD’s student information system.
- Commencement is held once a year in the spring semester. The Summer, Fall, and Spring graduates are invited to participate. For more information regarding commencement, check www.ccd.edu or contact the Admissions, Registration and Records office.
- Diplomas that are returned to CCD due to incorrect address will be held for one year, after which they will be destroyed.
- Duplicate copies of diplomas may be requested for $25 each.

ASSOCIATE DEGREE REQUIREMENTS

All associate degrees have general education requirements that meet goals for general education established by the Colorado State Board for Community Colleges and Occupational Education. For additional information, please visit the Colorado Community College System (CCCS) website.

The diploma received at the time of graduation will list the degree only. The diploma will not list an area of emphasis, unless majoring in an Associate of Applied Science, Associate of Arts Degree with Designation, or Associate of Science Degree with Designation.

Associate degree applicants must meet all of the following requirements. The Department Chair and Center Dean may approve exceptions.
- Earn a cumulative grade point average of 2.0 — a C average — or better.
- All courses considered for graduation require a C or better. Students should check with their Center Dean, Department Chair or Program Advisor for information about these requirements as some programs may have higher GPA requirements. Only the Center Dean may approve exceptions for the minimum grade earned towards a degree. If a grade lower than a C is approved, it may nullify certain transfer agreements and does not guarantee that it will be accepted at other institutions of higher education.
- Complete a minimum of 60 semester hours of credit in approved course work.
- Complete a minimum of 15 credits at CCD within the selected program of study.
- Credit for Prior Learning will apply toward degree requirements, but not toward guaranteed transfer or residency requirements.
- CCD Online and CCCOnline (registration through CCD and CCD declared as home institution) courses will be included in residency hours.
- To obtain a second degree from CCD, a student must meet all degree requirements as well as complete 15 additional semester hours at CCD that apply towards the second program of study.
- No more than six semester hours of independent study course work can be applied toward an associate degree program.
- Special topics credit hours may be limited when applied towards a degree. In individual cases, the limit is determined by the program area. Students are responsible for consulting with their Program Advisor before registering for special topics courses in order to determine how these credits apply toward a degree.
- Quarter hour transfer credits will be converted to semester credit hours using the formula one quarter hour credit = 2/3 semester credit hour. Thus a four quarter credit course becomes 2.7 semester credits. For the purpose of awarding a degree, CCD will allow up to a one-credit course substitution per course for this insufficient credit, as long as the course substitution is not being used for a major course, an Associate of Arts Degree with Designation, or an Associate of Science Degree with Designation. Students with insufficient credit due to quarter hour conversions must speak with their Program Advisor to see if they qualify for a course substitution.

CERTIFICATE REQUIREMENTS

All CCD graduates for certificate programs must meet the following requirements. The program Department Chair and Center Dean may approve exceptions.
- Earn a C average or better in coursework included in the certificate program. All courses considered for graduation require a C grade or better unless otherwise approved. Check with the instructional center and Program Advisor for information about the minimum grade point average required for graduation as some certificates may have higher GPA requirements.
- Complete the specified requirements of an approved vocational/technical program.
- Complete a minimum of 25 percent of the selected program of study at CCD.
- If required by program, complete the capstone course at CCD.
- CCD Online and CCCOnline (registration through CCD and CCD declared as home institution) courses will be included in residency hours.
- Quarter hour transfer credits will be converted to semester credit hours using the formula one quarter hour credit = 2/3 semester credit hour. Thus a four quarter credit course becomes 2.7 semester credits. For the purpose of awarding a certificate, CCD will allow up to a one-credit course substitution per course for this insufficient credit, as long as the course substitution is not being used for a major course. Students with insufficient credit due to quarter hour conversions...
must speak with their Program Advisor to see if they qualify for a course substitution.

CHECK YOUR PROGRESS TOWARD GRADUATION
Degree Works (Degree Check) is a web-based degree audit and advising tool that allows students to view requirements for all degrees and certificates and see how completed credits apply towards a selected degree plan.

How to do a Degree Check on CCDConnect:
1. Log into CCDConnect.
2. Click on the “Student” tab.
3. Click “Degree Works” in the “Steps to Graduate” box in the right-hand column.
   • The audit for your officially declared program(s) will appear in a new window.
   • If you are pursuing multiple programs (i.e. a certificate and an Associate’s) or have changed your major in a previous term, you can select the correct program from the “Program Type” drop-down box at the top of the page.
   • Note: If you do not have a correct degree declared with Admissions, Registration and Records, submit a “Program Change Form.” Allow seven business days for Degree Works to be updated with your corrected degree.
4. Print your Degree Works audit by clicking “Print” at the top center of the page.

To see how completed coursework will fit in another major, students can do a “What-If” audit. On the left-hand side of the screen click on “What-If” and a new screen will open:
1. Under the What-if “Program Type” select a degree option or click on “Certificate” for any of the certificate options.
2. For “Academic Year” select the year you began your coursework or the current academic year.
3. If you have a specific “Program” or “Concentration” select that as well.
4. Click the “Process What-If” button.

AUTO-CONFERRAL
Mid-way through the Fall or Spring semester, the Admissions, Registration, and Records Office will research records of students who have attended CCD in the previous three semesters to identify and automatically award those who are determined to be eligible for a general AA or AS degree, a general AS degree, or an AGS degree based on courses taken at CCD. Awards will be posted at the end of the semester.

TRANSFER CREDIT TO CCD
CCD adheres to the following guidelines and policies for the evaluation of transfer credit:
• CCD will only accept transfer credit from post-secondary institutions accredited by one of the six regional accrediting associations. Credits earned at nationally accredited or unaccredited institutions are not transferable to CCD.
• CCCS has established a common course numbering system and guaranteed transfer agreement (GT Pathways) among Colorado state colleges and universities. The GT Pathways agreement guarantees the transfer of certain general studies courses. Colleges and universities outside Colorado are not considered part of the guaranteed transfer agreement or the common course numbering system. The common course numbering system and GT Pathways can be reviewed at www.cccs.edu.
• CCD will perform a transfer credit evaluation only after the student has been admitted to CCD, declared a program of study, and submitted official transcripts from their prior school(s). Students are responsible for requesting official transcripts from their prior school(s).
• Official transcripts from prior schools should be sent directly to the Admissions, Registration and Records Office, Campus Box 201, PO. Box 173363, Denver, CO 80217-3363. For transcripts to be considered official, they must be sent directly from the other college or delivered in the original sealed envelope and marked “official.”
• All received and/or evaluated transcripts become the property of CCD. Students must obtain their own copy of transcripts for testing and/or advising purposes.
• Transcripts are evaluated on a course-by-course basis. To be considered for transfer, courses must be offered at CCD or determined as equivalent to CCD courses. College-level classes that are not equivalent to CCD courses may transfer in as electives. Students must meet with a Program Advisor to determine if, and how, the accepted transfer credit will apply to their intended program.
• Only those courses that apply to the selected degree or certificate program will be transferred into CCD. Additional courses may be transferred in if they satisfy course prerequisites or if they are similar to required courses.
• Courses must have a grade of C or better to be considered for transfer.
• Courses with a “pass” or “satisfactory” grade will only transfer if the official transcript or college catalog documents that a “pass” or “satisfactory” grade is equivalent to a grade of C or better.
• Credit for remedial, developmental, preparatory, or non-college-level coursework is not transferable to CCD.
• Graduate and/or doctoral level course work will not automatically transfer into CCD. These credits must receive approval from the instructional Center Dean or Department Chair.
• Coursework older than 10 years will not automatically transfer into CCD. These will be reviewed on a case-by-case basis to ensure that the course is not obsolete and that the course content is equivalent to current offerings. Students are required to provide syllabi or course descriptions for applicable courses completed more than 10 years ago. Some individual programs have set time limits on certain prerequisite courses and transfer credits. For additional details, refer to the section Time Limits on Transfer Credits on page 36.
• All credit is evaluated on the semester-hour basis. Credits from institutions which operate on a quarter system are converted to the semester hour basis by multiplying the quarter hours earned by two-thirds.
• Transfer credit evaluations will only be assessed in person. The college will not provide any official evaluation via phone, e-mail, or fax.

TRANSFER OF INTERNATIONAL CREDITS
• Students who have attended international institutions and want their transfer credits evaluated must first have the international transcripts translated and evaluated by a recognized member of the National Association of Credential Evaluation Services (NACES) and have an official copy of their course-by-course credit evaluation report sent directly to CCD. Any translations or evaluations completed by companies that are not a member of NACES will not be accepted by CCD for transfer credit review purposes.
• A complete list of approved NACES members can be found at: www.naces.org/members.htm.
• CCD will perform a transfer credit evaluation only after the student has been admitted to CCD, declared a program of study, and submitted an official copy of their NACES course-by-course credit evaluation report.
• Students may also be required to provide English-translated course descriptions for courses that they wish to have transferred.

Time Limits on Transfer Credits
• Health Sciences – Science prerequisites for the Dental Hygiene and Veterinary Technology programs must be no older than seven years.
• Business Technology – It is recommended that courses applied to Business Technology degrees and certificates be no more than five years old.
• Early Childhood Education – It is recommended that courses applied to Early Childhood Education programs be no more than seven years old.
• Computer Information Systems/Information Technology – To ensure student success, it is strongly recommended that courses applied to the Computer Information Systems or the Information Technology programs comply with the following time limits:
  • Application courses – five years
  • Programming courses – five years
  • Networking/hardware courses – five years
  • Certification courses – three years
  • General education courses – 10 years
  • Business courses – 10 years
Note: If the transferring student has current industry experience, the time limit recommendations for applicable courses may be waived. See the appropriate Department Chair.

TRANSFER OF CREDITS FROM AREA VOCATIONAL TECHNICAL SCHOOLS TO CCD

Students who complete the technical coursework contained in a state-approved career and technical education certificate program at one of the four Area Vocational Technical Schools (AVTS) can take additional academic credit hours at CCD and earn an AAS degree in Applied Technology. The four AVTS are: Emily Griffith Technical College, Pickens Tech Center, Delta-Montrose Area Vocational Technical Center, and San Juan Basin Technical College. Credits for a certificate completed at the AVTS are transferrable for an AAS in Applied Technology. In addition, some individual courses may be approved for transfer on a course-by-course basis and applied to selected degrees. Refer questions about the transfer of individual courses to the appropriate Program Advisor.

CREDIT FOR PRIOR LEARNING

Students may earn credit for college-equivalent education acquired through prior schooling, work or other life experiences. Such prior learning must be comparable to CCD courses or curricula and must relate to the student’s educational objectives. Credit for prior learning may be earned through standardized tests, challenge exams, published guides or portfolio assessment.

• Standardized Tests
• Advanced Placement Program (AP) — Students can receive credit through AP examinations completed while in high school.
• International Baccalaureate (IB) — CCD recognizes the International Baccalaureate program and accords special consideration for students presenting IB credentials on an individual basis.
• College Level Examination Program (CLEP) — The College Level Examination Program (CLEP) is a series of examinations in 34 introductory college subjects. CCD recognizes selected CLEP general examinations and subject examinations. CLEP examinations may be taken at the CCD Testing Center.
• DANTES Subject Standardized Tests (DSST) — Most DSSTs are recognized by CCD as acceptable tests for college credit. DSSTs may be taken at the CCD Testing Center.
• To receive college credit, students who take any standardized test must request that their scores be sent to CCD. A complete list of acceptable AP, IB, CLEP and DSST exams, along with cut-off scores and CCD course equivalencies, can be found online at www.cccs.edu.
• Challenge Examinations: Currently enrolled students may challenge most courses by taking a comprehensive examination. Only one exam for a particular course may be arranged. The cost for a Challenge Exam is $60 per credit hour.
• Published Guides
• ACE-Military — CCD uses the credit recommendation of the American Council on Education (ACE), as published in the Guide to the Evaluation of Educational Experiences in the Armed Services, to evaluate military training and learning experiences.
• ACE-Non-Collegiate — CCD uses the credit recommendations from the ACE program on Non-Collegiate Sponsored Instruction, as published in the National Guide to Educational Credit for Training Programs, to evaluate industrial and corporate training programs.
• Portfolio of Learning Outcomes: Currently enrolled students may petition for credit by developing a portfolio that describes and documents pertinent learning experiences comparable to those available in CCD courses. A faculty member in the appropriate program area evaluates the portfolio and determines what, if any, credit will be given. Only one portfolio evaluation for a particular course will be arranged during any one semester. The cost for a portfolio evaluation is $60 per credit hour.

A student may use Credit for Prior Learning to fulfill all degree/certificate graduation requirements except for the mandatory 25 percent residency requirement. For more details on Credit for Prior Learning options, students should contact the Program Advisor in the appropriate certificate or degree area.

Note: Credit evaluated for general acceptance may or may not be applicable to specific degree or certificate programs.

TRANSFER OPTIONS

TRANSFERRING TO FOUR-YEAR INSTITUTIONS

CCD’s Associate of Arts (AA) and Associate of Science (AS) degrees are guaranteed to transfer to Colorado public four-year colleges and universities. Students with AA and AS degrees enter four-year institutions as juniors. In some circumstances, an Associate of Applied Science (AAS) or Associate of General Studies (AGS) degree may transfer.

If students intend to transfer, it is very important to become familiar with the requirements of the school they plan to attend as early as possible. For more information, consult the Transfer Success Center (TSC), a Program Advisor or the Academic Advising Center (AAC).

TSC has reference catalogs, transfer guides and application materials from Colorado’s four-year colleges and universities, as well as catalogs from several out-of-state, four-year colleges and universities. To get additional information visit TSC online or call 303-556-2461.

Visit the Colorado Community College System (CCCS) at https://resources.cccs.edu/education-services/transfers-articulation/ for links to some of the four-year institutions that have articulation or transfer agreements with CCD. Additional information about statewide guaranteed transfer and articulation agreements is available at the Colorado Department of Higher Education website.

Representatives from four-year colleges and universities visit CCD regularly. Information about campus visits can be acquired in the TSC office or call 303-556-2461.

60 + 60 TRANSFER

For students who complete an Associate of Arts (AA) or Associate of Science (AS) degree, 60 credit hours of the AA or AS degree are guaranteed to transfer to a Colorado public four-year school, once the student has been accepted for admission. Students may be able to finish a Bachelor of Arts or Bachelor of Science degree within another 60 credit hours. This is called a 60 + 60 transfer plan. Note that some bachelor’s degrees require more than an additional 60 credits to complete. When in doubt, students are encouraged to speak to an Advisor.

See a General Studies Advisor in Academic Advising Center (AAC) or a Program Advisor in the appropriate Academic Center as soon as possible for a list of applicable degrees. If students have not selected a major or are unsure of which Program Advisor to see, they should visit the AAC and someone will assist them in locating the correct Program Advisor for their degree plan. General Studies Advisors in the AAC advise all undecided and exploring students. CCD has special articulation, or transfer, agreements. Please see Statewide Transfer Degree Programs on page 64 for additional information.

Certain majors require that students take essential lower-division prerequisites before transferring to a four-year institution. Students should contact their General Studies Advisor or Program Advisor for help in selecting lower division credit hours and for additional information regarding transfer to a four-year degree.

Credit for Prior Learning, such as CLEP and Advanced Placement, is approved by CCD and applied towards an AA or AS degree is not guaranteed to transfer. The transferring institution will evaluate these credits according to its own policies. Transfer credits from other institutions and the age of credits may also change the guarantee of transfer under the 60 + 60 transfer plan.
ACADEMIC TECHNOLOGY CENTER (ATC)
The Academic Technology Center, located in Boulder Creek (Technology) Building, Room 104, provides access to computers for all students. Students can access e-mail, print class work, access Desire2Learn (D2L) for online classes, get help with programming, software support and help with CIS class work assignments. Students may check out course materials or headsets with a valid student ID.

ACCESSIBILITY CENTER
The Accessibility Center provides accommodations and services to students with documented disabilities in order to provide equal access to all programs, services and activities offered at CCD. Students with documented disabilities who need reasonable accommodation to access their courses and college activities should notify the Accessibility Center to apply for services and accommodations including: sign language interpreting, alternative media production, note taking, assistive technology, ADA classroom furniture assistance and extended time on tests.

More information is available online at www.ccd.edu/accessibilitycenter, by phone at 303-556-3300 or by fax at 303-352-3003. CCD complies with and fully supports Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 (ADA), including changes made by the ADA Amendments Act of 2008, regarding nondiscrimination on the basis of disability (documentation required). Refer questions concerning these acts to Rhonda Pylican, Director of Human Resources, ADA/Sec 504 Coordinator, Administration Building, Room 310, Campus Box 240, P.O. Box 173363, Denver, CO 80217-3363, Telephone: 303-352-3037; or to the Office for Civil Rights, U.S. Department of Education, 1244 Speer Blvd., Suite 300, Denver, CO 80204-3582 or www.ed.gov/ocr/know.html.

AURARIA EARLY LEARNING CENTER
The Auraria Early Learning Center offers childcare for students, faculty and staff on the Auraria Campus. It is fully licensed by the Colorado Department of Human Services and rated by Qualistar. The center has 250 spaces for children ages one to six. During the summer semester, a summer camp program is offered for children up to eight years of age. More information is available online at www.ahec.edu/earlylearning or by calling 303-556-3188.

AURARIA LIBRARY
The Auraria Library provides a wide range of learning resources, research services and study environments to support student learning. The Auraria Library collection contains nearly one million print books and e-books, more than 65,000 print and e-journals, and media including CDs, DVDs, and streaming videos. Nearly 300 databases provide access to full-text articles, journal citations, images, statistics, legal and business data, and a multitude of other disciplines. These materials can be found at the Auraria Library website, http://library.auraria.edu.

Students can visit the “Ask Us Desk” for assistance with basic research questions, to borrow items for a class (Course Reserves) or from the library’s collection, to request materials from regional libraries via Prospector or from national libraries via interlibrary loan and more. Self check-out machines are available to expedite borrowing library books. For more in-depth research questions, visit the “Research Help Desk” or go to the “Ask A Librarian” website http://library.auraria.edu/services/research-help where students can contact librarians who are able to assist them via walk-in, appointment, phone, email, IM or text message.

For more information about Auraria Library services, call 303-556-2639.

CAMPUS RECREATION AT AURARIA (CRA)
Campus Recreation at Auraria (CRA) provides comprehensive fitness, recreational and leisure programs to the students, staff and faculty of Community College of Denver. CRA is located in the PE Event Center which includes a fitness center, racquetball, squash, dance studio, basketball courts and locker facilities.

More information, including facility and activity schedules, is available online at www.mсудenver.edu/campusrec, by calling 303-556-3210 or visiting PE 108 in the Event Center.

CAMPUS TOURS
Campus Tours are available to prospective students and their families. Individual or group tours are available. Campus Tours include an informal presentation about CCD services and a tour of the Auraria Campus. Campus Tours can be scheduled online at https://www.ccd.edu/future-students/schedule-your-visit or by contacting College Opportunity and Student Outreach at 303-352-3166.

CAREER DEVELOPMENT CENTER (CDC)
The Career Development Center (CDC) helps students find their career and academic path and gain career experience and also assists with job search preparedness skills, such as resume writing and interviewing. The CDC provides career workshops and advising sessions. The CDC also maintains the “Career Connections” database, which is an online site for students to find part-time and Work Study jobs while attending CCD, as well as internships and full-time jobs after graduation.

More information on the Career Development Center is available online at www.ccd.edu/career or by calling 303-352-3306.

CENTER FOR SPECIAL PROGRAMS (CSP)
The Center for Special Programs (CSP) houses three programs that serve specific demographics at CCD. These programs are the 50 Plus Program, the Urban Male Initiative (UMI), and the Women Intentional about Success (W.I.S.E.). The mission of the Center for Special Programs is to engage students with an approach that removes barriers to success and increase the retention and graduation rates of our targeted demographics while providing them with the necessary skills to successfully transition into a four-year institution and or the workforce. The Center for Special Programs meets students where they are to empower its participants academically and provide relevant experiences that will ensure academic success, professional growth, and social maturity through development in:

- Education/Retention
- Leadership/Career Exposure
COLLEGE PATHWAYS
College Pathways is CCD’s concurrent enrollment program. Concurrent enrollment students can take CCD classes at their high school campus as well as the Auraria campus and college credits may be used for high school credits.

The Concurrent Enrollment Programs Act of 2010 is intended to broaden access to and improve the quality of concurrent enrollment programs, improve coordination between institutions of higher education, and ensure financial transparency and accountability. This legislation also established the ASCENT program to allow students who have met the graduation requirements of their high school, have earned a minimum of twelve transferable college credits, and are deemed college-ready to complete a year of college while enrolled in a fifth year of high school.

LEARNING COMMUNITIES
Students who test in at the higher level of Developmental Reading and English can participate in Learning Community classes. Learning Community classes are developmental level course paired with a transfer level course. In addition, the courses are co-taught (two instructors). Students can take a variety of pairings from CCR 093/LIT 115 to CCR 093/SOC 105.

Learning Communities provide students with supportive, interactive instruction throughout the semester and an opportunity to share their knowledge and experiences with other students in a learning community setting. A Program Advisor monitors students’ progress and refers them to services they might need to succeed.

More information is available online at https://www.ccd.edu/program/college-composition-reading or by calling 303-352-5006.

FOUNDATIONAL SKILLS INSTITUTE
High School Equivalency Diploma Preparation
The Foundational Skills Institute conducts high school equivalency test preparation classes, community English-as-a-Second-Language (ESL) classes, and basic math skills classes. More information, including locations, class schedules and admission requirements is available online at https://www.ccd.edu/academics/academic-centers/academic-support-center/foundational-skills-institute or by calling 303-556-3805.

GAY, LESBIAN, BISEXUAL AND TRANSGENDER (GLBT) STUDENT SERVICES AT AURARIA
Gay, Lesbian, Bisexual, and Transgender (GLBT) Student Services at Auraria provides the following services to the Auraria campus:

- Support Services – Addresses issues concerning coming out, HIV/AIDS, relationships, transphobia, homophobia, etc. for GLBT students, friends and families.
- Advocacy – Supports GLBT students in discrimination and harassment situations and works to improve the advocacy system on campus.
- Resource Center – Provides information related to GLBT issues to students, faculty and staff.
- Speaker’s Bureau – Provides speaker training for student volunteers and schedules speaking engagements for campus classes and events.
- Special Events – Offers GLBT Awareness Month, Safe Zone Ally trainings, Welcome Back receptions, leadership training, panels, speakers and entertainment.

More information is available online at http://www.glbtss.org, by phone at 303-556-6333 or by visiting the GLBT Student Services office located in the Tivoli Student Union, Room 213.

HEALTH CENTER AT AURARIA
CCD students who are enrolled in at least one credit hour and have a current student ID are eligible for services at the Health Center at Auraria. The facility is staffed by physicians, physician assistants, nurse practitioners, radiology technologists and medical assistants. The Health Center provides low cost services. This includes, but is not limited to, immunizations, treatment of illness and injuries, lab testing, medications, physical exams, annual gynecological exams, sexually transmitted disease information and testing, birth control information/services, minor surgery, cholesterol screening, HIV testing, blood pressure checks, casting, suturing and X-rays.

Payment is required at time of service. While student health insurance is not required to use the Health Center at Auraria, the facility is an in-network specialty provider for Blue Cross/Blue Shield (BC/BS) insurance. BC/BS members should have their BC/BS card available when seeking care. Free health related classes are also offered to students each semester.

Walk-in services begin at 8 a.m., Monday through Friday. Access is on a first-come, first-served basis. The daily closure time for walk-in care varies depending on when all patient slots are filled. Patients are encouraged to check in as early as possible.

Students who have concerns about infectious diseases should contact the Health Center. The college will follow procedures defined by the Colorado Department of Human Services to ensure the health and safety of all students, faculty and staff.

More information is available online at www.msudenver.edu/healthcenter or by calling 303-556-2525. The Health Center at Auraria is in the Plaza Building, Suite 150, on the lower level.

PARKING AND TRANSPORTATION SERVICES AT AURARIA
Parking is available in daily fee lots ranging in price from $3.50 to $10.00. There are three parking garages that are available for a daily fee: the 5th Street Parking Garage (located at...
Walnut and 5th Street), the 7th Street Parking Garage (located at Seventh Street and Lawrence Way) and the Tivoli Parking Garage (located north of the Tivoli Student Union). A limited number of monthly permits are available for other lots around campus and are sold at the beginning of each semester. Four-hour parking meters are available for student use in various locations around campus. For parking meters, student should use nickels to get the maximum number of minutes.

Prospective students who come to the Auraria Campus for services may park in the Tivoli Parking Garage and get their parking tickets validated. Once registered, students no longer are eligible for parking validation.

Parking and Transportation Services also offers the following services:
- carpool parking discounts.
- free on-campus transportation for disabled students on the wheelchair-accessible Handivan (303-556-2001).
- free campus shuttle service for evening students on the Auraria Night Rider Service (Monday through Thursday, dusk to 10 p.m.) (303-556-2001).

More information, including parking maps and fee information, is available online at https://www.ahec.edu/parking, by calling 303-556-2000 or visiting The Parking Office, located on the first floor of the 7th Street Parking Garage.

**THE PHOENIX CENTER AT AURARIA**
The Phoenix Center at Auraria provides education, training and resource referral for issues of interpersonal violence (IPV) along with 24/7 response and support services. All services are free and confidential for CCD students, staff and faculty. The Phoenix Center at Auraria does not discriminate and provides services to all who need them. Individuals who have experienced IPV (whether recently or in the past) can contact the Phoenix Center at Auraria for emotional support and to discuss options and available resources. The Phoenix Center at Auraria also provides academic advocacy and facilitates discussions to assist students in feeling safe on campus.

More information is available online at www.thepca.org, by calling 303-556-601 or by visiting the Phoenix Center at Auraria in the Tivoli Student Union, Room 227. A 24/7 helpline is available at 303-556-CALL (2255).

**THE RESOURCE CENTER**
The Resource Center’s (RC) mission is to enhance the academic success of all students at Community College of Denver. Staff are available to assist students throughout their whole college journey - from application to graduation.

Programs and services of the Resource Center are holistic; the delivery of services utilizes a wrap-around approach to assist the student in areas relating to academic wellness, financial wellness, and personal wellness. Students are assigned a Retention Specialist and receive guidance and coaching with the following: academic advising, course selection, graduation and transfer planning, understanding the financial aid process, financial aid and scholarship assistance, budgeting, career planning, time management, study skills, access to tutors, test taking skills, access to campus and community events and resources, and opportunities to participate in community service projects.

- The First Year Experience Program - Guides the transition into college for all first-time college students.
- The Link - Provides linkages to on campus and off campus resources that will enhance the academic success of all students at CCD.
- The Denver Scholars Program - Assists students so that they keep their scholarships and maintain success as a college student.
- Student Success Workshops - Free workshops to strengthen wellness in the students’ academic, personal, and financial lives. The workshops are available to all students at CCD.
- Laptop Lending Program - Lends free laptops to assist students in meeting their academic demands. Call for eligibility criteria.

For more information, call 303-556-4964 or stop by Cherry Creek 141.

**STUDENT LIFE**
Student Life provides opportunities for personal and social growth outside of the classroom. Student Life offers a variety of services including:
- referrals for day care, health, housing and employment services.
- in-house food bank and textbook lending library to help students who are struggling financially.
- CCD Student Government
- student organizations and clubs
- leadership training
- overseeing student conduct procedures

More information is available online at https://www.ccd.edu/administration/non-academic-offices/student-life. Students may also call 303-556-2979 or visit Tivoli Student Union, Room 309.

**TESTING CENTER**
The Testing Center offers a variety of testing services, including:
- Basic Skills Assessment Test (BSAT) for English, reading and math placement.
- Placement exams for Spanish, French and biology.
- Credit for Prior Learning tests, such as CLEP and DANTES.
- Licensure exams and entrance exams, such as the Graduate Record Exam (GRE) and Test of English as a Foreign Language (TOEFL).
- GED testing.
- Test proctoring for CCD and distance learning students.

Beginning in April 2015, all CCCS institutions will be implementing a new placement exam. For the most up to date information about the exam, as well as prep materials, placement scores and fees please visit our website at https://www.ccd.edu/testing.

**TRANSCRIPT REQUESTS**
Students may request copies of their CCD academic records from the Admissions, Registration and Records office. All transcripts must be requested in writing or ordered online through their student account at www.ccd.edu.

Transcripts will not be released for students who have financial or academic holds on their accounts. This includes past due balances and other financial obligations due to CCD or any other Colorado Community College.

The cost of transcripts depends on the service option selected by the student. See chart for available service options and charges. Payments may be made by cash, check or credit card and are due at the time of the request. Processing time does not include delivery time. Transcripts are processed within the time specified, sent to the Auraria campus mail room and forwarded on to USPS.

Transcripts requested for pick-up will be destroyed if not picked up within one month.

**TRANSFER SUCCESS CENTER (TSC)**
The Transfer Success Center (TSC) provides services, tools and resources designed to support students to transfer to any four-year college or university. Specific service areas include:
- transfer advising and planning
- tours to four-year institutions
- college fairs
- monthly recruiter visits from in-state and out-of-state colleges
- transfer sessions, events and activities

More information is available online at https://www.ccd.edu/org/transfer-success-center or by calling 303-556-2461.

**TRIO PROGRAMS**
*Funded by the U.S. Department of Education*

The Educational Opportunity Center (EOC) is a community service program that provides educational planning, information and assistance. These services, which are free and open to the general public, include:
- career counseling
- college/university admission
- vocational-technical school enrollment
- academic assessment coordination
- federal and state student financial aid application (FAFSA) assistance
• finding scholarships
• educational planning workshops

More information about services and appointments is available online at www.ccd.edu/eoc, by phone at 303-352-8746 (TRIO), or at the EOC office located in the Cherry Creek Building, Suite 137, on the Auraria Campus.

Student Support Services (SSS)
The Student Support Services (SSS) program serves low-income, first-generation college students, and students with documented disabilities. The SSS staff and peer mentors provide students with many services including academic advising and course selection, financial aid application assistance, scholarship search assistance, career guidance and exploration, workshops on college and life survival skills, and much more. For more information, including a complete list of available services, call 303-352-TRIO.

Summer Bridge Program
Prior to each Fall semester as part of SSS, a Summer Bridge Program is offered to participants which provides a foundation for a successful college education. This program serves freshmen and returning students who enter CCD in either Summer or Fall semester. In this program, students prepare to take classes, learn about financial assistance, explore career options, participate in a variety of enrichment activities, and learn about student services at CCD. For more information, call 303-352-TRIO.

Tutoring Centers at CCD
CCD’s Tutoring Centers provide individual tutoring and software programs that help students to develop effective strategies to achieve academic success. Located on the 4th floor of Confluence, tutors address students’ individual learning needs in the following areas:
• English-as-a-Second-Language (ESL) tutors help with pronunciation, conversation, grammar, reading, writing, and computer skills.
• Foundational Skills Institute (Colorado High School Equivalency Diploma) classes prepare students to pass the GED tests and earn a Colorado High School Equivalency Diploma in the Foundational Skills Institute (formerly GED Institute) Lab.
• Mathematics tutors help students gain greater experience with math principles and practice skills using online computer tutorials, course videos, specialized workshops, and study groups.
• Student Success and Study Strategies tutors help students strengthen reading, note-taking, organization, and test-taking skills.
• Writing Center tutors help students plan, compose, and revise their college papers.
• Brainfuse is a free online tutoring service available to CCD students in math, all writing assignments, and many other subjects. Students can access Brainfuse through their Desire2Learn account.

Veterans Affairs
Veterans seeking Veterans Affairs (VA) educational benefits must apply through the VA website, www.gibill.va.gov. It is the veteran’s responsibility to assemble and submit all needed materials to the VA Regional Office and CCD’s VA Certifying Official. CCD’s VA Certifying Official provides information about veteran’s benefits and certifies enrollment throughout the veteran’s attendance at the college. It is the veteran’s responsibility to notify CCD’s VA Certifying Official of any registration updates.

Veterans who are eligible for educational benefits may apply for advanced payment with CCD’s VA Certifying Official. The last day to apply for advanced payment is 30 days prior to the first day of classes. Although students may apply for advanced payment, the VA may not issue funds prior to the first day of class. Students must pay their tuition in full or set up a payment plan by the deadline posted in the Admissions and Registration Guide.

For more information about using VA educational benefits at CCD, visit CCD’s VA Certifying Official in the Admissions, Registration and Records office, or visit www.ccd.edu.

Required Documentation
Students must provide all of the following documents to CCD’s VA Certifying Official before CCD will begin the VA Certifying Process:
• Copy of original application for benefits (22-1990 or 22-5490) or change of training place (22-1995 or 22-5495).
• Copy of the Certificate of Eligibility (sent by the VA to eligible students six to eight months after the student has applied for benefits).
• VA Worksheet (available from CCD’s VA Certifying Official).
• Notice of Student Responsibility Form (available from CCD’s VA Certifying Official).

Course Selection
The VA does not generally pay for courses that are not required for the student’s program of study. VA benefits cannot be used towards a course because of unsatisfactory work may be considered mitigating circumstances if the student can demonstrate good faith pursuit of the course up to the point of withdrawal or completion. Students must submit evidence that they applied for tutorial aid, consulted CCD’s VA Certifying Official or consulted a CCD Program Advisor in an attempt to remedy the unsatisfactory work before withdrawal or completion.

Attendance
Students who stop attending class but do not officially withdraw will earn an F grade for the course. Veterans who fail to inform CCD’s VA Certifying Official that they have stopped attending a course may receive an overpayment or debt notification from the VA.

Overpayment
An overpayment may occur if a student withdraws, drops or decreases the amount of credit hours for which they are registered without adding any additional credit hours after initial certification has been sent to the VA. It is the responsibility of the student to pay back the VA if an overpayment occurs. For questions concerning this, please ask CCD’s VA Certifying Official.

Veterans’ Academic Standards of Progress
Students using VA educational benefits are responsible for following CCD’s Academic Progress Policy, which explains GPA requirements and academic probation processes.

Special Grades
AU - The VA will not certify a grade of AU, which indicates that a course was audited or taken for no credit.
I - An incomplete or I grade must be made up no later than the next consecutive 15-week semester. If an I grade is not completed during the required period, the I will revert to F and the veteran’s enrollment certification will be adjusted back to the beginning date of the term in which the I grade was received.

Mitigating Circumstances for Veterans
When mitigating circumstances prevail, CCD will attempt to intervene on behalf of the veteran with the Veterans Administration. Mitigating circumstances (as defined by P.L. 94-502) that directly hinder an eligible veteran’s or dependent’s pursuit of a course and are judged to be out of the student’s control include but are not limited to:
• serious illness of the eligible veteran or dependent.
• serious illness or death in the eligible veteran’s or other dependent’s immediate family.
• immediate family or financial obligations that require a change in terms or place of employment and preclude the veteran or dependent from pursuing course work.
• the college discontinues a course.
• active military duty, including active duty for training.
• withdrawal from a course or receipt of a non-punitive grade upon completion of a course because of unsatisfactory work may be considered mitigating circumstances if the student can demonstrate good faith pursuit of the course up to the point of withdrawal or completion. Students must submit evidence that they applied for tutorial aid, consulted CCD’s VA Certifying Official or consulted a CCD Program Advisor in an attempt to remedy the unsatisfactory work before withdrawal or completion.

P L 94-502
ARMY RESERVE OFFICERS’ TRAINING CORPS (AROTC)
The Military Science Army Reserve Officers’ Training Corps (AROTC) Program is offered on the Auraria Campus to all interested students at Community College of Denver. The Department of Military Science offers programs leading to an officer’s commission in the active Army, Army Reserve or National Guard, in conjunction with an undergraduate or graduate degree. Military Science courses are designed to supplement a regular degree program by providing practical leadership and management experience. Enrollment in the Basic Course (freshman and sophomore years) incurs no military obligation except for Army scholarship recipients.

Students may participate in activities with the Buffalo Battalion’s Charlie Company located on the Auraria Campus, to include color guard, intramural sports, running club and ranger challenge. Weekly or Saturday leadership labs provide cadets with practical leadership experience and performance-oriented, hands-on instruction outside the classroom. Leadership labs are compulsory for enrolled cadets. Physical Training (PT) is conducted three times a week with the purpose of developing muscular strength, endurance and cardio-respiratory endurance.

Applications for second and third year scholarships are open to all community college students, but acceptance of an AROTC scholarship requires enrollment at a four-year, degree-granting university. For more information about scholarships, contact the Enrollment/Scholarship officer at 303-352-7419.

DEVELOPMENTAL EDUCATION PROGRAM
CCD has a comprehensive developmental education program for students who need to upgrade reading, English, math, and/or study skills. It includes:
• an evaluation or assessment of a student’s basic academic skills;
• an interpretation of assessment test results by skilled faculty and advisors;
• skill development courses in reading, mathematics, writing, and study skills;
• support with computer-assisted instruction;
• preparation for GED; and
• English-as-a-Second-Language instruction and support.

For more information, contact the Testing Center http://www.ccd.edu/testing, the Center for Math and Science (303-556-8455), or the Center for Arts and Humanities (303-556-2473).

EXPERIENTIAL LEARNING
Experiential learning is education that emphasizes personal experience of the learner rather than learning from lectures, books, and other second-hand sources. This includes cooperative education, academic internships, apprenticeships, and registered apprenticeships. For more information, students should contact their Program Advisor and review the Internship Handbook.

HONORS PROGRAM
The CCD Honors Program was established in 1990 to recognize outstanding talent among CCD students and to provide a supportive, stimulating support community for them throughout their time at CCD.

Students in CCD’s Honors Program go a step beyond the routine, turning ordinary courses into extraordinary learning experiences. Student transcripts will reflect the individual Honors courses and the overall completion of the Honors Program, providing recognition that will serve students as they transfer to other institutions, seek scholarships, and pursue career goals.

All CCD students are welcome in the program. To participate, students contract with individual instructors to do work above and beyond the ordinary class requirements. Once they have completed this supplemental work, the class will be transcribed as an “Honors course.” There is no fee to join the Honors Program.

Students who complete the Honors Program (15 credits worth of Honors Courses with 3.5 or better cumulative GPA) will have their degrees and/or certificates awarded with Honors. Honors Program graduates receive special recognition at CCD’s annual commencement ceremony. Also CCD’s Honors Program can be transferred to Metropolitan State University’s Honors Program.

To learn more about the CCD Honors Program, please visit https://www.ccd.edu/org/ccd-honors-program or contact the Honors Program Coordinator at 303-556-3861.
The college reserves the right to:

- change any provision or requirement of this catalog, including academic calendar dates, tuition and fees, pursuant to law, the rules of the State Board for Community Colleges and Occupational Education, or the Colorado Community College and Occupational Educational System, or college policy.
- cancel any course or program described in this catalog, at any time, without notice, and to change any other aspect of any course or program.
- require a student to withdraw at any time for health, safety, or other reasons, pursuant to appropriate policies and procedures, and to impose sanctions, according to established policy.
- dismiss students who are admitted based on false statements or documents. In such cases, students may be subject to a loss of all credit for work that may have been completed.

COMMUNITY COLLEGE OF DENVER
STUDENT CODE OF CONDUCT
Effective June 1, 2014

CCD values involvement, integrity, lifelong learning and excellence. In the spirit of these values, we have the expectation that students adhere to a Code of Conduct which is reflective of the values of the College.

MISSION STATEMENT: The Office of Student Conduct believes that student learning takes place outside the classroom as well as inside the classroom. Our goal is to use the conduct process as a tool for educating the student on personal conduct, ethical reasoning and community responsibility. We will treat each case individually and each student with respect. We will involve the entire community in a culture of conversation, where reporting is a natural byproduct of a sincere commitment to the safety, security and learning environment of the campus.

The Code of Conduct for Community College of Denver coincides with The Colorado Community College System policy on Student Disciplinary Procedure. According to CCCS policy SP 4-30, students are expected to adhere to the Student Code of Conduct and policies and procedures of the college.

SECTION I: DEFINITIONS

AHEC: refers to the Auraria Higher Education Center.

Cheating: includes, but is not limited to:
- use of any unauthorized assistance in taking quizzes, tests or examinations;
- dependence upon the aid of sources beyond those authorized by the faculty member in writing papers, preparing reports, solving problems, or carrying out other assignments; or
- the acquisition, without permission, of tests or other academic materials belonging to a member of the College faculty, staff, or other students.

Chief Student Services Officer (CSSO): The individual designated by the College President to administer student affairs and be responsible for administering the College’s Student Conduct Code and this procedure. The CSSO may delegate student discipline to another individual (designee).

Code of Conduct: A document developed and published by each college in the Colorado Community College System which defines prescribed conduct of students.

College: refers to Community College of Denver.

College Official: includes any person employed by the College performing assigned administrative or professional responsibilities.

College or Campus Premises: includes all land, buildings, facilities, and other property in the possession of or owned, used, or controlled by the Auraria Higher Education Center, including the adjacent streets and sidewalks, and also includes Extended Campus locations such as North Campus and Lowry Campus. This can include online classes as well.

College-Sponsored Activity: includes but is not limited to: music and theatre events, student activities, study abroad programs and student trips funded by the Office of Student Life.

College Suspension or Expulsion: An involuntary separation of the student from the College for misconduct not based on academic performance for a specified period of time.

Suspension is a separation that shall not exceed three academic terms per suspension for any singular offense or situation. While a student is suspended, he or she is not eligible for admission or re-admission at any of the community colleges within CCCS. Additionally, if a student is suspended at any of the other Auraria Campus Institutions (i.e., Metropolitan State University of Denver or the University of Colorado Denver), he or she will not be eligible for admission or re-admission at Community College of Denver (CCD). Once the suspension is lifted at any of the community colleges within CCCS, the student may be eligible for admission or re-admission.

Examples of suspension include, but are not limited to the following: the college, a department or program, a class, residence hall, use of a college facility or an activity.

Students may be suspended from one class period by the responsible faculty member or adjunct instructor. Longer suspensions can only be implemented by the CSSO or designee in accordance with this procedure.

Expulsion is an indefinite separation from the college. The student is not eligible for admission or re-admission at any of the community colleges within CCCS. Additionally, if a student is expelled at any of the other Auraria Campus Institutions (i.e., Metropolitan State University of Denver or the University of Colorado Denver), he or she will not be eligible for admission or re-admission at CCD.
In exceptional cases where a student wants to be considered for admission or re-admission after an expulsion has been implemented, the student bears the burden to prove the behavior that resulted in the expulsion has been resolved. It is within the college’s discretion to admit or deny the student.

**Conduct Officer:** or “Chief Student Services Officer” is that person designated by the College President to be responsible for the administration of the Student Code of Conduct.

**Day:** Refers to working day unless otherwise noted below.

**Faculty Member:** “instructor,” or “adjunct instructor” means any person hired by the College to conduct classroom or teaching activities or who is otherwise considered by the College to be a member of its faculty.

**Impartial Decision Maker:** means the Vice President for Enrollment Administration and Student Success or designee.

**Interim Action:** An immediate action taken by the CSSO to ensure the safety and well-being of members of the college community; preservation of college property; or if the student poses a definite threat of disruption or interference to others or the normal operations of the college. In the event of an interim action, the hearing before the CSSO or designee shall occur as soon as possible following the interim action. If the college issues a permanent sanction, the student shall be afforded appeal rights as discussed below. If the college does not implement a permanent sanction, the interim action will be removed from the student’s record.

**Jurisdiction:** College jurisdiction applies to student conduct which occurs on or off campus including while a student or organization is participating in College-sponsored activities such as study abroad and student travel programs. The College may adjudicate off campus conduct when the continued presence of the student is likely to interfere with the educational process or the orderly operation of the campus; is likely to endanger the health, safety or welfare of the College community; or the offense committed by the student is of such a serious nature as to adversely affect the student’s suitability as a member of the College community. The Student Code of Conduct shall apply to a student’s conduct even if the student withdraws from school while a disciplinary matter is pending. In relevant cases, the student’s use of electronic media in violating a standard of conduct may be considered in the adjudication process regardless of where the electronic media originated.

**Member of the College:** includes any person who is a student, faculty member, College official, or any other person employed by the College.

**Notice:** Notices which are required to be given by this procedure shall be considered served upon the student when given by personal delivery, mailing by certified mail, or emailing the student to their official college email address requesting a delivery receipt notification. If notice is mailed, student shall be given three (3) additional days to respond.

**Organization:** means any number of persons who have complied with the formal requirements for College recognition. Student organization requirements can be found in the Student Organization Handbook.

**Other Disciplinary Sanction:** fines, restitution, denial of privileges, assignment to perform services for the benefit of the college or community; or other sanction that does not result in the student being denied the right of attending classes.

**Plagiarism:** includes, but is not limited to, the use by paraphrase or direct quotations of the published or unpublished work of another person without full and clear acknowledgement. It also includes the unacknowledged use of materials prepared by another person or agency that may or may not be engaged in the selling of term papers or other academic materials.

**Policy:** is defined as the written regulations of the College as found in, but not limited to, the Student Code of Conduct, the Community College of Denver website, any Auraria Higher Education Center publications, Community College of Denver Catalogs and Class Schedules, and State Board for Community Colleges and Occupational Education (SBC- COE) Policies and Colorado Community College System President’s Procedures.

**Preponderance of Evidence:** is the standard of proof used in all conduct proceedings under this Student Code of Conduct. A preponderance of evidence standard means that it is more likely than not that a violation occurred.

**Probation:** After a finding of violation of the Code of Conduct, restriction of student’s privileges for a designated period of time including the probability of more severe disciplinary sanctions if the student is found to be violating any College regulations during the probationary period.

**Student:** All persons taking courses at or sponsored by the College(s), both full-time and part-time, pursuing both undergraduate credit and non-credit courses and those concurrently attending secondary- or post-secondary institutions and College. Persons who are not officially enrolled for a specific term, but who have a continuing relationship with the college are considered students.

**Title IX Coordinator(s) and Title VI and VII Coordinator(s) (EO Coordinator):** is the employee(s) designated by the college president to oversee all civil rights complaints.

**Warning:** A Notice served upon the student advising him/her that he/she is violating or has violated College regulations.

---

**SECTION I: AUTHORITY**

1. The Office of Student Life and Office of Student Conduct is appointed by the College to adjudicate any potential violations of the Student Code of Conduct.

2. The Conduct Officer may develop policies for the administration of the Student Conduct program and procedural rules for the conduct of hearings that are consistent with provisions of the Student Code of Conduct. Including but not limited to, the utilization of alternative dispute resolution methods such as restorative justice and mediation.

3. Decisions made by the Conduct Officer shall be final, pending the normal appeal process.

4. The Conduct Officer may extend time limits for good cause demonstrated in writing.

5. The Conduct Officer may contact the Student Conduct Officers from Metropolitan State University of Denver, the Auraria Higher Education Center or the University of Colorado at Denver and Health Sciences Center on matters that involve students from any or all institutions.

---

**SECTION II: AUTHORITY**

Community College of Denver expects its students to be accountable for their conduct and to represent the College in a positive, responsible manner. The Student Code of Conduct exists to provide parameters for students and their behavior as they represent the College during the entirety of their CCD experience.

Conduct that violates student rights and freedoms and is subject to disciplinary action includes, but is not limited to:

1. **Academic Misconduct:** Plagiarizing, cheating, or committing any other form of academic misconduct including, but not limited to, unauthorized collaboration, falsification of information, and/or helping someone else violate reasonable standards for academic behavior. Students who engage in any type of academic dishonesty are subject to both academic consequences as determined by the instructor and to disciplinary action as outlined in the CCD disciplinary procedures. Academic Acts of Dishonesty/Misconduct are handled through the Office of the Provost or designee(s).

2. **Disruptive Behavior:** Engaging in any disruptive behavior that negatively affects or impedes teaching or learning (regardless of mode of delivery or class setting); or disrupts the general operation of the college.

3. **Deceptive Acts:** Engaging in deceptive acts, including, but not limited to: forgery, falsification, alteration, misrepresentation, non-disclosure, or misuse of documents, records, identification and/or educational materials.

4. **Conduct that is Detrimental to College or to Safety:** Conduct that is deemed detrimental, harmful and/or damaging to the college and/or that jeopardizes the safety of others as determined by the Dean of Student Life or designee. Examples include, but are not limited to, slamming doors, throwing chairs, and/or defacing of college property, or property of others.

5. **Physical/Non-physical Abuse:** Physical abuse or conduct that threatens or endangers another person’s health or safety. Non-physical abuse, threats, intimidation, coercion, influence, or any unwelcome conduct in any form that is sufficiently severe, pervasive
or persistent that it alters the conditions of the learning environment or employment. Knowingly falsifying, publishing or distributing, in any form, material that tends to impeach the honesty, integrity, virtue or reputation of another person.

6. Harassment and/or Discrimination: Discrimination or harassment on the basis of sex/gender, race, color, age, creed, national or ethnic origin, physical or mental disability, veteran status, pregnancy status, religion or sexual orientation.

7. Sexual Misconduct: Sexual Misconduct offenses include, but are not limited to Sexual Harassment, Non-Consensual Sexual Contact (or attempts to commit same), Non-Consensual Sexual Intercourse (or attempts to commit same), and/or Sexual Exploitation. (See SP 4-120a for more information: http://www.ccd.edu/files/hrcdssexual-misconduct2012.pdf)

8. Weapons: Possession or distribution of any unauthorized firearms, ammunition, explosives, fireworks and/or other dangerous weapons (or chemicals/flammable liquids) or use/treat of use of any instrument (including, but not limited to paint ball guns, pellet guns, air soft guns, bow and arrows, knives) as a weapon to intimidate, harass, or cause harm to others.

9. Narcotics/Alcohol: Using, being under the influence, manufacturing, possessing, cultivating, distributing, purchasing, or selling of alcohol and/or drugs (illegal and/or dangerous or controlled substance) and/or alcohol/drug paraphernalia while on college owned or college controlled property, and/or at any function authorized or supervised by the college and/or in state owned or leased vehicles. NOTE: Although possession and use of marijuana consistent with the requirements of the Colorado Constitution is no longer a crime in the State of Colorado, the possession and use of marijuana remains illegal under federal law. Consistent with federal law, including the Controlled Substances Act and the Drug Free Schools and Communities Act, the use and/or possession of marijuana continues to be prohibited while a student is on college owned or college controlled property, and/or any function authorized or supervised by the college and/or in state owned or leased vehicles.

10. Dress Code: Dress or personal hygiene that fails to meet the established safety or health standards of specific classes or activities offered by the college.

11. Leaving Children Unattended: Leaving children unattended or unsupervised in campus buildings or on campus grounds unless enrolled or participating in authorized campus activities.

12. Violation of Laws, Directives, and Signage: Violating any municipal, county, state or federal law that adversely impacts the conditions of the educational or employment environment. Violations of college traffic and parking rules, regulations, or signage. Damage to or falsely using fire alarms and/or fire extinguishers. Creating an intentional obstruction that unreasonably interferes with freedom of movement, either pedestrian or vehicular. This includes, but is not limited to leading or inciting to disrupt college activities. Failure to comply with the lawful directives of College employees acting within the scope of their duties, including those directives issued by a College administrator to ensure the safety and well-being of others. Violations of college policies, protocols, procedures or signage.

13. Illegal Gambling: Participation in illegal gambling activities on college owned or college controlled property, and/or any function authorized or supervised by the college and/or in state owned or leased vehicles.

14. Unauthorized Entry and/or Unauthorized Possession: Entry into, or use of any building, room, or other college-owned or college-controlled property, grounds, or activities without authorized approval. This also includes, but is not limited to the unauthorized possession, duplication or use of college keys, lock combinations, access codes, and access cards and/or credentials and/or propping open or tampering with doors/window.

15. Unacceptable Use of College Equipment, Network or System: Unacceptable uses of any college-owned or operated equipment, network or system including, but not limited to; knowingly spreading computer viruses; reposting personal communications without author’s consent; copying protected materials; using the network for financial or personal gain, commercial activity, or illegal activity; accessing the network using another individuals account; unauthorized downloading/uploading software and/or digital video or music; downloading/uploading, viewing or displaying pornographic content, or any other attempt to compromise network integrity.

16. Unauthorized Pets/Animals: Possession of any unauthorized pet or animal, excluding trained service animals while on college-owned or college-controlled property. Reasonable behavior is expected from service animals while on campus. If a service dog, for example, exhibits unacceptable behavior, the owner is expected to employ the proper training techniques to correct the situation. The owners of disruptive and aggressive service animals may be asked to remove them from college facilities. If the improper behavior happens repeatedly, the owner may be told not to bring the service animal into any facility until they take significant steps to mitigate the behavior. The service animal will be treated as an extension of the student and the student will be held responsible for the service animal’s behavior.

17. Tampering with Student Organization, Election, or Vote: Tampering with the process of any college recognized student organization, election or vote.

18. Group or Organization Conduct: Students who are members of a college recognized student organization or group and commit a violation of AHEC may be accountable both as an individual and as a member of the student organization.

19. Abuse of the Student Disciplinary and/or Grievance Procedure: Abuse of the Student Disciplinary and/or Grievance Procedure includes, but is not limited to the following:

- Disruption or interference with the orderly conduct of the student disciplinary / grievance procedure.
- Falsification, distortion, or misrepresentation, or knowingly pursuing malicious, frivolous, or fraudulent charges.
- Attempting to discourage an individual’s proper participation in, or use of, the student disciplinary / grievance procedure.
- Attempting to influence the impartiality of a participant and/or the student disciplinary / grievance procedure.
- Harassment (verbal or physical) and/or intimidation of a participant in the student disciplinary / grievance procedure.
- Failure to comply with directives and/or sanctions imposed under student disciplinary / grievance procedure.
- Influencing or attempting to influence another person to commit an abuse of the student disciplinary / grievance procedure.
- Engaging in retaliatory acts in any form against any person or person(s) involved in the student disciplinary / grievance procedure.

20. Violation of College policies, rules, or regulations: which are published in hard copy or available electronically on the College website, the Auraria Higher Education Center (AHEC) website, or the Colorado Community College website which outlines SBCCOE policies and System President procedures.

21. Camping/Residing: In accordance with published AHEC policy #30: Auraria campus facilities and grounds shall not be used for camping, regardless of the duration or purpose of the use. Camping shall be defined as the use of Auraria campus facilities or grounds for living accommodations or housing purposes such as overnight sleeping or making preparations for overnight sleeping (including the laying down of bedding for the purpose of sleeping), the making of any fire for cooking, lighting or warmth, or the erection or use of tents, motor vehicles, or other structures for living or shelter. These activities constitute camping when it reasonably appears, in light of all the circumstances, that the participants conducting these activities are intending to use or are using the facilities or grounds for living accommodations or housing, regardless of the duration or other purpose of the use.

22. Smoking in buildings and within 25 feet of building entrances: In accordance with AHEC policy, the smoking of any substance is strictly prohibited in all buildings on the Auraria Campus, including those in the institutional neighborhoods and buildings owned by the constituent institutions therein. Smoking, for the purposes of this policy, shall include the use of e-cigarettes, electronic vaping devices, personal vaporizers, electronic nicotine delivery systems, or other such devices which vaporize substances to simulate smoking. To review full policy: http://www.ahec.edu/files/general/Policy-Smoking.pdf
Please note: In most circumstances, college will treat attempts to commit code of conduct violations as if those attempts had been completed.

Note: Violation of Law and Student Code of Conduct Proceedings initiated under these procedures are separate from civil or criminal proceedings that may relate to the same incident. Investigations or conduct proceedings by the College are not postponed while criminal or civil proceedings are pending unless otherwise determined by the Conduct Officer.

SECTION IV: CONDUCT PROCESSES

Note: Because email is an official method of communication for the College, students may be notified over email of potential violations of the Student Code of Conduct.

A. STANDARD OF PROOF

The College views the conduct process as a learning experience that can result in growth and personal understanding of one’s responsibilities and privileges within the College community. It is not intended to be a substitute for civil or criminal legal proceedings, and is designed to provide a fair evaluation of whether or not a student has violated the Student Code of Conduct. Formal rules of evidence do not apply in the College’s conduct process. The College uses a preponderance of evidence standard when determining responsibility for alleged violations of the Student Code of Conduct. A preponderance of evidence means that what is alleged to have happened is, more likely than not, what actually happened. This shall be the standard of proof used in all conduct proceedings under this Code.

B. INCIDENT PROCESS

1. Incident Submission: Faculty, staff, or students can file an incident report of alleged violation at www.cccd.edu/incidentreport.

2. Incident Review: The Conduct Officer reviews all reports and information received from college departments, staff, faculty, officials, students, community members, or police to determine if there is sufficient information to indicate that the Student Code of Conduct has been violated. If the allegations of misconduct are discrimination and/or harassment based on federal or state civil rights laws, the college will investigate those incidents through the Civil Rights Grievance and Investigation Process, System President’s Procedure (SP) 4-31a.

3. Written Notification: The Conduct Officer or designee will notify the student in writing (via student email) that information has been received which indicates a potential violation of specific standards in the Code of Conduct. The written notification will provide cursory details of the incident along with the charges. The letter will ask the student to schedule a meeting with the Conduct Officer.

4. Conduct Meeting: The student will have a chance to meet with the Conduct Officer to discuss the situation. The student will have the opportunity at that meeting to review the written documentation of the incident and present any information that is relevant to the incident. If the student chooses not to meet with the Conduct officer within the timeline stated in the Written Notification, a decision may be made in the student’s absence. In addition, ahold may be placed on the student’s account which will prevent the student from registering until the process is completed.

5. Decision: Once the investigation is complete, either through this process or the Civil Rights Grievance and Investigation process, the CSSO or designee shall render a sanction decision. The CSSO or designee may decide that the charges can be disposed of administratively by mutual consent of the parties involved on a basis acceptable to them. If an administrative resolution is not achieved, the CSSO or designee shall issue a decision which determines whether the alleged conduct occurred; whether the conduct violated the Code of Conduct or College procedures; and impose a sanction(s) if appropriate.

6. Decision Letter: Each incident involving an alleged violation of the Code of Conduct will be concluded with a Letter outlining the Conduct Officer’s decision of “responsible” or “not responsible” for the potential charges. The letter will also include any sanctions which the Conduct Officer deems appropriate in response to the situation. If a student chooses not to complete the sanctions within the timeline stated in the letter, a hold will be placed on the student’s registration.

7. Appeal: Any student found responsible for a violation of the Code of Conduct may appeal the decision within 7 working days to the Vice President for Enrollment Administration and Student Success. Please refer to Section IV.E. for details on the appeal process.

8. Appeal Decision: The student will be informed in writing of the outcome of the appeal.

C. SANCTIONS

One or more of the following may be imposed when there is a finding that a student has violated the Colleges Code of Conduct.

1. Warning: A Notice served upon the student advising him/her that he/she is violating or has violated College regulations.

2. Probation: After a finding of violation of the Code of Conduct, restriction of students privileges for a designated period of time including the probability of more severe disciplinary sanctions if the student is found to be violating any College regulations during the probationary period.

3. Other disciplinary sanction: Fines, restitution, denial of privileges, assignment to perform services for the benefit of the college or community; or other sanction that doesn’t result in the student being denied the right of attending classes.

4. College suspension or expulsion: An involuntary separation of the student from the College for misconduct not based on academic performance for a specified period of time.

a. Suspension is a separation that shall not exceed three academic terms per suspension for any singular offense or situation. While a student is suspended, he or she is not eligible for admission or re-admission at any of the community colleges within CCCS. Additionally, if a student is suspended at any of the other Auraria Campus Institutions (i.e., Metropolitan State University of Denver or the University of Colorado Denver), he or she will not be eligible for admission or re-admission at Community College of Denver (CCD). Once the suspension is lifted at any of the community colleges within CCCS, the student may be eligible for admission or re-admission. Examples of suspension include, but are not limited to the following: the college, a department or program, a class, residence hall, use of a college facility or an activity. Students may be suspended from one class period by the responsible faculty member or adjunct instructor. Longer suspensions can only be implemented by the CSSO or designee in accordance with this procedure.

b. Expulsion is an indefinite separation from the college. The student is not eligible for admission or re-admission at any of the community colleges within CCCS. Additionally, if a student is expelled at any of the other Auraria Campus Institutions (e.g. Metropolitan State University of Denver or the University of Colorado Denver), he or she will not be eligible for admission or re-admission at CCD. In exceptional cases where a student wants to be considered for admission or re-admission after an expulsion has been implemented, the student bears the burden to prove the behavior that resulted in the expulsion has been resolved. It is within the colleges discretion to admit or deny the student.

5. Interim Action: An immediate action taken by the CSSO to ensure the safety and well-being of members of the college community; preservation of college property; or if the student poses a definite threat of disruption or interference to others or the normal operations of the college. In the event of an interim action, the hearing before the CSSO or designee shall occur as soon as possible following the interim action. If the college issues a permanent sanction, the student shall be afforded appeal rights as discussed below. If the college does not implement a permanent sanction, the interim action will be removed from the students record.

6. Alternative Dispute Resolution: During the conduct procedures, the conduct officer may determine that an Alternative Dispute Resolution may be effective for repairing the violation. This resolution may take the following forms: Mediation, Restorative Justice, and other alternatives for a low-level resolution.

D. APPEALS

Appeal (as directed in the CCCS Policy SP 4-30) http://www.cccs.edu/
The appeals officer or committee will render a written decision on the Educational Rights and Privacy Act (FERPA). As a result, these records
Disciplinary records are considered education records under the Family e. reLeAse Of DisCiPLinAry infOrMAtiOn
SBCCOE/Policies/SP/PDF /SP4-30 .pdf . In the event of an appeal, the hearing cannot be appealed . The results of a new hearing can be ap-
may order a new hearing be held by a different individual acting in the
the CSSO or designee in cases of bias, the appeals officer or committee
2 . To consider new evidence, unavailable during the investigation or
for appeal are as follows:
1 . A material procedural or substantive error occurred that significantly
a material determination on which the appeal is based. The ONLY grounds
If the appeals officer or committee determines that a material proce-
dural or substantive error occurred, it may return the complaint to the
If the appeals officer or committee determines that new evidence should be
considered, it will return the complaint to the CSSO or designee to re-
consider in light of the new evidence, only. If the subject matter pertains
to discrimination and/or harassment pursuant to SP 4-31a, the appeals of-
ficer or committee will return the complaint to the Title IX/EO Coordinator
to reconsider in light of the new evidence, only. The reconsideration of the
CSSO, designee, or Title IX/EO Coordinator is not appealable .
The procedures governing the hearing of appeals include the following:
• All parties should be timely informed of the status of requests for
appeal, the status of the appeal consideration, and the results of the
appeal decision;
• If the appeals officer or committee determines there is new evidence or
error in the original proceeding, every opportunity to return the
appeal to the CSSO or designee for reconsideration (remand) should
be pursued;
• Appeals are not intended to be full hearings of the complaint (de
 novo). In most cases, appeals are confined to a review of the written
documentation or record of the original hearing, and pertinent docu-
mentation regarding the grounds for appeal;
• An appeal is not an opportunity for an appeals officer or committee
to substitute their judgment for that of the CSSO or designee merely
because they disagree with its finding and/or sanctions.
• Appeals decisions are to be deferential to the original decision,
making changes to the findings only where there is clear error and a
compelling justification to do so.
• Sanctions imposed are implemented immediately unless the CSSO or
designee stays their implementation in extraordinary circumstances,
pending the outcome of the appeal.
• The appeals officer or committee will render a written decision on the
appeal to all parties within seven (7) days from receiving the appeal
request. The committee’s decision to deny appeal requests is final.
E. RELEASE OF DISCIPLINARY INFORMATION
Disciplinary records are considered education records under the Family Educational Rights and Privacy Act (FERPA). As a result, these records are
kept confidential in accordance with this law. Access to any student’s
disciplinary file shall be governed by provisions of FERPA, and the Cam-
pus Security Act (or “Clery Act”) as amended. A written waiver signed by
the student is required for release of disciplinary records to third parties
not otherwise mandated by relevant law.
F. STUDENT CONDUCT PROCEDURE ON RECORD
Retention and Review
With the exception of cases in which the College has federally mandated reporting requirements, records will be kept according to the Colorado
Community College System Records Retention Schedule.
G. SITUATIONAL CONSIDERATIONS
Immunity for Victims/Survivors of Sexual Misconduct — Sometimes, victims/survivors are hesitant to report to campus officials because they
fear that they themselves may be charged with policy violations, such
as underage drinking at the time of the incident. It is in the best interest
of this community that as many victims/survivors as possible choose to
report to institutional officials. To encourage reporting, Community Col-
lege of Denver pursues a practice of offering victims/survivors of sexual
misconduct limited immunity from being charged for conduct viola-
tions related to the sexual misconduct incident (particularly in regard to
alcohol and drugs). While violations cannot be completely overlooked,
the institution will provide educational options rather than punishment
in such cases. Students who report sexual assault will not have a formal
conduct record for alcohol or drug violations.
Good Samaritan — Sometimes, students are hesitant to offer assistance
to others, for fear that they may get themselves in trouble (for example,
as student who has been drinking underage might hesitate to help take
a sexual misconduct victim/survivor to the Campus Police). Community
College of Denver pursues a practice of limited immunity for students who
offer help to others in need. While policy violations cannot be overlooked,
the institution will provide educational options, rather than punishment,
to those who offer their assistance to others in need. In these cases a
student will not receive a formal conduct record when seeking assistance
for another.
H. MISCELLANEOUS
Time limits for scheduling of hearings may be extended at the discretion
of the Impartial Decision Maker.
The procedural rights afforded to students above may be waived by
the student.
Students should be aware of the following policy: Policy Statement
Pursuant to statute, it is the Board’s policy that there shall be no admis-
sion requirements imposed upon any student except those listed below
concerning proof of immunization. Admission to a college does not guar-
antees enrollment in specific programs which may have prerequisites
designed to facilitate successful completion. Admission may be denied
in accordance with the provisions of this policy.
Proof of Immunization: Traditionally aged students seeking admission to
residential colleges must show proof of immunization as required by Sec-
tion 4, Title 25, Part Nine CRS and implementing rules prior to attending
on-campus classes at the college. Nontraditional adult students are defined
as those students who have attained the age of 19 years of age or older.
Review of Denial: Review of a denial of admission or denial of continued
enrollment or re-enrollment of students shall be in accordance with the
college’s disciplinary procedures.
Procedures: The System President shall promulgate such procedures as
may be necessary for the implementation of this policy.
SECTION V: INTERPRETATION AND REVISION
A. Any question of interpretation regarding the Student Code of Conduct
shall be referred to the Vice President for Enrollment Administra-
tion and Student Success, Dean of Student Life, Director of Student
Conduct or designee for final determination.
B. The Student Code of Conduct shall be reviewed periodically
(and as needed).
IN-PERSON STUDENT TRANSACTIONS
For each in-person student services transaction students are required to present an acceptable identification document before any action is taken. Examples of service transactions include but are not limited to those listed below.

- Issuing of student identification cards
- Financial Aid transactions
- Registration and Records transactions
- Transcript requests and releases
- Cashier transactions
- Testing services
- Admissions services
- Release of any part of the student record as defined by FERPA

Valid Identity and Verification of Age Documents:
- CCD student ID card
- Colorado driver’s license
- Colorado identification card
- A valid U.S. Passport
- Valid out-of-state driver’s license
- Foreign passport with photo
- Military ID/Common Access Card
- Certificate of Naturalization with photo
- Certificate of Citizenship with photo
- Valid I-551
- Valid EAH/Temporary Resident
- Refugee/Asylee I-94 with photo
- BIA identification card with photo
- VA identification card with photo

LEGAL NOTICES
Americans with Disabilities Act and CCD Compliance
The Americans with Disabilities Act, including The Amendments Act of 2008, prohibits discrimination based on disability in admission to, access to, and the operation of programs, services, or activities at CCD. The college is committed to providing an environment where all students have the opportunity to attain their educational goals. CCD provides both physical and programmatic access for all students. Reasonable accommodations will be made to ensure full educational opportunities for all students. Appropriate documentation of a student’s disability is required. Visit the Accessibility Center website at https://www.ccd.edu/accessibility-center for additional information on accommodations.

CCD complies with and fully supports Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 (ADA), including changes made by the ADA Amendments Act of 2008, regarding nondiscrimination on the basis of disability (documentation required). Refer questions concerning these acts to Rhonda Pylican, Director of Human Resources, Administration Building, Room 310, Campus Box 240, P.O. Box 173363, Denver, CO 80217-3363, Telephone: 303-352-3037, or to the Office for Civil Rights, U.S. Department of Education, Region VIII, Federal Office Building, 1244 North Speer Boulevard, Suite 310, Denver, CO 80204, telephone (303) 844-3417.

Notice of Nondiscrimination
Community College of Denver prohibits all forms of discrimination and harassment including those that violate federal and state law, or the State Board for Community Colleges and Occupational Education Board Policies 3-120 or 4-120. The College does not discriminate on the basis of sex/gender, race, color, age, creed, national or ethnic origin, physical or mental disability, veteran status, pregnancy status, religion, genetic information, gender identity, or sexual orientation in its employment practices or educational programs and activities. Community College of Denver will take appropriate steps to ensure that the lack of English language skills will not be a barrier to admission and participation in vocational education programs. The College has designated Rhonda Pylican, Director of Human Resources, as its Affirmative Action Officer/Equal Opportunity Coordinator/Title IX Coordinator with the responsibility to coordinate its civil rights compliance activities and grievance procedures. For information, contact: Rhonda Pylican, Director of Human Resources, Administration Building, Room 310, Campus Box 240 / P.O. Box 173363, Denver, CO 80217-3363, 303-352-3037. You may also contact the Office for Civil Rights, U.S. Department of Education, Region VIII, Federal Office Building, 1244 North Speer Boulevard, Suite 310, Denver, CO 80204, telephone (303) 844-3417.

Notificación de No Discriminación
Community College of Denver prohíbe toda forma de discriminación y acoso inclusive las que violan la ley federal y estatal, o las políticas 3-210 o 4-120 del State Board of Community Colleges and Occupational Education (Consejo Estatal de Instituciones de Educación Superior de Dos Años y de Educación Vocacional). Community College of Denver no discrimina a base de sexo/género, raza, color, edad, credo, origen nacional o étnico, discapacidad física o mental, estado de veterano, estado de embarazo, religión, información genética, identidad de género, o orientación sexual en sus prácticas de empleo o programas y actividades educativos. Community College of Denver tomará medidas apropiadas para asegurar que la falta de habilidades en el inglés no sea barrera para la admisión y participación en programas de educación vocacional. Community College of Denver ha designado a Rhonda Pylican, Directora de Recursos Humanos, como su Agente de Acción Afirmativa/Coordinadora de Oportunidad Equitativa/Coordenadora de Título IX con la responsabilidad de coordinar sus actividades de cumplimiento con los derechos civiles y los procedimientos de reclamación. Para información, póngase en contacto con: Rhonda Pylican, Director of Human Resources, Administration Building, Room 310, Campus Box 240 / P.O. Box 173363, Denver, CO 80217-3363, 303-352-3037. También se puede poner en contacto con la Office for Civil Rights (Oficina de Derechos Civiles), U.S. Department of Education, Region VIII, Federal Office Building, 1244 North Speer Boulevard, Suite 310, Denver, CO 80204, teléfono (303) 844-3417.

Family Education Rights & Privacy Act of 1974 (FERPA)
The Family Educational Rights and Privacy Act of 1974 (FERPA) affords students certain rights with respect to their education records. FERPA rights are afforded to students at the time of admission. These rights include:

1. The right to inspect and review the student’s education records within 45 days of the day Community College of Denver receives a request for access. A student should submit to the Registrars, Registration, and Records Office a written request that identifies the record(s) the student wishes to inspect. The Registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Registrar, the Registrar will make arrangements to obtain the requested records.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights. A student who wishes to ask Community College of Denver to amend a record should write the Registrar who will notify the college official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If CCD decides not to amend the record as requested, CCD will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before Community College of Denver discloses personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to college officials with legitimate educational interests. A college official is a person employed by CCD in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom CCD has contracted as its agent to provide a service instead of using college employees or officials (such as an attorney, auditor, or collection agent); a person serving on the College Board; or state and federal agencies, such as...
the veteran’s administration, or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

CCD has designated the National Student Clearinghouse, the Auraria Police Department, and the Health Center at Auraria as college officials. CCD has also designated the Auraria Higher Education Center (AHEC), Metropolitan State University of Denver (MSU Denver), and the University of Colorado Denver (CU Denver) as college officials for the purpose of gathering and sharing student educational records. A college official (including CCD advisors representing NSLS, PTK and other honorary or leadership programs) has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the college. Upon request, the college discloses education records, without a student’s consent, to officials of another school, in which a student seeks or intends to enroll or after enrollment.

The college may share education records with parents in the following circumstances: for a student who is dependent under I.R.S. tax code; a student under 21 years old who has violated a law or the school’s rules or policies governing alcohol or substance abuse; and when the information is needed to protect the health or safety of the student or other individuals in an emergency.

FERPA Annual Notice to Reflect Possible Federal and State Data Collection and Use

As of January 3, 2012, the U.S. Department of Education’s FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records – including your Social Security Number, grades, or other private information – may be accessed without your consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities (“Federal and State Authorities”) may access your records and PII without your consent to any third party designated by a Federal or State Authority to evaluate a federal- or state-supported education authority (“Federal and State Authorities”) may access your education records, and they may track your participation in education and job training, without a student’s consent, to any third party designated by a Federal or State Authority to evaluate a federal- or state-supported education program. The evaluation may relate to any program that is “principally engaged in the provision of education,” such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may access your education records and PII without your consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive your PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share your PII from your education records, and they may track your participation in education and other programs by linking such PII to other personal information about you that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

The Colorado Community College System considers the following to be directory information and Community College of Denver staff may disclose this information, without prior consent, to anyone inquiring in person, by phone, or in writing: student name; degrees/certificates and awards student has earned; major field of study; dates of student attendance; part-time or full-time enrollment status; most recent educational institution attended by the student; participation in officially recognized activities and sports; if participating in an officially recognized activity or sport, height or weight. Additionally, name, addresses, phone numbers, date and place of birth, level of education, most recently attended college, field of study, and degree(s) received of students may be released to military recruiters upon request in accordance with the Solomon Amendment. All other information contained in student records is considered private and not open to the public without the student’s written consent. Students who do not want their directory/public information released to third parties should complete a form to suppress directory information. The form is available online or at the Admissions, Registration & Records office and must be received by the first day of the semester.

Upon request, the college discloses education records, without a student’s consent, to officials of another school in which a student seeks or intends to enroll.

1. Students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by CCD to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

FAIR AND ACCURATE CREDIT TRANSACTIONS ACT (FACTA)

FACTA Notification to Students

In accordance with the Fair and Accurate Credit Transactions Act (FACTA) of 2003, CCD adheres to the Federal Trade Commission’s (FTC) Red Flag Rule (A Red Flag is any pattern, practice, or specific activity that indicates the possible existence of identity theft), which implements Section 114 of the FACTA and to the Colorado Community College System’s Identity Theft Prevention and Detection Program, which is intended to prevent, detect and mitigate identity theft in connection with establishing new covered accounts or an existing covered account held by the Colorado Community College System (System or CCCS) or one of its thirteen (13) community colleges, and to provide for continued administration of the Program. If a transaction is deemed fraudulent, appropriate action will occur. Action may include, but is not limited to, canceling the transaction, notifying and cooperating with law enforcement, reporting to the Student Code of Conduct Office, and notifying the affected parties. For more information on FACTA, Red Flag Rules, and Identity Theft Consumer Information, please see the links provided below.

Federal Trade Commission Statute:

Red Flag Rules:
http://www.ftc.gov/bcp/edu/microsites/redflagrule/index.shtml

Identity Theft Consumer Information:

ALCOHOL AND DRUG POLICY

By Gubernatorial decree and in compliance with applicable laws, the illegal use of alcohol, other drugs, or controlled substances when on campus is prohibited.

In addition to the policy described above, education, training, and treatment programs are available through the Student Life Programs at each institution and through Auraria Human Resources. The campus may take action when policies on the use, possession, distribution, manufacture, and sale of illegal drugs have been violated. AHEC also cooperates with local, state, and federal authorities in the detection and possession of drug offenses.

Alcohol

AHEC alcohol policies apply to the Auraria Campus and institution-sponsored activities. Administrators, alumni, faculty, guests, staff, and students must adhere to all applicable state and local laws and regulations related to the sale and use of alcoholic beverages. The most common laws related to alcohol use and sales are as follows:

The sale of alcoholic beverages is prohibited except in areas, at times, and on dates licensed by the Colorado State Department of Revenue.

Persons under 21 years of age cannot legally possess or consume alcoholic beverages of any kind. The furnishing of alcoholic beverages to under-aged persons is prohibited.

Alcohol cannot be consumed or carried in open containers on any street, sidewalk, alley, automobile, or public area (except as noted herein).
Serving Alcohol
Those persons or organizations that control the service of alcoholic beverages are responsible for compliance with applicable laws and campus policies. Those policies are:

• Service of alcoholic beverages is planned to stop before the close of the event.
• The burden of proof for showing legal age is on the alcohol consumer.
• No alcohol will be served unless clear evidence of legal age is presented. It is the responsibility of those in charge of an event to ensure that no one who is under age is served or consumes any alcoholic beverages.
• Alcohol may not be consumed or carried in open containers in common areas or “public” areas of any building or grounds except as follows: for group activities or events where a liquor license (if required) has been obtained and the scheduling officer has approved the event.

Illegal Drugs
The policy for Auraria and the institutions prohibit the sale, manufacture, distribution, use or possession of illegal drugs on the Auraria Campus. This policy applies equally to administrators, faculty, staff, and students.

Note: Although possession and use of marijuana consistent with the requirements of the Colorado Constitution is no longer a crime in the State of Colorado, the possession and use of marijuana remains illegal under federal law. Consistent with federal law, including the Controlled Substances Act and the Drug Free Schools and Communities Act, the use and/or possession of marijuana continues to be prohibited while a student is on college-owned or college-controlled property, and/or any function authorized or supervised by the college and/or in state owned or leased vehicles.

Violation of Drug Policy
Sale, distribution, or manufacturing of illegal drugs by a member of the Auraria Campus community will normally result in the administration taking action to curtail the activity. This policy applies within or upon the grounds, buildings, or any other facilities of the campus. Sanctions may be imposed upon individuals found in violation of these policies, as well as violation of laws controlling drugs and alcohol.

More specific and detailed information about Auraria and institutional policies addressing drugs and alcohol concerns can be found in operations manuals, student handbooks, personnel offices or administrative policy information. Faculty, staff and students are encouraged to obtain this information through the Student Life or administrative areas of Community College of Denver, Metropolitan State University of Denver, University of Colorado Denver or the Auraria Higher Education Center Administrative office.

Health Risks of Alcohol and Drug Use

Alcohol Affects the Body
Alcohol is a drug. It is important for students and staff to understand that alcohol abuse impairs judgment and the peripheral and central nervous system. Alcohol affects different people in different ways. Some of the characteristics that determine the way alcohol affects people include:

• Gender
• Mood
• Body Weight
• Type of Alcohol
• Full/Empty Stomach
• Speed of Consumption
• Use of Medication or Other Drugs

For most people, the effects of alcohol are determined by simple volume.

Alcohol Impairment
When a person drinks alcohol, it can enter the bloodstream as soon as they begin to drink. The molecular structure of alcohol (or ethanol) is small, so the alcohol can be absorbed or transferred into the blood through the mouth, the walls of the stomach, and the small intestine.

The stomach has a relatively slow absorption rate; it is the small intestine that absorbs most of the alcohol. It is important to keep the alcohol in the stomach as long as possible by eating food, which dilutes the alcohol and keeps it from entering the small intestine so quickly. Once alcohol gets into the bloodstream it moves through the body and comes into contact with virtually every organ. However, some of the highest concentrations, and the highest impact, are caused by the alcohol that reaches the brain.

The body is quite efficient when it comes to dealing with alcohol. The liver is designed to metabolize the alcohol as it is consumed. Enzymes break down the alcohol into harmless products and then it is excreted. However, the liver can only handle so much alcohol at a time. For a person of average weight and body type, the liver and small intestine can handle alcohol at a rate of about one drink per hour.

If a person drinks at a faster rate than one drink per hour, the alcohol stays in the body, waiting to be metabolized. If there is more alcohol in the body than can be metabolized, the result is increasing levels of intoxication.

Information source: http://www.bacchusnetwork.org

For information regarding the effects of illicit drugs on the body, we recommend: http://www.justice.gov/dea/druginfo/factsheets.shtml

Potential Sanctions for Violations of the Alcohol and Drug Policy
At Community College of Denver, any student who is found to be in violation of the alcohol and/or drug policy will be adjudicated under the Student Code of Conduct: https://www.ccd.edu/administration/non-academic-departments/office-student-conduct/student-code-conduct. If found responsible for a violation, the student may face sanctions which range from warning to expulsion.

Resources for Students and Employees
If a student or employee has questions about alcohol or drug use and is in need of counseling, treatment or rehabilitation programs, information is available through the Auraria Health Center at 303.556.2525.

ELECTRONIC COMMUNICATIONS POLICY
CCD has adopted a policy to guide usage of all forms of electronic communication, including e-mail, Internet services, voice mail, audio and video conferencing, and fax messages that are sent or received by faculty, staff, students, and other authorized users of CCD resources.

In general, CCD provides various forms of electronic communication for teaching, learning and college operations. All records created through the electronic communication equipment CCD provides are the property of the college. People who are authorized to use e-mail and voice mail provided by CCD may make personal use of those media as long as there is no direct cost to the college.

All electronic communication at CCD must meet the standards of conduct, laws, and regulations published in such official CCD, state and federal documents as the CCD catalog, CCD Student Code of Conduct, any CCD faculty handbook and the Colorado State Employees Handbook.

CCD electronic communications may not be used for commercial purposes; to send copies of documents in violation of copyright laws; to transmit information that is restricted by laws or regulations; to intimidate, threaten, or harass other individuals, or to interfere with the ability of others to conduct CCD business; forge communication so it appears to be from someone else; to get unauthorized access to data, files or other communication; to breach security measures to access electronically stored information in any way; sending chain letters or jokes of any nature.

For information about CCD student e-mail accounts please review the Student E-mail on page 45 policy in the CCD Catalog. For more information or directions on how to activate your student e-mail visit https://www.ccd.edu/administration/non-academic-departments/admissions-registration-records/quick-guides-cdconnect. CCD requires that all students learn to use e-mail as it is the official means of communication between the college and students.
LAW ENFORCEMENT AT CCD

Auraria Campus

To report a crime on campus, use one of the emergency telephones located in every classroom building for immediate, direct access. Blue Light emergency telephones located in most parking lots on campus also provide immediate, direct access. Call 911 from any campus phone for emergencies or dial 6-5000 for other police assistance. From off campus telephones, payphones, or cell phones call 303-556-5000.

The Auraria Police Department employs certified police officers who receive their police authority via the provisions of the Colorado Revised Statutes, Title 24, Article 7, Part 1. The Auraria Police Department is authorized to enforce campus rules and regulations as well as Municipal Codes, State Laws and Federal Statutes.

Crimes should be reported to the Auraria Police Department immediately. The department’s services are available 24 hours a day, seven days a week. Priority is given to reports of incidents that threaten the life or safety of people, the security of property, and the peace of the community. Colorado Revised Statutes, 18-8-115, “Duty to Report a Crime,” require all persons who believe a crime has been committed to report the suspected crime promptly to law enforcement authorities.

Victims of stalkers or persons with restraining orders against another party are strongly encouraged to notify the Auraria Police Department of the threat, and to provide the Auraria Police Department with a copy of the restraining order so that police officers have the information on hand.

The Auraria Police Department has the primary responsibility to coordinate locking and unlocking of most campus buildings. Campus Police work closely with Facilities Management to maintain building security and key control. Access to facilities after normal building hours is limited and coordinated with Campus Police. The Auraria Police Department, located in the Administration Building, patrols the Auraria Higher Education Center 24 hours a day. A satellite Auraria Police Department office is located in the Tivoli Student Union.

Center for Health Sciences at Lowry

The Center for Health Sciences at Lowry is monitored by Lowry Campus Security 24 hours a day, seven days a week. Lowry Campus Security personnel are not certified police officers but can make arrests. The Denver Police and Aurora Police departments are the official law enforcement agencies for the Lowry Campus. Both patrol the Lowry Campus frequently. The Center for Health Sciences at Lowry is divided between the City of Denver and the City of Aurora. Different cities have jurisdiction depending on the building where an incident occurs.

Anyone who is a victim of a crime, witnesses a crime, or needs the fire department, law enforcement, or an ambulance while at the Lowry Campus, should contact the Denver metro-area emergency response system by dialing 911 or 303-892-9111 from any telephone, including pay phones. Blue Light emergency telephones are also available in most parking lots on the Lowry Campus.

For non-emergency crimes, contact Aurora Police at 303-627-3100 or Denver Police at 303-913-2000.

In addition, report all crimes and other emergencies to Lowry Campus Security at 303-419-5557 after calling 911. The Director of Lowry Security can be reached at 720-858-2733. The buildings for the Center for Health Sciences at Lowry are open during normal business hours, Monday through Friday, 8 a.m. until 5 p.m. Classroom buildings are open at 7 a.m. and locked as scheduled activities end, which may be as late as 11 p.m. Contact Lowry Campus Security at 303-419-5557 with questions on building access and after hours maintenance.

CCD Manufacturing Center

The property is monitored during regular business hours by CCD Manufacturing Center maintenance staff. College personnel are not certified police officers and cannot make arrests or other legal decisions. The Adams County Sheriff is the official law enforcement agency for the CCD Manufacturing Center location.

Anyone who is a victim of a crime, a witness to a crime, or needs the fire department, law enforcement, or an ambulance while at CCD Manufacturing Center, should contact the Adams County Sheriff’s Department by calling 911 from any telephone, including pay phones. Report crimes and other emergencies immediately to the nearest CCD Manufacturing Center faculty, staff, or administrator.

For non-emergency crimes, contact the Adams County Sheriff’s Department at 720-913-6010.

CCD Manufacturing Center’s maintenance staff has the primary responsibility for opening and closing the location. Buildings are generally open Monday through Thursday from 7:30 a.m. to 9 p.m. and on Fridays from 7:30 a.m. to 5 p.m. Access to CCD Manufacturing Center after regular business hours is limited and coordinated with the location director and the maintenance department or as arranged by individual instructors.

STATUS OF CAMPUS SAFETY

Timely notifications are made to the campus community on crimes that are reported to Auraria Campus Police or local police and may be considered a threat to other students or employees. These notifications are made using one or a combination of the following methods:

- news releases;
- crime advisories;
- making reports available to the media through campus newspaper, radio, and television;
- advertising in campus publications; and
- distributing the above information to campus employees.

The Clery Act requires higher education institutions to give timely warnings of crimes that represent a threat to the safety of students or employees, and to make public their campus security policies. It also requires that crime data is collected, reported, and disseminated to the campus community and also submitted to the Department of Education.

The act is intended to provide students and their families with accurate, complete, and timely information about safety on campus so they can make informed decisions.

The CCD Campus Security and Safety Report is available online at http://www.ahec.edu/for-campus-faculty-staff/auraria-campus-police-department/clery-act/

STUDENT CODE OF CONDUCT

All students must adhere to CCD’s Student Code of Conduct, which is available online at: https://www.ccd.edu/administration/non-academic-departments/office-student-conduct/student-code-conduct

STUDENT EMAIL

CCD provides free student email accounts. CCD email accounts are the only official means of communication between students and the college. CCD expects that students sign in and check their college issued email account on a frequent and consistent basis as students are responsible for all information sent to them via their system-assigned email account.

Student email accounts will remain active throughout students’ college experience at any CCCS institution.

The use of student email is a privilege, not a right; and the System maintains the right to limit access. Email is subject to disclosure to third parties through subpoena or other processes. Refer to the Electronic Communications Policy for more information.

STUDENT GRIEVANCE PROCEDURE

This Student Grievance Procedure is intended to give students an opportunity to present an issue that they feel warrants action, including the right to secure educational benefits and services without regard to sex, race, national origin or ancestry, creed, color, sexual orientation, disability, or age and have the issue considered in a prompt and equitable fashion.

Definitions:
Chief Student Services Officer (CSSO): The college employee designated by the college president to administer student grievances. Grievances alleging discrimination may be referred to Rhonda Pylican, Director of Human Resources, Campus Box 240, P.O. Box 173363, Denver, CO, 80217, Administration Building, Room 310, 303-352-3037, rhonda.pylican@ccd.edu.

Grievance: A grievable offense is any alleged action that violates or ineq-
ultimately applies written college policies or procedures. The Grievant must be personally affected by such violation or inequitable action. A grievance must be brought to the formal stage within 20 calendar days of the date the student knew or reasonably should have known about the action.

Grievant: Enrolled student, client or volunteer who is providing a service to benefit the college under the supervision and control of a college employee. A client or volunteer may only grieve a decision that bans him or her from the campus.

Non-grievable matters: The following matters are not grievable under this procedure except as noted: matters over which the college is without authority to act; grades and other academic decisions unless there is an allegation that the decision was motivated by illegal discrimination; and disciplinary actions taken pursuant to State Board for Community Colleges and Occupational Education (SBCCOE) policy.

Remedy: The relief that the Grievant is requesting.

Respondent(s): Another student, volunteer, client, faculty member and/or administrator identified by the Grievant as causing or contributing to the grievance.

Procedures:

1. Informal. Grievant is encouraged to resolve the issue with the Respondent or his/her supervisor. In case of grievances based upon one’s race, color, creed, national origin or ancestry, disability, age or gender, the Grievant may first contact the college employee responsible for affirmative action to seek informal resolution of the issues. If the complaint alleges facts that might constitute a violation of the Colorado Community College System President’s Procedures concerning sexual harassment, the administrator shall investigate and process the complaint under the procedure. While the Grievant is encouraged to use the informal process, he/she may at any time elect to go to the formal stage by following the process outlined below.

2. Formal.
   a. Grievant, in a timely manner, files a written statement of the actions complained of and describes the remedy he/she is seeking with the Chief Student Services Officer (CSSO). A matter also may be referred to the process by the College president or his/her designee. Once a written grievance is filed or referred, the CSSO or designee will determine whether or not the situation states a grievable offense. The matter will be closed if the situation is determined not grievable and the Grievant will be notified of the reasons.
   b. If the matter is determined to be grievable, the CSSO or designee (which may be an individual or a committee) shall hear the Grievance. A hearing will be held to give the Grievant, Respondent, and other interested parties invited to appear, the opportunity to explain what they know about the issues surrounding the grievance. Considering the oral and written statements and documents, the CSSO or designee shall issue a decision within 10 calendar days of close of the hearing. The decision shall be served upon the Grievant and the Respondent personally or by certified mail to the addresses on file in the Admissions, Registration and Records office. The decisions shall reject the grievance or grant the grievance and make recommendation(s) to resolve the issue(s). The CSSO or designee’s decision is final unless either party files a Petition for Review with the college president within five (5) calendar days of service of the decision.
   c. Upon receipt of a Petition for Review, the college president will review the record and issue a written decision within 10 calendar days of receipt of the Petition for Review. The president’s decision is final.
   d. The CSSO or designee may extend the scheduling timelines described above for good cause.
   e. If the grievance is against the CSSO, the Chief Academic Officer or other person designated by the president shall perform the duties of the CSSO.

Informal Grievance Procedure

This informal grievance procedure must be initiated as soon as possible after the Grievant knows of the matter that gives rise to the grievance.

1. The Grievant shall discuss and attempt to resolve the problem with the Respondent(s). The Grievant shall keep all records relevant to the alleged grievance.
2. If the problem is not mutually resolved at this time, the Grievant shall confer and attempt to resolve the problem with the immediate supervisor(s) and/or the administrator of the respondent(s).
3. If satisfactory resolution is still not achieved, the Grievant must confer and attempt to resolve the problem with the CSSO or designee. Matters involving grade changes or academic appeals should follow the grade appeal process.

Formal Grievance Procedure

1. If the grievance is not resolved by the Informal Grievance Procedure or if the student wishes to bypass that course of action and is not limited to a change of grade, the student has the right to file a written grievance with the CSSO. The filing must occur within 20 calendar days of the date the student knew or reasonably should have known about the action. This written allegation should document all steps taken to resolve the complaint. If the CSSO determines that the allegation is grievable, a copy of the written grievance must be mailed or hand-delivered to the Respondent(s) by the CSSO within five (5) working days of the filing of the formal grievance.
2. Upon receipt of the notice of a grievable offense, the CSSO will establish a Grievance Committee within 10 working days. The time may be increased if the notice is given during a school break or during a semester change. The CSSO is responsible for keeping all records pertaining to grievances. If the grievance is against the CSSO, the Chief Academic Officer or other person designated by the president shall perform the duties of the CSSO.
3. If the matter is determined to be grievable, the CSSO or designee shall hear the Grievance.
4. The CSSO or designee (which may be an individual or committee) will convene the hearing, set the date of the meeting and notify all involved persons. If a committee is convened, the CSSO will be responsible for informing the Grievance Committee of its role and responsibilities. A record of the proceedings and recommendations will be made and retained by the CSSO.
5. All hearings will be closed unless both the grievant and respondent agree in writing to an open hearing. At the request of the Grievant or respondent, interested parties may be included subject to the approval of the CSSO. In the case of sexual harassment grievances, the procedure will assure confidentiality to the extent possible for Grievant and witnesses.
6. If either the Grievant or Respondent fails to appear at the hearing, the committee may proceed and determine its resolution of the problem in the person’s absence.
7. The Grievance Committee’s decision will be based on the greater relevant evidence.
8. The Committee will deliver a copy of its recommendation to the CSSO within three (3) working days following the conclusion of the hearing.
9. The CSSO will render a decision regarding the recommendation within 10 working days, and both parties must notified in writing of the decision.
10. The Grievant may withdraw the grievance in writing at any point in the proceedings.
11. The CSSO may grant an extension of the time limits for reasonable cause. This extension must be documented and is not automatic. The decision to grant an extension must be written and communicated to all concerned parties.
12. Within five (5) working days of the committee’s decision, either party may file a petition for review with the college president. The president’s decision is final.
13. This policy is being implemented in accordance with the SBCCOE policy and the due process.

In the event that two individuals or groups of individuals from different Auraria Campus institutions are involved in a grievance, the procedures normally followed by the institution whose constituent is being charged with the grievance would apply. The CSSO from the other institution
involved will be informed of the filing of the grievance and the outcome of the grievance procedure.

**STUDENT RIGHT TO KNOW AND CAMPUS SECURITY ACT**

This report was prepared by the Auraria Higher Education Center (AHEC) Campus Police Department and Community College of Denver Dean of Students to comply with Federal Law No.101-542, the Student Right-to-Know and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1999 (formerly the Campus Security Act of 1990).

For a paper copy of this report, contact the Associate Dean of Student Life/Student Conduct Officer at 303-556-8164. The report describes security practices and procedures at the Auraria Higher Education Center and other Community College of Denver Satellite Locations, and lists crime statistics for the most recent calendar year and the two preceding calendar years. Since 1992, these institutions have been required to report each year on the status of campus security to all current students and employees.

The Report can be found at: http://www.ahec.edu/for-campus-faculty-staff/auraria-campus-police-department/clery-act/.

**Academic Freedom**

CCD believes that education should help students function well in a dynamic society. To do so, students must gain knowledge and cultivate critical thinking skills. CCD faculty believes that no restrictions should hamper the spirit of investigation, free inquiry, and open discussion in the classroom. Faculty exercises professional judgment in selecting and interpreting ideas. They have the freedom to choose the methods of instruction, guidance, tutoring, testing, and evaluation to achieve these goals.

**Campus Crime Information**

The college provides to all prospective students and CCD employees the Campus Security Policies and Procedures and the most recent campus crime statistics. This is part of the Federal Law No.101-542, the Student Right-to-Know, and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1999 (formerly the Campus Security Act of 1990).

The Clery Report can be viewed at: http://www.ahec.edu/for-campus-faculty-staff/auraria-campus-police-department/clery-act/.

**Statement Regarding Registered Sex Offenders**

Colorado Revised Statutes requires that “each institution of post-secondary education in the state shall provide a statement to its campus community identifying the name and location at which members of the community may obtain the law enforcement agency information collected pursuant to 19-3-412(6.3), C.R.S., concerning registered sex offenders.”

Information concerning persons who are required by Colorado law to register as sex offenders, including registered sex offenders who are enrolled, employed, or volunteering at CCD, may be obtained from the Denver Police Department, 1331 Cherokee St. (720-913-2000) or the Auraria Campus Police (303-556-3271).

**CCD Sexual Misconduct Policies**

Board Policy (BP) 3-120 and System President’s Procedure (SP) 4-120 provide that Colorado Community College System shall not unlawfully discriminate based on sex/gender in its employment conditions or educational programs or activities. Sexual misconduct is a form of sex/gender discrimination.

The CCD community has the right to be free from sexual violence. All members of the CCD community are expected to conduct themselves in a manner that does not infringe upon the rights of others. Information from College Procedure HR-9, Sexual Misconduct, is provided below and a link to the procedure is available at https://www.ccd.edu/files/hrcdsexualmisconduct2012.pdf.

Sexual Misconduct offenses include, but are not limited to:

- Sexual Harassment
- Non-Consensual Sexual Contact (or attempts to commit same)
- Non-Consensual Sexual Intercourse (or attempts to commit same)
- Sexual Exploitation
- Sexual Harassment
- Sexual Exploitation
- Sexual exploitation occurs when anyone takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of other sexual misconduct offenses.

- Examples of sexual exploitation include, but are not limited to, invasion of sexual privacy, non-consensual video or audio-taping of sexual activity, or viewing or possessing child or adult pornography at work or on college owned property.

CCD can only respond to allegations of misconduct if it is aware of the misconduct. Further, CCD can more effectively investigate the sooner the allegation is brought to its attention. Any employee, student, autho-
rized volunteer, guest, or visitor who believes that he or she has been subjected to sexual misconduct, or believes someone else a part of the
CCD community is being subjected to sexual misconduct, shall contact
Title IX/EO Coordinator Rhonda Pylican, Director of Human Resources,
Campus Box 240, PO Box 173363, Administration Building, Room 310,
(303) 352-3037, rhonda.pylican@ccd.edu.

CCD reserves the right to take whatever measures it deems neces-
sary in response to an allegation of sexual misconduct in order to protect
employee and students’ rights and personal safety. For students, such
measures include, but are not limited to: modification of living arrange-
ments, class schedule reassignment, interim suspension from the Col-
lege pending an investigation, and reporting the matter to the Auraria
Campus Police.

Not all forms of sexual misconduct will be deemed to be equally serious
offenses, and CCD reserves the right to impose different sanctions, rang-
ing from verbal warning to expulsion, dismissal, termination, or no-tres-
pass order, depending on the severity of the offense. CCD will consider
the concerns and rights of both the complainant and the respondent.

Auraria Campus Sexual Assault Policy
Statement of Purpose — This Policy was developed collaboratively
by the Auraria Higher Education Center (“Center”) and its constituent
institutions — Community College of Denver, Metropolitan State
University of Denver, and University of Colorado Denver — for the
purpose of implementing provisions of the Jeanne Clery Disclosure
of Campus Security Policy and Campus Crime Statistics Act, 20
U.C.S. § 1092(f), relating to the response of the Auraria Campus
Police Department and the constituent institutions to students who
are victims of sexual assault. The Auraria Campus is committed to
responding appropriately to all reports of sexual assaults and to working
collaboratively with other law enforcement and government and
community agencies.

In the development of this Policy, the Auraria Campus also collabo-
rated with the Sexual Assault Interagency Council and adhered to the
spirit of the Denver Sexual Assault Response Protocol, which was signed
by the chief executives of the constituent institutions on November 7,
2005. This Protocol is available online at http://www.denversaic.org.

Policy Statement — The Center and its constituent institutions
prohibit sexual assault, attempted sexual assault, and other sexual
offenses on property owned or controlled by the Center or its constituent
institutions, at institutionally-sponsored or supervised activities, or
at functions of recognized student organizations. The Federal Bureau
of Investigation’s National Incident Based Reporting System of the
Uniform Crime Report defines a sex offense in general as “any sexual
act directed against another person, forcibly and/or against the person’s
will; or not forcibly or against the person’s will where the victim is
incapable of giving consent.”

Support for Victims — Students who are victims of sexual offenses
have access to various confidential counseling options with staff that are
specifically trained in the area of sexual offenses and crisis intervention.
Victims of sexual offenses can be seen confidentially through the Health
Center at Auraria. During regular business hours, victims should call the
Health Center at 303-556-2525 for immediate care or an appointment.
After hours, victims should seek immediate assistance from Denver
Health Medical Center at 8th and Bannock in Denver. For additional
resources, see below.

VOTER REGISTRATION INFORMATION
Community College of Denver supports the National Voter Registration
Act by providing students access to voter registration information. The
State of Colorado – Voter Registration Application Form is available at
www.elections .colorado .gov or at the local County Clerk and Recorder’s
office. Students with disabilities can access the Voter Registration Ap-
lication in the Accessibility Center.

** Denotes a “Degree with Designation” (DWD) that has a Statewide Transfer Degree Plan or a Statewide Transfer Articulation Program in place and is fully transferable in its entirety into any Colorado public four-year program. DWDs are awarded with a specific program designation major on the transcript. See a Program Advisor for more information.

An AA or AS degree, awarded without a specific program designation, is transferable in part or whole. See a Program Advisor for more information.

Capstone Courses: These courses, usually taken during students’ final semester at CCD, review and assess the skills students have learned in the program of study. All courses identified as capstone courses require a grade of C or better for graduation. Capstone courses must be taken at CCD.

Core Curriculum: These courses fulfill lower-division general education requirements as defined and agreed on between the State Board for Community Colleges and Occupational Education and the governing boards of all public four-year institutions in Colorado.

Corequisite: When a course has a corequisite, it means that students are required to take another course concurrent with (or prior to) enrollment in the course. Knowing the information presented in the corequisite course is considered necessary in order for students to be successful in the course. It is the student’s obligation to know and meet corequisite sites. These are stated in the course description section of the CCD catalog and the Schedule of Classes. Corequisites will be checked at registration. The student may be required to file proof of meeting corequisites.

Course Number: A three-digit number is assigned to all college courses. Courses listed in the 100s are designated for freshman level; 200s are intended for sophomore level. Courses numbered below 100 are developmental and generally cannot be used towards degree or certificate requirements and are not transferable to four-year institutions.

Credit Hour: This is the basic unit of academic credit. Generally, one credit hour is earned by attending a lecture class for a 50-minute period, once a week, for a full semester. In a laboratory course, one-credit hour is granted for two to three 50-minute periods per week in the laboratory.

An associate’s degree requires a minimum of 60 credits. Credit hours in parentheses, ex. (3), are options from which students may choose. They are not included in the total credit hours required for the program or plan of study. An average, full-time student course load is 15 credit hours.

Credit Hours in Parentheses: For each academic program listed in this catalog, credit hours for some classes are in parentheses. These classes are optional and students may choose to take one or more to fulfill the program requirements. Students should always review their choices with their Program Advisor.

General Education: General education is the liberal arts component of a baccalaureate degree that may include lower- and upper-division courses as defined by each institution.

Guaranteed Transfer Courses (GT): Some of the classes students take at CCD are guaranteed to transfer to any public college or university in the state and count toward a four-year degree as though the class was taken at that institution. In the Course Description section of the catalog, those Guaranteed Transfer Courses include a code such as "GT-SCI" which indicates that the class is guaranteed to transfer as a science credit.

Major: The field of academic study in which a student specializes. The selected major will determine which courses are required for a student’s program of study.

Plan of Study: A Plan of Study consists of at least 4 courses from the same or a related subject area (course prefix). The plan of study will not appear on students’ diplomas or transcripts.

Prefix: Each course has a three-letter code designating the instructional department or division. For example, ENG is the prefix for English courses.

Prerequisite: When a course has a prerequisite, it means that a student must have certain knowledge to be successful in the course. The prior knowledge may be demonstrated by a test score or successful completion of a prior course (ex. must have completed ENG 121 with a grade of C or better). Completion of the prerequisite is required prior to enrolling in the course, and U/D, U/F, D, F, or 1 grades are not acceptable. It is the student’s obligation to know and meet course prerequisites. These are stated in the course description section of the CCD catalog and the Schedule of Classes. Prerequisites will be checked at registration. The student may be required to file proof of meeting prerequisites.

Note: Students who have taken prerequisite courses longer than seven years ago are strongly encouraged to take an assessment test over the prerequisite material to ensure adequate prior knowledge to be successful in future courses. The outcome of the assessment test will help determine whether the prerequisite course needs to be retaken. The assessment test is available in the CCD Testing Center.

For Health Science degrees, because of program accreditation requirements, students must have completed all science courses with the previous seven years before the first day of class in a health program.

Section Number: A three-digit number or letter combination is assigned to all college courses. The section number is found immediately following the course number (ex. ENG 121-111 = Section 111 of English Composition I). This number is not indicative of the number of sections offered at CCD.
DEGREES WITH DESIGNATION / STATEWIDE TRANSFER ARTICULATION PROGRAMS

Community College of Denver students who follow the prescribed program in the following areas will be able to transfer their degrees or programs and enroll as juniors in any Colorado public four-year program: Anthropology, Business, Communication, Criminal Justice, Economics, Geology, History, Mathematics, Philosophy, Political Science, Psychology (both AA and AS), Sociology, and Spanish. All courses must be completed with a grade of C or better. Course substitutions are not permitted with any Statewide Transfer Articulation Plan.

NOTE: Students who have taken prerequisite courses longer than seven years ago are strongly encouraged to take an assessment test over the prerequisite material to ensure adequate prior knowledge to be successful in future courses. The outcome of the assessment test will help the student determine whether or not he or she needs to re-take the prerequisite course. The assessment test is available in the CCD Testing Center.

For Health Science degrees, because of program accreditation requirements, students must have completed all science courses within the previous seven years before the first day of class in a health program.

If, because course substitutions are not permitted, a student is not able to complete this Statewide Transfer Degree plan, the student should see a Program Advisor for guidance.

**Associate of Arts Degree – Criminal Justice Designation**

**General Education Course Requirements:** 33

**Communication**

- ENG 121 English Composition I: GT-CO1 3
- ENG 122 English Composition II: GT-CO2 3
- OR
- ENG 122 English Composition II: GT-CO2 (3)
  AND
  a GT-CO3 course GT-CO3

**Mathematics**

- MAT 121 College Algebra: GT-MA1 4

**Arts & Humanities**

- Two guaranteed transfer Arts & Humanities courses from two different categories. (GT-AH1, GT-AH2, GT-AH3, GT-AH4)

**History**

- One guaranteed transfer History course GT-HI1

**Social & Behavioral Sciences**

- SOC 101 Introduction to Sociology I: GT-SS3 3
  AND
  a GT-SS3 course GT-SS3 3

**Natural & Physical Sciences**

- Two guaranteed transfer Natural & Physical Sciences courses – one course must be lab-based (GT-SC1)
  (GT-SC1, GT-SC2)

**Additional Required Courses**

- COM 115 Public Speaking 3
- OR
- COM 125 Interpersonal Communication (3)

**Choose two courses from the following:**

- CRJ 100 Introduction to Criminal Justice: GT-SS3 3
- CRJ 125 Policing Systems
- CRJ 145 Correctional Process 3

**Choose three courses from the following:**

- AN 201 Introduction to Forensic Anthropology: GT-SS3 (3)
- CNG 258* Computer Forensics (*not available at CCD) (3)
- COM 217 Group Communication (3)
- COM 225 Organizational Communication (3)
- POS 111 American Government: GT-SS1 (3)
- POS 125 American State and Local Government GT-SS1 (3)
- PSY 207 Introduction to Forensic Psychology (3)
- PSY 217 Human Sexuality: GT-SS3 (3)
- PSY 226 Social Psychology: GT-SS3 (3)
- PSY 249 Abnormal Psychology: GT-SS3 (3)
- SOC 231 The Sociology of Deviant Behavior: GT-SS3 (3)

**Total** 60

**Associate of Arts Degree – Economics Designation**

**General Education Course Requirements:** 40

**Communication**

- ENG 121 English Composition I: GT-CO1 3
- ENG 122 English Composition II: GT-CO2 3
- OR
- ENG 122 English Composition II: GT-CO2 (3)
  AND
  a GT-CO3 course GT-CO3

**Mathematics**

- MAT 201 Calculus I: GT-MA1 5

**Arts & Humanities**

- Three guaranteed transfer Arts & Humanities courses
  (GT-AH1, GT-AH2, GT-AH3, GT-AH4)

**History**

- One guaranteed transfer History course GT-HI1

**Social & Behavioral Sciences**

- ECO 201 Principles of Macroeconomics: GT-SS1 3
- ECO 202 Principles of Microeconomics: GT-SS1 3

**Natural & Physical Sciences**

- Two guaranteed transfer Natural & Physical Sciences courses
  (GT-SC1, GT-SC2)

**Additional Required Courses**

- MAT 135 Introduction to Statistics: GT-MA1 3
### Degrees & Certificates

**Electives** 20

In addition to meeting the requirements listed here, contact the department at the school to which you want to transfer for program-specific information.

If these credits are not required for the major at the receiving 4-year institution, they will be applied to the Bachelor’s degree as elective credit towards graduation. Please check with the receiving institution to determine in which way these courses will be applied.

**NOTE:** Course substitutions are not permitted for any statewide Transfer Degree program.

If, because course substitutions are not permitted, a student is not able to complete this Statewide Transfer Degree plan, the student should see a Program Advisor for guidance.

ARTICULATION AGREEMENTS

Early Childhood Teacher Education Transfer Agreement

The following courses represent the statewide transfer agreement between the Colorado Community College System and all Colorado four-year institutions offering Early Childhood Teacher Education preparation programs. The first 54 credit hours are common for all transfer institutions. The final 6 elective credits must be determined with the assistance of an advisor as they are specific to the receiving institution. The four year college or university will accept all credits in the student’s early childhood education graduation agreement earned within ten years of transfer. Courses earned more than ten years earlier will be evaluated on an individual basis. All interested students should meet with a Program Advisor to select appropriate electives.

### Associate of Arts Degree & Plans of Study

**University Parallel, Transfer Program**

An Associate of Arts (AA) degree provides a learning foundation in communications, social sciences, arts, and humanities. Some students work toward the AA degree for purposes of personal enrichment. Many others plan to transfer to four-year colleges and universities to continue their work toward baccalaureate degrees and pre-professional training in such fields as law, business, education, the arts, and social sciences. A student can complete this program in four semesters, going full-time and carrying the required number of hours. A student may choose, due to personal circumstances, to extend the amount of time for completion. The AA degree may transfer into liberal arts programs in most public baccalaureate colleges and universities in Colorado. Students graduating with the AA degree must meet the lower-division general education requirements of all public baccalaureate colleges and universities in Colorado. Students graduating with the AA degree may transfer into liberal arts programs in most public baccalaureate colleges and universities with junior standing. Courses to be counted toward the general education core curriculum must be completed with a grade of C or better. Students planning to transfer should familiarize themselves with the full requirements of the school to which they plan to transfer and should consult with their Program Advisor.

**Student Performance Objectives for Transfer Education**

**Community College of Denver’s Institutional Outcomes**

- A CCD graduate is a **Complex Thinker**
- A CCD graduate is a **Effective And Ethical User of Technology**
- A CCD graduate is an **Effective Communicator**
- A CCD graduate is **Globally Aware**
- A CCD graduate is **Personally Responsible**
- A CCD graduate is a **Numeric Thinker**
AA Degree Program Requirements

Within the AA degree, the college offers plans of study in the following areas: Art, Behavioral Sciences, English/Journalism, English/Writing, Graphic Design, Music Industry Studies/Music Business/Recording Arts, Music Performance, Theatre, and World Languages. The same course may not count toward both the general education requirements and the area of study. A plan of study consists of at least four identified courses in one academic area. If students do not select a plan of study or have fewer than 60 credit hours with their core courses and plan of study, they should take transfer electives (GT Pathways) as needed to complete the 60 credit hours required for the AA degree. Up to 4 credits of physical education may apply to this degree. All courses must be completed with a grade of C or better. All graduates of the AA degree must meet the program requirements listed in the Associate of Arts Degree Plan below.

NOTE: Students who have taken prerequisite courses longer than seven years ago are strongly encouraged to take an assessment test over the prerequisite material to ensure adequate prior knowledge to be successful in future courses. The outcome of the assessment test will help determine if the prerequisite course needs to be retaken. The assessment test is available in the CCD Testing Center.

For Health Science degrees, because of program accreditation requirements, students must have completed all science courses within the previous seven years before the first day of class in a health program.

Associate of Arts Degree Plan

Required Courses That Fulfill General Education Requirements: 37

Written Communication 6

ENG 121 English Composition I: GT-CO1 3
AND
ENG 122 English Composition II: GT-CO2 3
OR
ENG 122 English Composition II: GT-CO2 (3)
AND
a GT-CO3 course GT-CO3

Oral Communication 3

COM 115 Public Speaking 3
OR
COM 125 Interpersonal Communication (3)
OR
COM 220 Intercultural Communication: GT-SS3 (3)

Mathematics 3

MAT 120 or any guaranteed transfer Math course (GT-MA1)

Arts & Humanities 6

Six credits of guaranteed transfer Arts & Humanities courses from two different areas (GT-AH1, GT-AH2, GT-AH3, GT-AH4)

Arts & Expression GT-AH1
Literature & Humanities GT-AH2
Ways of Thinking GT-AH3
Foreign Language GT-AH4

Social & Behavioral Sciences 6

Six credits of guaranteed transfer Social and Behavioral Sciences courses from two different areas (GT-SS1, GT-SS2, GT-SS3)

Economic or Political Systems GT-SS1
Geography GT-SS2
Human Behavior, Culture or Social Frameworks GT-SS3

History 3

Three credits of guaranteed transfer History courses (GT-HI1)

History GT-HI1

Three credits of guaranteed transfer of the student’s choosing from any courses in the listed areas:

GT-AH1, GT-AH2, GT-AH3, GT-AH4, GT-SS1, GT-SS2, GT-SS3, GT-HI1

Natural & Physical Sciences 7

Two guaranteed transfer Natural & Physical Sciences courses including at least one lab course GT-SC1/GT-SC2

Electives 23

NOTE: Not all courses listed below are available at CCD.

AA Degree Subject Area Plans of Study (Recommended)

A Plan of Study consists of at least 4 courses from the same or a related subject area (course prefix). Students should confer with a Program Advisor in the areas of study in order to determine whether or not courses will transfer. The area of study will not appear on students’ transcripts or degrees. More options are listed here than a student might need for an AA degree. Students should see a Program Advisor to properly select courses.

ART – VISUAL ARTS PLAN OF STUDY

ASSOCIATE OF SCIENCE (AS) DEGREE & PLANS OF STUDY
University Parallel, Transfer Program
The AS degree provides a learning foundation in mathematics and the sciences. Although some students work toward the AS degree for personal enrichment, many plan to transfer to four-year colleges and universities to continue work toward a baccalaureate degree and professional training in such fields as engineering, medicine, mathematics, biology, chemistry, and physics. A student can complete this program in four semesters, going full-time and carrying the required number of hours. A student may choose, due to personal circumstances, to extend the amount of time for completion.

The AS degree is sometimes referred to as a “university parallel” or “transfer” degree. The general education core requirements, when completed at CCD, meet the lower-division general education requirements of all public baccalaureate colleges and universities in the state of Colorado. Students graduating with the AS degree may transfer into liberal arts or sciences programs in all public baccalaureate colleges and universities with junior standing. All courses must be completed with a grade of C or better. Students planning to transfer should familiarize themselves with the full requirements of the school they plan to attend. Many of these guides are available in the Transfer Success Center. Students should also check the website of their transfer school as well for the most recent information.

Student Performance Objectives for Transfer Education (AS Degree)
• A CCD graduate is a Complex Thinker
• A CCD graduate is an Effective And Ethical User of Technology
• A CCD graduate is an Effective Communicator
• A CCD graduate is Globally Aware
• A CCD graduate is Personally Responsible
• A CCD graduate is a Numeric Thinker
**AS Degree Program Requirements**

Within the AS degree, the college offers the following plans of study: Biology, Chemistry, Environmental Science, Physics, Pre-Computer Science, Pre-Dentistry, Pre-Engineering, Pre-Medical, Pre-Nursing, Pre-Nutrition, Pre-Pharmacy, Pre-Physical Therapy, Pre-Physician’s Assistant, and Pre-Veterinary Science. The general AS degree plan can be tailored to meet other areas of study. An associate’s degree can be earned without completing a study area. Students must complete a total of 60 credit hours for the associate’s degree. Of the 60 hours, 24 credit hours may come from courses within a study area. The same course cannot count toward both a general education and an area of study. Requirements in four-year or professional programs sometimes change yearly. Students should meet regularly with their Program Advisor to ensure satisfactory progress is being made toward completion of the AS degree and transferability of credit to a four-year institution or professional program.

**NOTE:** Students who have taken prerequisite courses longer than seven years ago are strongly encouraged to take an assessment test over the prerequisite material to ensure adequate prior knowledge to be successful in future courses. The outcome of the assessment test will help the student determine whether or not he or she needs to re-take the prerequisite course. The assessment test is available in the CCD Testing Center.

For Health Science degrees, because of program accreditation requirements, students must have completed all science courses within the previous seven years before the first day of class in a health program.

### Associate of Science Degree Plan

**Required Courses That Fulfill General Education Requirements:** 39

#### Written Communication

**6**

- ENG 121 English Composition I: GT-CO1 3
- AND
- ENG 122 English Composition II: GT-CO2 3
- OR
- ENG 122 English Composition II: GT-CO2 (3)
- AND
- a GT-CO3 course GT-CO3

#### Oral Communication

**3**

- COM 115 Public Speaking 3
- OR
- COM 125 Interpersonal Communication (3)
- OR
- COM 220 Intercultural Communication: GT-SS3 (3)

#### Mathematics

**3**

- MAT 121 College Algebra: GT-MA1 4
- OR
- MAT 122 College Trigonometry: GT-MA1 (3)
- OR
- MAT 166 Pre-Calculus: GT-MA1 (5)
- OR
- MAT 201 Calculus I: or higher GT-MA1 (5)

#### Arts & Humanities

**6**

Two guaranteed transfer Arts & Humanities courses from two different areas (GT-AH1, GT-AH2, GT-AH3, GT-AH4)

- Arts & Expression GT-AH1
- Literature & Humanities GT-AH2
- Ways of Thinking GT-AH3
- Foreign Language GT-AH4

#### History

**3**

One guaranteed transfer History course GT-HI1

#### Social & Behavioral Sciences

**6**

Two guaranteed transfer Social & Behavioral courses from two different areas (GT-HI1, GT-SS1, GT-SS2, GT-SS3)

- History GT-HI1
- Economic or Political Systems GT-SS1
- Geography GT-SS2
- Human Behavior, Culture or Social Frameworks GT-SS3

#### Natural & Physical Sciences

**12**

One 2-lab course sequence in any guaranteed transfer science discipline (GT-SC1) and additional guaranteed transfer lab science course(s) GT-SC1. (For example: BIO 111 and BIO 112 are a 2-lab sequence. BIO 111 and BIO 201 are NOT a sequence. A third lab science course is required. Extra credits would apply toward electives.)

#### Electives

**21**

**NOTE:** Not all courses listed below are available at CCD.

- ANT – all courses
- ARA – all courses 111 and higher
- ART – all courses
- ASL – all courses
- AST – all courses
- BIO – all courses 111 and higher
- CHE – all courses 111 and higher
- CHI – all courses 111 and higher
- CIS 118
- COM – all courses
- CSC 160, 161
- DAN, HPE & PED – all courses (up to 4 credits total)
- ECO – all courses
- EDUC 221
- ENG – all courses 121 and higher
- ENV 101
- FRE – all courses 111 and higher
- GEO – all courses
- GER – all courses 111 and higher
- GEY – all courses
- HIS – all courses
- HUM – all courses
- HWE 100
- ITA – all courses 111 and higher
- JOU – all courses
- JPN – all courses 111 and higher
- LIT – all courses
- MAT – all courses 111 and higher
- MUS – all courses
- PHI – all courses
- PHY – all courses 111 and higher
- POS – all courses
- PSY – all courses
- SOC – all courses
- SPA – all courses 111 and higher
- THE – all courses
- WST – all courses

**Total** 60

### AS Degree Subject Area Plans of Study (Recommended)

A Plan of Study consists of at least 4 courses from the same or a related subject area (course prefix). Students should meet with a Program Advisor in the area of study in order to determine whether or not courses will transfer. The area of study will not appear on students’ transcripts or degrees. More options are listed here than a student might need for an AS degree. Students should see a Program Advisor to properly select courses.

- PHY 112 Physics: Calculus-Based II with Lab: GT-SC1 5
- PHY 211 Physics: Calculus-Based I with Lab: GT-SC1 5
- PHY 212 Physics: Calculus-Based II with Lab: GT-SC1 5

*Check with four-year school for transferability.

**PHYSICS PLAN OF STUDY**

- CHE 111 General College Chemistry I with Lab: GT-SC1 5
- CHE 112 General College Chemistry II with Lab: GT-SC1 5
- MAT 122 College Trigonometry: GT-MA1 3
- MAT 201 Calculus I: GT-MA1 5
- MAT 202 Calculus II: GT-MA1 5
- MAT 204 Calculus III with Engineering Applications: GT-MA1 5
- CHE 111 General College Chemistry I with Lab: GT-SC1 5
- CHE 112 General College Chemistry II with Lab: GT-SC1 5
- BIO 111 General College Biology I with Lab: GT-SC1 5
- BIO 112 General College Biology II with Lab: GT-SC1 5
- HWE 100 Human Nutrition: 3
- MAT 135 Introduction to Statistics: GT-MA1 3
- PHY 111 Physics: Calculus-Based I with Lab: GT-SC1 5
- PHY 112 Physics: Calculus-Based II with Lab: GT-SC1 5

*Check with four-year school for transferability.

**PRE-MEDICAL PLAN OF STUDY**

- BIO 111 General College Biology I with Lab: GT-SC1 5
- BIO 112 General College Biology II with Lab: GT-SC1 5
- CHE 111 General College Chemistry I with Lab: GT-SC1 5
- CHE 112 General College Chemistry II with Lab: GT-SC1 5
- MAT 201 Calculus I: GT-MA1 5
- MAT 202 Calculus II: GT-MA1 5
- PHY 111 Physics: Calculus-Based I with Lab: GT-SC1 5
- PHY 112 Physics: Calculus-Based II with Lab: GT-SC1 5

*Check with four-year school for transferability.

**PRE-NURSING PLAN OF STUDY**

- BIO 111 General College Biology I with Lab: GT-SC1 5
- BIO 201 Human Anatomy and Physiology I with Lab: GT-SC1 4
- CHE 111 General College Chemistry I with Lab: GT-SC1 5
- HWE 100 Human Nutrition: 3
- MAT 135 Introduction to Statistics: GT-MA1 3
- PHY 111 Physics: Calculus-Based I with Lab: GT-SC1 5
- PHY 112 Physics: Calculus-Based II with Lab: GT-SC1 5

Students should check with the program they are interested in attending for additional requirements.

**PRE-NUTRITION PLAN OF STUDY**

- BIO 111 General College Biology I with Lab: GT-SC1 5
- BIO 201 Human Anatomy and Physiology I with Lab: GT-SC1 4
- CHE 111 General College Chemistry I with Lab: GT-SC1 5
- HWE 100 Human Nutrition: 3
- MAT 135 Introduction to Statistics: GT-MA1 3

Choose either:
- SOC 101 Introduction to Sociology I: GT-SS3 3
- ECO 201 Principles of Macroeconomics: GT-SS1 3

OR
- ANT 101 Cultural Anthropology: GT-SS3 3
- ECO 201 Principles of Macroeconomics: GT-SS1 3

Recommended Elective:
- HPR 178 Medical Terminology 1-4

**PRE-PHARMACY PLAN OF STUDY**

- BIO 111 General College Biology I with Lab: GT-SC1 5
- BIO 112 General College Biology II with Lab: GT-SC1 5
- HWE 100 Human Nutrition: 3
- PHY 111 Physics: Calculus-Based I with Lab: GT-SC1 5
- PHY 112 Physics: Calculus-Based II with Lab: GT-SC1 5
- ANT 101 Cultural Anthropology: GT-SS3 3
- ECO 201 Principles of Microeconomics: GT-SS1 3
- MAT 122 College Trigonometry: GT-MA1 3
- PHY 111 Physics: Calculus-Based I with Lab: GT-SC1 5

**PRE-ENGINEERING PLAN OF STUDY**

- CHE 111 General College Chemistry I with Lab: GT-SC1 5
- CHE 112 General College Chemistry II with Lab: GT-SC1 5
- ECO 201 Principles of Macroeconomics: GT-SS1 3
- MAT 122 College Trigonometry: GT-MA1 3
- MAT 201 Calculus I: GT-MA1 5
- MAT 202 Calculus II: GT-MA1 5
- MAT 204 Calculus III with Engineering Applications: GT-MA1 5

**PRE-PHYSICAL THERAPY PLAN OF STUDY**

- BIO 111 General College Biology I with Lab: GT-SC1 5
- BIO 112 General College Biology II with Lab: GT-SC1 5
- CHE 111 General College Chemistry I with Lab: GT-SC1 5
- CHE 112 General College Chemistry II with Lab: GT-SC1 5

*Check with four-year school for transferability.
A CCD graduate is a NUMERIC THINKER who demonstrates basic skills in mathematics and the ability to acquire and evaluate data.

A CCD graduate is GLOBALLY AWARE and demonstrates the ability to negotiate, value and serve, and work well with and for people from diverse cultures.

A CCD graduate is an EFFECTIVE & ETHICAL USER OF TECHNOLOGY who demonstrates basic computer skills and has the ability to use computers to process information; can select equipment and apply technology to specific tasks; understands technological systems, can monitor and correct technical performance, and design or improve technical systems.

A CCD graduate is an EFFECTIVE COMMUNICATOR who demonstrates basic skills in reading, writing, speaking and listening appropriate to the profession.

A CCD graduate is GLOBALLY AWARE and demonstrates the ability to work on teams and with people, teach others, serve customers, lead, negotiate, value and serve, and work well with and for people from diverse cultures.

A CCD graduate is PERSONALLY RESPONSIBLE and demonstrates responsibility, self-management, integrity, and personal, professional and social ethics.

A CCD graduate is a NUMERIC THINKER who demonstrates basic skills in mathematics and the ability to acquire and evaluate data.

ASSOCIATE OF APPLIED SCIENCE DEGREE (AAS)

All occupational degrees are approved by the State Board for Community College and Occupational Education and have a minimum of 60 credits. The AAS degree prepares students for entry-level employment in a given occupation or upgrades employable skills. While not intended for transfer to a baccalaureate degree program, all AAS degrees have limited transferability.

In each AAS program, some of the courses are articulated with and accepted by at least one specific baccalaureate program. Talk with a Program Advisor for specific details.

Student Performance Objectives for Career and Technical Education (CTE) AAS Degree and Certificate Programs

- A CCD graduate is a COMPLEX THINKER who has the ability to learn, reason, make decisions and solve problems; has the ability to organize and maintain files; has the ability to allocate resources—time, money, materials, space and staff; understands organizational and social systems, can monitor and correct performance, and design or improve systems.
- A CCD graduate is an EFFECTIVE & ETHICAL USER OF TECHNOLOGY who demonstrates basic computer skills and has the ability to use computers to process information; can select equipment and apply technology to specific tasks; understands technological systems, can monitor and correct technical performance, and design or improve technical systems.
- A CCD graduate is an EFFECTIVE COMMUNICATOR who demonstrates basic skills in reading, writing, speaking and listening appropriate to the profession.

ACCOUNTING

Associate of Applied Science Degree in Accounting

The Accounting AAS Degree program provides a solid foundation of general education and occupational courses for students interested in working in the accounting field. Students are prepared for entry-level jobs such as accounting technician, accounts payable or receivable clerk, payroll clerk, bookkeeper, tax preparer, and other related jobs in both the public and private sector. Students planning to transfer to a four-year institution as an accounting major should talk with an advisor.

General Education Requirements

CIS 118 Introduction to PC Applications 3
COM 115 Public Speaking 3
ECO 201 Principles of Microeconomics: GT-SS1 3
ENG 121 English Composition I: GT-CO1 3
MAT 107 Career Math or higher 3

**Select at least 9 credits of electives from the following:**

- ACC 101: Fundamentals of Accounting 3
- ACC 131: Income Tax 3
- ACC 280: Internship 3-6
- BUS 226: Business Statistics 3
- CIS 145: Complete PC Database 3
- CIS 155: PC Spreadsheet Concepts: Excel 3
- ECO 202: Principles of Microeconomics 3
- ENG 122: English Composition II 3
- MAN 226: Principles of Management 3
- MAR 216: Principles of Marketing 3
- PAR 211: Legal Research 3

**Certificate in Accounting**

**Bookkeeping/Payroll**

The Bookkeeping/Payroll Certificate program prepares students with the necessary skills to complete full-charge bookkeeping activities, including journal and ledger entries, accounts payable and receivable processing, payroll, and financial statement preparation. The certificate provides a strong foundation in accounting with emphasis on manual and computerized accounting systems and is well suited for individuals currently employed in business looking to advance their career or those looking to enter the field of accounting as a new profession. The certificate is fully transferrable to the Associate of Applied Science in Accounting. Please see a Program Advisor about this pathway.

**Requirements**

- ACC 101: Fundamentals of Accounting 3
- ACC 115: Income Tax 3
- ACC 280: Internship 3-6
- BUS 226: Business Statistics 3
- CIS 145: Complete PC Database 3
- CIS 155: PC Spreadsheet Concepts: Excel 3

- PAR 211: Legal Research 3

**Total** 36

**Applied Technology AAS Degree**

Students desiring to complete the Associate of Applied Science (AAS) Degree in Applied Technology will complete the technical course work contained in a state-approved career and technical education program certificate at one of the four area vocational technical schools (AVTS) including Delta-Montrose Area Vocational Technical Center, Emily Griffith Technical College, San Juan Basin Area Vocational Technical School, and Pickens Technical College.

The general education and other degree requirements will be completed at Community College of Denver (CCD). The AAS degree in Applied Technology will be conferred by Community College of Denver after the general education and other degree requirements have been completed.

The approved career and technical education certificate program at the AVTS prepares students with technical, applied academic and employability skills. Credit in varying amounts from these certificate programs will be applicable to the CCD Applied Technology AAS degree.

Students may enroll concurrently at an AVTS and Community College of Denver. Students must comply with the regulations and requirements relating to admission and attendance at each institution.

*A state-approved career and technical education program is a program that is approved by the State Board for Community Colleges and Occupational Education (SBCCOE) and is current.

**Minimum requirements**

1. 60 semester credits of course work.
2. CCD will accept up to 42-45 credit hours of course work from an approved certificate at an AVTS. (Course work that is more than ten years old may not be accepted.)
3. Cumulative GPA of 2.0 or higher.
4. General education course credits of 15-18 semester credits.
5. Minimum of 15 credit hours of general education requirements must be earned at CCD (see below).
6. Students completing an AVTS certificate of less than 42 credit hours must complete additional credit hours at CCD from the approved General Education list. These credit hours should be selected to complement the certificate from the AVTS and be consistent with the student’s future plans. Students transferring a certificate with thirty or fewer hours will complete a minimum of twelve hours in a single Career and Technical Education discipline. The specific courses must be selected in consultation with a Program Advisor and be approved by the Program Advisor.

**Requirements**

- COM 115: Public Speaking 3
- COM 125: Interpersonal Communication (3)
- ENG 121: English Composition I: GT-CO1 3
- ENG 131: Technical Writing (3)
- MAT 107: Career Math 3
- MAT 121: College Algebra: GT-MA1 (4)

**Subtotal** 9-10
**Program Admission Requirements**

1. Meet minimum assessment scores or prerequisites required for general education courses in the program.
2. Meet with Program Chair or Program Advisor. Call to make an appointment.

**Certification in Architectural Technologies**

**Basic Architectural Technologies Certificate**

This certificate provides currency and skill training for individuals wanting to work in the field of Architecture. Attainment of this certificate reflects successful completion and basic proficiencies in skills necessary for entry-level career positions in digital drafting and Building Information Modeling. The certificate is fully transferable to the Associate of Applied Science in Architectural Technologies. Please see a Program Advisor about this pathway.

**Program Admission Requirements**

1. Meet minimum assessment scores or prerequisites required for general education courses in the program.
2. Meet with Program Chair or Program Advisor. Call to make an appointment.

**Intermediate Architectural Technologies Certificate**

This certificate builds on the Basic Certificate, providing technical skills enhanced in breadth and depth, supporting career pursuits as a technical specialist in the design and documentation of buildings. The certificate is fully transferable to the Associate of Applied Science in Architectural Technologies. Please see a Program Advisor about this pathway.

**Program Admission Requirements**

1. Meet minimum assessment scores or prerequisites required for general education courses in the program.
2. Meet with Program Chair or Program Advisor. Call to make an appointment.

Degrees & certificates

Certificate in Architectural Technologies
Architectural Technologies Professional Development Certificate
**This program is not eligible for federal student aid.**

This certificate is designed to improve the skill set of practicing professionals. It emphasizes developing skills and retooling professionals for the new challenges of the job market. It targets the aspects of the architectural profession that are rapidly evolving in the shift to Building Information Modeling. It also examines aspects of the profession that develop across the course of time, such as Building Codes and Sustainable Systems.

Program Admission Requirement
Meet with Program Chair or Program Advisor. Call to make an appointment.

Certificate in Architectural Technologies

This certificate is designed to help practicing professionals prepare for the Architectural Registration Exam (ARE). It emphasizes the skills that are expected to be demonstrated in the Multiple Choice divisions of the ARE. The skills presented in this certificate would also be of benefit for an entry level employee in an architect’s office to help prepare for a more advanced position in the firm.

Program Admission Requirement
Because these classes are intended for practicing professionals to prepare for the ARE, either the prerequisite requirements of CAD 224 and AEC 102 must be met, or students must meet with the Program Chair for approval. Call to make an appointment.

Certificate in Architectural Technologies
Revit Certificate
**This program is not eligible for federal student aid.**

This one-semester certificate provides currency and skill upgrade training for individuals working in the field or individuals in a related field wishing to obtain Revit skills beyond the entry level. Drafting graduates whose skills are dated and wish to update should use this six credit hour certificate to gain those skills required by the profession. Students with little or no experience in architecture or drafting should not select this program.

Program Admission Requirement
Meet with Program Chair or Program Advisor. Call to make an appointment.

Certificate in Architectural Technologies
Architectural /Technologies Architectural Computer Visualizations Certificate

This certificate focuses on the tools used by architectural offices to create computer visualizations of their designs. This certificate focuses on cutting edge computer graphics using Revit, Sketch Up, 3D Studio Max and other visualization software to prepare the student in the creation of presentation renderings, animations and other computer visualizations. This certificate is intended for people who wish to add computer modeling and rendering skills to their skillset, and it assumes that the student has basic knowledge of the architectural profession.

Program Admission Requirements
1. Meet minimum assessment scores or prerequisites required for general education courses in the program.
2. Meet with Program Chair or Program Advisor. Call to make an appointment.

BUSINESS ADMINISTRATION
See also: Associate Degree of Arts - Business Designation on page 54

Associate of Applied Science Degree in Business Administration

The Associate of Applied Science (AAS) degree prepares students for entry level employment or provides the opportunity to upgrade skills. These programs are not intended to transfer to baccalaureate degree programs. Students planning to transfer to a four-year institution as a business major should talk with their advisor about completing the Associate of Arts (AA) in Business.

Community College of Denver currently offers three Associate of Applied Science degrees in Business Administration and two Certificates in Business Administration.

Associate of Applied Science Degree in Business Administration Management AAS Degree

This program is for individuals interested in a career in management.

Program Admission Requirements
Meet minimum assessment scores or prerequisites required for general education courses in the program.

**Associate of Applied Science Degree in Business Technology**

**Credit Transfer Limits:**
To ensure success in the program, courses transferred into BTE degree/certificate options or previously taken at CCD should be no more than five years old upon entering the program.

**Administrative Assistant AAS Degree**
This program prepares students to enter the business world with high-level business technology skills. The Administrative Assistant degree is an in-depth educational experience with the inclusion of general education and business courses. Graduates from this program will be prepared to be assistants in businesses; proficient in the use of Microsoft Office Suite (Word, Excel, Power Point, & Access), understand standard business documentation, assist in decision-making and develop processes and procedures. Graduates can work in positions such as executive assistant, administrative professional, administrative assistant, office specialist, and office professional.

**Program Admission Requirements**
1. Meet minimum assessment scores or prerequisites required for general education courses in the program.
2. Or, in place of the above requirements, have completed the Administrative Assistant certificate program.

**Certificate in Business Technology**

**Office Assistant Certificate**

This certificate prepares students for entry-level positions in the business world. This certificate is appropriate for those students who desire a few basic office skills necessary to start a career or are planning to pursue an Associate of Applied Science or higher degree. Students completing this certificate can work in positions such as receptionists, office assistants, or clerks. The certificate is fully transferable to the Administrative Assistant AAS degree. Please see a Program Advisor about these pathways.

**Program Admission Requirements**
Meet minimum assessment scores or prerequisites required for general education courses in the program.

**Legal Administrative Assistant AAS Degree**
This program prepares students to enter the legal business community with a high-level of skill in office technology. Graduates from this program will be prepared to perform as assistants in a legal organization; proficient in the use of the Microsoft Office Suite (Word, Excel, Power Point, & Access), understand standard business/legal documents, assist in decision-making, and develop processes and procedures. Graduates can work in positions such as legal administrative assistants with both private and public sector law offices, legal departments in nonprofit organizations and court systems. Many students in this program couple the paralegal certificate with this degree to enhance their legal knowledge.

**Program Admission Requirements**
Meet minimum assessment scores or prerequisites required for general education courses in the program.

**Associate of Applied Science Degree in Business Technology**

**Medical Administrative Assistant AAS Degree**

This program prepares students to enter in the medical business community with high-level skills in office technology. Graduates from this program will be prepared to be office assistants to medical institutions, proficient in the use of the Microsoft Office Suite (Word, Excel, Power Point, & Access), understand standard business/medical documentation, assist in decision-making, develop processes and procedures, and understand medical terminology and medical filing. Graduates can work in positions as medical administrative assistants with private and public medical offices, clinics and hospitals.

The degree offers a more in-depth educational approach to Medical Administrative Assistant than the Medical Administrative Assistant Certificate with the inclusion of general education and more medical and business courses.

**Program Admission Requirements**

Meet minimum assessment scores or prerequisites required for general education courses in the program.

**Certificate in Business Technology**

**Office Manager AAS Degree**

This program prepares students to enter the business community, ready to become important members of the management team, using high-level skills in office technology and knowledge of management principles. The Office Manager degree offers an in-depth educational experience in office management, with the inclusion of general education, management and business courses. Graduates from this program will be able to proficiently use the Microsoft Office Suite (Word, Excel, Power Point, & Access), understand standard business documentation, assist in higher level decision-making, develop processes and procedures, and balance accounts. Graduates can work in positions as office managers or program assistants with business/industry, nonprofit agencies, or in the public sector.

**Program Admission Requirements**

1. Meet minimum assessment scores or prerequisites required for general education courses in the program.
2. Or, in place of the above requirements, have completed the Administrative Assistant Certificate program.

DENTAL HYGIENE

**Associate of Applied Science Degree in Dental Hygiene**
Center for Health Sciences at Lowry

Dental Hygiene
This program prepares students to practice as professional dental hygienists following successful completion of 28 credit hours of pre-professional prerequisites and 65 credit hours of professional study. Successful completion of the prerequisite courses and the full Dental Hygiene curriculum results in an Associate of Applied Science (AAS) degree in Dental Hygiene. After successful completion of the program, students are eligible to take the written national board dental hygiene exam and regional/state clinical board exams. These exams are necessary to become licensed, registered Dental Hygienists.

Dental hygienists are licensed preventive oral health professionals who provide educational, clinical and therapeutic services in dentistry. Dental hygienists perform procedures such as oral prophylaxis, application of preventive agents, exposure of dental radiographs, patient education and nutritional counseling. Career opportunities for hygienists are available in a variety of settings including: private dental practices, community dental health clinics, public schools, clinical and basic science research laboratories, state and federal health facilities, and management positions.

Dental Hygiene applications are available July 1st and must be submitted and postmarked no later than December 1st of each year to be considered for admission into the class beginning fall of the next academic year. Admission into the program is based upon a 100 point system which consists of the following criteria: required Dental Hygiene prerequisites which must consist of a minimum science GPA of 3.0 (25 points) and a minimum general GPA of 2.5 (15 points), performance on the Health Occupational Aptitude Exam (15 points), letters of recommendation (5 points), hygienist observations (6 points), dental experience (4 points - In order to obtain 4 points, students must provide a copy of a dental assisting certificate or be employed more than 6 months at a dental office. Dental experience is not required.), interview with the application committee (25 points) and proof of Colorado residency (5 points). Because of the competitive admissions process, all prerequisite courses must be taken for a letter grade. Once accepted into the program, all grading is conducted on a 7 point grade scale. A student cannot earn lower than a C in any Dental Hygiene course in order to progress to the next level or graduate.

All Dental Hygiene students should enter the program with basic computer skills to include, but not limited to, word processing, creation of power point presentations, email, and use of D2L. Students must have access to a computer as most of the faculty utilize email and D2L for communication.

To find out more information about the Dental Hygiene program and application process, visit https://www.cccd.edu/program/dental-hygiene.

Dental Hygiene Prerequisites:
1. Dental Hygiene Science prerequisites must show a cumulative GPA of 3.0 and be current to within 7 years of the date the program begins. (Grades for like course(s) taken within 2 years will be averaged.)
2. Dental Hygiene General prerequisites must show a cumulative GPA of 2.5. (Grades for like course(s) taken within 2 years will be averaged.)
3. Overall cumulative GPA (combination of general and science Dental Hygiene prerequisites) must not be lower than 2.8.
4. Math Basic Skills Assessment score of 70 or higher or a college level equivalent math course will be required.

**Certificate in Early Childhood Education Early Childhood Education Director Certificate**

This program prepares graduates for director-qualified positions in early childhood care and education settings. A grade of C or better is required in all certificate and degree courses. Students completing the Director certificate requirements also will have met the requirements for the Early Childhood Teacher, Level I and Level II - ECE Certificates. The certificate is fully transferable to the Early Childhood Education AAS Degree. Please see a Program Advisor about this pathway.

This curriculum meets Colorado Human Services licensing education requirements. In addition to this academic requirement, the Colorado Department of Human Services requires 24 months (3,640 hours) of work experience.

To ensure success in the program, ECE credits older than seven years should not be used towards a currently offered certificate or degree. The program chair can make exceptions for students continually employed in the field (at least 3/4 time) after completing the course.

**Program Admission Requirements**

Meet minimum assessment scores or prerequisites required for general education courses in the program. See a Program Advisor for more information.

**NOTE:** Background checks will be required for some courses in this program and for employment in this field.

**DEH 266** National Board Review (optional) (2)

**EARLY CHILDHOOD EDUCATION**

**Associate of Applied Science Degree in Early Childhood Education**

See also the ECE transfer degree on page 62.

**Early Childhood Education AAS Degree**

This program meets the academic needs for personnel involved in the care and education of young children (birth through 8 years) and all Colorado Department of Human Services licensing academic requirements. A grade of C or better is required in all degree courses. Students completing the degree requirements will have met the requirements for the Early Childhood Teacher, Level I and Level II - ECE Certificates and the Early Childhood Education Director Certificate. Please see a Program Advisor about this pathway.

In addition to the academic requirement, the Colorado Department of Human Services requires 24 months (3,640 hours) of work experience.

To ensure success in the program, ECE credits older than seven years should not be used towards a currently offered certificate or degree. The program chair can make exceptions for students continually employed in the field (at least 3/4 time) after completing the course.

**Program Admission Requirements**

Meet minimum assessment scores or prerequisites required for general education courses in the program. See a Program Advisor for more information.

**NOTE:** Background checks will be required for some courses in this program and for employment in this field.

Certificate in Early Childhood Education
Early Childhood Teacher, Level I - ECE

This program prepares graduates for entry level positions in early childhood care and education settings. A grade of C or better is required in all certificate and degree programs.

In addition to this academic requirement, the Colorado Department of Human Services requires work experience.

All Early Childhood Teacher, Level I - ECE Certificate credits apply toward the requirements of the AAS Degree and Certificates in Early Childhood Education.

Program Admission Requirements

Meet minimum assessment scores or prerequisites required for general education courses in the program. See a Program Advisor for more information.

NOTE: Background checks will be required for employment in this field.

Certificate in Early Childhood Education
Early Childhood Teacher, Level II - ECE

This program prepares graduates for preschool group leader or infant toddler positions in early childhood care and education settings. A grade of C or better is required in all certificate and degree courses.

In addition to this academic requirement, the Colorado Department of Human Services requires work experience.

All Early Childhood Teacher, Level II - ECE Certificate credits apply toward the requirements of the AAS Degree in Early Childhood Education. The Early Childhood Teacher, Level II - ECE Certificate credits are fully transferable to the Early Childhood Education Director Certificate if the program requirements are carefully selected with the assistance of a Program Advisor.

To ensure success in the program, ECE credits older than seven years should not be used towards a currently offered certificate or degree. The program chair can make exceptions for students continually employed in the field (at least 3/4 time) after completing the course.

Program Admission Requirements

Meet minimum assessment scores or prerequisites required for general education courses in the program. See a Program Advisor for more information.

NOTE: Background checks will be required for some courses in this program.

ELECTRONEURODIAGNOSTIC TECHNOLOGY

Associate of Applied Science Degree in Electroneurodiagnostic Technology

Center for Health Sciences at Lowry

Electroneurodiagnostic Technology

NOTE: This program is not eligible for federal student aid.

This program prepares students for entry-level positions as Electroneurodiagnostic (END) Technologists in a variety of clinical settings, including hospitals. The program’s course work includes classroom, laboratory and clinical internship experience. Graduates earn an AAS degree and are nationally eligible to apply for board exams by the American Board of Registration of Electroencephalographic and Evoked Potential Technologists Inc. (ABRET) as well as the Board of Registered Polysomnographic Technologists (BRPT).

Program Admission Requirements

• Prior to enrolling at the college, students must complete an online application for admission. The online application is available at www.ccd.edu, select “Future Students: Apply to CCD Today” and follow the directions.
• Meet minimum assessment scores or prerequisites required for general education courses in the program.
• Complete the General Education requirements. Apply for admission with the Center for Health Sciences at Lowry by submitting a completed Electroneurodiagnostic application packet.

NOTE: All prerequisite science classes must have been taken within seven academic years and math classes within ten academic years prior to the end of the semester preceding the start of the program.

EMERGENCY MEDICAL SERVICES

Associate of Applied Science Degree in Emergency Medical Services
Center for Health Sciences at Lowry

Emergency Medical Services AAS Degree
This associate’s degree prepares students for advanced medical fields such as nursing, paramedic, physician assistant, medicine and physical therapy. Students completing the Associate of Applied Science Degree in Emergency Medical Services will be eligible for preferential acceptance into the Paramedic program at Denver Health providing they meet the established entry requirements. This associate’s degree program is eligible for federal student aid.

Program Application, Admission and Requirements
- Successful completion of the Emergency Medical Technician Certificate is required to continue the AAS in EMS. See the Emergency Medical Technician (EMT) Certificate for program application, admission and requirement information.

- Successful completion of the NREMT practical and written examination. Students must have a current NREMT EMT Certificate.
- Current Healthcare Provider or Professional Rescuer CPR card.
- Pass a drug screen and background check.
- Follow all immunization policies for CCD which includes, but is not limited to, a current TB screening test. These tests must be completed by CCD’s designated agency.
- Hepatitis B vaccination and proof of titer.
- Completion of the EMS AAS application.

Certificate in Emergency Medical Services
Center for Health Sciences at Lowry

Emergency Medical Technician (EMT) Certificate

**NOTE:** The elevated cost of allied health education programs requires a minimum student enrollment. Beginning in 2015, insufficient student interest and enrollment may prohibit the program from being offered.

Emergency Medical Technician (EMT) Certificate

**This program is not eligible for federal student aid.**

The Emergency Medical Technician (EMT) certificate option in the Emergency Medical Services (EMS) program provides students with the knowledge and skills necessary to obtain employment in ambulance, rescue, or other pre-hospital emergency service settings. Program graduates provide direct patient care, scene management, and patient transportation under the direction of EMS service physician advisors. Courses within the EMT certificate program must be taken in specific succession for students to be eligible to sit for the EMT National Registry certification exams.

Elective courses provide students with EMT certification, knowledge and skills needed for additional certifications or increased job marketability.

Program Application, Admission and Requirements
Prior to registration for this program the following criteria must be met and approved.

- Students must complete an online application for admission. The online application is available at www.ccd.edu, select “Future Students: Apply to CCD Today” and follow the directions.
- Take and pass the CCD Basic Skills Assessment Test (BSAT) in the Testing Center; Phone 303-556-3810. Score at least the following on the BSAT test:
  - English: ACSS 95
  - Reading: ACRC 80
  - Math: ACEA 85 (A grade of C or better in MAT 055 will also meet this requirement)

If the SAT/ACT scores are high enough, students may be waived from taking the BSAT. Possession of a bachelor or associate’s degree from a regionally accredited college waives the BSAT and/or SAT/ACT requirements.

- Pass Background Check.
- Documentation of required immunizations.
- Offices and classes are located at Rita Bass Trauma Institute, 190 W. 6th Ave., Denver.
- For more information go to https://www.ccd.edu/program/emergency-medical-services

ENGINEERING GRAPHICS

In Engineering Graphics Mechanical CADD, designer/drafters are professionals who make 3D solid models, technical production drawings and documents using sophisticated computer-aided design software. Professional engineering and design industry software such as AutoCAD, AutoDesk Inventor, Solidworks, and ProE/Creo are taught at CCD. Using 3D models and drawings, students can execute complex designs for everything from a humble can opener to aerospace designs. Graduates of the CCD Engineering Graphics program can find employment in high tech design industries such as medical technology, aerospace, and sustainable energy.
Associate of Applied Science Degree in Engineering Graphics
Mechanical Drafter AAS Degree

The Engineering Graphics Mechanical Drafter program allows students to pursue an Associate of Applied Science Degree that provides an opportunity to learn the skills needed to become a CAD/Drafter in many of the important industries throughout Colorado and the country. This degree program will include the skills from 2D CAD drafting to 3D parametric modeling. Along the degree path, students will also have opportunities to augment their CAD skills with rapid prototyping, using a state-of-the-art 3D printer, as well as exposure to Computer Aided Machining programs such as Gibbs CAM and MasterCAM. Also in the degree plan, students will be trained in mechanical design and will develop an understanding of mechanical design with an eye towards manufacturability.

**DEGREES & CERTIFICATES**

**GRAPHIC DESIGN**

**Associate of Applied Science Degree in Graphic Design**

**Graphic Design AAS Degree**

This program provides the skills necessary for entry into the field of graphic design. The graphic design profession involves graphic and advertising design, illustration, and pre-press. The Graphic Design program allows students to develop basic skills common to all three specialties, while developing an emphasis in one.

Successful students may enjoy careers in book/publication design, Web page design, package design, ad/promotional design, and where creative typography and image are needed to move ideas and information.

Students are expected to buy their own tools and materials. The beginning program courses require an original investment of between $100 and $300 and students are expected to add needed tools and materials as the program progresses.

**Program Admission Requirements**

Meet minimum assessment scores or prerequisites required for general education courses in the program.

Associate of Applied Science Pre-Social Work Degree in Human Services

Human Services AAS Pre-Social Work Degree

The following courses represent the transfer oriented Associate of Applied Science Degree for Human Services majors with an emphasis in Pre-Social Work. Upon completion of the AAS Human Services Transfer Degree Pre-Social Work, students will be eligible to transfer to Metropolitan State University of Denver’s Bachelor of Social program in Social Work. All AAS Human Services transfer coursework must be completed with a grade of C or better. Application for the Social Work program at Metropolitan State University will be required and admission is not guaranteed upon completion of the transfer degree. The program is accredited by the Council for Standards in Human Service Education (www.cshse.org).

Program Admission Requirements

Meet minimum assessment scores or prerequisites required for general education courses in the program.

General Education Requirements

Communications 9
ENG 121** English Composition I: GT-CO1 3
ENG 122** English Composition II: GT-CO2 3
COM 115** Public Speaking 3

Certificate in Human Services

Residential Aide/Case Management Certificate

This program prepares students for entry-level positions as case management aides or residential aides. Most courses required for the Residential Aide/Case Management Certificate can also be applied to the AAS Human Services Transfer Degree or the AAS Human Services Pre-Social Work Degree. Please consult with the Human Services Department Chair or the Program Advisor to verify the transferability of courses.

Students must complete all certificate coursework with a grade of C or better.

Program Admission Requirements

Meet minimum assessment scores or prerequisites required for general education courses in the program.

General Education Requirements

Select any two guaranteed transfer courses from the following categories:
GT-CO1, GT-CO2, GT-MA1, GT-SC1, GT-SC2, GT-SS1, GT-SS2, GT-SS3, or GT-HI1 6

Program Requirements

HSE 106 Survey of Human Services 3
HSE 107 Interviewing Principles and Practices 3

INFORMATION TECHNOLOGY

Associate of Applied Science Degree in Information Technology

Information Technology AAS

This program prepares students to obtain entry-level positions in the Information Technology industry. This degree offers students a broad educational background in computer information systems. Students can choose to specialize in a specific IT category by using the nine elective credits to focus on a particular area. Students completing this degree will qualify for the CompTIA A+ certification exams and gain experience in networking, computer security and database management. Students will enhance their communication skills and obtain exposure to the business environment.

Program Admission Requirements

Meet minimum assessment scores or prerequisites required for general education courses in the program.

Credit Transfer Limitations:

To ensure success in the program, courses transferred into the Computer Information Systems or the Information Technology degree/certificate options or previously taken at CCD should have the following time limits:
- Application courses – 5 years
- Programming courses – 5 years
- Networking courses – 5 years
- Certification courses – 3 years
- General education courses – 10 years
- Business courses – 10 years

If transferring students have current industry experience, the time limit for applicable courses may be waived upon approval of the Program Chair.

General Education Requirements

CIS 118 Introduction to PC Applications 3
COM 115 Public Speaking 3
ENG 131 Technical Writing I 3

### Degrees & Certificates

#### Optional
- MAC 178 Machining Workshop (1-6)
- MAC 245 CAD/CAM 3-D (3)
- MAC 246 CAD/CAM 3-D Lab (3)

#### Certificate in Machine Technologies
**CCD Manufacturing Center**

### Industrial Maintenance Technologies Certificate
This certificate is designed to provide a rounded understanding of the entry-level skills in Computer Aided Drafting, Machining and Welding. This set of skills would allow a student to enter the field of manufacturing equipment servicing and repair.

#### Program Admission Requirements
Meet minimum assessment scores or prerequisites required for general education courses in the program. Students may take individual courses, if the course prerequisites are met, prior to being accepted into this program.

#### Requirements

##### 1st Semester
- **WEL 102** Oxyacetylene Joining Processes  4

##### 2nd Semester
- **CAD 101** Computer Aided Drafting I  3
- **MAC 102** Blueprint Reading  3

##### 3rd Semester
- **MAC 101** Introduction to Machine Shop  3
- **MAC 110** Introduction to Engine Lathe  3

### MEDICAL ASSISTING

**See also: Nurse Aide Certificate on page 87**

#### Associate of Applied Science Degree in Medical Assisting
**Center for Health Sciences at Lowry**

#### Medical Assisting AAS Degree
The Medical Assisting AAS Degree program provides training for both front office administrative and back office clinical duties. It is designed to train medical assistants in mastering clinical techniques such as: pre-examination and examination assistance, obtaining medical histories and vital signs, minor office surgery, routine laboratory procedures including phlebotomy and EKG, and maintaining and sterilizing equipment. Administrative, students will learn the necessary office skills to maintain a clinic including: answering telephones, greeting patients, handling correspondence, scheduling appointments, billing and bookkeeping. This program seeks to develop competent medical assistants to work in a variety of settings including, but not limited to, clinics and hospitals.

In addition to obtaining an AAS in Medical Assisting, students completing the program will have also obtained a Nurse Aide Certificate. In the first semester of this program, students will take nurse aide coursework which, when successfully completed, will prepare them to take the state certification exam. Successful completion of the Nurse Aide Certification Exam will allow students to seek employment while continuing their education. Once students complete all of the prerequisite requirements and the full program curriculum, they will have achieved an AAS Degree in Medical Assisting and will be eligible to sit for the registry exam to become either a Certified or Registered Medical Assistant (CMA or RMA respectively).

Students who have completed their nurse aide certification through CCD will be preferentially accepted into the medical assisting bridge program contingent upon successful completion of the certification exam and a referral from their program coordinator. Students who attained their Nurse Aide Certificate at a Colorado Community College may have their credits for NUA 101 and NUA 170 transferred into this bridge program. Students who attained their credentialing anywhere else will be evaluated on a case-by-case basis for transferability of credits. A grade of C or better is required in all courses in order to progress to the next level and to graduate.

#### Program Admission Requirements
- Have basic computer skills to include, but not limited to, word processing, creation of PowerPoint presentations, basic Excel skills, email and use of D2L. Students needing additional assistance with computer skills may take CIS 118 Introduction to PC Applications prior to matriculation into the program.
- Have access to a computer as CCD email and D2L are used for communication.
- Provide completion of a High School Diploma or GED.
- Interview with the Medical Assisting Program Chair.
- Complete the Medical Assisting Program application.
- Meet the following prerequisite requirements:
  - MAT 121 College Algebra with a grade of C or better, or equivalent
  - Science Skills assessment score of 95 or better, or equivalent
  - BIO 111 General College Biology I with Lab with a grade of C or better
  - Waivers may be obtained for all or part of the Accuplacer testing if a student has ACT or SAT scores or a prior degree by contacting the Testing Center on Auraria Campus at 303-556-3810.
- Have a Basic Life Support (BLS) and Cardiopulmonary Resuscitation (CPR) Certification. This certification must last the entirety of the program. If the certification will lapse during the time students are in this program, a renewal will need to be completed prior to matriculation.

#### Program Requirements
- **BIO 201** Human Anatomy and Physiology I with Lab: GT-SC1  4
- **BIO 202** Human Anatomy and Physiology II with Lab: GT-SC1  4
- **COM 220** Intercultural Communication: GT-SS3  3
- **ENG 121** English Composition I: GT-CO1  3
- **HPR 106** Law and Ethics for Health Professions  2
- **HPR 112** Phlebotomy  4

- **MOT 183** Medical Assistant Internship  6
- **MOT 189** Review for Medical Assistant National Examination  1
- **NUA 101** Nurse Aide Health Care Skills  4
- **NUA 170** Nurse Aide Clinical Experience  1
- **PSY 101** General Psychology I: GT-SS3  3
- **MOT 120** Medical Office Financial Management (optional) (3)

For additional information call 303-365-8300.

#### MULTI-MEDIA JOURNALISM

#### Certificate in Multi-Media Journalism
This certificate program teaches basic journalism principles, theories and techniques — students will be qualified for opportunities in the local industry, including entry level positions in a variety of mediums. This program also prepares students to transfer to four-year institutions in Colorado. Within the program, students are introduced to convergent media as well as terms and technology standard in the industry. The program offers a variety of classes to give students an expansive knowledge of different mediums and their importance to the industry. The certificate program is transfer-

NURSE AIDE

See also: Integrated Nursing Pathway on page 94

Certificate in Nurse Aide
Center for Health Sciences at Lowry

**This program is not eligible for federal student aid.**
The Nurse Aide Certificate program prepares students to perform fundamental nursing skills for direct personal care to clients; helping the patient bathe, dress, walk, eat and other daily activities in a long-term facility, hospital or home. The skills are covered in theory, lab and 30 hours of clinical practice.

Clinical practice of nurse aides is regulated by the Colorado Board of Nursing. Colorado has a mandatory Nurse Aide Practice Act, which means that no one may practice as a certified nurse aide without obtaining certification. Students successfully completing the Certificate in Nurse Aide program at CCD are eligible to take the Colorado Nurse Aide Certification Exam.

Program Admission Requirements
- Prior to enrolling at the college, students must complete an online application for admission. The online application is available at www.ccd.edu, select “Future Students: Apply to CCD Today” and follow the directions.
- Complete the Nurse Aide Program application.
- Complete Basic Skills Assessment Test Accuplacer with a minimum test score of:
  - Arithmetic – ACAR 40 (MAT 050, ACTM 19, or SATM 460 will also meet this requirement)
  - Sentence skills – ACSS 50 (CCR 092, ACTE 18, or SATV 440 will also meet this requirement)
  - Reading comprehension – ACRC 40 (CCR 092, ACTR 17, or SATV 430 will also meet this requirement)
- Waivers may be obtained for all or part of the Accuplacer testing if a student has ACT or SAT scores or a prior degree. Please contact the Testing Center at the Auraria Campus at 303-556-3810.
- Submit all required documentation to the Center for Health Sciences at Lowry.
- Refer to https://www.ccd.edu/program/nurse-aide-program for additional documents to be completed, prior to acceptance into the Nurse Aide Program.

Program Requirements
- NUA 101 Nurse Aide Health Care Skills 4
- NUA 170 Nurse Aide Clinical Experience 1

Total 5

For additional information call 303-365-8300.

OUTDOOR RECREATION

Certificate in Outdoor Recreation
Center for Health Sciences at Lowry

This certificate program teaches the foundational skills and knowledge necessary to pursue a career in the outdoor recreation industry. Through a combination of classroom and field-based credit hours, students experimentally learn and apply relevant skills such as group and risk management, leadership, first aid, and environmental competencies. Students also gain technical skills in a chosen area of activity-based recreation, enabling competency and confidence as an outdoor leader.

Program Admission Requirements
Meet minimum assessment scores or prerequisites required for general education courses in the program.

Requirements
- HWE 129 Wilderness First Responder 4
- OUT 112 Mountain Orientation 2
- OUT 131 Rock Climbing I (or an approved outdoor activity-based course) 2
- OR
- OUT 145 Introduction to Winter Sports (1)
  AND
- OUT 168 Avalanche Awareness Level I (1)
- OUT 135 Risk Management for Outdoor Professionals 1
- PRA 218 Outdoor Leadership 3
- REC 101 Recreation-Principles and Practice 3
- REC 210 Principles of Outdoor Recreation 3

RADIATION THERAPY

Upon successful completion of the Radiation Therapy Program, graduates are eligible to apply for registry by the American Registry of Radiologic Technologists (ARRT) in Radiation Therapy. The program prepares the ARRT Registered Radiologic Technologists (RT) and non-ARRT registered applicants for entry-level positions as radiographers in a variety of medical settings, including hospitals. The certificate program is an intensive combination of classroom and clinical experience. A certificate is obtained over three semesters. A new class begins in the fall semester of each year.

Application Information

See program application process at our website www.ccd.edu/program/radiation-therapy.

Qualified applicants will be notified on or before April 30. Upon program acceptance, background check, fingerprinting and drug screening must be completed prior to the start of classes.

RADIOLoGIC TECHnOlOGy

Associate of Applied Science Degree in Radiologic Technology

Center for Health Sciences at Lowry

The Radiologic Technology program prepares students for entry-level positions as radiographers in a variety of medical settings, including hospitals. This five semester program includes classroom, laboratory, and clinical internship experiences. Graduates will earn an AAS Degree in Radiologic Technology. The program is accredited by the Joint Review Committee on Education in Radiologic Technology (JRCERT).

The program begins in the summer semester of each year. Information and requirements may be obtained from the Program Advisor for Health Sciences at CCD (Lowry), 303-395-8300. Information sessions for the program are held twice a year on the third Tuesdays of October and January at 5:00 pm at the Center for Health Sciences at Lowry, in Room #117. Program information is also available at www.ccd.edu/program/radiologic-technology.

- All forms are available on the Radiologic Technology website.
- An AAS in Radiologic Technology from CCD is eligible to articulate with the following schools: Regis University, Bachelor of Sciences in Health Care Administration, Colorado Mesa University; Bachelor of Applied Science in Radiologic Technology.

Steps to a Successful Application

- Prior to enrolling in the program, students must complete all steps of the CCD college admissions process. The online college application is available at www.ccd.edu: select “Future Student, Apply to CCD Today.” Radiologic Technology admissions packets are accepted annually. They are available beginning August 1st and must be postmarked and received by February 1st. Only packets complete in entirety upon submission will be accepted for consideration. Candidates who have successfully completed their prerequisite course work may submit an application packet to the radiography program faculty at the Center for Health Sciences at Lowry.

They will be evaluated by the program faculty.

- Admission to the program, which is a highly competitive process, is based on a point system (100), determined by the following required criteria:
  - Minimum GPA of 3.0 for science and medical terminology courses and 2.8 for General Education courses (20 points)
  - Minimum GPA of 3.0 for science and medical terminology courses and 2.8 for General Education courses (20 points)
- NOTE: All prerequisites must be taken for a letter grade.
- Performance on Health Occupational Aptitude Exam (20 points)
- This exam will be by invitation only, based upon having met the minimum requirements and submission of a completed application.
- 12 hours of documented job shadowing (minimum) (12 points)
- 2 structured letters of recommendation (minimum) (10 points)
- Interview with the application panel (30 points)
- NOTE: The number of applicants who are invited to participate in the interviews depends upon the number of clinical placement sites which are available. Approximately 35 interviews will be granted.
• Health care experience (not requisite criteria) (4 points)
• Proof of Colorado residency (4 points)
• Approximately 25 of the highest scoring candidates from the panel interview and evaluations admission will be invited to enter the Radiologic Technology program.
• Candidates who are not selected to enter the program will be provided with advisement, if desired. Students may apply for the program a total of three times.
• All prerequisite science classes must have been taken within seven academic years prior to the July start of the program. All math courses must have been taken within 10 academic years prior to the July start of the program.

Computed Tomography Certificate
Center for Health Sciences at Lowry

Computed Tomography Certificate
The medical imaging modality of Computed Tomography (CT) is critical in the diagnosis and treatment of trauma, as well as in the evaluation of many pathological processes. This program will assist qualified students in obtaining the necessary didactic education and mandatory clinical competencies to prepare them to sit for the American Registry of Radiologic Technologists (ARRT) CT Certification Examination. The program will prepare students for entry-level clinical practice.

The program consists of online didactic classes and two semesters (500 hours) of clinical internship. There are two pathways for program completion:
• Enroll in RTE 240 and RTE 255 didactic classes, with two semesters of clinical RTE 284 (6 credit hours per semester) where CCD would provide clinical experience through the current clinical affiliates for the ARRT. Students would receive regular clinical instruction by CCD faculty and professional liability insurance.
• Enroll in RTE 240 and RTE 255 didactic classes, with RTE 284 (1 credit hour) which would be used for verification of clinical competency and required clinical hours. The student would be responsible for obtaining their own clinical placement and the student would not receive any clinical instruction by CCD faculty or professional liability insurance. This option is primarily for long distance or out-of-state students.

Regardless of the pathway chosen, students must complete a minimum of 500 documented CT clinical training hours within 24 months prior to graduation.

Program Admission Requirements
Prior to enrolling in the program, students must complete all steps of the CCD college admission process. The online college application is available at www.ccd.edu: select “Future Student, Apply to CCD Today”. NOTE: Admission to the college does not guarantee admission to the CT program.
• Only students who wish to perform a clinical internship in one of CCD’s clinical affiliate facilities must apply to the program. Enrollment in RTE 240 and RTE 255 does not require a program application packet; just register following standard college enrollment procedures.

Admission to the CT Program is dependent upon the following:
• Fulfilling all requirements for admission to CCD.
• Possess a current ARRT or NMTCB certification, or be a registry eligible graduate of an accredited program in Radiologic Technology, Nuclear Medicine and/or Radiation Therapy.
• Applicants must have a minimum of one year experience in direct patient care.
• Submission of a complete admissions packet a minimum of four weeks prior to the start of the semester in which the student plans to begin the program. Dates will be verified by postmark.
• Clinical site availability. Internship placement is on a first-come, first-served basis.

Admissions Packet
The admissions packet consists of documents that can be downloaded from the website https://www.ccd.edu/academics/academic-centers/health-sciences-lowry/programs-study/radiologic-technology/apply and includes the following:
• CT Program Application
• Current resume with proof of one year direct patient care experience
• Copy of current ARRT or NMTCB certification card
• Current CPR (BLS for Healthcare Providers) card
• Background Check
• Documentation of current Qualitative Respiratory Fit Test
• Immunization record documenting the following:
  • PPD done within the last 3 months
  • MMR - 2 immunizations or documentation of immunity
  • Hepatitis B series
  • Varicella - immunization or documentation of disease
  • Tetanus/Diphtheria Toxoid (TD)
  • Annual Flu Shot
• Other documents as listed on the website

Total 6 or 17

* Courses are offered online through Desire2Learn and can be taken separately.
* Enrollment in RTE 240 and RTE 255 is not restricted and does not require application to program.
* Students who wish to have CT clinical internship provided by CCD must submit a completed application packet a minimum of four weeks prior to the first day of the semester (verified by postmark). A minimum of 12 credit hours of RTE 284 are required to graduate.
* Clinical internship enrollment is restricted. Placement is dependent upon clinical site availability, requiring communication and coordination with CT Program Coordinator. Placement is on a first-come, first-served basis.
Certificate in Mammography
Center for Health Sciences at Lowry

Mammography Certificate

"**This program is not eligible for federal student aid.**

The medical imaging modality of Mammography is an important tool used in the diagnosis of breast cancer. This program will assist qualified students in obtaining the necessary didactic education and mandatory clinical competencies to prepare them to sit for the American Registry of Radiologic Technologists (ARRT) Mammography Certification Examination. The program has been designed to be in compliance with all Colorado State and U.S. Federal mammography education requirements and will prepare students for entry-level clinical practice.

The program consists of a hybrid didactic class and two semesters of clinical experience.

Program Admission Requirements

Prior to enrolling in the program, students must complete all steps of the CCD college admissions process. The online college application is available at www.ccd.edu: select “Future Student, Apply to CCD Today”. NOTE: Admission to the college does not guarantee admission to the Mammography program.

Admission to the Mammography program is dependent upon the following:

- Fulfilling all requirements for admission to CCD.
- Current ARRT certification in Radiography.
- Applicants must have a minimum of one year experience in direct patient care.
- Submission of a complete admissions packet a minimum of four weeks prior to the start of the semester in which the student plans to begin the program. Dates will be verified by postmark.
- Clinical site availability. Internship placement is on a first-come, first-served basis.

Admissions Packet

The admissions packet consists of documents that can be downloaded from the website https://www.ccd.edu/academics/academic-centers/health-sciences-lowry/programs-study/radiologic-technology/apply and includes the following:

- Mammography Program Application
- Current resume with proof of one year direct patient care experience
- Copy of current ARRT certification card
- Current CPR (BLS for Healthcare Providers) card
- Background Check
- State of Colorado Provisional Mammography License--Colorado requires a provisional license for mammographers in training. Students will apply for this license while enrolled in RTE 250.
- Immunization record documenting the following:
  - PPD done within the last 3 months
  - MMR - 2 immunizations or documentation of immunity
  - Hepatitis B series
  - Varicella - immunization or documentation of disease
  - Tetanus/Diphtheria Toxoid (TD)
- Annual Flu Shot
- Other documents as listed on the website

VETERINARY TECHNOLOGY

Associate of Applied Science Degree in Veterinary Technology
Center for Health Sciences at Lowry

Veterinary Technology AAS Degree

Veterinary Technicians are paraprofessional members of a veterinary team, assisting a Doctor of Veterinary Medicine. Veterinary Technicians perform a variety of tasks, including preparing examination rooms and surgery suites, holding and restraining animals during the exam and/or treatment, collecting specimens, performing routine laboratory procedures, taking diagnostic X-rays, administering medication or treatments, assisting in surgery, performing office skills, maintaining inventory of supplies and assisting with client education.

Career opportunities for Veterinary Technicians are available in a variety of settings, including private veterinary practices, research laboratories, kennels, zoos, and local, state and federal agencies. These experiences can lead to other job opportunities such as sales, animal hospital administration, teaching in a Veterinary Technology program and animal advocacy.

The program is a blend of academic and clinical coursework that requires attention to detail, motivation and the ability to complete tasks within a specified time frame. The students of Community College of Denver Veterinary Technology Program are encouraged to be self-directed in their learning and to establish high standards of professional and personal excellence.

Graduates are eligible to take the Veterinary Technician National Examination and have been able to rapidly find placement in the veterinary health care community. Community College of Denver Veterinary Technology program is one of only two Community College of Colorado programs located in the Denver Metro area offering an Associate of Applied Science Degree in Veterinary Technology.

Community College of Denver offers one of the most respected Veterinary Technology programs in the state.

Application process

Steps to a Successful Application

Read and follow each step. Submit completed applications with all accompanying forms, postmarked by June 30 for fall class and October 31 for spring class, to:

CCD Veterinary Technology Program

Attention: Shannon Burkhalter

1070 Alton Way, Bldg. 849 Denver, CO 80230

**If a student has previously applied to our program within the last 2 years and wants to reactivate the application, the student must resubmit the program application. The student must provide written and signed documentation requesting that the following be reactivated: Verification of Observation, Transcripts (NOTE: A new official transcript must be submitted if any changes/updates have occurred since the last submission), Reference Form and the Letter of Agreement.**

**Prior to enrolling in the program students must complete an online application for Admission. The online college application is available at www.ccd.edu, select “Future Student, Apply to CCD Today”.**

- Application for the Veterinary Technology Program can be downloaded at https://www.ccd.edu/academics/academic-centers/health-sciences-lowry/programs-study/veterinary-technology/apply
- Regardless of current or past experiences, applicants are required to observe at least 2 different veterinary technicians, not veterinarians, for a minimum of 4 hours each. Signatures and other pertinent information should be filled out on the Verification of Observation form. Submit this form with the application. Forms can be accessed at the website https://www.ccd.edu/academics/academic-centers/health-sciences-lowry/programs-study/veterinary-technology/apply
- For each college or university attended, applicants must submit an official transcript. Order official transcripts from the previous college/university and have them sent directly to the Admissions, Registration and Records Office at: Community College of Denver Admissions, Registration and Records Campus Box 201 PO Box 173363 Denver, CO 80217-3363

- Veterinary Technology general prerequisites must show a cumulative GPA of 2.5.
- Official transcripts are not required for prerequisites taken at CCD.
- Two references are required. Print two copies of the form found on the website and complete the top section only; the reference will complete the bottom portion. Each person writing a reference should place it in a sealed envelope, sign the back of the envelope and return it to you. DO NOT OPEN THE ENVELOPE. Place the sealed envelopes in the application packet. References should be obtained from a current or past employer, college professor, or someone else who can attest to the applicant’s professionalism, commitment to learning or similar attributes. Family members do not make good reference sources. The Reference
Form can be accessed at the website https://www.ccd.edu/academics/academic-centers/health-sciences-lowry/programs-study/veterinary-technology/apply.

- The last form to complete is the Letter of Agreement. Read the letter carefully, sign it and submit it with the application packet. The Letter of Agreement can be found at the website https://www.ccd.edu/academics/academic-centers/health-sciences-lowry/programs-study/veterinary-technology/apply.
- Eligible applicants are selected according to GPA of the required prerequisite courses, letters of reference, observation and veterinary experience.
- Enclose a self-addressed, stamped envelope. The envelope will be mailed back informing the applicant of one of the following: that the application is complete and the specifics of the next step; that the application is incomplete and what is needed; or that the application does not meet the minimum qualifications.

Due to the large volume of applications received, we ask applicants to NOT contact our office inquiring about the application status. Please wait for the arrival of the self-addressed, stamped envelope, which will be mailed by July 30, for fall classes and November 30 for spring classes.

### Fabrication Welder

**Associate of Applied Science Degree in Fabrication Welder**

**CCD Manufacturing Center**

This program prepares students as entry-level specialists to work with most operations in oxyacetylene welding, shielded metal arc welding, gas metal arc welding and gas tungsten arc welding on metals that range from heavy plate and pipe to thin-gauge sheet metals. Various steels and aluminum metals are used. Upon successful completion of this program, graduates are prepared to test for American Welding Society certification in SMAW and MIG/TIG. Graduates are prepared to enter positions such as arc welders, industrial welders, production welders, fabrication welders, and MIG or TIG welders.

#### Program Admission Requirements

Meet minimum assessment scores or prerequisites required for general education courses in the program. Students may take individual courses, if course prerequisites are met, prior to being accepted into this program.

#### Requirements

**1st semester**

- MAT 108 Technical Mathematics
- WEL 100 Safety for Welders
- WEL 101 Allied Cutting Processes
- WEL 102 Oxyacetylene Joining Processes
- WEL 103 Basic Shielded Metal Arc I

**Subtotal** 17

**2nd semester**

- CIS 118 Introduction to PC Applications
- ENG 121 English Composition I: GT-CO1
- ENG 131 Technical Writing I
- WEL 104 Basic Shielded Metal Arc II
- WEL 106 Blueprint Reading for Welders and Fitters

**Subtotal** 17

---

### Certificate in Veterinary Technology Assistant

**Center for Health Sciences at Lowry**

**Veterinary Technology Assistant Certificate**

The Veterinary Technician Assistant Certificate program provides training in veterinary health and handling of a variety of domestic and exotic species, with the focus on tasks for assisting the Veterinary Technician and Veterinarians. Veterinary Technician Assistants do not diagnose animal illnesses, prescribe treatment, or perform surgery. This is a 15 week program, 11 weeks of class and 4 weeks of internship. Ten credit hours of course work must be completed before students may complete 3-credit, 90-hour private-practice internships. This program provides an introduction to the field of veterinary medicine, but is not intended to provide admission to a college of veterinary medicine.

#### Admission Requirements

1. Completion of a high school diploma or GED
2. Achievement of indicated assessment scores or completion of preparatory course work.

Students must be admitted to the Veterinary Technician Assistant program in order to take the curriculum courses as shown below.

All courses must be completed with a grade of C or better prior to graduation.

#### Program Requirements

- VET 102 Veterinary Medical Terminology
- VET 103 Veterinary Assistant Restraint and Handling
- VET 113 Veterinary Assistant Surgical Nursing and Care
- VET 114 Veterinary Assistant Laboratory and Clinical Procedures
- VET 120 Office Procedures and Relations
- VET 183 Internship: Private Practice

ASSOCIATE OF GENERAL STUDIES DEGREE

Community College of Denver offers an Associate of General Studies Degree. It requires lower-division core general education courses that transfer to all majors at all state baccalaureate colleges and universities. Courses must be completed with a grade of C or better. Up to four credits of physical education may apply toward this degree.

Associate of General Studies Degree (AGS)

In addition to the general education core requirements, the degree allows students to self-select 23-26 credits of transfer and/or Career and Technical Education (CTE) courses. The general education core courses fully meet the general education requirements of all Colorado baccalaureate schools. Transferability of career courses is not guaranteed. If students select this option, they should consult with a Program Advisor. A student can complete this program in four semesters, going full time and carrying the required number of hours. A student may choose, because of personal circumstances, to extend the amount of time for completion.

Any CCD career/CTE course from any CCD location may count as an elective for the AGS degree. Advising is available in the Center for Career and Technical Education.

NOTE: Students who have taken prerequisite courses more than seven years ago are strongly encouraged to take an assessment test over the prerequisite material to ensure adequate prior knowledge to be successful in future courses. The outcome of the assessment test will help the student determine whether or not he or she needs to re-take the prerequisite course. The assessment test is available in the CCD Testing Center.

AGS Liberal Arts Core

Core course requirements may NOT be waived or substituted.

AGS: Integrated Nursing Pathway Degree

INTTEGRATED NURSING PATHWAY

Community College of Denver and University of Colorado, College of Nursing offer a program to earn a Bachelor of Science in Nursing. This is done under an articulation agreement with the University of Colorado to allow students to begin their coursework at CCD and then to complete a baccalaureate degree at CU. Students may apply to the Integrated Nursing Pathway when the initial 32 credits of prerequisites are close to being completed.

Program Prerequisite Requirements for Integrated Nursing Pathway

*NOTE: Students who have taken prerequisite courses more than seven years ago are strongly encouraged to take an assessment test over the prerequisite material to ensure adequate prior knowledge to be successful in future courses. The outcome of the assessment test will help the student determine whether or not he or she needs to re-take the prerequisite course. The assessment test is available in the CCD Testing Center.*
The annual application deadline is March 31, once prerequisite course work is completed or will be completed by the end of the spring semester. A minimum of a 3.0 GPA is required to apply and will need to be maintained while taking the required pathway courses. Entry into nursing programs is a competitive process, and the INP program will accept a limited number of students each year. Accepted students begin the program during the fall semester of the year of application and will complete the final 30 credits of required pathway classes at CCD and earn their Associate of General Studies Degree.

**NOTE:** Acceptance to Integrated Nursing Pathway Program is required.

**Subtotal**: 30  
**Total**: 62

After graduation, students who have maintained admissions standards automatically transition to the CU College of Nursing on the state-of-the-art Anschutz Medical Center campus in Aurora. There they will complete six more semesters leading to their Baccalaureate Degree in Nursing. Information sessions about the program are held twice a month. For more information about this program, visit [https://www.ccd.edu/program/integrated-nursing-pathway](https://www.ccd.edu/program/integrated-nursing-pathway) or call the INP Program Coordinator at 303-352-3321.

**NOTE:** This degree will be conferred as an Associate of General Studies Degree. “Integrated Nursing Pathway Program” will not be listed on the student’s transcript or diploma but will be recognized by the transferring institution for program admission. Students interested in completing an Associate of Science Degree should consult with the INP Program Coordinator. Although the INP Program requires 62 credits for completion, only 60 of those credits are fully transferable to CU.

"999" courses in all subject prefixes denote inter-institutional courses. See the Student Services Terms for more information.

NOTE: Students who have taken prerequisite courses longer than seven years ago are strongly encouraged to take an assessment test over the prerequisite material to ensure adequate prior knowledge to be successful in future courses. The outcome of the assessment test will help the student determine whether or not he or she needs to re-take the prerequisite course. The assessment test is available in the CCD Testing Center.

For Health Science degrees, because of program accreditation requirements, students must have completed all science courses within the previous seven years before the first day of class in a health program.
### AAA — ADVANCED ACADEMIC ACHIEVEMENT COURSES

**AAA 050 Semester Survival**
2 CREDIT HOURS

**PREREQUISITE:** English assessment score of 20 or better, Reading assessment score of 20 or better, or Math assessment score of 20 or better; or program chair or advisor permission

Emphasizes basic study skills in order to bolster their chances of completing the current semester successfully.

**AAA 090 Academic Achievement Strategies**
3 CREDIT HOURS

**PREREQUISITE:** English assessment score of 20 or better, Reading assessment score of 20 or better, or Math assessment score of 20 or better; or program chair or advisor permission

Develops personalized approaches to learn and succeed for easier transition into college. Topics include goal-setting, time management, textbook reading strategies, note-taking, test-taking, listening techniques, concentration and memory devices, and critical thinking for student success.

**AAA 099 Active Learning Skills**
1 CREDIT HOUR

**PREREQUISITE:** English assessment score of 20 or better, Reading assessment score of 20 or better, or Math assessment score of 20 or better; or program chair or advisor permission

Allows students a variety of experiences in tutorial and enhanced learning activities in the reading, writing, math, and ESL. Topics include academic support, learning styles, and contextualized learning. Students will acquire reading, English composition, English as a Second Language and/or mathematics skills through the use of course tutorial software and individualized instruction.

**AAA 101 College 101: The Student Experience**
1 CREDIT HOUR

**PREREQUISITE:** English assessment score of 20 or better, Reading assessment score of 20 or better, or Math assessment score of 20 or better; or program chair or advisor permission

Introduces students to college culture and prepares them for the challenges they will face in higher education. Through a series of interactive adventures, students discover learning in a multicultural environment and use college and community resources to attain education and career goals.

**AAA 109 Advanced Academic Achievement**
3 CREDIT HOURS

**PREREQUISITE:** English assessment score of 20 or better, Reading assessment score of 20 or better, or Math assessment score of 20 or better; or program chair or advisor permission

Examines theories and practices associated with successful learning to enhance college success. Areas of study include education and career planning, effective communication, personal management, critical and creative thinking, development of community and awareness of diversity, leadership, and techniques for successful academic performance.

### ACC — ACCOUNTING COURSES

**ACC 101 Fundamentals of Accounting**
3 CREDIT HOURS

**PREREQUISITE:** Math assessment score of 20 or better, or equivalent ACT/SAT scores

Presents the basic elements and concepts of accounting, with emphasis on the procedures used for maintaining journals, ledgers, and other related records, and for the completion of end-of-period reports for small service and merchandising businesses.

**ACC 103 Fundamentals of Accounting Lab**
1 CREDIT HOUR

**PREREQUISITE:** ACC 101 with a grade of C or better

Designed as the practical lab portion of the Fundamentals of Accounting course. Emphasizes the demonstration of recording accounting information discussed in each chapter of ACC 101.

**ACC 115 Payroll Accounting**
3 CREDIT HOURS

**PREREQUISITE:** Math assessment score of 20 or better, or equivalent ACT/SAT scores

Studies federal and state employment laws and their effects on personnel and payroll records. The course is non-technical and is intended to give students a practical working knowledge of the current payroll laws and actual experience in applying regulations. Students are exposed to computerized payroll procedures.

**ACC 121 Accounting Principles I**
4 CREDIT HOURS

**PREREQUISITE:** MAT 090 or MAT 050 with a grade of C or better or Math assessment score of 60 (EA) or better

Introduces the study of accounting principles for understanding of the theory and logic that underlie procedures and practices. Major topics include the accounting cycle for service and merchandising companies, special journals and subsidiary ledgers, internal control principles and practices, notes and interest, inventory systems and costing, plant assets and intangible asset accounting, and depreciation methods and practices.

**ACC 122 Accounting Principles II**
4 CREDIT HOURS

**PREREQUISITE:** ACC 121 with a grade of C or better

Continues the study of accounting principles as they apply to partnerships and corporations. Major topics include stocks and bonds, investments, cash flow statements, financial analysis, budgeting, and cost and managerial accounting.

**ACC 125 Computerized Accounting**
3 CREDIT HOURS

**PREREQUISITE:** ACC 101 or ACC 121 with a grade of C or better

Introduces the capabilities of computer applications in accounting. Includes solving accounting problems of a financial nature and hardware and software controls.

**ACC 131 Income Tax**
3 CREDIT HOURS

**PREREQUISITE:** ACC 101 or ACC 121 with a grade of C or better

Studies the basic concepts of federal income taxation, including gross income, deductions, accounting periods and methods, and property transactions with emphasis on taxation of individuals and sole proprietorships.

**ACC 132 Tax Help Colorado**
2 CREDIT HOURS

**PREREQUISITE:** Math assessment score of 20 or better, or equivalent ACT/SAT scores

This course prepares the students for preparation of federal and state income tax returns for individuals. Emphasis is placed on form preparation with the use of tax software.

**ACC 133 Tax Help Colorado Practicum**
1 CREDIT HOUR

**PREREQUISITE:** ACC 132 with a grade of C or better

This course allows students to prepare actual federal and state income tax returns for individuals in a real-time environment.

This class will be offered in the Spring semester only.
ACC 135 Spreadsheet Applications for Accounting
3 CREDIT HOURS
PREREQUISITE: ACC 101 or ACC 121, and CJS 118 with a grade of C or better
Introduces spreadsheets as an accounting tool. Using an accounting perspective, the student applies fundamental spreadsheet concepts. The spreadsheet is used as a problem solving and decision making tool.
NOTE: This class will be offered in the Fall semester only.

ACC 216 Governmental and Not-for-Profit Accounting
3 CREDIT HOURS
PREREQUISITE: ACC 121 and ACC 122 with a grade of C or better
Addresses concepts of budgetary control as a matter of law and public administration theory. Accounting principles and procedures necessary to implement budgetary controls for governmental units and other not-for-profit institutions and organizations are presented.
NOTE: This class will be offered in the Spring semester only.

ACC 226 Cost Accounting
3 CREDIT HOURS
PREREQUISITE: ACC 121 and ACC 122 with a grade of C or better
Studies cost accumulation methods and reports. Focuses on the concepts and procedures of job order, process, standard, and direct cost systems, budgeting, planning, and control of costs.
NOTE: This class will be offered in the Fall semester only.

ACC 280 Internship
3-6 CREDIT HOURS
PREREQUISITE: ACC 121 and ACC 122 with a grade of C or better and instructor permission
Provides students with the opportunity to supplement coursework with practical work experience related to their educational program. Students work under the immediate supervision of experienced personnel at the business location and with the direct guidance of the instructor.
NOTE: This class will be offered in the Spring semester only.

AEC — ARCHITECTURE/ENGINEERING/CONSTRUCTION COURSES

AEC 100 Introduction to Design Theory
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; and grade of C or better in MAT 090 or MAT 050, or English assessment score of 95 or better and/or Reading assessment score of 80 or better, and Math assessment score of 60 or better, or equivalent ACT/SAT scores
Evaluates design environments both physical and theoretical. Students will be encouraged to consider how social and individual behavior is reflected in and influenced by these designed environments. Through exploration of assigned readings and movies, the student will critically assess how design influences our perception of the built environment that surrounds us and the design theory behind it.

AEC 102 Residential Construction Drawing
4 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; and grade of C or better in MAT 090 or MAT 050, or English assessment score of 95 or better and/or Reading assessment score of 80 or better, and Math assessment score of 60 or better, or equivalent ACT/SAT scores
Covers an investigation of light frame construction techniques and the production of residential construction drawings.

AEC 103 Introduction to Architectural Design Drawing
3 CREDIT HOURS
COREQUISITE: AEC 108
Introduces the student to basic concepts and techniques of manual drafting and freehand drawing, diagramming, and visualization used within the course of professional architectural practice.

AEC 104 Architectural Drawing Theory
4 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; and grade of C or better in MAT 090 or MAT 050, or English assessment score of 95 or better and/or Reading assessment score of 80 or better, and Math assessment score of 60 or better, or equivalent ACT/SAT scores
Print reading, construction assemblies, terminology, isometric drawings, orthographic projections, and oblique sketching.

AEC 108 Beginning Digital Architectural Graphics
4 CREDIT HOURS
COREQUISITE: AEC 103
With an emphasis on architectural illustration and depicting the design of a building in accurate detail, this course introduces basic components of computer graphics and digital media. Focuses on digital vector and raster graphics and their application in architectural drawing, rendering, photography, and layout.

AEC 121 Construction Materials and Systems
3 CREDIT HOURS
PREREQUISITE: CAD 224 with a grade of C or better or chair permission
Examines building materials and construction techniques. Topics include a study of soils, concrete, brick, masonry, steel, timber, and plastics and a study of types of building structural systems and components. Principles of interpreting light commercial construction drawings (blueprints) for structural and trade information are also introduced.

AEC 122 Construction Practices and Documents
2 CREDIT HOURS
PREREQUISITE: AEC 102 with a grade of C or better or chair permission
Investigates construction practices, specifications, contracts and other legal documents used in the building construction industry. The roles and responsibilities of design and construction team participants are also explored.

AEC 123 Commercial Construction Drawings
4 CREDIT HOURS
PREREQUISITE: AEC 102 with a grade of C or better and MAT 108 or MAT 121 with a grade of C or better, or chair permission
Examines the drawing of architectural plans, elevations, sections, details, and schedules. Students produce a portfolio of construction drawings of a multi-story skeleton structure.

AEC 125 History of Architecture
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; and grade of C or better in MAT 090 or MAT 050, or English assessment score of 95 or better and/or Reading assessment score of 80 or better, and Math assessment score of 60 or better, or equivalent ACT/SAT scores
This course will cover major periods of architectural development. Social and cultural values influencing architecture will be highlighted as well as the interaction of art, engineering and architecture as forms of expression.

AEC 152 Construction Technologies 1
4 CREDIT HOURS
PREREQUISITE: AEC 108 with a grade of C or better
This course investigates construction assemblies and methods related to wood frame and masonry veneer construction. It examines the structural systems related to wood frame, including typical foundations, typical finishes and other associated materials, basic building programming and cost estimating, and preparation of working drawings.

AEC 161 Precedents in Architecture: Local Masterworks of Building Craft
3 CREDIT HOURS
PREREQUISITE: ACC 100 and ACC 103 with a grade of C or better
RECOMMENDED COREQUISITE: CAD 224
Evaluates and documents masterworks of the builder’s craft, old and new, in our locality: the Denver Area. Students will learn the significance of precedents in architecture and how to document as well as how to demonstrate such precedents on-site to an audience. Further, students will gain an understanding of the role of craft in the design and construction of exceptionally well executed buildings. Great emphasis will be placed on local conditions and the specifics of the site addressed by these masterworks. These are neither famous buildings nor buildings designed by great architects, rather, they are exemplars of design and construction as elevated craft.

AEC 175 Special Topics
2-12 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor
Provides students with a vehicle to pursue in depth exploration of special topics of interest.
AEC 201 Architectural Design Fundamentals
4 CREDIT HOURS
Prerequisite: AEC 100, AEC 103 and AEC 161 with a grade of C or better
Introduces the student to a full profession-based set of interrelated architectural design competencies through a classic design studio learning framework, with a focus on the design of a semester-long building program and the production of critical presentation media (drawing, model, digital representation, and diagramming).

AEC 205 Applied Statics and Strengths of Materials
3 CREDIT HOURS
Prerequisite: AEC 102 with a grade of C or better or chair permission
Provides an algebra-based investigation of concepts in statics and strengths of materials. Topics include a study of fundamental mechanical properties of materials, single planar forces, properties of sections, and two-dimensional free body, shear, and bending moment diagrams.

AEC 215 Elementary Site Planning
3 CREDIT HOURS
Prerequisite: AEC 102 with a grade of C or better or chair permission
Acquaints the student with basic surveying principles, building site analysis, and associated drawings. Emphasis is placed on systems of land survey, topographical analysis, zoning and site requirements, and other factors that influence building site development. Students complete problems in building construction surveying.

AEC 218 Sustainable Building Systems
3 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and FEA 090, and grade of C or better in MAT 090 or MAT 050, or English assessment score of 95 or better and/or Reading assessment score of 80 or better, and Math assessment score of 60 or better; or equivalent ACT/SAT scores
Investigates the technologies and strategies related to sustainable (green) materials and systems for buildings. Topics include: energy and environmental consciousness/regulations; the high performance building envelope: alternative construction techniques (adobe, cob, rammed earth, straw bale); microclimate/site factors; sustainable/green materials; and passive solar; active thermal solar; photovoltaic energy, wind energy conversion, on-site water use/reuse and waste disposal systems.

AEC 221 Building Electrical and Mechanical Systems
3 CREDIT HOURS
Prerequisite: AEC 102 with a grade of C or better or chair permission
Acquaints the student with electrical and mechanical equipment and systems in buildings. Lectures cover the basic principles of electrical distribution, artificial lighting, fire protection, plumbing systems and heating, ventilating, and air conditioning (HVAC) systems.

AEC 225 Architectural Design & Development
4 CREDIT HOURS
Prerequisite: Grade of C or better in AEC 100 and AEC 104, and grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and FEA 090, and grade of C or better in MAT 090 or MAT 050, or English assessment score of 95 or better and/or Reading assessment score of 80 or better, and Math assessment score of 60 or better; or equivalent ACT/SAT scores
Covers conceptual design, site analysis, and architectural drafting techniques.

AEC 228 Contracts and The Legal Environment
3 CREDIT HOURS
Prerequisite: AEC 121 with a grade of C or better or chair permission
Introduces different types of contracts, legal requirements and liabilities that are related to the construction industry. This course also focuses on contracting parties and their legal options and obligations when they interact during the construction phases. Specifications as an important part of the construction documents will be introduced.

AEC 236 International Building Codes
3 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and FEA 090, and grade of C or better in MAT 090 or MAT 050, or English assessment score of 95 or better and/or Reading assessment score of 80 or better, and Math assessment score of 60 or better; or equivalent ACT/SAT scores
A study is made of the restrictions, standards, and requirements that in the interest of public safety and welfare have been established by law to govern the construction of buildings and their materials. Specifications are developed to describe building materials to be furnished and how they are to be installed.

AEC 252 Construction Technologies 2
4 CREDIT HOURS
Prerequisite: AEC 152 and CAD 227 with a grade of C or better
This course investigates construction assemblies and methods related to Steel, Structural Masonry and Concrete construction. It examines the structural and material systems related to these types of construction, including deep foundations, curtain walls, and conveying systems. Special emphasis is placed on the role of the architect in the selection of materials and construction methods. This course also examines the preparation of a full set of construction documents, with particular attention to the preparation of Construction Specifications.

AEC 275 Special Topics
3-6 CREDIT HOURS
Prerequisite: This course may require prerequisites or permission of instructor
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

AEC 280 Internship
6 CREDIT HOURS
Prerequisite: AEC 201 Architectural Design Fundamentals
Provides students with the opportunity to supplement coursework with practical work experience related to their educational program. Students work under the immediate supervision of experienced personnel at the business location and with the direct guidance of the instructor.

AEC 289 Capstone
6 CREDIT HOURS
Prerequisite: AEC 102 and AEC 225 with a grade of C or better
Applies knowledge of building construction techniques and architectural drawing conventions in developing plans, elevations, sections and details of a building structure by developing a set of construction drawings from design development drawings and specifications.

ANT — ANTHROPOLOGY COURSES

ANT 101 Cultural Anthropology: GT-SS3
3 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores
Studies human cultural patterns and learned behavior including linguistics, social and political organization, religion, culture and personality, culture change and applied anthropology. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

ANT 107 Introduction to Archaeology: GT-SS3
3 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores
Introduces the science of recovering the human prehistoric and historic past through excavation, analysis, and interpretation of material remains. The course provides a survey of the archaeology of different areas of the Old and New Worlds and the works of selected archaeologists and discusses major archaeological theories. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

ANT 111 Biological Anthropology with Lab: GT-SC1
4 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores
Focuses on the study of the human species and related organisms, and examines principles of genetics, evolution, anatomy, classification, and ecology, including a survey of human variation and adaptation, living primate biology and behavior, and primate and human fossil evolutionary history. This course is approved as part of the Colorado Statewide Guaranteed Transfer curriculum: GT-SC1

ANT 175 Special Topics
1-12 CREDIT HOURS
Prerequisite: This course may require prerequisites or permission of instructor
Studies human cultural patterns and learned behavior. Includes linguistics, social and political organization, religion, culture and personality, culture change, and applied anthropology.
ANT 201 Intro to Forensic Anthropology: GT-SS3
3 CREDIT HOURS
PREREQUISITE: ENG 121 with a grade of C or better
Studies the basic principles of forensic anthropology, an applied field within the discipline of physical anthropology. The course includes the study of the human skeleton, practical application of physical anthropology and archeology, and judicial procedure, as they relate to the identification of human remains within a medico-legal context. This course is one of the Statewide Guaranteed Transfer Courses. GT-SS3

ANT 215 Indians of North America: GT-SS3
3 CREDIT HOURS
PREREQUISITE: ENG 121 with a grade of C or better
Studies the Indians of North America from the origins of native peoples in the New World, through the development of geographic culture areas, to European contact and the subsequent contemporary Native American issues. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

ANT 225 Anthropology of Religion
3 CREDIT HOURS
PREREQUISITE: ANT 101 and ENG 121 with a grade of C or better
Explores the culturally universal phenomenon of religion including cross-cultural varieties of beliefs in the supernatural and the religious rituals people employ to interpret and control their worlds.

ANT 240 Environmental Anthropology
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores
Investigates human-environment interactions, including cultural constructions of nature, sociocultural adaptations to various environments, and transformation of the environment both in the past and the present. Also considers human relationships with global climate, and attempts to mitigate human impacts on the environment.

ANT 250 Medical Anthropology: GT-SS3
3 CREDIT HOURS
PREREQUISITE: ANT 101 and ENG 121 with a grade of C or better, or chair permission
Studies the basic principles of medical anthropology, an applied field within the discipline of cultural anthropology including the cross-cultural study of practices and beliefs regarding illness, health, death, prevention and therapy; and the interaction of the medical systems between Western and other cultures. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

ANT 255 Anthropology of Energy
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores
Examines issues of energy production and consumption that occupy a central role in national and global debates. Where does the majority of our energy currently come from, and where should it come from in the future? What is at stake in our energy lifestyles on both local and global scales?

ANT 260 Sex, Gender and Culture
3 CREDIT HOURS
PREREQUISITE: ANT 101 and ENG 121 with a grade of C or better
Explores the anthropology of gender including the relationship between biology and culture in human evolution, archeological evidence of gender distinctions in prehistory, cross-cultural constructions of masculinity, femininity, and sexuality, variations in the sexual division of labor and economic stratification, gender differences in ritual and religion, and the impact of gender issues in contemporary global culture change.

ANT 275 Special Topics
0-12 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor
Provides opportunity for off-campus field experience or study of a special topic in anthropology. Field study may occur at archaeological sites, museums, host educational institutions, within ethnographic situations, or other anthropologically appropriate places. Study of a special topic may include that derived from physical anthropology, cultural anthropology, archaeology, or other anthropological discipline.

ANT 285 Independent Study
0-12 CREDIT HOURS
PREREQUISITE: ENG 121 with a grade of C or better
Allows the student to independently study certain aspects of anthropology. It provides opportunity to investigate an area of interest that developed in introductory courses.

ARA — ARABIC COURSES

ARA 101 Conversational Arabic I
3 CREDIT HOURS
PREREQUISITE: English assessment score of 20 or better, or equivalent ACT/SAT scores
Introduces beginning students to conversational Arabic and focuses on understanding and speaking Arabic. Covers basic vocabulary, grammar, and expressions that are used in daily situations and in travel.

ARA 102 Conversational Arabic II
3 CREDIT HOURS
PREREQUISITE: ARA 101 with a grade of C or better
Continues the sequence for students who wish to understand and speak Arabic. Covers basic conversational patterns, expressions, and grammar.

ARA 111 Arabic Language I
5 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or English assessment score of 70 or better and/or Reading assessment score of 62 or better
Begins a sequence dealing with the development of functional proficiency in listening, speaking, reading and writing the Arabic language.

ARA 112 Arabic Language II
5 CREDIT HOURS
PREREQUISITE: ARA 111 with a grade of C or better
Continues ARA 111 Arabic Language I in the development of functional proficiency in listening, speaking, reading and writing the Arabic language.

ARA 211 Arabic Language III
3 CREDIT HOURS
PREREQUISITE: ARA 111 and ARA 112 with a grade of C or better
Continues ARA 111 Arabic Language I and ARA 112 Arabic Language II in the development of increased functional proficiency in listening, speaking, reading and writing the Arabic language.

ARA 212 Arabic Language IV
3 CREDIT HOURS
PREREQUISITE: ARA 211 with a grade of C or better
Continues ARA 111 Arabic Language I, ARA 112 Arabic Language II and ARA 211 Arabic Language III in the development of increased functional proficiency in listening, speaking, reading and writing the Arabic language.

ARA 275 Special Topics
0-12 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

ARA 285 Independent Study
0-12 CREDIT HOURS
PREREQUISITE: Instructor permission
Meets the individual needs of students. Students engage in intensive study or research under the direction of a qualified instructor.

ART — VISUAL ARTS COURSES

ART 110 Art Appreciation: GT-AH1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or English assessment score of 95 or better; or equivalent ACT/SAT scores
Introduces the cultural significance of the visual arts, including media, processes, techniques, traditions, and terminology. This course is one of the Statewide Guaranteed Transfer courses. GT-AH1
ART 111 Art History Ancient to Medieval: GT-AH1
3 CREDIT HOURS  
**Prerequisite:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores.

Provides the knowledge base to understand the visual arts, especially as related to Western culture. Surveys the visual arts from the Ancient through the Medieval periods. This course is one of the Statewide Guaranteed Transfer courses. GT-AH1

ART 112 Art History Renaissance to Modern: GT-AH1
3 CREDIT HOURS  
**Prerequisite:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores.

Provides the knowledge base to understand the visual arts, especially as related to Western culture. Surveys the visual arts from the Renaissance through the Modern periods. This course is one of the Statewide Guaranteed Transfer courses. GT-AH1

ART 121 Drawing I
3 CREDIT HOURS  
**Prerequisite:** English assessment score of 20 or better, or equivalent ACT/SAT scores.

Investigates the various approaches and media that students need to develop drawing skills and visual perception.

ART 122 Drawing for the Graphic Novel
3 CREDIT HOURS  
**Prerequisite:** ART 121 with a grade of C or better, or Program Chair permission.

Introduces the drawing and fine art principles used in developing illustrations for the graphic novel. Students explore the graphic novel as a vehicle for a unique, personal venue for artistic expression. Students explore the history of the graphic novel as well as examine different artistic styles used in the development of graphic novel illustrations. The application of artistic concepts in the creation of an individual graphic work and thorough examination of course material in terms of style, design considerations and visual elements are the primary focus. Students will create images for a graphic novel, focusing on unity of style and content development.

ART 123 Visual Concepts 2-D Design
3 CREDIT HOURS  
**Prerequisite:** English assessment score of 20 or better, or equivalent ACT/SAT scores.

Examines the basic elements of design, visual perception, and artistic form and composition as they relate to two-dimensional media.

ART 124 Watercolor I
3 CREDIT HOURS  
**Prerequisite:** ART 121 with a grade of C or better.

Provides an introduction to the basic techniques and unique aspects of materials involved in the use of either transparent or opaque water media or both. Color theory is included.

ART 125 Figure Drawing I
3 CREDIT HOURS  
**Prerequisite:** ART 121 with a grade of C or better.

Introduces the basic techniques of drawing the human figure.

ART 131 Visual Concepts 2-D Design
3 CREDIT HOURS  
**Prerequisite:** English assessment score of 20 or better, or equivalent ACT/SAT scores.

Examines the basic elements of design, visual perception, and artistic form and composition as they relate to two-dimensional media.

ART 132 Visual Concepts 3-D Design
3 CREDIT HOURS  
**Prerequisite:** ART 131 with a grade of C or better.

Focuses on learning to apply the elements and principles of design to three-dimensional problems.

ART 138 Film Photography I
3 CREDIT HOURS  
**Prerequisite:** English assessment score of 20 or better, or equivalent ACT/SAT scores.

Introduces black and white photography as a fine art medium and develops skills necessary for basic camera and lab operations.

ART 139 Digital Photography I
3 CREDIT HOURS  
**Prerequisite:** ART 131 with a grade of C or better, or Program Chair permission.

Introduces the basic concepts of digital imaging as applied to photography. Using applicable technology and hands-on experience, modern developments are presented leading to the present applications of digital imaging which combine traditional photographic ideas with electronic media. Enables the student to learn how to operate image manipulation software using a variety of scanning equipment, software tools and output devices by executing new assignments and applying these technologies to their photographic process.

ART 151 Painting I
3 CREDIT HOURS  
**Prerequisite:** ART 131 with a grade of C or better.

Explores basic techniques, materials, and concepts used in opaque painting processes in oil or acrylic painting to depict form and space on a two-dimensional surface.

ART 161 Ceramics I
3 CREDIT HOURS  
**Prerequisite:** Instructor permission

Introduces traditional and contemporary ceramic forms and processes including hand building and throwing on the potter’s wheel.

ART 175 Special Topics
0-12 CREDIT HOURS  
**Prerequisite:** This course may require prerequisites or permission of instructor.

Provides students with a vehicle to pursue in-depth exploration of special topics of interest.

ART 207 Art History 1900 to Present: GT-AH1
3 CREDIT HOURS  
**Prerequisite:** ART 110, or ART 111, or ART 112 with a grade of C or better.

Provides students with the knowledge base to understand the visual arts as related to Modern and Contemporary visual art. Surveys world art of the twentieth century, including Modernism to Post-Modernism. The course is one of the Statewide Guaranteed Transfer courses. GT-AH1

ART 221 Drawing II
3 CREDIT HOURS  
**Prerequisite:** ART 121 with a grade of C or better.

Explores expressive drawing techniques with an emphasis on formal composition, color media and content or thematic development.

ART 238 Film Photography II
3 CREDIT HOURS  
**Prerequisite:** ART 138 with a grade of C or better.

Expands upon the beginning digital photography class. Focuses on digital photography in terms of design and communication factors including color, visual design, lighting, graphics, and aesthetics.

ART 251 Painting II
3 CREDIT HOURS  
**Prerequisite:** ART 151 and ART 131 with a grade of C or better, or Program Chair permission

This course further explores techniques, materials, and concepts used in opaque painting processes in oil or acrylic painting, with emphasis on composition and content development.

ART 252 Painting III
3 CREDIT HOURS  
**Prerequisite:** ART 121 and ART 251 with a grade of C or better.

Provides continued exploration of techniques, materials, and concepts used in opaque painting processes in oil or acrylic painting, with emphasis on composition and content development.

ART 253 Painting IV
3 CREDIT HOURS  
**Prerequisite:** ART 121 and ART 252 with a grade of C or better, or Program Chair permission

Explores advanced techniques, materials, and concepts used in opaque painting processes, with emphasis on the development of themes and a cohesive body of work.
AST — ASTRONOMY COURSES

AST 101 Astronomy I with Lab: GT-SC1
4 CREDIT HOURS

Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; and grade of C or better in MAT 090 or MAT 050; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; and Math assessment score of 60 or better; or equivalent ACT/SAT scores.

Focuses on the history of astronomy, the tools of the astronomer, and the contents of the solar system, including the planets, moons, asteroids, comets, and meteoroids. Incorporates laboratory experience. This course is one of the Statewide Guaranteed Transfer Courses. GT-SC1

AST 102 Astronomy II with Lab: GT-SC1
4 CREDIT HOURS

Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; and grade of C or better in MAT 090 or MAT 050; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; and Math assessment score of 60 or better; or equivalent ACT/SAT scores.

Emphasizes the structure and life cycle of the stars, the sun, galaxies, and the universe as a whole, including cosmology and relativity. Incorporates laboratory experience. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

AST 155 Astronomy of Ancient Cultures
3 CREDIT HOURS

Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; and grade of C or better in MAT 090 or MAT 050; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; and Math assessment score of 60 or better; or equivalent ACT/SAT scores.

Introduces the study of archaeoastronomy and ethnoastronomy. Students will study the principles of naked eye astronomy and examine how those principles have been used for timekeeping, navigation, religion and ritual, political power, cosmology and worldview. Methods of the ethnoastronomer will be covered, including measurement of alignments, analysis of written records, examination of art and architecture, and incorporation of general knowledge about the culture being studied.

BIO — BIOLOGY COURSES

BIO 103 Principles of Animal Biology: GT-SC2
3 CREDIT HOURS

Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; and grade of C or better in MAT 090 or MAT 050; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; and Math assessment score of 60 or better; or equivalent ACT/SAT scores.

Introduces the student to the study of animals from the cellular level to the interactions of the organism within its environment, and their ecological contributions. This course includes principles of evolution, animal ecology, animal architecture, taxonomy, and phylogeny. It also includes the study of animal diversity, emphasizing the characteristics and classifications of animal phyla and major classes. This course is one of the Statewide Guaranteed Transfer courses. GT-SC2.

BIO 105 Science of Biology with Lab: GT-SC1
4 CREDIT HOURS

Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; and grade of C or better in MAT 090 or MAT 050; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; and Math assessment score of 60 or better; or equivalent ACT/SAT scores.

Examines the basis of biology in the modern world and surveys the current knowledge and conceptual framework of the discipline. Explores biology as a science - a process of gaining new knowledge - and as the impact of biological science on society. Includes laboratory experiences. Designed for non-science majors. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

BIO 106 Basic Anatomy and Physiology
4 CREDIT HOURS

Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; and grade of C or better in MAT 090 or MAT 050; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; and Math assessment score of 60 or better; or equivalent ACT/SAT scores.

Focuses on basic knowledge of body structures and function, and provides a foundation for understanding deviations from normal and diseased conditions. This course is designed for individuals interested in health care and is

ART 255 Mural Painting I
3 CREDIT HOURS

Prerequisite: ART 121, ART 131, and ART 151 with a grade of C or better, or instructor permission.

This course introduces the student to the history, techniques, materials and concepts of mural painting with an emphasis on composition and content development.

ART 261 Ceramics II
3 CREDIT HOURS

Prerequisite: ART 161 with a grade of C or better

A continuation of ART 161, this course emphasizes skill, technique and form.

ART 275 Special Topics
0-12 CREDIT HOURS

Prerequisite: This course may require prerequisites or permission of instructor.

Provides the student with a vehicle to pursue in depth exploration of special topics of interest.

ART 285 Independent Study
0-12 CREDIT HOURS

Prerequisite: Instructor permission.

Provides structured and guided, individualized research that is organized and tailored around the interests and needs of the individual student.

ASL — AMERICAN SIGN LANGUAGE COURSES

ASL 121 American Sign Language I
5 CREDIT HOURS

Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; and English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores.

Explores the student to American Sign Language. Readiness activities are conducted focusing on visual/receptive skills and basic communication. Utilizes the direct experience method. Students must complete this course with a “B” or higher or pass the ASL proficiency test with a score of at least 80% or better prior to registering for ASL 122 if planning to enroll in the Interpreter Preparation Program.

ASL 122 American Sign Language II
5 CREDIT HOURS

Prerequisite: ASL 121 with a grade of C or better, or instructor permission.

Develops a basic syntactic knowledge of American Sign Language (ASL), basic vocabulary and basic conversational skills. Incorporates vital aspects of deaf culture and community. The direct experience method is used to enhance the learning process. Students must complete this course with a B or higher or pass the ASL 121 proficiency test at 80% or better prior to acceptance into the Interpreting and Translating Preparation program.

ASL 123 American Sign Language III
5 CREDIT HOURS

Prerequisite: ASL 122 with a grade of C or better.

Provides the student an opportunity to develop a stronger grasp of American Sign Language (ASL), as well as the cultural features of the language. ASL vocabulary is also increased. The direct experience method is used to further enhance the learning process. This course is a continuation of ASL 122 with more emphasis on expressive skills in signing.

ASL 275 Special Topics
0-12 CREDIT HOURS

Prerequisite: This course may require prerequisites or permission of instructor.

Provides students with a vehicle to pursue in depth exploration of special topics of interest.

ASL 285 Independent Study
0-12 CREDIT HOURS

Prerequisite: Instructor permission.

Meets the individual needs of students. Students engage in intensive study or research under the direction of a qualified instructor.
BIO 111 General College Biology I with Lab: GT-SC1
5 CREDIT HOURS
**Prerequisite:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and grade of C or better in MAT 055, MAT 099, MAT 120, or MAT 135; or MAT 055 as a corequisite; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; and Math assessment score of 85 or better; or equivalent ACT/SAT scores

Examines the fundamental molecular, cellular, and genetic principles characterizing plants and animals. Includes cell structure and function and the metabolic processes of respiration and photosynthesis, as well as cell reproduction and basic concepts of heredity. The course includes laboratory experience. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

BIO 112 General College Biology II with Lab: GT-SC1
5 CREDIT HOURS
**Prerequisite:** BIO 111 with a grade of C or better

A continuation of BIO 111, Biology I. Includes ecology, evolution, classification, structure, and function in plants and animals. This course includes laboratory experience. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

BIO 116 Introduction to Human Disease: GT-SC2
3 CREDIT HOURS
**Prerequisite:** BIO 105, BIO 106, or BIO 111 with a grade of C or better

Focused analysis of the causes and mechanics of human illness and death will be presented for each of the major human body systems. Selected diseases will be studied in greater detail, including etiology, pathogenesis, epidemiology, sociology, and therapy. This course is one of the Statewide Guaranteed Transfer courses. GT-SC2

BIO 175 Special Topics
0-12 CREDIT HOURS
**Prerequisite:** This course may require prerequisites or permission of instructor

Provides students with a vehicle to pursue in depth exploration of special topics of interest.

BIO 201 Human Anatomy and Physiology I with Lab: GT-SC1
4 CREDIT HOURS
**Prerequisite:** BIO 111 with a grade of C or better

Focuses on an integrated study of the human body, including the histology, anatomy, and physiology of each system. Examines molecular, cellular, and tissue levels of organization plus integuments, skeletal, articulations, muscular, nervous, and endocrine systems. Includes a mandatory hands-on laboratory experience covering experimentation, microscopy, observations, and dissection. This is the first semester of a two-semester sequence. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

BIO 203 Human Anatomy and Physiology II with Lab: GT-SC1
4 CREDIT HOURS
**Prerequisite:** BIO 201 with a grade of C or better

Focuses on the integrated study of the human body and the histology, anatomy, and physiology of the following systems and topics: cardiovascular, hematologic, lymphatic and immune, urinary, fluid and electrolyte control, digestive, respiratory, reproductive, and developmental. Includes a mandatory hands-on laboratory experience involving experimentation, microscopy, observations, and dissection. This is the second semester of a two-semester sequence. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

BIO 204 Microbiology with Lab: GT-SC1
4 CREDIT HOURS
**Prerequisite:** BIO 202 or BIO 111 with a grade of C or better

Designed for health science majors. Examines microorganisms with an emphasis on their structure, development, physiology, classification, and identification. The laboratory experience includes culturing, identifying, and controlling microorganisms with an emphasis on their role in infectious disease. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

BIO 216 Human Pathophysiology
4 CREDIT HOURS
**Prerequisite:** ENG 121 and BIO 204 with a grade of C or better, or ENG 121 with a grade of C or better and BIO 204 as a corequisite

Focuses on the alterations in physiological, cellular, and biochemical processes, the associated homeostatic responses, and the manifestations of disease. Prior knowledge of cellular biology, anatomy, and physiology is essential for the study of pathophysiology.

BIO 220 General Zoology with Lab: GT-SC1
5 CREDIT HOURS
**Prerequisite:** BIO 111 or BIO 105 with a grade of C or better

Focuses on the study of invertebrate and vertebrate animals and examines structure, evolutionary development, ecology, classification, physiology, reproduction, and zoogeography. A survey of zoological diversity emphasizing the characteristics, zoological contributions, and classification of animal phyla and major classes. This course requires hands-on laboratory and field experience. This course is designed for biology majors. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

BIO 221 Botany I with Lab: GT-SC1
5 CREDIT HOURS
**Prerequisite:** BIO 111 with a grade of C or better

Studies nonvascular and vascular plants, emphasizing photosynthetic pathways, form and function, reproduction, physiology, genetics, diversity, evolution, and ecology. This course requires mandatory hands-on laboratory and field experience. This course is designed for biology majors. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

BIO 265 Techniques in Cell Culture and Protein Production
4 CREDIT HOURS
**Prerequisite:** BIO 111 with a grade of C or better

Focuses on the methods commonly used in biotech manufacturing facilities. Includes eukaryotic cell culture, prokaryotic fermentation, and protein production and purification. Requires hands-on laboratory experience.

BIO 269 Nucleic Acid Techniques and Molecular Cloning
4 CREDIT HOURS
**Prerequisite:** BIO 111 with a grade of C or better

Introduces Recombinant DNA technology as used in Biomedical Research. Covers basic information on the structure and function of DNA as a genetic material before students are guided through a research project involving the isolation and sequence analysis of a gene. Students perform hands-on laboratory techniques on non-infectious material to include PCR, gel electrophoresis, molecular cloning, and automated DNA sequencing.

BIO 275 Special Topics
0-12 CREDIT HOURS
**Prerequisite:** This course may require prerequisites or permission of instructor

Covers a specific topic within Biology, as determined by the instructor. Reflects the special expertise of the faculty and/or the special needs of the students.

BTE — BUSINESS TECHNOLOGY COURSES

BTE 100 Computer Keyboarding I
1 CREDIT HOUR
**Prerequisite:** English assessment score of 20 or better and Math assessment score of 20 or better, or equivalent ACT/SAT scores

Designed for students who have minimal or no keyboarding skills. Introduces the touch method of keyboarding, as well as the basic operation and functions of the equipment. Emphasizes learning the alphanumeric keyboard, proper technique, and speed control.

BTE 102 Keyboarding Applications I
2 CREDIT HOURS
**Prerequisite:** BTE 100 with a grade of C or better, or instructor permission (keyboarding skills of 20 wpm)

Designed for students with minimal keyboarding skills. Introduces letters, tables, memos and manuscripts. Emphasizes speed and accuracy.

BTE 103 Keyboarding Applications II
3 CREDIT HOURS
**Prerequisite:** BTE 102 with a grade of C or better (keyboarding skills of 30 wpm)

Reinforces basic keyboarding formats and procedures. Productivity and decision-making skills are exercised. Emphasizes speed and accuracy.
**BTE 108 Ten-Key by Touch**
1 CREDIT HOUR
**PREREQUISITE:** English assessment score of 20 or better and Math assessment score of 20 or better, or equivalent ACT/SAT scores

Introduces the student to touch control of a ten-key pad. The class emphasizes the development of speed and accuracy using proper technique.

**BTE 111 Keyboarding Speedbuilding I**
2 CREDIT HOURS
**PREREQUISITE:** BTE 108 with a grade of C or better, or instructor permission

Designed to increase speed and improve accuracy in keyboarding on the PC through the use of correct techniques and concentrated effort.

**BTE 112 Keyboard Speedbuilding II**
2 CREDIT HOURS
**PREREQUISITE:** BTE 111 with a grade of C or better, or instructor permission

Continues the skill building sets from BTE 111. This course is designed to further increase speed and improve accuracy in keyboarding on the PC through the use of correct techniques and concentrated effort.

**BTE 117 Legal Terminology and Procedures**
3 CREDIT HOURS
**PREREQUISITE:** English assessment score of 20 or better and Math assessment score of 20 or better, or equivalent ACT/SAT scores

Introduces legal terminology and its proper usage in legal documents, legal instruments, and legal correspondence. Emphasis will be placed on definition of legal terms and expressions, correct spelling of terms, correct pronunciation, proper usage in a legal context, and legal procedures. The student will gain a basic understanding of the various areas of the law and career opportunities.

**BTE 120 Electronic Office Procedures**
3 CREDIT HOURS
**PREREQUISITE:** English assessment score of 20 or better and Math assessment score of 20 or better, or equivalent ACT/SAT scores

Provides instruction in the latest electronic office procedures using business technologies which include: e-mail, FAX, Windows, presentation graphics, telephones techniques, internet, electronic calendaring and appointment scheduling.

**BTE 125 Records Management**
3 CREDIT HOURS
**PREREQUISITE:** English assessment score of 20 or better and Math assessment score of 20 or better, or equivalent ACT/SAT scores

Instructs on how records are created, stored and retrieved. Covers the basic filing rules — classifying, indexing, coding, storing, and retrieving as applied to the basic methods — alphabetic, chronological, subject, numeric, and geographic. Emphasizes “hands-on” records management through the use of simulations, which includes manual and/or computer software.

**BTE 156 Business Mathematics with Calculators**
4 CREDIT HOURS
**PREREQUISITE:** Math assessment score of 30 (EA) or better and Reading assessment score of 40 or better

Covers basic business mathematics using the touch system on electronic calculators to solve business problems.

**BTE 187 Cooperative Education/Internship**
2 CREDIT HOURS
**PREREQUISITE:** Chair permission

Provides students with the opportunity to supplement course work with practical work experience related to their educational program and occupational objectives. Students are placed at approved work sites that are related to their program of study. They work under the immediate supervision of experienced personnel at the business location and with the direct guidance of the instructor/coordinator.

**BTE 225 Administrative Office Management**
3 CREDIT HOURS
**PREREQUISITE:** English assessment score of 20 or better and Math assessment score of 20 or better, or equivalent ACT/SAT scores

Emphasis is placed on functions of the office. Includes office organization, work in the office, office layout, equipment and supplies, procurement and control, work flow, forms design, record storage and retrieval systems, personnel administration and problems, and government control.

**BTE 257 Managing Office Technology**
3 CREDIT HOURS
**PREREQUISITE:** English assessment score of 20 or better and Math assessment score of 20 or better, or equivalent ACT/SAT scores

Utilizes integrated software applications to research, explore, and report on current concepts of the cooperative computing environment and how office productivity is affected by modern technology.

**BTE 287 Cooperative Education/Internship**
3 CREDIT HOURS
**PREREQUISITE:** Chair permission

Provides students with the opportunity to supplement course work with practical work experience related to their educational program and occupational objectives. Students are placed at approved work sites that are related to their program of study. They work under the immediate supervision of experienced personnel at the business location and with the direct guidance of the instructor/coordinator.

**BUS — BUSINESS ADMINISTRATION COURSES**

**BUS 110 Working for Yourself**
2 CREDIT HOURS

Introduces small business start-up and offers practical training designed to provide students with a fundamental understanding of the special concerns of self-employment. The course also provides an overview of the subjects needed to become an entrepreneur, including financing, law insurance, government regulations, record keeping, and taxes. Guest speakers with expertise in the various topics add to the weekly discussion.

**BUS 115 Introduction to Business**
3 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in CCR 092, ENG 060 and REA 060, or English assessment score of 70 or better and/or Reading assessment score of 62 or better; and grade of C or better in MAT 031 or Math assessment score of 57 (EA) or better

Focuses on the operation of the American business system. Covers fundamentals of the economy, careers and opportunities, marketing, management, production, governmental regulations, tools of business, and social responsibilities.

**BUS 116 Personal Finance**
3 CREDIT HOURS

Survey the basic personal financial needs of most individuals. Emphasizes the basics of budgeting and buying, saving and borrowing money, home ownership, income tax and investments, and the wise use of insurance, wills and trusts.

**BUS 175 Special Topics in Business**
1-3 CREDIT HOURS
**PREREQUISITE:** This course may require prerequisites or permission of instructor

Provides students with a vehicle to pursue special topics of interest in business. The content of this course is designed on an as needed basis to provide current, up-to-date information. The content of this course will change from year to year.

**BUS 203 Introduction to International Business**
3 CREDIT HOURS
**PREREQUISITE:** BUS 115 with a grade of C or better

Provides students with an understanding of the interdisciplinary nature of international business. Course will cover the development of international business, theories and methods of international trade, financing mechanisms and terms used in export documentation and export finance, the effects of economics, political and cultural environment on international business and trade, impact of geography in business transactions, legal aspects of international business, and developing an effective international marketing strategy.

**BUS 216 Legal Environment of Business**
3 CREDIT HOURS
**PREREQUISITE:** BUS 115 or CIS 118 with a grade of C or better

Emphasizes public law, regulation of business, ethical considerations, and various relationships existing within society, government and business. Specific attention will be devoted to economic regulation, social regulation, regulation and laws impacting labor management issues and environmental concerns. Students will develop an understanding of the role of law in social, political and economic change.
BUS 217 Business Communication and Report Writing
3 CREDIT HOURS
PREREQUISITES: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores.

Emphasizes effective business writing and cover letters, memoranda, reports, application letters, and resumes. Includes the fundamentals of business communication and an introduction to international communication.

BUS 226 Business Statistics
3 CREDIT HOURS
PREREQUISITES: Grade of C or better in BUS 115 and grade of C or better in CCR 092, CCR 093, CCR 094, or REA 090; or Reading assessment score of 80 or better, and grade of C or better in MAT 090, MAT 050, or MAT 107; or Math assessment score of 60 or better; or equivalent ACT/SAT scores.

Focuses on statistical study, descriptive statistics, probability, and the binomial distribution, index numbers, time series, decision theory, confidence intervals, linear regression, and correlation. Intended for the business major.

BUS 287 Cooperative Education
3 CREDIT HOURS

Provides students with the opportunity to supplement course work with practical work experience related to their educational program and occupational objectives. Students work under the immediate supervision of experienced personnel at the business location and with the direct guidance of the instructor/coordinator. Students are placed at approved work stations related to their program of study.

CAD — COMPUTER ASSISTED DESIGN COURSES

CAD 101 Computer Aided Drafting I
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 050 or MAT 090, or Math assessment score of 60 or better.

Focuses on basic computer-aided drafting skills using the latest release of CAD software. Includes file management, Cartesian coordinate system, drawing set-ups, drawing aids, layer usage, drawing geometric shapes, editing objects, array, text applications, basic dimensioning, and Help access.

CAD 102 Computer Aided Drafting II
3 CREDIT HOURS
PREREQUISITE: CAD 101 with a grade of C or better, or chair permission

Focuses on advanced computer-aided drafting skills using the latest release of CAD software. Includes blocks and wblocks, polylines, multilines, polyline editing, advanced editing, editing with grips, hatching, isometric drawings, dimensions and dimension variables, paper space and viewports, templates, external references, and printing/plotting.

CAD 108 Introduction to MicroStation
3 CREDIT HOURS
PREREQUISITE: Chair permission

Introduces basic computer-aided drafting using the Bentley MicroStation software. Students learn specific computer-aided drafting methods. A final project incorporates the basic drafting techniques to the production of a small floor plan. Course employs a PC platform.

CAD 115 Sketchup
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; and grade of C or better in MAT 090 or MAT 050; or English assessment score of 95 or better and/or Reading assessment score of 80 or better, and Math assessment score of 60 or better; or equivalent ACT/SAT scores.

Focuses on the understanding of basic concepts of the software program SketchUp. Students will learn how to draw and extrude building shapes, stairs, roofs, and interiors utilizing advanced modeling techniques.

CAD 153 Introduction to Pro Engineer/Basics
3 CREDIT HOURS
PREREQUISITE: CAD 101 with a grade of C or better, or chair permission

Introduces basic Pro/Engineer software operation including part creation, drawing creation, and assembly creation. Pro/Engineer is a 3D solid modeling software from parametric technologies.

CAD 217 Rhino
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CAD 224; and grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; and grade of C or better in MAT 090 or MAT 050; or English assessment score of 95 or better and/or Reading assessment score of 80 or better, and Math assessment score of 60 or better; or equivalent ACT/SAT scores; or chair permission.

Introduces the Rhino modeling platform, systems and plug-ins and creation and modification of 3-D objects and scenes. Focuses on NURBS systems, Rhino plug-ins such as Grasshopper, and Rhino workflow processes. Examines how Rhino is used in various industries. Prepares students to create physical models and renderings using Rhino.

CAD 219 3DS Max
3 CREDIT HOURS
PREREQUISITE: CAD 224 with a grade of C or better, or chair permission

Introduces 3D model creation and editing, rendering and animation using the AutoDesk 3DS Max software. Focuses on 3D geometry, texture mapping, lighting, camera placement, shading, photo-realistic rendering, animation techniques, and walk through animations.

CAD 222 AUTODESK Navisworks
3 CREDIT HOURS
PREREQUISITE: CAD 221 with a grade of C or better, or chair permission

Introduces students to the BIM management software Autodesk Navisworks. Multiple BIM models will be combined for the purposes of scheduling and clash detection.

CAD 224 Revit Architecture
3 CREDIT HOURS
PREREQUISITE: Chair permission

Introduces students to the AutoDesk Revit Architecture software. Examines the Building Information Modeling approach to 2D and 3D architectural construction documents. Students will create floorplans, elevations, sections, 3D models, perspective renderings and animations with this software application.

CAD 225 AutoCAD Architecture
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; and grade of C or better in MAT 090 or MAT 050; or English assessment score of 95 or better and/or Reading assessment score of 80 or better, and Math assessment score of 60 or better; or equivalent ACT/SAT scores.

Provides students with the software application training in Architectural construction drawings using industry standard software. Includes creating floorplans, sections, elevations and details necessary to produce 2D and 3D Architectural construction drawings.

CAD 227 Advanced Revit Architecture
3 CREDIT HOURS
PREREQUISITE: CAD 224 with a grade of C or better, or chair permission

Focuses on the advanced applications of the AutoDesk Revit Architecture software. Includes Family Editing, Topographic Site Plans, Worksharing, Phases, Advanced Scheduling, Custom Annotation, and Presentation Techniques.

CAD 240 Inventor I — AutoDesk
3 CREDIT HOURS
PREREQUISITE: CAD 240 with a grade of C or better, or chair permission

Introduces basic non-parametric 3D concepts to build confidence in 3D thinking and moves on to three-dimensional parameters. The student learns to construct, modify, and manage complex parts in 3D space as well as how to produce 2D drawings from the 3D models.

CAD 244 Advanced Inventor
3 CREDIT HOURS
PREREQUISITE: CAD 240 with a grade of C or better, or chair permission

This course focuses on the advanced applications of the parametric software Inventor. Includes management of design data, advanced assembly and analysis of model creations and constraints, documentation of bill of materials and parts lists, rendering and animation and testing a model assembly.

CAD 255 SolidWorks/Mechanical
3 CREDIT HOURS
PREREQUISITE: CAD 101 with a grade of C or better, or chair permission

Introduces basic non-parametric 3D concepts to build confidence in 3D thinking and progresses to three-dimensional parameters. The student learns...
to construct, modify, and manage complex parts in 3D space as well as to produce 2D drawings from the 3D models.

**CAD 259 Advanced SolidWorks**  
3 CREDIT HOURS  
**PREREQUISITE:** CAD 255 with a grade of C or better, or chair permission  
This course focuses on the advanced applications of the parametric software SolidWorks. Includes management of design data, advanced assembly and analysis of model creations and constraints, documentation of bill of materials and parts lists, rendering and animation and testing a model assembly.

**CAD 262 3D Printing/Additive Manufacturing**  
3 CREDIT HOURS  
**PREREQUISITE:** CAD 240 with a grade of C or better  
Provides the student with the ability to blend the virtual and real design worlds together through the use of 3D Scanning, 3D CAD Modeling, and 3D Printing.

**CRR — COLLEGE COMPOSITION & READING COURSES**

**CRR 092 Composition & Reading**  
5 CREDIT HOURS  
**PREREQUISITE:** ENG 030, ESL 043, ESL 050, or REA 030 with a grade of C or better; or English Assessment score of 50-60 and/or Reading Assessment Score of 40-61  
Integrates and contextualizes college level reading and writing. Students will read and understand complex materials and respond to ideas and information through writing informative and/or persuasive texts.

**CRR 093 Studio D**  
3 CREDIT HOURS  
**PREREQUISITE:** CRR 092, ENG 060, ESL 053, and/or REA 060 with a grade of C or better; or English Assessment score of 70-94 and/or Reading Assessment score of 62-79  
Integrates and contextualizes reading and writing strategies tailored to a corequisite 100-level course within one or more of the four discipline strands. The four discipline strands are defined as: Communication, Science, Social Science, and Arts and Humanities. Non-GT courses are not eligible for this consideration. Students will read and understand complex discipline-specific materials, and respond to ideas and information through writing informative and/or persuasive texts.

**CRR 094 Studio 121**  
3 CREDIT HOURS  
**PREREQUISITE:** CCR 092, ENG 060, ESL 053, and/or REA 060 with a grade of C or better; or English Assessment score of 70-94 and/or Reading Assessment score of 62-79  
Corequisite: ENG 121  
Integrates and contextualizes reading and writing strategies tailored to corequisite ENG 121 coursework. Students will read and understand complex materials, and respond to ideas and information through writing informative and/or persuasive texts.

**CHE — CHEMISTRY COURSES**

**CHE 101 Introduction to Chemistry I with Lab: GT-SC1**  
5 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090, and grade of C or better in MAT 055, MAT 090, MAT 120, or MAT 135; or English assessment score of 95 or better and/or Reading assessment score of 60 or better; and Math assessment score of 85 or better, or equivalent ACT/SAT scores  
Includes the study of measurements, atomic theory, chemical bonding, nomenclature, stoichiometry, solutions, acid and base, gases, and condensed states. Laboratory experiments demonstrate the above concepts qualitatively and quantitatively. Designed for non-science majors, students in occupational and health programs, or students with no chemistry background. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

**CHE 109 General, Organic and Biochemistry**  
4 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090, and grade of C or better in MAT 055, MAT 090, MAT 120, or MAT 135; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; and Math assessment score of 85 or better, or equivalent ACT/SAT scores  
Focuses on fundamentals of inorganic, organic, and bio-chemistry, primarily for students in health sciences, non-science majors, and/or students in the occupational and health-related career areas. Includes the study of measurement, atomic theory, chemical bonding, nomenclature, stoichiometry, solutions, acid and base chemistry, gas laws, condensed states of matter and nuclear chemistry, nomenclature of organic compounds, properties of different functional groups, nomenclature of various biological compounds, their properties, and biological pathways.  
**NOTE:** Recommended for health science career areas, specifically Pre-Dental Hygiene.

**CHE 111 General College Chemistry I with Lab: GT-SC1**  
5 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and/or REA 090; and corequisite or prerequisite in MAT 121, or English assessment score of 95 or better, Reading assessment score of 80 or better and Math assessment score of 63 (CLM) or better, or equivalent ACT/SAT scores  
Focuses on basic chemistry and measurement, matter, chemical formulas, reactions and equations, stoichiometry, and thermochmistry. This course covers the development of atomic theory, culminating in the use of quantum numbers to determine electron configurations of atoms, and the relationship of electron configuration to chemical bond theory and molecular orbital theory. The course includes gases, liquids, and solids, and problem-solving skills are emphasized through laboratory experiments. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

**CHE 112 General College Chemistry II with Lab: GT-SC1**  
5 CREDIT HOURS  
**PREREQUISITE:** CHE 111 and MAT 121 with a grade of C or better; or CHE 111 with a grade of C or better, English assessment score of 95 or better, and Math assessment score of 63 (CLM) or better  
Presents concepts in the areas of solution properties, chemical kinetics, chemical equilibrium, acid-base and ionic equilibrium, thermodynamics, electrochemistry, nuclear chemistry, and organic chemistry. This course emphasizes problem-solving skills and descriptive contents for these topics. Laboratory experiments demonstrate qualitative and quantitative analytical techniques. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

**CHE 175 Special Topics**  
1-12 CREDIT HOURS  
**PREREQUISITE:** This course may require prerequisites or permission of instructor  
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

**CHE 211 Organic Chemistry I with Lab**  
5 CREDIT HOURS  
**PREREQUISITE:** CHE 112 with a grade of C or better  
Focuses on compounds associated with the element carbon, including structure and reactions of aliphatic hydrocarbons and selected functional group families. The course covers nomenclature of organic compounds, stereochemistry, and reaction mechanisms such as SN1, SN2, E1 and E2. Laboratory experiments demonstrate the above concepts plus the laboratory techniques associated with organic chemistry.

**CHE 212 Organic Chemistry II with Lab**  
5 CREDIT HOURS  
**PREREQUISITE:** CHE 211 with a grade of C or better  
Explores the chemistry of carbon-based compounds, their reactions and synthesis, including the structure, physical properties, reactivities, and synthesis of organic functional groups not covered in CHE 211, Organic Chemistry I. The course explores functional groups, including alcohols, ethers, aromatics, aldehydes, ketones, amines, amides, esters, and carboxylic acids, and the reactions and reaction mechanisms of aromatic compounds. An introduction to biochemical topics may be included if time permits. Laboratory experiences demonstrate the above concepts and the laboratory techniques associated with organic chemistry.

**CHI — CHINESE COURSES**

**CHI 101 Conversational Chinese I**  
3 CREDIT HOURS  
**PREREQUISITE:** English assessment score of 20 or better, or equivalent ACT/SAT scores  
Introduces beginning students to conversational Chinese and focuses on understanding and speaking Chinese. Covers basic vocabulary, grammar, and expressions that are used in daily situations and in travel.

**CHI 102 Conversational Chinese II**  
3 CREDIT HOURS  
**PREREQUISITE:** CHI 101 with a grade of C or better  
Continues the sequence for students who wish to understand and speak Chinese. Covers basic conversational patterns, expressions, and grammar.
### CHI 111 Chinese Language I
5 CREDIT HOURS
**Prerequisite:** Grade of C or better in CCR 092, ENG 080 and REA 080, or English assessment score of 70 or better and/or Reading assessment score of 62 or better
Foci on the development of functional proficiency in listening, speaking, reading and writing the Chinese language.
**Note:** The order of the topics and methodology will vary according to individual texts and instructors.

### CHI 112 Chinese Language II
5 CREDIT HOURS
**Prerequisite:** CHI 111 with a grade of C or better, or a placement score of 292 or better
Continues CHI 111 Chinese Language I in the development of functional proficiency in listening, speaking, reading and writing the Chinese language.
**Note:** The order of the topics and the methodology will vary according to individual texts and instructors.

### CHI 211 Chinese Language III
3 CREDIT HOURS
**Prerequisite:** CHI 112 with a grade of C or better, or a placement score of 346 or better
Focuses on the further development of functional proficiency in listening, speaking, reading and writing the Chinese language.

### CHI 212 Chinese Language IV
3 CREDIT HOURS
**Prerequisite:** CHI 211 with a grade of C or better, or a placement score of 404 or better
Focuses on the further development of functional proficiency in listening, speaking, reading and writing the Chinese language.
**Note:** A continuation of CHI 211 Chinese Language III.

### CHI 275 Special Topics
0-12 CREDIT HOURS
**Prerequisite:** This course may require prerequisites or permission of instructor
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

### CHI 285 Independent Study
0-12 CREDIT HOURS
**Prerequisite:** Instructor permission
Meets the individual needs of students. Students engage in intensive study or research under the direction of a qualified instructor.

### CHW — COMMUNITY HEALTH WORKER COURSES

#### CHW 120 Community Health Issues
3 CREDIT HOURS
**Prerequisite:** High school diploma or GED
**Corequisite:** CHW 120 and CHW 297
Introduces students to the multiple health issues for community health workers. Develops core competencies necessary to function as a Community Health Worker.

#### CHW 130 Community Health Resources
3 CREDIT HOURS
**Prerequisite:** High school diploma or GED
**Corequisite:** CHW 120 and CHW 297
Introduces students to the skills and resources necessary for community health work with clients in the community.

#### CHW 136 Psychological Impact of Chronic Disease
1 CREDIT HOUR
Students will acquire knowledge regarding the psychosocial aspects of chronic disease. They will be able to differentiate between normal responses and problematic responses in order to identify resources, make appropriate referrals, and assist with patient decision-making.

#### CHW 137 End of Life/Palliative Care
0.5 CREDIT HOURS
Explore end-of-life concepts such as advance planning, legal considerations, end-of-life choices, and palliative care, including physical, emotional, and spiritual aspects. Learn to facilitate discussion regarding end-of-life choices, including hospice care.

### CHW 138 Basic Patient Navigation
3 CREDIT HOURS
**Prerequisite:** Grade of C or better in CCR 092 or ENG 080, or English assessment score of 70 or better
Enables students to develop skills necessary to effectively communicate and build relationships with patients, locate health resources, solve problems, and manage information and records.

#### CHW 175 Special Topics
1-12 CREDIT HOURS
**Prerequisite:** This course may require prerequisites or permission of instructor
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

#### CHW 297 Community Health Worker Field Experience
2 CREDIT HOURS
**Prerequisite:** High school diploma or GED
**Corequisite:** CHW 120 and CHW 130
Provides students with an opportunity to apply Community Health Worker knowledge and to practice Community Health Worker skills in community settings.

### CIS — COMPUTER INFORMATION SYSTEMS COURSES

#### CIS 101 Alternative I/O for Computers
1 CREDIT HOUR
**Prerequisite:** English assessment score of 20 or better, or equivalent ACT/SAT scores, or instructor permission
Focuses on teaching alternative methods for interacting with a computer. Individualized for each student, the course covers such programs as Dragon NaturallySpeaking, Dragon Dictate, or Job Access with Speech (JAWS). It is designed for students who have little or no previous computer experience.

#### CIS 110 Introduction to the PC
1 CREDIT HOUR
**Prerequisite:** English assessment score of 20 or better, or equivalent ACT/SAT scores, or instructor permission
Provides the beginning computer user with hands-on experience in the elementary use of the personal computer. This course introduces the basic feature and of the terminology associated with personal computers, including topics such as database, spreadsheet, and word processing.

#### CIS 114 Computing for Health IT
3 CREDIT HOURS
**Prerequisite:** English assessment score of 20 or better, or equivalent ACT/SAT scores, or instructor permission
This an introductory course in Computer Information Systems for Healthcare professionals. The focus of the class will be on computers as applied to Healthcare needs. The class will cover data representation, data communication, data storage, networking architecture and security. Network security will be covered as it relates to Electronic Health Records and Healthcare Privacy issues. The class will provide an introduction to computer programming and database management.

#### CIS 117 Introduction to Technical Applications
2 CREDIT HOURS
**Prerequisite:** CIS 110 with a grade of C or better, or English assessment score of 40 or better, or equivalent ACT/SAT scores, or instructor permission
Provides a basic introduction of standard software packages available to support a microcomputer-based workstation. Includes entry-level hands-on work with word processors, spreadsheets, electronic presentations and basic Internet functionality to support the technical environment.

#### CIS 118 Introduction to PC Applications
3 CREDIT HOURS
**Prerequisite:** CIS 110 or CIS 117 with a grade of C or better, or English assessment score of 50 or better, Reading assessment score of 40 or better, and Math assessment score of AR 40 or EA 30 or better
Introduces basic computer terminology, file management, and PC system components. Provides an overview of office application software including word processing, spreadsheets, database, and presentation graphics. Includes the use of a web browser to access the internet.
CIS 124 Introduction to Operating Systems
3 CREDIT HOURS
PREREQUISITE: CIS 118 with a grade of C or better
Introduces concepts, terminology and hands-on skills in the use of DOS and Windows. Emphasizes navigation, file manipulation, file creation and troubleshooting.

CIS 130 Introduction to Internet
1 CREDIT HOUR
PREREQUISITE: English assessment score of 20 or better and Math assessment score of 20 or better, or equivalent ACT/SAT scores
Enhances the student’s knowledge of the Internet and its resources. Individuals learn terminology in dealing with the Internet. Includes privacy and copyright issues with information retrieved from the Internet. Students experience the use of e-commerce, multimedia and e-mail. Explores searching the Internet and credibility of information obtained with searches.

CIS 135 Complete PC Word Processing/Word (software package)
3 CREDIT HOURS
PREREQUISITE: CIS 118 with a grade of C or better
Explores a complete array of word processing skills. The skills needed to create, edit, format, and printing documents are covered. Other topics include character, paragraph, and page formats, the use of spelling checkers and thesaurus, hyphenation, tables, mail merge, document design, and graphics.

CIS 136 Microsoft Office Specialist Certification: Word
1 CREDIT HOUR
PREREQUISITE: BTE 103 or CIS 135 with a grade of C or better, or instructor permission based on prior experience
Prepares students for the Microsoft Office Specialist certification examination for Word. Students use software to determine strengths and weaknesses and elect to review and prepare for either the Core or Expert level exam.

CIS 140 Microsoft Outlook
1 CREDIT HOUR
Introduces the functions used in Microsoft Outlook including e-mail messages, calendar, contacts, tasks, journals, and notes.

CIS 145 Complete PC Database
3 CREDIT HOURS
PREREQUISITE: CIS 118 with a grade of C or better, or instructor permission
Explores a complete array of database skills. Includes table, query, form, and report creation and modification. Other topics include application integration and automation of database tasks within the database.

CIS 149 Microsoft Office Specialist Certification Prep: Access
1 CREDIT HOUR
PREREQUISITE: CIS 145 with a grade of C or better, or instructor permission based on prior experience
Prepares students for the Microsoft Office Specialist certification examination for Access. Students use software to determine strengths and weaknesses and elect to review and prepare for the Core level Certification exam.

CIS 155 PC Spreadsheet Concepts: Excel
3 CREDIT HOURS
PREREQUISITE: CIS 118 with a grade of C or better, or instructor permission
Exposes the student to a wide range of uses of the electronic spreadsheet with special emphasis placed on using it as a business tool. Topics include fundamentals and terms, creating and saving workbooks, entering and using formulas, formatting, printing, multiple-page workbooks, creating charts, entering and using functions, managing lists, and simple macros.

CIS 159 Microsoft Office Certification Prep: Excel
1 CREDIT HOUR
PREREQUISITE: CIS 155 with a grade of C or better, or instructor permission
Prepares students for the Microsoft Office Specialist certification examination for Excel. Students use software to determine strengths and weaknesses and elect to review and prepare for either the Core or Expert level Certification exam. The MOUS test is not included in this course.

CIS 165 Complete Presentation Graphics: PowerPoint
3 CREDIT HOURS
PREREQUISITE: CIS 118 with a grade of C or better, or instructor permission
Focuses on the development of presentation graphics materials including graphs, charts, illustrations, and diagrams. Emphasizes effective communication through computerized presentations. Covers features of the software and effective presentation techniques.

CIS 169 Microsoft Office Specialist Certification Prep: PowerPoint
1 CREDIT HOUR
PREREQUISITE: CIS 165 with a grade of C or better, or instructor permission based on prior experience
Prepares students for the Microsoft Office Specialist certification examination for PowerPoint. Students use software to determine strengths and weaknesses and elect to review and prepare for the Core level Certification exam.

CIS 218 Advanced PC Applications
3 CREDIT HOURS
PREREQUISITE: CIS 155 with a grade of C or better, and BTE 103 or CIS 135 with a grade of C or better, or instructor permission
Covers the advanced capabilities of a PC software applications suite. Emphasizes solving business problems by integrating data from all of the software applications that facilitate the production of useful information. Printed documents, reports, slides, and forms are produced to communicate information.

CIS 220 Fundamentals of Unix
3 CREDIT HOURS
PREREQUISITE: CSC 119 with a grade of C or better, or CIS 119 as a corequisite, or instructor permission
Covers the structure and fundamentals of the UNIX operating system. Includes the file system and file processing, various utility programs, shell, multi-user operation, text processing and communications.

CIS 240 Database Design and Development
3 CREDIT HOURS
PREREQUISITE: CIS 145 with a grade of C or better, or instructor permission, or CIS 145 as a corequisite
Introduces the basic concepts of relational databases, data storage, and retrieval. Covers database design, data modeling, transaction processing, and introduces the Structured Query Language for databases.

CIS 243 Introduction to Structured Query Language
3 CREDIT HOURS
PREREQUISITE: CSC 119 with a grade of C or better, or instructor permission
Introduces students to Structured Query Language (SQL). Students learn to create database structures and store, retrieve and manipulate data in a relational database. Students create tables and views, use indexes, secure data, and develop stored procedures and triggers.

CIS 260 Troubleshooting Microsoft Applications
3 CREDIT HOURS
PREREQUISITE: CIS 218 and CIS 124 with a grade of C or better
Focuses on troubleshooting techniques and procedures that are used in Microsoft Office and other applications. Includes learning how to manage the advanced configuration of Word, Excel, Access, and PowerPoint.

CIS 267 Management of Information Systems
3 CREDIT HOURS
PREREQUISITE: CIS 118 with a grade of C or better
Introduces the concepts and techniques of managing computer-based information resources. Includes hardware, software, personnel, control techniques, and the placement and integration of information systems resources within the organization.

CIS 287 Cooperative Education
1 CREDIT HOUR
PREREQUISITE: Instructor permission
Provides students an opportunity to gain practical experience in applying their occupational skills and/or to develop specific skills in a practical work setting. The instructor works with the student to select an appropriate work site, establish learning objectives, and to coordinate learning activities with the employer or work site supervisor.
CNG — COMPUTER NETWORK TECHNOLOGIES COURSES

CNG 104 Introduction to TCP/IP
3 CREDIT HOURS
PREREQUISITE: CIS 118 with a grade of C or better, or instructor permission
Outlines four important networking architectures in corporate environments today — TCP/IP, SNA, AppleTalk, and DNA. Focuses on the major components and functions of each of these architectures, as well as methods used to connect different architectures. Provides students with concepts that are important to the field of systems integration, as well as a conceptual basis for understanding network architectures.

CNG 105 Internet Technologies
3 CREDIT HOURS
PREREQUISITE: CIS 118 with a grade of C or better
Outlines the important Internet Technologies in use today. Focuses on the major components and functions of each of these technologies, as well as methods used to connect different technologies. Provides the student with concepts that are important to the field of systems integration, as well as a conceptual basis for understanding Internet Technologies.

CNG 116 Microcomputer Hardware
3 CREDIT HOURS
COREQUISITE: CIS 118
Introduces computer hardware. Since hardware depends upon specific software to make it work properly, the course also explores relevant software topics. The course covers taking computers apart, diagnosing and fixing minor problems, and upgrading PCs with new components.

CNG 120 A+ Certification Preparation
4 CREDIT HOURS
PREREQUISITE: CNG 116 with a grade of C or better, or CNG 116 as a corequisite
Prepares students for the CompTIA A+ certification examination. PC hardware and operating system installation, configuration and troubleshooting are practiced and reviewed using A+ techniques.

CNG 124 Networking I: Network+
3 CREDIT HOURS
PREREQUISITE: CIS 118 with a grade of C or better
Provides students with the knowledge necessary to understand, identify and perform necessary tasks involved in supporting a network. Covers the vendor-independent networking skills and concepts that affect all aspects of networking, such as installing and configuring the TCP/IP. This course also prepares students for the CNG 125 Networking II: Network+ course.

CNG 125 Networking II: Network+
3 CREDIT HOURS
PREREQUISITE: CNG 124 with a grade of C or better, or CNG 124 as a corequisite
Continues to provide students with the knowledge necessary to implement and support a network. Focuses on the vendor-independent networking skills and concepts that affect all aspects of networking. The Networking I and II: Network + courses prepare students for the Network+ certification.

CNG 131 Principles of Information Assurance
3 CREDIT HOURS
PREREQUISITE: CNG 132 with a grade of C or better
Provides skills and knowledge required to survey key issues associated with protecting information assets, determine the levels of protection and response to security incidents, and design a consistent, reasonable information security system, with appropriate intrusion detection and reporting features. Students learn to inspect and protect information assets, detect and react to threats to information assets, and examine pre- and post-incident procedures, and technical and managerial responses. Students learn about information security planning and staffing functions.

CNG 132 Network Security Fundamentals
3 CREDIT HOURS
PREREQUISITE: CNG 124 with a grade of C or better
Delivers a comprehensive overview of network security, including general security concepts. Communication Security is studied, including remote access, e-mail, the Web, directory and file transfer, and wireless data. Common network attacks are introduced. Cryptography basics are incorporated, and operational/organizational security is discussed as it relates to physical security, disaster recovery, and business continuity. Computer forensics is introduced.

CNG 160 Telecommunications I
3 CREDIT HOURS
PREREQUISITE: CIS 118 with a grade of C or better
Introduces the background needed to understand telephony products and services in the telecommunications industry. Includes hardware and devices, transmission characteristics and codes, network configurations, software, and protocols.

CNG 209 MS Server Active Directory Configuration
4 CREDIT HOURS
PREREQUISITE: CNG 124 with a grade of C or better
Provides students with the knowledge and skills to configure Active Directory Domain Services in a distributed environment, implement Group Policies, perform backup and restore, and monitor and troubleshoot Active Directory related issues.

CNG 211 Windows Configuration: (OS)
3 CREDIT HOURS
PREREQUISITE: CNG 124 or CNG 124 with a grade of C or better, or instructor permission, or CIS 124 as a corequisite
Provides students with the knowledge and skills necessary to address the implementation and desktop support needs of customers who are planning to deploy and support Microsoft Windows Client OS in a variety of network operating system environments.

COM — COMMUNICATION COURSES

COM 100 Workplace Communication
1 CREDIT HOUR
PREREQUISITE: English assessment score of 20 or better, or equivalent ACT/SAT scores
Covers topics that teach students how to communicate effectively in the workplace. Includes listening, speaking, reading, and writing and emphasizes the importance of these four modes of communication in the workplace.

COM 105 Career Communication
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in ESL 092, or English assessment score of 20 or better, or equivalent ACT/SAT scores
Develops skills needed in obtaining and keeping a job. Includes job searching, applications, resumes, interviews, and the dynamics of customer, peer, and managerial relationships. Emphasizes speaking, writing, listening, critical reading skills, and vocabulary development essential to the employment world.

COM 115 Public Speaking
3 CREDIT HOURS
PREREQUISITE: English assessment score of 20 or better, or equivalent ACT/SAT scores
RECOMMENDED: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores
Combines the basic theories of communication with public speech performance skills. Emphasis is on speech preparation, organization, support, audience analysis, and delivery.

COM 125 Interpersonal Communication
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores
Examines the communication involved in interpersonal relationships occurring in family, social and career situations. Relevant concepts include self-concept, perception, listening, nonverbal communication, and conflict.

COM 126 Communication in Healthcare
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores
Familiarizes the student with interactive concerns in settings related to patient-client care. Course includes discussions of diverse cultures, client interaction and family/caregiver issues. The student will also address the concerns of attitude, office politics, teamwork, self-initiative and conflict management as specifically experienced in the patient as client setting.

COM 175 Special Topics
0-12 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor
Provides students with a vehicle to pursue in depth exploration of special topics of interest.
COM 176 Special Topics  
0-12 CREDIT HOURS  
**PREREQUISITE:** This course may require prerequisites or permission of instructor  
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

COM 205 Voice and Diction  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores  
Studies the physiological production of the speaking voice and methods for improving the quality of the spoken word in general American speech.

COM 216 Principles of Speech Communication II  
3 CREDIT HOURS  
**PREREQUISITE:** COM 115 with a grade of C or better  
Emphasizes the continued study of rhetorical theory and analysis as it relates to public speaking.

COM 217 Group Communication  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores  
Examines group communication theories with an emphasis on leadership and group behaviors. The course provides opportunities for group participation.

COM 220 Intercultural Communication: GT-SS3  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores  
Explores the link between culture and communication and will develop and/or enhance communication skills and the abilities appropriate to a multicultural society. Emphasis will be on understanding diversity within and across cultures. Relevant concepts include perception, worldview, context, ethics, language, and nonverbal communication. This course is one of the Statewide Guaranteed Transfer courses: GT-SS3.

COM 225 Organizational Communication  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores  
Focuses on the role of communication theory and skills as they apply to business and organizational settings. Topics include organizational and leadership models, effective communication skills with peers, superiors, and subordinates, environmental factors impacting communication, and interviewing skills.

COM 226 Oral Interpretation  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores  
Exposes the student to the artistic, interpretive, and communicative potential to be found in the reading and performance of great literature and rhetoric such as is found in prose, poetry, and drama.

COM 275 Special Topics  
0-12 CREDIT HOURS  
**PREREQUISITE:** This course may require prerequisites or permission of instructor  
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

COM 285 Independent Study  
0-12 CREDIT HOURS  
**PREREQUISITE:** Instructor permission  
Meets the individual needs of students. Students engage in intensive study or research under the direction of a qualified instructor.

---

**CRJ — CRIMINAL JUSTICE COURSES**

CRJ 110 Introduction to Criminal Justice: GT-SS3  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better; or equivalent ACT/SAT scores; or chair permission  
Introduces students to the basic components of the criminal justice system in the United States. Concepts of crime, crime data, victimization, perspectives and views of crime, theory, and law are discussed. Particular attention to the criminal justice process, interaction and conflict between criminal justice agencies, and current criminal justice issues are examined. This course is approved as part of the Colorado Statewide Guaranteed transfer curriculum: GT-SS3.

CRJ 112 Procedural Criminal Law  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores  
Covers constitutional and procedural considerations affecting arrest, search and seizure, post-conviction treatment, origin, development, philosophy, and constitutional basis of evidence. Focuses on degrees of evidence and rules governing admissibility, judicial decisions interpreting individual rights, and an analysis of case studies from arrest through final appeal.

CRJ 125 Policing Systems  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores  
Examines policing in the United States, including: historical foundations, emerging issues, and the relationship between law enforcement and the community. The various types of law enforcement agencies, their administrative practices, and the behavior of those involved in the delivery of police services are examined from the perspective of democratic values, racial and ethnic diversity, and societal perceptions of police effectiveness. Career requirements, including current and future trends, are also presented.

CRJ 127 Crime Scene Investigation  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores  
Focuses on basic procedures in crime scene management to include photography and preparing initial reports and sketches. Includes processing evidence and related criminalistic procedures. Covers interviewing suspects, witnesses and victims to include the recording of identifications and descriptions. Incorporates lab and lecture.

CRJ 135 Judicial Function  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores  
Examines the criminal process with an analysis of the major judicial decision-makers, i.e., prosecutors, defense attorneys, judges, and the discretionary aspects of adjudication.

CRJ 145 Correctional Process  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores  
Examines the history and total correctional process from law enforcement through the administration of justice, probation, prisons, correctional institutions, and parole. Also examines the principles, theories, phenomena and problems of the crime, society, and the criminal justice system from the perspective of criminology and the criminal justice system in general. Emphasizes the role of sociology and other interdisciplinary approaches to the field of corrections and society’s response.
CRJ 146 Community Based Corrections
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores.
Introduces an analysis of community based correctional programs and procedures. Emphasizes the environment and the relationship to public safety, reintegration and punishment.

CRJ 201 Emergency Dispatching
5 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores.
Focuses on the unique knowledge, skills and abilities required for working in the Emergency Telecommunications industry. The course will focus on the basics of the emergency communication center, emergency telecommunication technology, caller management, call classification, legal aspects and stress management.

CRJ 205 Principles of Criminal Law
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores.
Focuses on common law and statutory law crimes, the Model Penal Code, elements defining crimes and penalties, defenses to criminal accusations, and definitions and distinctions between criminal and civil law.

CRJ 208 Criminal Evidence
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores.
Reviews the basic principles of evidence in state and Federal criminal proceedings. Includes analysis of the Federal Rules of Evidence and the Colorado Evidence Rules, as well as evidentiary and procedural requirements in the courts. The course will focus on evidence questions in the context of the examination of witnesses, competency, privilege, relevancy, hearsay, burden of proof and the presentation of scientific and demonstrative evidence. Constitutional guidelines affecting evidence collection and admissibility will also be reviewed.

CRJ 210 Constitutional Law
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores.
Focuses on the powers of government as they are allocated and defined by the United States Constitution. Includes intensive analysis of United States Supreme Court decisions.

CRJ 215 Constitutional Rights of Inmates
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores.
Covers an overview of the criminal justice system as it pertains to the constitutional rights of inmates including civil and criminal liabilities, legal services and disciplinary proceedings.

CRJ 230 Criminology
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores.
Examines the question of crime causation from legal, social, political, psychological and theoretical perspectives. Covers the history and development of criminology.

CRJ 231 Introduction to Forensic Science and Criminalistics
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores.
Focuses on the fundamentals of forensic science that are essential for gathering evidence at the crime scene and analyzing it in the crime laboratory.

CRJ 236 CRJ Research Methods
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores.
Introduces and applies methods for criminal justice and criminology with an emphasis on the scientific method and the role of empirical inquiry into criminal justice and criminology. This course will include the study of methodologies of data collection and analysis, the logic of research, the role of theory, measurement, sampling and research designs. Field research and the professional norms and ethics of criminal justice and criminology research will also be covered.

CRJ 239 Managing Emergency Worker Stress
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores.
Provides an understanding of trauma reaction and stress management for first line responders, i.e. police officers, victim advocates, paramedics and firemen. Focuses on practical application of coping skills and stress management for first line responders.

CRJ 250 Computer Crime Investigations
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores.
Provides a basic foundation of the skills and knowledge necessary to understand and investigate the computer criminal. Investigative procedures, interviewing skills and the necessity of search warrants will be covered. Legal issues regarding personal liability, privacy and wiretapping will also be discussed.

CRJ 257 Victimization
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores.
Introduces the student to the role the crime victim plays in the criminal justice system. The traditional response that a crime victim receives from the system will be studied and the psychological, emotional and financial impact these responses have on victimization will be analyzed.

CRJ 264 Practical Crime Scene Investigation
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores.
Introduces the investigation of death from the edico-legal standpoint. Discusses all aspects of an investigation from the initial findings to identification of the deceased and the determination of cause and time of death. Includes the follow-up investigation and the preparation and presentation of evidence for the criminal trial.

CRJ 275 Special Topics
0-12 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor.
Provides students with a vehicle to pursue in-depth exploration of special topics of interest. The content of this course will change from year to year.

CSC — COMPUTER SCIENCE COURSES

CSC 105 Computer Literacy
3 CREDIT HOURS
Introduces students to current technologies. Special focus on ensuring students become technologically competent and computer literate. Emphasis is placed on technology fundamentals and terminology through the evaluation of hardware and software. Provides students with a working knowledge of operating system use, file management and security. Introduces the Internet as a research and communication tool. Application software is covered to ensure the fundamental computer skills for personal, academic, and business use are obtained.
CSC 119 Introduction to Programming
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 121 or MAT 120, or Math assessment score of 60 or better
COURSE REQUIRE: CSC 118 or instructor permission
Focuses on general introduction to computer programming. Emphasizes the design and implementation of structured and logically correct programs with good documentation. Focuses on basic programming concepts, including numbering systems, control structures, modularization, and data processing. A structured programming language will be used to implement the student's program design.

CSC 150 Visual Basic Programming
3 CREDIT HOURS
PREREQUISITE: CSC 119 with a grade of C or better, or instructor permission
Introduces programming and applications development for the Microsoft Windows Programming environment using Visual Basic for Windows.

CSC 160 Computer Science I: (Language)
4 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 121, Math assessment score of 63 (CLM) or better, or equivalent ACT/SAT scores
Explores the complete set of web authoring skills using HTML and/or other style sheets, controlling page formatting, image inclusion, page layout, and hyperlinks.

CSC 161 Computer Science II: (Language)
4 CREDIT HOURS
PREREQUISITE: CSC 160 with a grade of C or better, or instructor permission
Continues algorithm development and problem solving techniques not covered in Computer Science I using a high-level programming language. Students are able to gain experience in the use of data structures and the design and implementation of larger software projects. Intensive computer laboratory experience is required for this course.

CSC 175 Special Topics
2-12 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

CSC 240 Java Programming
3 CREDIT HOURS
PREREQUISITE: CSC 119 with a grade of C or better, or instructor permission
Introduces students to Java programming language and covers basic graphics, events/procedures, user interface, and libraries. Enables the student to write and execute a variety of Java programs. Incorporates Java Applets into HTML.

CSC 246 Mobile App Development
3 CREDIT HOURS
PREREQUISITE: CSC 119 with a grade of C or better
Learn how to develop mobile apps using key features and frameworks. Students will learn application design and development using a mobile development platform software development kit (SDK) and corresponding programming language. Main features include: handling UI triggered and touch events, data management, simple and complex UI views, drawing, location and application settings.

CWB — COMPUTER WEB BASE COURSES

CWB 110 Complete Web Authoring: (Scripting Language)
3 CREDIT HOURS
PREREQUISITE: CSC 118 with a grade of C or better, or CSC 118 as a corequisite, or instructor permission
Explores the complete set of web authoring skills using HTML and/or other scripting languages. Includes links, backgrounds, controlling text and graphic placement, tables, image maps, frames and forms.

CWB 125 Introduction to Technical Applications
3 CREDIT HOURS
PREREQUISITE: CWB 110 with a grade of C or better, or CWB 110 as a corequisite, or instructor permission
Introduces the student to the more common scripting languages used in web development. This allows for the development of dynamic, interactive and responsive web pages. Both client-side and server-side scripting is introduced.

Using topics learned in this course, the student will be able to develop web pages that look, feel and have the usability of desktop applications.

CWB 130 Web Editing Tools: (Editor)
3 CREDIT HOURS
PREREQUISITE: CSC 118 with a grade of C or better, or CSC 118 as a corequisite, or instructor permission
Teaches control of presentational elements of Web documents by effectively separating page structure from the presentation or design of that page using a style language, controlling page formatting, image inclusion, page layout, and hyperlinks.

CWB 204 Web Presentation: (Software)
3 CREDIT HOURS
PREREQUISITE: CWB 110 with a grade of C or better, or CWB 110 as a corequisite, or instructor permission
Teaches the use of tools for Web page design and development. These tools are designed to make the creation of Web pages easy and consistent. With the use of editing tools, students will be able to build Web pages making use of forms, tables, frames, templates, Cascading Style Sheets (CSS), and layers. The student will also be able to easily publish and manage a Web site once it is created.

CWB 206 Web Data Base
3 CREDIT HOURS
COURSE REQUIRE: CSC 145
Explores basic database techniques in the design and implementation of large and complex database solutions. Covers advanced database concepts, database design, database management systems, and database administration.

CWB 275 Special Topics
3 CREDIT HOURS
PREREQUISITE: Instructor, chair, or advisor permission
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

DEH — DENTAL HYGIENE COURSES

DEH 100 Dental Hygiene Basic & Terminology I
1 CREDIT HOUR
PREREQUISITE: Admission into the Dental Hygiene Program
Introduces incoming dental hygiene students to the terminology they will need to build upon as they progress through the program. This includes dental terminology with specific relevance to dental hygiene, HIPAA and its legal basis, procedures and protocols relevant to a dental hygiene school setting including rudimentary ethical considerations.

DEH 101 Preclinical Dental Hygiene Lecture
2 CREDIT HOURS
PREREQUISITE: DEH 100 with a grade of C or better
COURSE REQUIRE: DEH 102, DEH 103, DEH 104, DEH 111, DEH 116, and DEH 123
Explores basic dental hygiene theory and development of basic skills. Focuses on the application of diagnostic, preventative and therapeutic procedures and includes an introduction to dentistry and dental hygiene, dental and medical terminology, infection control, the removal of tooth deposits, patient medical and dental histories, preventive instruction and treatment planning.

DEH 102 Preclinical Dental Hygiene Care
3 CREDIT HOURS
PREREQUISITE: DEH 100 with a grade of C or better
COURSE REQUIRE: DEH 107, DEH 108, DEH 109, DEH 111, DEH 116, and DEH 123
Focuses on clinical experiences in basic dental hygiene procedures and techniques including basic instrumentation, infection control, and patient assessment skills. Students participate in a variety of clinical learning experiences.
**DEH 103 Dental Anatomy and Histology**
3 CREDIT HOURS

**PREREQUISITE:** DEH 100 with a grade of C or better

**COREQUISITE:** DEH 101, DEH 102, DEH 103, DEH 104, DEH 111, DEH 116, and DEH 123

Focuses on a study of the anatomical and histological features of the teeth and other oral structures of the oral cavity. Includes terminology, anatomical landmarks, and tooth identification. Introduces histology, the embryology of the face and oral nasal cavities, development of the teeth, and the histological features of the various components of the teeth and surrounding structures.

**DEH 104 Dental Radiology**
3 CREDIT HOURS

**PREREQUISITE:** DEH 100 with a grade of C or better

**COREQUISITE:** DEH 101, DEH 102, DEH 103, DEH 104, DEH 111, DEH 116, and DEH 123

Introduces principles of x-radiation production and safety factors; application and theory of properly exposing, processing, mounting and evaluating radiographs; identification of normal anatomic landmarks and pathologic conditions. Focuses on utilization of the laboratory in performing procedures necessary to produce quality radiographs.

**DEH 111 Dental and Medical Emergencies**
2 CREDIT HOURS

**PREREQUISITE:** DEH 100 with a grade of C or better

**COREQUISITE:** DEH 101, DEH 102, DEH 103, DEH 104, DEH 111, and DEH 123

Introduces the management of emergency situations in the dental office setting. Emphasizes reduction of risk for emergencies, identification and management of anxiety, and stress recognition protocol. Provides practical skills applicable to dental hygienists and the scope of responsibility for medical emergency management as dictated by state dental practice law. Covers the basic categories of emergencies, causes and management. Includes content and use of emergency kits and oxygen support systems.

**DEH 116 Preventive Dentistry and Special Needs Patients**
2 CREDIT HOURS

**PREREQUISITE:** DEH 100 with a grade of C or better

**COREQUISITE:** DEH 101, DEH 102, DEH 103, DEH 104, DEH 111, and DEH 123

Focuses on application of the basic sciences in maintaining healthy oral tissues for all patient populations. Emphasizes plaque and plaque related diseases and the basic philosophy involved in controlling and/or preventing disease. Addresses the role of the dental hygienist in etiology, epidemiology of disease, primary preventive efforts, oral health education, nutrition and dietary measures, and preventive agents.

**DEH 122 Periodontics I**
2 CREDIT HOURS

**PREREQUISITE:** DEH 101, DEH 102, DEH 103, DEH 104, DEH 111, DEH 116, and DEH 123 with a grade of C or better

**COREQUISITE:** DEH 102, DEH 132, DEH 163, DEH 170, and DEH 213

Focuses on a study of the anatomical and histological features of the teeth and other oral structures of the oral cavity. Includes terminology, anatomical landmarks, and tooth identification. Introduces histology, the embryology of the face and oral nasal cavities, development of the teeth, and the histological features of the various components of the teeth and surrounding structures.

**DEH 123 Head and Neck Anatomy**
1 CREDIT HOUR

**PREREQUISITE:** DEH 100 with a grade of C or better

**COREQUISITE:** DEH 101, DEH 102, DEH 103, DEH 104, DEH 111, and DEH 116

Focuses on the study of head and neck anatomy with emphasis on the muscles of mastication, the lymphatics, the TMJ, the nerve and vascular supply, and the oral cavity.

**DEH 126 Dental Materials**
2 CREDIT HOURS

**PREREQUISITE:** DEH 101, DEH 102, DEH 103, DEH 104, DEH 111, DEH 116, and DEH 123 with a grade of C or better

**COREQUISITE:** DEH 122, DEH 132, DEH 153, DEH 170, and DEH 213

Provides the theory and discussion of periodontal assessment, etiology, epidemiology, histopathology of periodontal diseases and other related gingival conditions. Provides the theory and discussion of periodontal assessment, etiology, epidemiology, histopathology of periodontal diseases and other related gingival conditions. Provides the theory and discussion of periodontal assessment, etiology, epidemiology, histopathology of periodontal diseases and other related gingival conditions.

**DEH 132 Applied Pharmacology**
2 CREDIT HOURS

**PREREQUISITE:** DEH 101, DEH 102, DEH 103, DEH 104, DEH 111, DEH 116, and DEH 123 with a grade of C or better

**COREQUISITE:** DEH 122, DEH 132, DEH 153, DEH 170, and DEH 213

Focuses on dental hygiene theory and laboratory experiences with major top- ics related to advanced clinical skills, including advanced instrumentation, ultrasonic, and scaling implants.

**DEH 133 Local Anesthesia**
1 CREDIT HOUR

**PREREQUISITE:** Successful completion of first year Dental Hygiene courses

Focuses on the role of the dental hygienist in etiology, epidemiology of disease, primary preventive efforts, oral health education, nutrition and dietary measures, and preventive agents.

**DEH 134 Advanced Clinical Skills**
1 CREDIT HOUR

**PREREQUISITE:** Successful completion of first year Dental Hygiene courses

Focuses on dental hygiene theory and laboratory experiences with major top- ics related to advanced clinical skills, including advanced instrumentation, ultrasonic, and scaling implants.

**DEH 138 Nitrous Oxide/Oxygen Sedation**
1 CREDIT HOUR

**PREREQUISITE:** DEH 122, DEH 126, DEH 132, DEH 153, DEH 170, and DEH 213 with a grade of C or better

**COREQUISITE:** DEH 133, DEH 150, and DEH 171

Focuses on dental hygiene theory and laboratory experiences with major top- ics related to advanced clinical skills, including advanced instrumentation, ultrasonic, and scaling implants.

**DEH 150 Lasers: Theory and Practice**
1 CREDIT HOUR

**PREREQUISITE:** DEH 122, DEH 126, DEH 132, DEH 153, DEH 170, and DEH 213 with a grade of C or better

**COREQUISITE:** DEH 133, DEH 138, and DEH 171

Focuses on dental hygiene theory and laboratory experiences with major top- ics related to advanced clinical skills, including advanced instrumentation, ultrasonic, and scaling implants.

**DEH 153 Clinical Theory of Dental Hygiene I**
2 CREDIT HOURS

**PREREQUISITE:** DEH 101, DEH 102, DEH 103, DEH 104, DEH 111, DEH 116, and DEH 123 with a grade of C or better

**COREQUISITE:** DEH 122, DEH 126, DEH 132, DEH 153, and DEH 213

Focuses on dental hygiene theory and laboratory experiences with major top- ics related to advanced clinical skills, including advanced instrumentation, ultrasonic, and scaling implants.

**DEH 170 Clinical Practice of Dental Hygiene I**
4 CREDIT HOURS

**PREREQUISITE:** DEH 101, DEH 102, DEH 103, DEH 104, DEH 111, DEH 116, and DEH 123 with a grade of C or better

**COREQUISITE:** DEH 122, DEH 126, DEH 132, DEH 153, and DEH 213

Focuses on dental hygiene theory and laboratory experiences with major top- ics related to advanced clinical skills, including advanced instrumentation, ultrasonic, and scaling implants.

**DEH 171 Clinical Practice of Dental Hygiene I-A**
2 CREDIT HOURS

**PREREQUISITE:** DEH 122, DEH 126, DEH 132, DEH 153, DEH 170, and DEH 213 with a grade of C or better

**COREQUISITE:** DEH 133, DEH 138, and DEH 150

Focuses on dental hygiene theory and laboratory experiences with major top- ics related to advanced clinical skills, including advanced instrumentation, ultrasonic, and scaling implants.
DEH 175 Special Topics
1-12 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor.
Exploration of current topics, issues and activities related to one or more aspects of the named discipline.

DEH 202 Applied Nutrition in Dentistry
2 CREDIT HOURS
PREREQUISITE: DEH 133, DEH 138, DEH 150, and DEH 171 with a grade of C or better.
COREQUISITE: DEH 204, DEH 242, DEH 268, and DEH 270
Gives students a fundamental understanding of general nutrition with an emphasis on the interrelationship between nutrition and dental health. Focuses on recognizing nutritional deficiencies and how to conduct and evaluate nutritional surveys on patients.

DEH 204 Community Dental Health I
2 CREDIT HOURS
PREREQUISITE: DEH 133, DEH 138, DEH 150, and DEH 171 with a grade of C or better.
COREQUISITE: DEH 202, DEH 242, DEH 268, and DEH 270
Provides instruction in the concepts, methods and issues of dental public health. Emphasis is placed on evidence-based criteria for effective promotion and prevention of dental disease in the public health setting. Concepts of dental health education and program planning in the community setting are reinforced through case based materials, including methods of assessment, planning, implementation and evaluation of effectiveness. Course activities will reinforce skills in speaking and writing effectively in preparation for the subsequent community dental health field experience course.

DEH 213 General and Oral Pathology
3 CREDIT HOURS
PREREQUISITE: DEH 101, DEH 102, DEH 103, DEH 104, DEH 111, DEH 116, and DEH 123 with a grade of C or better.
COREQUISITE: DEH 122, DEH 126, DEH 132, DEH 153, and DEH 170
Focuses on the fundamentals of general pathology and the disease process. Covers oral pathology with emphasis on recognition and identification of pathologic conditions that most frequently occur around the oral cavity. Helps students identify appropriate referral mechanisms to render a definitive diagnosis.

DEH 221 Ethics and Practice Management
2 CREDIT HOURS
PREREQUISITE: DEH 202, DEH 204, DEH 242, DEH 268, and DEH 270 with a grade of C or better.
COREQUISITE: DEH 225, DEH 271, DEH 282, and DEH 285
Focuses on the transition from an educational environment to a working dental business. Enables the student to learn management skills of operating a dental office. Emphasizes opportunities for self-exploration in development of personal and professional goals. Examines professional ethics, legal issues, and the relationship to the licensed practice of dental hygiene.

DEH 225 Community Dental Health II: Field Experience
1 CREDIT HOUR
PREREQUISITE: DEH 202, DEH 204, DEH 242, DEH 268, and DEH 270 with a grade of C or better.
COREQUISITE: DEH 227, DEH 271, DEH 282, and DEH 285
Provides practical application of community dental health theory and opportunities to conduct needs assessments on a variety of populations. Emphasizes meeting the educational needs of specific populations through program planning, implementation and evaluation. Incorporates supervised field experiences in low-income, school and other public health facilities, as well as private health and education oriented organizations.

DEH 242 Periodontics II
2 CREDIT HOURS
PREREQUISITE: DEH 133, DEH 138, DEH 150, and DEH 171 with a grade of C or better.
COREQUISITE: DEH 202, DEH 204, DEH 268, and DEH 270
Continues to explore theoretical/clinical preparations with emphasis on dental hygiene process of care, treatment planning, non-surgical treatment, evaluation of treatment, and maintenance needs of the periodontal patient. Develops research and decision making skills with use of library and Internet resources relating to risk factors, etiologic agents, and treatment modalities. Includes comprehensive periodontal assessment, supplemental diagnostics, periodontal pharmacology, and evidence based treatment planning.

DEH 266 National Board Review (elective)
2 CREDIT HOURS
PREREQUISITE: Third-semester DEH course work with a grade of C or better.
COREQUISITE: Fourth-semester DEH course work
Provides formal review sessions for second year dental hygiene students preparing to sit for the National Board Examination in March.

DEH 286 Clinical Theory of Dental Hygiene II
2 CREDIT HOURS
PREREQUISITE: DEH 133, DEH 138, DEH 150, and DEH 171 with a grade of C or better.
COREQUISITE: DEH 202, DEH 204, DEH 242, and DEH 270
Provides didactic theory for clinical practice of dental hygiene skills at the beginning of the second year of dental hygiene curriculum. Builds on clinical theory from first year curriculum to provide the knowledge base needed for treatment of patients with more advanced periodontal disease and medical/health factors. Focuses on periodontal charting and documentation, interpretation of periodontal factors on radiographs, use of treatment planning in the dental hygiene process of care, legal parameters of record keeping and informed consent, use of oral photography, application of sealants, treatment of dental hypersensitivity, application of chemotherapeutics and professional oral irrigation, application of ergonomics in dentistry, clinical dental hygiene treatment considerations for patients with history of cardiac complications and diabetes.

DEH 270 Clinical Practice of Dental Hygiene II
6 CREDIT HOURS
PREREQUISITE: DEH 133, DEH 138, DEH 150, and DEH 171 with a grade of C or better.
COREQUISITE: DEH 202, DEH 204, DEH 242, and DEH 270
Covers patient care sessions for the performance of traditional dental hygiene treatment. Continues and expands periodontal patient care and special patient care sessions. Focuses on clinical competence in margining and polishing of restorations, nutrition counseling, oral irrigation, chemotherapeutics and OSHA compliance.

DEH 271 Clinical Practice of Dental Hygiene III
7 CREDIT HOURS
PREREQUISITE: DEH 202, DEH 204, DEH 242, DEH 268, and DEH 270 with a grade of C or better.
COREQUISITE: DEH 221, DEH 225, DEH 282, and DEH 285
Continues patient care session with emphasis on attaining a level of competency and efficiency for successful performance in clinical board exams and private practice. Focuses on clinical skill development in tobacco cessation, product selection, patient communications, curettage and special topics developed patient treatments. Provides elective extra-mural clinical sites for additional practice.

DEH 282 Periodontics III
1 CREDIT HOUR
PREREQUISITE: DEH 202, DEH 204, DEH 242, DEH 268, and DEH 270 with a grade of C or better.
COREQUISITE: DEH 221, DEH 225, DEH 271, and DEH 285
Provides comprehensive dental hygiene clinical management techniques for periodontal patients supported by application of basic clinical research sciences. Focus is on the “therapy” component of periodontics including instruction sessions covering the general principles of periodontal surgery, the surgical management of soft tissues and osseous defects, wound healing, implants, and the role of occlusion in periodontal therapy.

DEH 285 Clinical Theory of Dental Hygiene III
2 CREDIT HOURS
PREREQUISITE: DEH 202, DEH 204, DEH 242, DEH 268, and DEH 270 with a grade of C or better.
COREQUISITE: DEH 221, DEH 225, DEH 271, and DEH 282
Serves as the capstone course of the final semester of a two-year curriculum. Prepares the student for two major goals: basic competence for transition to provision of dental hygiene services in private practice; and the ability to successfully pass both written National Boards examinations and regional dental hygiene clinical examinations. Emphasizes the application of case based learning. Major topics include: cosmetic bleaching, air powered polishing devices, application of the re-evaluation process in treatment planning for periodontally involved cases, preparation for the CRDTS regional clinical exam process, application of an effective tobacco cessation process, technique and process for gingival curettage, technique and process for amalgam polishing and margination, care of cosmetic dental restorations, and maintenance of implants.
NOTE: Student must receive a B or better in this course.
ECE — EARLY CHILDHOOD EDUCATION COURSES

ECE 101 Introduction to Early Childhood Education
3 CREDIT HOURS
PREREQUISITE: English assessment score of 20 or better, or equivalent ACT/SAT scores
Provides an introduction to Early Childhood Education. Includes the eight key areas of professional knowledge: Child Growth and Development, Health, Nutrition and Safety, Developmentally Appropriate Practices, Guidance, Family and Community Relationships, Diversity, Professionalism, Administration and Supervision. Focuses on ages birth through age eight.

ECE 102 Introduction to Early Childhood Lab Techniques
3 CREDIT HOURS
COREQUISITE: ECE 101
Focuses on a classroom seminar and placement in a child care setting. The supervised placement provides the student with the opportunity to observe children, to practice appropriate interactions, and to develop effective guidance and management techniques. Addresses ages birth through age eight.

ECE 103 Guidance Strategies for Young Children
3 CREDIT HOURS
PREREQUISITE: English assessment score of 20 or better, or equivalent ACT/SAT scores
Explores guidance theories, applications, goals, techniques and factors that influence expectations, classroom management issues, and pro-social skills. Addresses ages birth through age eight.

ECE 108 The Assessment Process in Early Childhood Education
1 CREDIT HOUR
PREREQUISITE: English assessment score of 20 or better, or equivalent ACT/SAT scores
Focuses on exposing students to a wide variety of screening tools and evaluations appropriate for children birth to eight years of age. Enables students to gain beginning knowledge in the selection of developmental screening tools and evaluations important to the IFSP/IEP.

ECE 111 Infant and Toddler Theory and Practice
3 CREDIT HOURS
PREREQUISITE: English assessment score of 20 or better, or equivalent ACT/SAT scores
Presents an overview of theories, applications (including observations), and issues pertinent to infant and toddler development in group and/or family settings. Includes state requirements for licensing, health, safety, and nutrition issues. Focuses on birth through age three.

ECE 112 Introduction to Infant/Toddler Lab Techniques
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092 or ENG 060, or English assessment score of 70 or better; and ECE 111 with a grade of C or better
Includes a classroom seminar and placement in an infant and/or toddler setting. The supervised placement provides the student with the opportunity to observe, to practice appropriate interactions, and to develop effective guidance and nurturing techniques with infants and/or toddlers. Addresses ages prenatal through age two.

ECE 188 Practicum: Early Childhood Education
0-12 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092 or ENG 060, or English assessment score of 70 or better
Provides students with field experience in early childhood programs.
NOTE: A background check will be required for this course.

ECE 205 Nutrition, Health, and Safety
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, ENG 060 and REA 090, or English assessment score of 70 or better and/or Reading assessment score of 80 or better
Focuses on nutrition, health, and safety as a key factor for optimal growth and development of young children. Content includes nutrient knowledge, menu planning, food program participation, health practices, management and safety, appropriate activities, and communication with families. Addresses ages from prenatal through age eight.

ECE 209 Observing and Utilizing Young Children’s Assessment Instruments
1 CREDIT HOUR
PREREQUISITE: Grade of C or better in CCR 092, ENG 060 and REA 090, or English assessment score of 70 or better and/or Reading assessment score of 62 or better; and ECE 101 and ECE 102 or ECE 103 with a grade of C or better
Examines the current research on the continuous practice of observing children. Incorporates practice with a variety of assessment instruments currently used in Colorado ECE programs.

ECE 220 Curriculum Development: Methods and Techniques
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, ENG 060 and REA 090, or English assessment score of 70 or better and/or Reading assessment score of 80 or better; and ECE 101 and ECE 102, or ECE 103 with a grade of C or better
Provides an overview of early childhood curriculum development. Includes processes for planning and implementing developmentally appropriate environments, materials and experiences, and quality in early childhood programs. Focuses on birth through age eight.

ECE 226 Creativity and the Young Child
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, ENG 060 and REA 090, or English assessment score of 70 or better and/or Reading assessment score of 80 or better
Provides an emphasis on encouraging and supporting creative self expression and problem solving skills in children. Explores creative learning theories and research. Focuses on developmentally appropriate curriculum strategies in all developmental domains. Addresses ages birth through age eight.

ECE 228 Language and Literacy
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, ENG 060 and REA 090, or English assessment score of 70 or better and/or Reading assessment score of 62 or better
Presents strategies for optimum language development, literacy, social and emotional development. Supports children’s language and literacy in home, classroom, and community settings. Provides appropriate teacher/child verbal interactions, classroom environments, and activities. Addresses ages birth through age eight.

ECE 236 Child Growth / Development Laboratory
1 CREDIT HOUR
PREREQUISITE: Grade of C or better in CCR 092, ENG 060 and REA 090, or English assessment score of 70 or better and/or Reading assessment score of 80 or better; and ECE 101 and ECE 102, or ECE 103 with a grade of C or better
Examines the current research on the continuous practice of observing children. Incorporates practice with a variety of assessment instruments currently used in Colorado ECE programs.

ECE 238 Child Growth and Development
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 060 and REA 090; or English assessment score of 85 or better and/or Reading assessment score of 82 or better; or equivalent ACT/SAT scores; and ECE 101 and ECE 102 or ECE 103 with a grade of C or better
COREQUISITE: ECE 238
Covers the growth and development of the child from conception through the elementary school years. Emphasizes physical, cognitive, language, social and emotional domains, and the concept of the whole child and how adults can provide a supportive environment. Addresses ages from prenatal through age 12.

ECE 240 Administration of Early Childhood Care and Education Programs
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 060 and REA 090; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; or equivalent ACT/SAT scores; and ECE 101 and ECE 102 or ECE 103 with a grade of C or better
Examines Colorado’s licensing requirements, as well as quality standards pertaining to the operation of programs for young children. Focuses on the director’s administrative skills and role as a community advocate for young children. Addresses ages birth through age 12.
### ECE 241 Administration: Human Relations for Early Childhood Education
3 CREDIT HOURS
**Prerequisite:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; or equivalent ACT/SAT scores; and ECE 101 and ECE 102 or ECE 103 with a grade of C or better.

Focuses on the human relations component of an early childhood professional's responsibilities. Includes director-staff relationships, staff development, leadership strategies, parent-professional partnerships, and community interaction.

### ECE 256 Working with Parents, Families, and Community System
3 CREDIT HOURS
**Prerequisite:** Grade of C or better in CCR 092, ENG 090 and REA 090, or English assessment score of 70 or better and/or Reading assessment score of 62 or better.

Examines attitudes and family values systems and how they affect parent-professional partnerships. Addresses communication, problem-solving and conflict resolution strategies. Plans effective activities and programs for parent involvement. Addresses ages birth through eight.

### ECE 260 Exceptional Child
3 CREDIT HOURS
**Prerequisite:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; or equivalent ACT/SAT scores; and ECE 238 with a grade of C or better.

Presents an overview of critical elements related to educating young children with disabilities in the early childhood setting. Topics include the following: typical and atypical development, legal requirements, research-based practices related to inclusion, teaming and collaboration, and accommodations and adaptations. Student will learn how a disability will impact a young child's learning process. Focus of the course is on birth through age 8.

### ECE 275 Special Topics: General (advanced)
1-6 CREDIT HOURS
**Prerequisite:** This course may require prerequisites or permission of instructor.

Explores current topics, issues and activities related to one or more aspects of the early childhood care and education profession.

### ECE 288 Practicum: Early Childhood Education
3 CREDIT HOURS
**Prerequisite:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; or equivalent ACT/SAT scores; and ECE 101, ECE 102, or ECE 103 with a grade of C or better.

**Corequisite:** ECE 209

Provides students with advanced field experience opportunities in early childhood education programs.

**Note:** A background check will be required for this course.

**Note:** This class will be offered in the Spring semester only.

### ECO — ECONOMICS COURSES

#### ECO 175 Special Topics
2-12 CREDIT HOURS
**Prerequisite:** This course may require prerequisites or permission of instructor.

Provides students with a vehicle to pursue in depth exploration of special topics of interest.

#### ECO 201 Principles of Macroeconomics: GT-SS1
3 CREDIT HOURS
**Prerequisite:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; and grade of C or better in MAT 090 or MAT 050; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; and Math assessment score of 60 or better; or equivalent ACT/SAT scores.

Focuses on the study of the American economy, stressing the interrelationships among household, business, and government sectors. Explores saving and investment decisions, unemployment, inflation, national income accounting, taxing and spending policies, the limits of the market and government, public choice theory, the Federal Reserve System, money and banking, and international trade. This course is one of the Statewide Guarantee Transfer courses. GT-SS1

#### ECO 202 Principles of Microeconomics: GT-SS1
3 CREDIT HOURS
**Prerequisite:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; and grade of C or better in MAT 090 or MAT 050; or English assessment score of 95 or better and/or Reading assessment score of 80 or better, and Math assessment score of 60 or better; or equivalent ACT/SAT scores.

Studies the firm, the nature of cost, and how these relate to the economy as a whole. Analyzes economic models of the consumer, perfect competition, monopoly, oligopoly and monopolistic competition. Explores economic issues including market power, population growth, positive and negative externalities, income distribution, poverty and welfare, discrimination, and international economic interdependence. This course is one of the Statewide Guaranteed Transfer courses. GT-SS1

### EDU — EDUCATION COURSES

#### EDU 187 Cooperative Education
1-6 CREDIT HOURS
**Prerequisite:** English assessment score of 20 or better, or equivalent ACT/SAT scores.

Provides students an opportunity to gain practical experience in applying their occupational skills and/or to develop specific skills in a practical work setting. The instructor works with the student to select an appropriate work site, establish learning objectives, and to coordinate learning activities with the employer or work site supervisor.

#### EDU 188 Practicum I
4 CREDIT HOURS
**Prerequisite:** English assessment score of 20 or better, or equivalent ACT/SAT scores.

Provides students with the opportunity to supplement coursework with practical work experience related to their educational program. Students work under the immediate supervision of experienced personnel at the education facility and with the direct guidance of the instructor.

#### EDU 221 Introduction to Education
3 CREDIT HOURS
**Prerequisite:** Grade of C or better in CCR 092, ENG 090 and REA 090; or English assessment score of 70 or better and/or Reading assessment score of 62 or better; and Math assessment score of 45 (EA) or better.

Focusses on the historical, social, political, philosophical, cultural and economic forces that shape the United States public school system. Includes current issues of educational reform, technology as it relates to education and considerations related to becoming a teacher in the state of Colorado. Special interest will be paid to the topic of diversity in the K-12 school system.

#### EDU 222 Effective Teaching
1 CREDIT HOUR
**Prerequisite:** English assessment score of 20 or better, or equivalent ACT/SAT scores.

Focusses on strategies for becoming an effective teacher. Topics included are: course goals and objectives, the first day, planning a lesson, higher levels of thought, test design and grading, assessment, and teaching and learning styles.

#### EDU 230 Literacy Instructional Techniques
4 CREDIT HOURS
**Prerequisite:** English assessment score of 20 or better, or equivalent ACT/SAT scores.

Provides students with more knowledge of instructional techniques in the teaching of language, reading, and writing. Introduces students to the phases of literacy development and explores the best practices in literacy instruction for grades K-6. Accommodating the needs of learners with special needs, including learning disabilities or second language considerations, are also covered. Theory and practical classroom applications methods are emphasized.

#### EDU 231 Introduction to Bilingual Education
4 CREDIT HOURS
**Prerequisite:** English assessment score of 20 or better, or equivalent ACT/SAT scores.

Focusses on bilingual and multicultural education with emphasis on the linguistically and culturally diverse learner. Covers historical perspectives, philosophical frameworks, legal implications, subject matter methodologies, and current issues which impact bilingual educational programs.

#### EDU 232 Literacy in the Multicultural/Multilingual Classroom
3 CREDIT HOURS
**Prerequisite:** English assessment score of 20 or better, or equivalent ACT/SAT scores.

Introduces students to the theories, methods, and techniques for teaching
reading and language to children from diverse cultural and linguistic backgrounds. Includes field experience applying coursework with children.

**EDU 233 English Language Learning (K-6)**

3 CREDIT HOURS

**PREREQUISITE:** English assessment score of 20 or better, or equivalent ACT/SAT scores

Prepares teachers who work with limited English proficient student to learn strategies to develop English language learners (ELLs) social and academic English and supports their transition to US culture and schools. This course is appropriate in a variety of program models: mainstream classrooms, self-contained ESL classrooms, and bilingual programs and may be adapted for use with preschool teachers.

**EDU 242 Expressive Arts in the Elementary Classroom**

3 CREDIT HOURS

Focuses on industrial dimensioning practices, enables the student to develop basic instructional theories and applications, with particular emphasis on adult learners. Includes syllabus development, learning goals and outcomes, and lesson plans. Emphasizes teaching to a diverse student body, classroom management, assessment and instructional technology.

**EDU 250 CTE in Colorado**

1 CREDIT HOUR

**PREREQUISITE:** Department Chair permission

Explores common elements of Career and Technical Education philosophy and current practices. It details the philosophy of Career and Technical Education (CTE), the federal Carl D. Perkins legislation and related guidelines for CTE, the Colorado Technical Act, national and state regulatory agencies, the CCCS program approval process, enrollment management and advising strategies, relevant local and national issues, and quality assurance principles.

**EDU 260 Adult Learning and Teaching**

3 CREDIT HOURS

**PREREQUISITE:** Department Chair permission

Introduces basic instructional theories and applications, with particular emphasis on adult learners. Includes syllabus development, learning goals and outcomes, and lesson plans. Emphasizes teaching to a diverse student body, classroom management, assessment and instructional technology.

**EDU 261 Teaching, Learning and Technology**

3 CREDIT HOURS

**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090, and Grade of C or better in MAT 055 or MAT 099, or English assessment score of 95 or better and Reading assessment score of 80 or better, and Math assessment score of 85 (EA) or better, or equivalent ACT/SAT scores

Introduces basic instructional theories and applications, with particular emphasis on adult learners. Includes syllabus development, learning goals and outcomes, and lesson plans. Emphasizes teaching to a diverse student body, classroom management, assessment and instructional technology.

**EDU 289 Capstone**

3 CREDIT HOURS

**PREREQUISITE:** English assessment score of 20 or better, or equivalent ACT/SAT scores

Focuses on a demonstrated culmination of learning within a given program of study.

**EGT — ENGINEERING GRAPHICS COURSES**

**EGT 103 Applied Dimension & Tolerance**

3 CREDIT HOURS

**PREREQUISITE:** CDT 101 with a grade of C or better, or instructor permission

Focuses on industrial dimensioning practices, enables the student to develop skills in dimensioning techniques and learn to apply the ASME Y14.5 dimensioning standard.

**EGT 106 Introduction to Axonometric Views**

3 CREDIT HOURS

**PREREQUISITE:** CDT 103 with a grade of C or better, or instructor permission

Introduces the principles of pictorial practices. The class covers axonometric projection (isometric, oblique/cabinet and cavalier) and perspective drawing (one and two point perspectives).

**EGT 107 Introduction to Sections and Auxiliary Views**

3 CREDIT HOURS

**PREREQUISITE:** EGT 103 with a grade of C or better, or instructor permission

Introduces the principles of how parts are represented in 2D space by using sectional views of parts to clarify internal detail, and projection of inclined planes that need to be shown in their true shape and size.

**EGT 160 Introduction to Industrial Drafting and Design**

3 CREDIT HOURS

**PREREQUISITE:** CDT 102 with a grade of C or better, or instructor permission

Focuses on interpreting and applying geometric dimensioning and toleranc- ing (GDT) in machining or drafting per the ASME Y14.5 specification. Demonstrates developing GDT through math formulas, tolerancing systems, modifiers, symbols, datums, and tolerances of form, profile, orientation, run-out and location. Students examine and interpret the generation of a working drawing, and how they are developed as a team effort between design, drafting, manufacturing and quality control.

**EGT 205 Geometric Dimension & Tolerance**

3 CREDIT HOURS

**PREREQUISITE:** EGT 160 with a grade of C or better, or instructor permission

Focuses on interpreting and applying geometric dimensioning and toleranc- ing (GDT) in machining or drafting per the ASME Y14.5 specification. Demonstrates developing GDT through math formulas, tolerancing systems, modifiers, symbols, datums, and tolerances of form, profile, orientation, run-out and location. Students examine and interpret the generation of a working drawing, and how they are developed as a team effort between design, drafting, manufacturing and quality control.

**EGT 250 Advanced Industrial Drafting**

6 CREDIT HOURS

**PREREQUISITE:** EGT 160 with a grade of C or better, or chair permission

Explores common elements of Career and Technical Education philosophy and current practices. It details the philosophy of Career and Technical Education (CTE), the federal Carl D. Perkins legislation and related guidelines for CTE, the Colorado Technical Act, national and state regulatory agencies, the CCCS program approval process, enrollment management and advising strategies, relevant local and national issues, and quality assurance principles.

**EGT 280 Internship**

6 CREDIT HOURS

**PREREQUISITE:** EGT 262 with a grade of C or better

Provides students with the opportunity to supplement coursework with practical work experience related to their educational program. Students work under the immediate supervision of experienced personnel at the business location and with the direct guidance of the instructor.

**EGT 289 Capstone—Projects in 3D for Industrial Drafting and Design**

6 CREDIT HOURS

**PREREQUISITE:** EGT 250 with a grade of C or better, or chair permission

A demonstrated culmination of learning within a given program of study.

**EMS — EMERGENCY MEDICAL SERVICES COURSES**

**EMS 121 EMT Fundamentals**

3 CREDIT HOURS

Introduces the Emergency Medical Technician (EMT) student to prehospital emergency care. The topics included in this course are Emergency Medical Services (EMS) systems, well-being of the EMT, communications, documentation, anatomy, airway management, and patient assessment.

**EMS 122 EMT Medical Emergencies**

4 CREDIT HOURS

Provides the Emergency Medical Technician (EMT) student with the knowledge and skills to effectively provide emergency care and transportation to a patient experiencing a medical emergency. This course focuses on the integration of the physical exam, medical history, and pathophysiology when assessing and treating the medical patient.

**EMS 123 EMT Trauma Emergencies**

2 CREDIT HOURS

Provides the Emergency Medical Technician (EMT) student with the knowledge and skills to provide appropriate emergency care and transportation of a patient who has suffered a traumatic injury. The concepts of kinematics and the biomechanics of trauma, along with pathophysiology and injury patterns will provide the student with the ability to assess and manage the trauma patient.
Introduction to the Advanced Emergency Medical Technician (AEMT) student to the fundamental knowledge of growth, development and aging considerations in the emergency patient. The student will then use those assessment findings to develop and carry out a patient treatment plan. This will include pediatric, geriatric and adult patients with a variety of presentations. The student will also survey each field scene for safety considerations and scene management.

END — ELECTRONEURODIAGNOSTICS COURSES

END 102 Electroencephalography (EEG) I
1 CREDIT HOUR

Provides the Advanced Emergency Medical Technician (AEMT) student's fundamental knowledge of patient care in the clinical and field setting. The student will perform patient assessments through physical examination, and patient interviews of health history and current illness. The student will then use those assessment findings to develop and carry out a patient treatment plan. This will include pediatric, geriatric and adult patients with a variety of presentations. The student will also survey each field scene for safety considerations and scene management.

END 103 Instrumentation Principles
3 CREDIT HOURS

Provides the Advanced Emergency Medical Technician (AEMT) student's fundamental knowledge of patient care in the clinical and field setting. The student will perform patient assessments through physical examination, and patient interviews of health history and current illness. The student will then use those assessment findings to develop and carry out a patient treatment plan. This will include pediatric, geriatric and adult patients with a variety of presentations. The student will also survey each field scene for safety considerations and scene management.

END 112 Electroencephalography (EEG) II
3 CREDIT HOURS

Provides the Advanced Emergency Medical Technician (AEMT) student's fundamental knowledge of patient care in the clinical and field setting. The student will perform patient assessments through physical examination, and patient interviews of health history and current illness. The student will then use those assessment findings to develop and carry out a patient treatment plan. This will include pediatric, geriatric and adult patients with a variety of presentations. The student will also survey each field scene for safety considerations and scene management.

END 115 Patient Care and Safety
1 CREDIT HOUR

Provides the Advanced Emergency Medical Technician (AEMT) student's fundamental knowledge of patient care in the clinical and field setting. The student will perform patient assessments through physical examination, and patient interviews of health history and current illness. The student will then use those assessment findings to develop and carry out a patient treatment plan. This will include pediatric, geriatric and adult patients with a variety of presentations. The student will also survey each field scene for safety considerations and scene management.

END 202 EEG Record Review Basics
3 CREDIT HOURS

Provides the Advanced Emergency Medical Technician (AEMT) student's fundamental knowledge of patient care in the clinical and field setting. The student will perform patient assessments through physical examination, and patient interviews of health history and current illness. The student will then use those assessment findings to develop and carry out a patient treatment plan. This will include pediatric, geriatric and adult patients with a variety of presentations. The student will also survey each field scene for safety considerations and scene management.

END 206 Neuroanatomy and Physiology
3 CREDIT HOURS

Provides the Advanced Emergency Medical Technician (AEMT) student's fundamental knowledge of patient care in the clinical and field setting. The student will perform patient assessments through physical examination, and patient interviews of health history and current illness. The student will then use those assessment findings to develop and carry out a patient treatment plan. This will include pediatric, geriatric and adult patients with a variety of presentations. The student will also survey each field scene for safety considerations and scene management.

END 207 Evoked Potential
6 CREDIT HOURS

Provides the Advanced Emergency Medical Technician (AEMT) student's fundamental knowledge of patient care in the clinical and field setting. The student will perform patient assessments through physical examination, and patient interviews of health history and current illness. The student will then use those assessment findings to develop and carry out a patient treatment plan. This will include pediatric, geriatric and adult patients with a variety of presentations. The student will also survey each field scene for safety considerations and scene management.
duces each of three modalities (VEP, BAER, and SEP). Incorporates practice recordings of each EP modality on classmates during lab sessions.

**END 209 END Polysomnography**

*4 CREDIT HOURS*

**PREREQUISITE:** END 112 with a grade of C or better

**COREQUISITE:** END 292

Integrates neurodiagnostic principles with sleep data acquisition, analysis and therapeutic intervention. This is an advanced, condensed course based on knowledge learned from all of the preceding Electroneurodiagnostic courses. Examines the physiologic effects sleep deprivation, types of sleep disorders, consequences of untreated sleep disorders, and pharmacologic agents. Examines commonly used diagnostic methods and data report generation.

**END 210 Clinical Neurology**

*3 CREDIT HOURS*

**PREREQUISITE:** END 102 with a grade of C or better

Provides students with the opportunity to supplement coursework with practical work experience related to their educational program. Students work under the immediate supervision of experienced personnel at the business location and with the direct guidance of the instructor.

**END 280 Clinical Internship I**

*5 CREDIT HOURS*

**PREREQUISITE:** END 102 and END 115 with a grade of C or better

Provides students with the opportunity to supplement coursework with practical work experience related to their educational program. Students work under the immediate supervision of experienced personnel at the business location and with the direct guidance of the instructor.

**END 281 Clinical Internship II**

*5 CREDIT HOURS*

**PREREQUISITE:** END 280 with a grade of C or better

**COREQUISITE:** END 112

Focuses on the planning, writing, and revising of compositions, including the development of critical and logical thinking skills. This course includes a minimum of five compositions that stress analytical, evaluative, and persuasive/argumentative writing. This course is one of the Statewide Guaranteed Transfer courses. GT-CO1

**ENG 121 English Composition I: GT-CO1**

*3 CREDIT HOURS*

**PREREQUISITE:** CCR 092, CCR 093, CCR 094, or ENG 090 with a grade of C or better, or English assessment score of 95 or better, or equivalent ACT/SAT scores

Expands and refines the objectives of English Composition I. Emphasizes critical/logical thinking and reading, problem definition, research strategies, and writing analytical, evaluative and/or persuasive papers that incorporate research. This course is one of the Statewide Guaranteed Transfer courses. GT-CO1

**ENG 131 Technical Writing I**

*3 CREDIT HOURS*

**PREREQUISITE:** CCR 092, CCR 093, CCR 094, or ENG 090 with a grade of C or better, or English assessment score of 95 or better, or equivalent ACT/SAT scores

Develops skills one can apply to a variety of technical documents. Focuses on principles for organizing, writing, and revising clear, readable documents for industry, business, and government.

**ENG 175 Special Topics**

*0-12 CREDIT HOURS*

**PREREQUISITE:** This course may require prerequisites or permission of instructor

Provides students with a vehicle to pursue in depth exploration of special topics of interest.

**ENG 201 English Comp. III: Writing for Public Discourse: GT-CO3**

*3 CREDIT HOURS*

**PREREQUISITE:** ENG 122 with a grade of C or better, or instructor permission

Provides students with skills necessary to enter into higher-level undergraduate academic discourse of professional workplace writing. ENG 201 extends students’ rhetorical knowledge and develops critical reading, thinking and writing strategies in multiple specialized areas of discourse beyond what they encounter in ENG 122. In ENG 201, students deepen their rhetorical and writing skills by learning to analyze, synthesize, summarize complex texts and incorporate this information into specific writing conventions for a defined discipline. As a more advanced composition course, ENG 201 provides interested students with the opportunity to continue their exploration of expository writing with the added benefit of learning to write for distinct audiences (format, language, level of specificity, length, and documentation style). Students will also learn effective editing and revising techniques, discipline-specific writing strategies, and how to extend their mastery of rhetorical strategies. While ENG 201 may be taught with the focus in a variety of disciplines (science writing, gender studies, literary criticism, writing in the humanities, business writing, political geography, philosophy, and so on), every discipline will allow the students the opportunity to learn how to communicate with specialized audiences and adapt content to the needs of varying rhetorical situations. The course is one of the Statewide Guaranteed Transfer courses. GT-CO3

**ENG 221 Creative Writing I**

*3 CREDIT HOURS*

**PREREQUISITE:** CCR 092, CCR 093, CCR 094, or ENG 090 with a grade of C or better, or English assessment score of 95 or better, or equivalent ACT/SAT scores

Teaches techniques for creative writing. Explores imaginative uses of language through creative genres (fiction, poetry, literary nonfiction) with emphasis on the student’s own unique style, subject matter and needs.

**ENG 222 Creative Writing II**

*3 CREDIT HOURS*

**PREREQUISITE:** ENG 221 with a grade of C or better, or instructor permission

Provides continued development of written expression in such forms as poetry, fiction, and/or nonfiction writing.

**ENG 236 Fiction Writing**

*3 CREDIT HOURS*

**PREREQUISITE:** ENG 221 with a grade of C or better, or instructor permission

Teaches techniques for creating fiction, including the study and appreciation of the language and forms of the short story. Provides continued development of written expression in such forms as poetry, fiction, and/or nonfiction writing.
**ENG 227 Poetry Writing**  
3 CREDIT HOURS  
**PREREQUISITE:** CCR 092, CCR 093, CCR 094, or ENG 090 with a grade C or better, or English assessment score of 95 or better, or equivalent ACT/SAT scores  
Teaches techniques for creating poems, including study of figurative language, forms, and sound patterns of poetry.

**ENG 228 Writing for the Graphic Novel**  
3 CREDIT HOURS  
**PREREQUISITE:** CCR 092, CCR 093, CCR 094, or ENG 090 with a grade C or better, or English assessment score of 95 or better, or equivalent ACT/SAT scores  
Introduces story analysis and writing concepts used in writing for the graphic novel. Students explore the graphic novel as a vehicle for a unique, personal venue for written expression. Students explore the history and universal themes of the graphic novel as well as examine the principles of composition, different writing styles and processes used in the development of the graphic novel. The application of writing styles, script development and revision processes necessary for the creation of an individual graphic work and thorough examination of course material in terms of writing style, process considerations and written themes are the primary focus. Students create outlines, scripts and a final written work for a graphic novel, focusing on unity of style and techniques for authoring appropriate to story lines.

**ENG 230 Creative Nonfiction**  
3 CREDIT HOURS  
**PREREQUISITE:** ENG 227 with a grade of C or better, or instructor permission  
Teaches students to incorporate literary techniques into factual writing. Enables the student to survey a wide range of readings and analyze form and content. Includes critical review, biographical profiles, travel writing and memoirs. Provides the opportunity for students to write and review their own nonfiction in a supportive, constructive setting.

**ENG 236 Writing the Film I**  
3 CREDIT HOURS  
**PREREQUISITE:** CCR 092, CCR 093, CCR 094, or ENG 090 with a grade C or better, or English assessment score of 95 or better, or equivalent ACT/SAT scores  
Guides students in the development of a treatment, outline and opening act for a feature film script, focusing on specific script format, ideation, film genre conceptualization, plot structure and character development. Students complete a 30-minute spec script, as well as a full treatment and outline for a feature film.

**ENG 275 Special Topics**  
0-12 CREDIT HOURS  
**PREREQUISITE:** This course may require prerequisites or permission of instructor  
Meets the individual needs of students. Students engage in intensive study or research under the direction of a qualified instructor.

**ENG 285 Independent Study**  
0-12 CREDIT HOURS  
**PREREQUISITE:** Instructor permission  
Meets the individual needs of students. Students engage in intensive study or research under the direction of a qualified instructor.

**ENT — ENGINEERING TECHNOLOGY COURSES**

**ENT 275 Special Topics**  
3 CREDIT HOURS  
**PREREQUISITE:** This course may require prerequisites or permission of instructor  
Allows flexible utilization and covers specific topics and current issues in the Engineering Technology field. Includes “as-needed” for credit appropriate to the topic(s) selected. Each individual offering of this course includes a complete description of the topic(s) selected in a course syllabus unique to that particular offering.

**ENV — ENVIRONMENTAL SCIENCE COURSES**

**ENV 101 Environmental Science with Lab: GT-SC1**  
4 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 090; and grade of C or better in MAT 090 or MAT 050; or English assessment score of 95 or better and/or Reading assessment score of 80 or better, and Math assessment score of 60 or better, or equivalent ACT/SAT scores  
Provides an introduction to the basic concepts of ecology and the relationship between environmental problems and biological systems. Includes interdisciplinary discussions on biology, chemistry, geology, energy, natural resources, pollution, and environmental protection. Using a holistic approach, students will study how the foundations of natural sciences interconnect with the environment. This course includes laboratory experience. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

**ENV 275 Special Topics**  
1-12 CREDIT HOURS  
**PREREQUISITE:** This course may require prerequisites or permission of instructor  
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

**ESL — ENGLISH AS A SECOND LANGUAGE COURSES**

**ESL 001 Spelling**  
3 CREDIT HOURS  
**PREREQUISITE:** ESL 041 or ESL 071 with a grade of C or better, or LOEP Reading Assessment score of 46+  
Introduces ESL students to techniques that increase basic spelling skills in English. Study includes structured word analysis, rule analysis and spelling strategies for words not governed by rules.

**ESL 011 Basic Pronunciation**  
3 CREDIT HOURS  
**PREREQUISITE:** ESL 041 or ESL 071 with a grade of C or better, or LOEP Reading Assessment score of 46+  
Provides listening and speaking activities that help students recognize and produce English vowel and consonant sounds and common stress and intonation patterns.

**ESL 021 Basic Grammar**  
3 CREDIT HOURS  
**PREREQUISITE:** ESL Grammar assessment score of 16-30  
Assists the student in mastering basic spelling skills in English. Study includes structured word analysis, rule analysis and spelling strategies for words not governed by rules.

**ESL 022 Intermediate Grammar**  
3 CREDIT HOURS  
**PREREQUISITE:** ESL 041 or ESL 071 with a grade of C or better, or LOEP Reading Assessment score of 31-45  
Reviews basic grammar and introduces intermediate structures. Provides integrated practice through a variety of oral and written exercises.

**ESL 023 Advanced Grammar**  
3 CREDIT HOURS  
**PREREQUISITE:** ESL 022 or ESL 072 with a grade of C or better, or ESL Grammar Assessment score of 46-65  
Reviews intermediate grammar. Introduces advanced structures with increased emphasis on written communication.

**ESL 031 Basic Conversation**  
3 CREDIT HOURS  
**PREREQUISITE:** LOEP Listening Assessment score of 35-49  
Focuses on listening and speaking activities that help the student communicate more competently. Provides practice with pronunciation, vocabulary, and basic grammatical patterns.
**ESL 032 Intermediate Conversation**  
3 CREDIT HOURS  
**PREREQUISITE:** ESL 031 or ESL 071 with a grade of C or better, or LOEP Listening assessment score of 50-69  
Teaches listening, pronunciation and conversation skills. Increases speed and accuracy in speaking through free and guided conversational practice.

**ESL 033 Advanced Conversation**  
3 CREDIT HOURS  
**PREREQUISITE:** ESL 032 or ESL 072 with a grade of C or better, or LOEP Listening assessment score of 70-79  
Provides students with opportunities to increase the listening and speaking skills required in academic and work situations. Emphasizes vocabulary building, listening, and note-taking strategies, as well as questioning, discussion and presentation skills.

**ESL 041 Basic Reading**  
3 CREDIT HOURS  
**PREREQUISITE:** LOEP Reading Assessment Score of 25-45  
Improves comprehension of simple written texts through vocabulary building and reading strategies.

**ESL 042 Intermediate Reading**  
3 CREDIT HOURS  
**PREREQUISITE:** ESL 041 or ESL 071 with a grade of C or better, or LOEP Reading assessment score of 46-70  
Helps the student read more quickly and accurately and understand a variety of intermediate-level reading material.

**ESL 043 Advanced Reading**  
3 CREDIT HOURS  
**PREREQUISITE:** ESL 042 or ESL 072 with a grade of C or better, or LOEP Reading assessment score of 71-95  
Prepares the student for academic reading assignments. Assists the student to read more accurately and critically through the development of vocabulary knowledge and reading skills. Introduces research skills.

**ESL 052 Intermediate Composition**  
3 CREDIT HOURS  
**PREREQUISITE:** ESL 051 or ESL 072 with a grade of C or better, or ESL Grammar assessment score of 46-65  
**COREQUISITE:** ESL 023 (if not completed as a prerequisite)  
Introduces the fundamentals of paragraph organization and development. Assists the student in developing sentence variety and grammatical competency within well-organized paragraphs.

**ESL 053 Advanced Composition**  
3 CREDIT HOURS  
**PREREQUISITE:** ESL 052 with a grade of C or better, or Writing Placement Test of ESL 053  
Reviews paragraph organization and develops the skill of writing essays using selected rhetorical modes. Emphasizes accurate use of advanced grammatical structures. Includes summarizing, paraphrasing and research writing.

**ESL 055 Computer Basics for ESL Students**  
2 CREDIT HOURS  
**PREREQUISITE:** ESL 041 or ESL 071 with a grade of C or better, or LOEP Reading assessment score of 46+  
Introduces the basics of computer use, including word processing, text entry, document appearance, editing, spelling, and printing.

**ESL 071 Basic Language Skills**  
9 CREDIT HOURS  
**PREREQUISITE:** LOEP Listening assessment score of 35-49, and LOEP Reading assessment score of 25-45, and LOEP Grammar assessment score of 16-30, or chair permission  
Develops and strengthens the reading, writing, listening, speaking and grammar production skills of non-native English speakers whose assessment scores reflect a readiness to benefit from basic-level ESL courses.

**ESL 072 Intermediate Language Skills**  
9 CREDIT HOURS  
**PREREQUISITE:** ESL 021, ESL 041 or ESL 071 with a grade of C or better, or LOEP Reading assessment score of 46-70, and LOEP Grammar assessment score of 31-45, and LOEP Listening assessment score of 50-69, or chair permission  
Provides intermediate and high-intermediate English language students with intensive instruction and practice in reading, writing and speaking English.

Teaches intermediate and advanced-level grammar concepts. Prepares students for further academic and vocational study.

**ESL 075 Special Topics**  
1-12 CREDIT HOURS  
**PREREQUISITE:** This course may require prerequisites or permission of instructor  
Provides students with a vehicle to pursue in depth exploration of special topics.

**ESL 076 Special Topics**  
1-12 CREDIT HOURS  
**PREREQUISITE:** This course may require prerequisites or permission of instructor  
Provides students with a vehicle to pursue in depth exploration of special topics.

**ESL 077 Special Topics**  
1-12 CREDIT HOURS  
**PREREQUISITE:** This course may require prerequisites or permission of instructor  
Provides students with a vehicle to pursue in depth exploration of special topics.

**FIN — FINANCE COURSE**  
**FIN 105 Principles of Banking**  
3 CREDIT HOURS  
**PREREQUISITE:** Math assessment score of 20 or better, or equivalent ACT/SAT scores, or chair permission  
Explores nearly every aspect of banking as a solid foundation for any career in the financial services industry. Just as the industry is constantly changing, this course is continually being revised to provide specific up-to-date information.

**FRE — FRENCH COURSES**  
**FRE 101 Conversational French I**  
3 CREDIT HOURS  
**PREREQUISITE:** English assessment score of 20 or better, or equivalent ACT/SAT scores  
Introduces beginning students to conversational French and focuses on understanding and speaking French. Covers basic vocabulary, grammar, and expressions that are used in daily situations and in travel.

**FRE 102 Conversational French II**  
3 CREDIT HOURS  
**PREREQUISITE:** FRE 101 with a grade of C or better  
Continues the sequence for beginning students who wish to understand and speak French. Covers basic conversational patterns, expressions, and grammar.

**FRE 111 French Language I**  
5 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in DCR 092, ENGS 060 and REA 060, or English assessment score of 70 or better and/or Reading assessment score of 62 or better  
Develops students’ interpretive, interpersonal, and presentational communicative abilities in the language. Integrates these skills in the cultural contexts in which the language is used. Offers a foundation in the analysis of culture.

**FRE 112 French Language II**  
5 CREDIT HOURS  
**PREREQUISITE:** FRE 111 with a grade of C or better, or a placement score of 282 or better  
Expands students’ interpretive, interpersonal, and presentational communicative abilities in the language across the disciplines. Integrates these skills with the study of the cultures in which the language is used. Offers a foundation in the analysis of culture and develops intercultural communicative strategies.

**FRE 211 French Language III: GT-AH4**  
3 CREDIT HOURS  
**PREREQUISITE:** FRE 112 with a grade of C or better, or a placement score of 346 or better  
Continues FRE 111 French Language I and FRE 112 French Language II in the development of increased functional proficiency in listening, speaking, reading and writing the French language. This course is one of the Statewide Guaranteed Transfer courses. GT-AH4  
**NOTE:** The order of the topics and the methodology will vary according to the individual texts and instructors.

**FRE 212 French Language IV: GT-AH4**  
3 CREDIT HOURS  
**PREREQUISITE:** FRE 211 with a grade of C or better, or a placement score of 404 or better  
Continues FRE 111 French Language I, FRE 112 French Language II and FRE 211 French Language III in the development of increased functional proficiency in listening, speaking and writing the French language. This course is
one of the Statewide Guaranteed Transfer courses. GT-AH4

**FRE 275 Special Topics**

*0-12 CREDIT HOURS*

**PREREQUISITE:** This course may require prerequisites or permission of instructor.

Provides students with a vehicle to pursue in depth exploration of special topics of interest.

**FRE 285 Independent Study**

*0-12 CREDIT HOURS*

**PREREQUISITE:** Instructor permission

Meets the individual needs of students. Students engage in intensive study or research under the direction of a qualified instructor.

---

**GEO — GEOGRAPHY COURSES**

**GEO 105 World Regional Geography: GT-SS2**

*3 CREDIT HOURS*

**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores.

Examines the spatial distribution of environmental and societal phenomena in the world’s regions; environmental phenomena may include topography, climate, and natural resources; societal phenomena may include patterns of population and settlement, religion, ethnicity, language, and economic development. Analyzes the characteristics that define world regions and distinguish them from each other. Examines the relationships between physical environments and human societies. Examines globalization, emphasizing the geopolitical and economic relationships between more developed and less developed regions. This course is one of the Statewide Guaranteed Transfer courses. GT-SS2

**GEO 106 Human Geography: GT-SS2**

*3 CREDIT HOURS*

**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores.

Introduces students to geographic perspectives and methods in the study of human societies by examining the spatial characteristics of populations, language, religion, ethnicity, politics, and economics. Examines the relationships between physical environments and human societies. This course is one of the Statewide Guaranteed Transfer courses. GT-SS2

**GEO 107 Physical Geography**

*3 CREDIT HOURS*

**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores.

Focuses on the study of the spatial relationship between humans and the natural environment. Covers five main themes: the atmosphere (weather and climate); the hydrosphere (water bodies and rivers); the lithosphere (Earth’s crust and landforms); the biosphere (soil, plant, and animal relationships); and the impact of the human population on these environmental factors. Recommended for students interested in environmental studies, earth science, and geography.

**GEO 111 Physical Geography: Landforms with Lab: GT-SC1**

*4 CREDIT HOURS*

**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; and grade of C or better in MAT 090 or MAT 050, or Math assessment score of 60 or better; or equivalent ACT/SAT scores.

Introduces students to the principles of Earth’s physical processes, emphasizing landforms, soils, and hydrology. Examines the formation and distribution of landforms, such as mountains, valleys, and deserts, and their shaping by fluvial and other processes. The course incorporates an integrated process of lectures, discussion, and laboratory assignments.

**GEO 112 Physical Geography - Weather and Climate with Lab: GT-SC1**

*4 CREDIT HOURS*

**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 or English assessment score of 95 or better; and grade of C or better in MAT 090 or MAT 050, or Math assessment score of 60 or better; or equivalent ACT/SAT scores.

Introduces the principles of meteorology, climatology, world vegetation patterns, and world regional climate classification. The course includes investigating the geographic factors which influence climate such as topography, location, elevation, winds, and latitude.

**GEO 175 Special Topics**

*2-12 CREDIT HOURS*

**PREREQUISITE:** This course may require prerequisites or permission of instructor.

Provides students with a vehicle to pursue in depth exploration of special topics of interest.

**GER — GERMAN COURSES**

**GER 101 Conversational German I**

*3 CREDIT HOURS*

**PREREQUISITE:** English assessment score of 20 or better, or equivalent ACT/SAT scores.

Introduces beginning students to conversational German and focuses on understanding and speaking German. Covers basic vocabulary, grammar, and expressions that are used in daily situations and in travel.

**GER 102 Conversational German II**

*3 CREDIT HOURS*

**PREREQUISITE:** GER 101 with a grade of C or better.

Continues the sequence for students who wish to understand and speak German. Covers basic patterns, expressions, and grammar.

**GER 111 German Language 1**

*5 CREDIT HOURS*

**PREREQUISITE:** Grade of C or better in CCR 092, ENG 060 and REA 060, or English assessment score of 10 or better and/or Reading assessment score of 60 or better.

Develops students’ interpretive, interpersonal, and presentational communicative abilities in the language. Integrates these skills in the cultural contexts in which the language is used. Offers a foundation in the analysis of culture and develops intercultural communicative strategies.

**GER 112 German Language II**

*5 CREDIT HOURS*

**PREREQUISITE:** GER 111 with a grade of C or better, or a placement score of 282 or better.

Expands students’ interpretive, interpersonal, and presentational communicative abilities in the language across the disciplines. Integrates these skills with the study of the cultures in which the language is used. Offers a foundation in the analysis of culture and develops intercultural communicative strategies.

**GER 111 German Language III: GT-AH4**

*3 CREDIT HOURS*

**PREREQUISITE:** GER 111 with a grade of C or better, or a placement score of 346 or better.

Continues GER 111 German Language I and GER 112 German Language II in the development of increased functional proficiency in listening, speaking, reading and writing the German language. This course is one of the Statewide Guaranteed Transfer courses. GT-AH4

**GER 112 German Language IV: GT-AH4**

*3 CREDIT HOURS*

**PREREQUISITE:** GER 111 with a grade of C or better, or a placement score of 404 or better.

Continues GER 111 German Language I, GER 112 German Language II, and GER 211 German Language III in the development of increased functional proficiency in listening, speaking, reading and writing the German language. This course is one of the Statewide Guaranteed Transfer courses. GT-AH4

**GER 275 Special Topics**

*0-12 CREDIT HOURS*

**PREREQUISITE:** This course may require prerequisites or permission of instructor.

Provides students with a vehicle to pursue in depth exploration of special topics of interest.

**GER 285 Independent Study**

*0-12 CREDIT HOURS*

**PREREQUISITE:** Instructor permission

Meets the individual needs of students. Students engage in intensive study or research under the direction of a qualified instructor.
GEY — GEOLOGY COURSES

GEY 111 Physical Geology with Lab: GT-SC1
4 CREDIT HOURS

PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or AEA 090 and/or Reading assessment score of 80 or better; or equivalent ACT/SAT scores.

Studies the materials of the earth, its structure, surface features and the geologic processes involved in its development. This course includes laboratory experience. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

GEY 112 Historical Geology with Lab: GT-SC1
4 CREDIT HOURS

PREREQUISITE: GEY 111 with a grade of C or better

Studies the physical and biological development of the earth through the vast span of geologic time. Emphasizes the investigation and interpretation of sedimentary rocks, the record of ancient environments, fossil life forms, and physical events, all within the framework of shifting crustal plates. Course includes laboratory experience. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

GEY 135 Environmental Geology with Lab: GT-SC1
4 CREDIT HOURS

PREREQUISITE: GEY 111 with a grade of C or better

Introduces the subject of geology as it relates to human activities. Geologic hazards such as floods, landslides, earthquakes, and volcanoes are investigated. Mineral, energy, soil, and water resources are discussed in terms of their geologic formation and identification, usage by society, and associated environmental impacts. Land use issues, waste, and pollution are also examined. This course is part of the Statewide Guaranteed Transfer courses. GT-SC1

GEY 175 Special Topics
3 CREDIT HOURS

PREREQUISITE: This course may require prerequisites or permission of instructor

Presents an overview of the special topic including one aspect of the earth and its history as recorded in rocks and rock formations. May include current changes and impact of historical events and exploration of current topics, issues and activities related to one or more aspects of the named discipline.

GRAPHIC DESIGN COURSES

See MGD — Multimedia Graphic Design

HIS — HISTORY COURSES

HIS 101 Western Civ: Antiquity-1650: GT-HI1
3 CREDIT HOURS

PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores.

Explores a number of events, peoples, groups, ideas, institutions, and trends that have shaped Western Civilization from the prehistoric era to 1650. Reflects the multiple perspectives of gender, class, religion, and ethnic groups. Focuses on developing, practicing, and strengthening the skills historians use while constructing knowledge in this discipline. This course is one of the Statewide Guaranteed Transfer courses. GT-HI1

HIS 102 Western Civ: 1650-Present: GT-HI1
3 CREDIT HOURS

PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores.

Explores a number of events, peoples, groups, ideas, institutions, and trends that have shaped Western Civilization from 1650 to the present. Reflects the multiple perspectives of gender, class, religion, and ethnic groups. Focuses on developing, practicing, and strengthening the skills historians use while constructing knowledge in this discipline. This course is one of the Statewide Guaranteed Transfer courses. GT-HI1

HIS 111 The World: Antiquity-1500: GT-HI1
3 CREDIT HOURS

PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores.

Explores a number of events, peoples, groups, ideas, institutions, and trends that have shaped World History from the prehistoric era to 1500. Reflects the multiple perspectives of gender, class, religion, and ethnic groups in a broad global sense. Focuses on the common denominators among all people. This approach goes beyond political borders to provide a better appreciation for different cultures. Focuses on developing, practicing, and strengthening the skills historians use while constructing knowledge in this discipline. The course is one of the Statewide Guaranteed Transfer courses. GT-HI1

HIS 112 The World: 1500-Present: GT-HI1
3 CREDIT HOURS

PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores.

Explores a number of peoples, groups, ideas, institutions, and trends that have shaped World History from 1500 to the present. Reflects the multiple perspectives of gender, class, religion, and ethnic groups in a broad global sense. Focuses on the common denominators among all people. This approach goes beyond political borders to provide a better appreciation for different cultures. Focuses on developing, practicing, and strengthening the skills historians use while constructing knowledge in this discipline. This is one of the Statewide Guaranteed Transfer courses. GT-HI1

HIS 121 US History to Reconstruction: GT-HI1
3 CREDIT HOURS

PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores.

Explores events, trends, peoples, groups, cultures, ideas, and institutions in North America and United States history, including the multiple perspectives of gender, class, and ethnicity, between the period when Native American Indians were the sole inhabitants of North America, and the American Civil War. Focuses on developing, practicing, and strengthening the skills historians use while constructing knowledge in this discipline. This course is one of the Statewide Guaranteed Transfer courses. GT-HI1

HIS 122 US History Since Civil War: GT-HI1
3 CREDIT HOURS

PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores.

Explores events, trends, peoples, groups, cultures, ideas, and institutions in United States History, including the multiple perspectives of gender, class, and ethnicity, between the period of the American Civil War and the present. Focuses on developing, practicing, and strengthening the skills historians use while constructing knowledge in the discipline. This course is one of the Statewide Guaranteed Transfer courses. GT-HI1

HIS 175 Special Topics
0-12 CREDIT HOURS

PREREQUISITE: This course may require prerequisites or permission of instructor

Focuses on the exploration of current topics, issues and activities related to one or more aspects of history.

HIS 203 Civil War Era in American History: GT-HI1
3 CREDIT HOURS

PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores.

Explores the causes, course, and consequences of the American Civil War, from the Colonial period to the 21st Century, in order to understand the multiple meanings of a transforming event in American history. Students will explore the meanings of the war as defined in many ways: national, sectional, racial, gender, constitutional, individual, social, intellectual, or moral. Students will closely examine four broad themes: the crisis of union and disunion in an expanding republic; slavery, race, and emancipation as national problem, personal experience, and social process; the experience of modern, total war for individuals and society; and the political and social challenges of Reconstruction. This course is one of the Statewide Guaranteed Transfer courses. GT-HI1

HIS 205 Women in World History: GT-HI1
3 CREDIT HOURS

PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores.

Examines the roles, experiences, and contributions of women in world history and explores ways in which women’s history modifies the traditional interpretations of historical events. This course is one of the Statewide Guaranteed Transfer courses. GT-HI1.
HIS 215 Women in U.S. History: GT-HI1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Examines women’s changing roles in American history from the pre-colonial native population to the present. Emphasizes the nature of women’s work and the participation of women in the family, political, religious, and cultural activities and in social reform movements. This course is one of the Statewide Guaranteed Transfer courses. GT-HI1

HIS 225 Colorado History: GT-HI1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Presents the story of the people, society, and cultures of Colorado from its earliest Native Americans, through the Spanish influx, the explorers, the fur traders and mountain men, the gold rush, railroad builders, the cattlemen and farmers, the silver boom, the tourists, and the modern state. This course is one of the Statewide Guaranteed Transfer courses. GT-HI1

HIS 235 History of the American West
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Traces the history of the American West, from the Native American cultures and the frontier experiences of America’s earliest, eastern settlers, through the Trans-Mississippi West, across the great exploratory and wagon trails, and up to the present West, be it urban, ranching, reservation, resource management, or industrial. Emphasizes the north and central parts of the West.

HIS 236 US History Since 1945: GT-HI1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Focuses on the major political, economic, social, and cultural developments that have shaped modern America from 1945 to the present. This course is one of the Statewide Guaranteed Transfer courses. GT-HI1

HIS 240 Cold War Era in World History
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Examines the Cold War as a political, ideological, economic, and military contest on a global scale.

HIS 243 History of Modern China: GT-HI1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

This course traces the political, ideological, economic, religious, social, and cultural developments of modern China from the Qing dynasty through the political and economic revolutions of the 20th century. This course is one of the Statewide Guaranteed Transfer courses. GT-HI1

HIS 244 History of Latin America: GT-HI1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Focuses on the major political, economic, social, and cultural influences that have shaped Latin America from pre-European conquest to the present. Emphasizes the early history of Latin America but connects it to the present. This course is one of the Statewide Guaranteed Transfer courses. GT-HI1

HIS 247 20th Century World History: GT-HI1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Investigates the major political, social, and economic developments, international relationships, scientific breakthroughs, and cultural trends that have shaped the various global regions and nation-states from 1900 to the present. Emphasizes the interactions of global regions and nation-states. This course is one of the Statewide Guaranteed Transfer courses. GT-HI1

HIS 249 History of Islamic Civilization: GT-HI1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Surveys the tenets of Islam and the political, social and cultural history of the civilizations which embraced it from the 6th century to the modern day. Focuses on the diversity and dynamism of Islamic civilizations through time by looking at legal systems, scientific and artistic accomplishments, philosophical heterogeneity and political developments. This course is one of the Statewide Guaranteed Transfer courses. GT-HI1

HIS 250 African American History: GT-HI1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Examines the growth and development of the U.S. presidency from the colonial era to the present and includes the pertinent political, military, economic, diplomatic, social, religious, ideological and cultural topics. At various points, issues such as race, class, gender, immigration, expansion, and the environment will be covered. This course also focuses on developing, practicing, and strengthening the skills historians use while constructing knowledge in this discipline.

HIS 251 History of the American Presidency
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Examines the growth and development of the U.S. presidency from the origins of the office until the present day. Focuses on developing, practicing, and strengthening the skills historians use while constructing knowledge in this discipline.

HIS 275 Special Topics
0-12 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor

Focuses on the exploration of current topics, issues and activities related to one or more aspects of history.
HIS 285 Independent Study
0-12 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Incorporates structured and guided, individualized research that is organized and tailored around the interests and needs of the individual student.

HPR — HEALTH PROFESSIONS COURSES

HPR 101 Customer Service in Healthcare
2 CREDIT HOURS
Introduces students to customer service theory and techniques specifically in the healthcare arena. This course will discuss therapeutic communication, conflict resolution and negotiation, as well as employee/employer relations. Exploration of diverse populations and cultural sensitivity will be addressed.

HPR 102 CPR for Professionals
0.5 CREDIT HOURS
Meets the requirements for American Red Cross Professional Rescuer CPR or American Heart Association Basic Life Support for those who work in Emergency Services, Health Care and other professional areas. Material presented in the course is basic patient assessment, basic airway management, rescue breathing, AED use and CPR for infant, children and adult patients.

HPR 104 Health Career Options
1 CREDIT HOUR
Discusses current market trends in the medical profession, professional opportunities, continuing education, and professional affiliations. Discussions regarding resumes, portfolios, letters of inquiry, and interviewing techniques, as well as job search information are provided. This course is primarily informational and provides information to the student about aspect of career choices.

HPR 106 Law and Ethics for Health Professions
2 CREDIT HOURS
Introduces student to the study and application medico-legal concepts in the delivery of human services to individuals and families using the human services principles, strategies and interventions implemented in the practice and delivery of human services to individuals and families.

HPR 108 Dietary Nutrition
1 CREDIT HOUR
Studies the basic principles in clinical practice involved in the assistance of health care. The course will cover factors which influence the nutritional status of individuals, methods of nutritional assessment and support, and diet modification for specific disease states.

HPR 112 Phlebotomy
4 CREDIT HOURS
PREREQUISITE: Grade of C or better in BIO 201, BIO 202, ENG 121, HPR 106, HPR 137, HPR 178 and MOT 136
Teaches the duties associated with the practice of venipuncture, capillary puncture, and special collection procedures. Students will have experience with quality control, infection control and safety procedures as well as laboratory computer systems. Students successfully completing this course may apply for a National Phlebotomy Registry Examination.

HPR 137 Human Diseases
4 CREDIT HOURS
PREREQUISITE: Grade of C or better in BIO 201, BIO 202, HPR 106, HPR 178 and MOT 136
COREQUISITE: MOT 136
Covers basic knowledge of the deviations that occur in the human body with disease and injury. An integrated study of signs/symptoms, diagnostic tests and treatment.

HPR 146 Relation Theory
2 CREDIT HOURS
Exposure to attitudes, behaviors and skills related to health care such as teamwork, gender issues, working relationships, workplace success, computer in healthcare and community involvement.

HPR 178 Medical Terminology
1-4 CREDIT HOURS
Introduces the student to the structure of medical terms with emphasis on using and combining the most common prefixes, roots and suffixes. Includes terms related to major body systems, oncology, psychiatry, as well as clinical laboratory and diagnostic procedures and imaging. Class structure provides accepted pronunciation of terms and relative use in the healthcare setting.

HPR 190 Basic EKG Interpretation
2 CREDIT HOURS
Provides instruction for interpretation of EKG strips, anatomy and physiology of the heart, using three-lead monitoring as a guide. Twelve-lead EKG may be discussed.

HPR 200 Advanced ECG Interpretations
2 CREDIT HOURS
PREREQUISITE: Acceptance into the EMS AAS program
Focuses on each wave and interval of the complex, the axis, and the 12-lead presentation of some rhythm disturbances.

HPR 208 Advanced Medical Terminology
2 CREDIT HOURS
Continues from a beginning medical terminology course for the student with emphasis on combining complex prefixes, roots and suffixes. Includes pathophysiology for major body systems. Includes terms related to diagnostic tools per body systems, as well as commonly used medical abbreviations.

HPR 209 Professional Nursing Pathway
3 CREDIT HOURS
PREREQUISITE: Acceptance into the AD to Baccalaureate Nursing Education Program
Introduces students to professional nursing within the culture of quality improvement and safety through lecture, class discussion, group projects, service learning activities, case studies and written and oral presentations of case topics. Topics include an understanding of the context of nursing; attributes, roles and responsibilities of the professional nurse; professional knowledge, skills and attitudes required for healthcare team participation in a culture of safety and quality improvement; and interpersonal communication abilities critical to the nurse-patient relationship.

HPR 219 Professional Nursing Pathway II
3 CREDIT HOURS
PREREQUISITE: HPR 209 with a grade of B or better, or faculty permission
Building on the introduction to professional nursing established in HPR 209, this course is a continued investigation of the culture of healthcare safety and quality improvement. Concepts to be studied include the role of culture in the nurse-patient relationship; application of communication skills and attitudes; an exploration of non-acute nursing roles; quality improvement and safety competencies, and evidence based practice.

HSE — HUMAN SERVICES COURSES

HSE 105 Introduction to Social Welfare
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Examines the historical and philosophical background of statutes, ideologies, political process, policy making, decision rules and influential leaders who have had an impact on shaping the social welfare institutions in the United States.

HSE 106 Survey of Human Services
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Provides a philosophical, political, statutory and contemporary overview of the role, values, knowledge and intervention strategies encountered by human service professionals in addressing social problems.

HSE 107 Interviewing Principles and Practices
3 CREDIT HOURS
PREREQUISITE: HSE 106 with a grade of C or better, or HSE 106 as a corequisite
COREQUISITE: HSE 108
Provides a beginning level of information on theoretical concepts, primary principles, strategies and interventions implemented in the practice and delivery of human services to individuals and families using the human services interview.
HSE 108 Introduction to Therapeutic Systems
3 CREDIT HOURS
**PREREQUISITE:** HSE 106 with a grade of C or better, or HSE 108 as a corequisite
**COREQUISITE:** HSE 107
Introduces basic concept of major therapeutic systems, including backgrounds, developmental theories and practices of specific systems from psychoanalysis to reality therapy.

HSE 109 Social Issues in Human Services
3 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090, or English assessment score of 95 or better, or equivalent ACT/SAT scores
Provides an analytical overview of the social functions of human services. Examines the welfare system from various political perspectives. Presents idealism and pragmatism of the present state of human services and trends for the future.
**NOTE:** This class will be offered in the Fall semester only.

HSE 188 Human Services Practicum I
4 CREDIT HOURS
**PREREQUISITE:** HSE 107 and HSE 108 with a grade of C or better
Provides experience in various service agencies to familiarize students with agency work. Emphasizes developing observational skills, individual growth in self-awareness, interviewing skills, introduction to agencies and client systems. A weekly classroom seminar complements the agency experience.

HSE 205 Human Services for Groups
3 CREDIT HOURS
**PREREQUISITE:** HSE 107 and HSE 108 with a grade of C or better
Introduces the concepts, principles, goals and skills of group work as a method of providing human services. Emphasis is on basic practice skills and intervention techniques.

HSE 206 Human Services for Families
3 CREDIT HOURS
**PREREQUISITE:** HSE 107 and HSE 108 with a grade of C or better
Introduces family theory and practice. Covers such topics as systems theory, communications theories, structure therapists, developmental theory and future directions in family therapy research.

HSE 207 Community Organization
3 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090, or English assessment score of 95 or better, or equivalent ACT/SAT scores
Examines the theory and practice of organizing communities, neighborhoods, committees and advisory boards as they relate to the social services delivery system.
**NOTE:** This class will be offered in the Spring semester only.

HSE 208 Social Welfare Policy
3 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090, or English assessment score of 95 or better, or equivalent ACT/SAT scores
Presents models for social policy analysis, program planning and evaluation. Applies models to relevant social welfare issues.
**NOTE:** This class will be offered in the Spring semester only.

HSE 209 Crisis Theory and Intervention
3 CREDIT HOURS
**PREREQUISITE:** HSE 107 and HSE 108 with a grade of C or better
Introduces basic theories and principles of crisis intervention from a historical and practical orientation.
**NOTE:** This class will be offered in the Fall semester only.

HSE 275 Special Topics
0-12 CREDIT HOURS
**PREREQUISITE:** This course may require prerequisites or permission of instructor
The course provides students with a vehicle to pursue in depth exploration of special topics of interest.

HSE 285 Independent Study
0-12 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Provides students the opportunity to pursue advanced topics and projects in the human services discipline utilizing standard research strategies that may include field studies.

HSE 288 Human Services Practicum II
4 CREDIT HOURS
**PREREQUISITE:** HSE 188 with a grade of C or better
Provides placement in a service agency where the student applies the values, concepts, and skills gained in theory courses to the actual process of helping people. Emphasis is on sharpening skills and knowledge, use of self in the helping process, understanding systems and use of community resources.

HSE 289 Human Services Practicum III Capstone
7 CREDIT HOURS
**PREREQUISITE:** HSE 288 with a grade of C or better
Provides practical experience working in an approved social service agency. The student participates in various service agency functions as a group member and leader, and further develops skills and knowledge in the use of self and systems in the helping process.

HUM — HUMANITIES COURSES

HUM 115 World Mythology: GT-AH2
3 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Introduces students to a multidisciplinary approach to world mythology. Common themes are illustrated and connected to religion, philosophy, art, literature, music, and contemporary culture. In addition, students will study various ways of interpreting myth. This course is one of the Statewide Guaranteed Transfer courses. GT-AH2

HUM 121 Early Civilizations: GT-AH2
3 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Introduces students to the history of ideas that have defined cultures through a study of the visual arts, literature, drama, music and philosophy. It emphasizes connections among the arts, values, and diverse cultures, including European and non-European, from the Ancient world to 1000 C.E. This course is one of the Statewide Guaranteed Transfer courses. GT-AH2

HUM 122 Medieval to Modern: GT-AH2
3 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Examines written texts, visual arts and musical compositions to analyze and reflect the evolution and confluence of cultures in Europe, Asia and the Americas from 800 C. E. to 1750 C. E. Any two of the three Survey of Humanities courses equal a sequence. This course is one of the Statewide Guaranteed Transfer courses. GT-AH2

HUM 123 Modern World: GT-AH2
3 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Examines the cultures of the 17th through the 20th centuries by focusing on the interrelationships of the arts, ideas, and history. Considers the influences of industrialism, scientific development and non-European peoples. This course is one of the Statewide Guaranteed Transfer courses. GT-AH2

HUM 175 Special Topics
0-12 CREDIT HOURS
**PREREQUISITE:** This course may require prerequisites or permission of instructor
Provides students with a vehicle to pursue in depth exploration of special topics of interest.
HUM 220 The Cultural History of Rock and Roll

3 CREDIT HOURS

**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores.

Teaches students to read about, write about, and discuss the social history of that very broad term, "rock and roll". We explore important themes in American (and British) social and cultural history through the study of popular music, as well as to examine how popular and critical tastes are reflections of artistic, cultural, sexual, economic and ideological sensibilities at the time of its production. In order to fully understand what the culture of rock is all about, we critically analyze the influence of technology, ideology, class, gender, and race on various genres of music; jazz, country, rhythm and blues, techno, heavy metal, and hip hop. We also examine how rock and roll influenced (and is influenced by) other arts, particularly literature and film. Emphasis is placed on understanding the social and cultural contexts of the various music forms rather than on a rigorous understanding of the musical forms themselves.

HUM 241 Asian Arts and Cultures

3 CREDIT HOURS

**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores.

Explores the most popular religions and philosophies of China, Japan, and India and their relationships to the arts and cultures of Asia. Special emphasis will be placed on Hinduism, Buddhism, and Islam.

HUM 275 Special Topics

0-12 CREDIT HOURS

**PREREQUISITE:** This course may require prerequisites or permission of instructor.

Provides students with a vehicle to pursue in-depth exploration of special topics of interest.

HUM 285 Independent Study

0-12 CREDIT HOURS

**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores.

Meets the individual needs of students. Students engage in intensive study or research under the direction of a qualified instructor.

HWE—HEALTH & WELLNESS COURSES

HWE 100 Human Nutrition

3 CREDIT HOURS

**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and Reading assessment score of 80 or better; and Math assessment score of 45EA or better; or equivalent ACT/SAT scores.

Introduces basic principles of nutrition with emphasis on personal nutrition. Satisfies nutrition requirement of students entering health care professions.

HWE 129 Wilderness First Responder

4 CREDIT HOURS

**PREREQUISITE:** English assessment score of 20 or better, or equivalent ACT/SAT scores.

Provides the student with those skills and emergency medical care techniques used by guides, trip leaders and others providing primary care in backcountry setting. The student will be able to respond correctly to those medical and trauma situations commonly encountered when entry into the EMS system is delayed or unlikely.

HWE 175 Special Topics

3 CREDIT HOURS

**PREREQUISITE:** This course may require prerequisites or permission of instructor.

Provides students with a vehicle to pursue in-depth exploration of special topics of interest.

ITA — ITALIAN COURSES

ITA 101 Conversational Italian I

3 CREDIT HOURS

**PREREQUISITE:** English assessment score of 20 or better, or equivalent ACT/SAT scores.

Provides the first course in a sequence for beginning students who wish to understand and speak Italian. The material includes basic vocabulary, grammar, and expressions that are used in daily situations and in travel.

ITA 102 Conversational Italian II

3 CREDIT HOURS

**PREREQUISITE:** ITA 101 with a grade of C or better.

Provides the second course in a sequence for students who wish to understand and speak Italian. The material continues to cover basic conversational patterns, expressions, and grammar.

ITA 111 Italian Language I

5 CREDIT HOURS

**PREREQUISITE:** Grade of C or better in CCR 092, ENG 080 and REA 090, or English assessment score of 70 or better and/or Reading assessment score of 62 or better.

Develops students' interpretive, interpersonal, and presentational communicative abilities in the language. Integrates these skills with the study of the cultures in which the language is used. Offers a foundation in the analysis of culture.

ITA 112 Italian Language II

5 CREDIT HOURS

**PREREQUISITE:** ITA 111 with a grade of C or better.

Expands students' interpretive, interpersonal, and presentational communicative abilities in the language. Integrates these skills with the study of the cultures in which the language is used. Offers a foundation in the analysis of culture and develops intercultural communicative strategies.

ITA 211 Italian Language III: GT-AH4

3 CREDIT HOURS

Continues ITA 111 Italian Language I and ITA 112 Italian Language II in the development of increased functional proficiency in listening, speaking, reading and writing the Italian language. This course is one of the Statewide Guaranteed Transfer courses. GT-AH4

**NOTE:** The order of topics and the methodology will vary according to individual texts and instructors.

ITA 212 Italian Language IV: GT-AH4

3 CREDIT HOURS

Continues ITA 111 Italian Language I, ITA 112 Italian Language II and ITA 211 Italian Language III in the development of increased functional proficiency in listening, speaking, reading and writing the Italian language. This course is one of the Statewide Guaranteed Transfer courses. GT-AH4

**NOTE:** The order of topics and the methodology will vary according to individual texts and instructors.

ITA 275 Special Topics

0-12 CREDIT HOURS

**PREREQUISITE:** This course may require prerequisites or permission of instructor.

Provides students with a vehicle to pursue in-depth exploration of special topics of interest.

ITA 285 Independent Study

0-12 CREDIT HOURS

**PREREQUISITE:** Instructor permission.

Meets the individual needs of students. Students engage in intensive study or research under the direction of a qualified instructor.

JOU — JOURNALISM COURSES

JOU 102 Introduction to Editing for Media

3 CREDIT HOURS

**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores.

Focuses on the process of editing articles for publication in newspapers, newsletters, magazines and the Internet. The Associated Press style is emphasized.
JOU 105 Introduction to Mass Media: GT-SS3
3 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Places the mass media in a historical and cultural perspective, considering the validity, integrity and influence of the media in a democracy. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

JOU 106 Fundamentals of Reporting
3 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Introduces newswriting, reporting and interviewing with an emphasis on clarity, accuracy, completeness, timeliness and fairness.

JOU 121 Photomagicalism
3 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Develops photojournalistic skills in capturing moments of real life from a unique personal viewpoint. Covers a broad overview of new media story-telling techniques. Students will focus on the way they observe the world around them and on the content and quality of their photographs. Recommended course to take in advance: ART 139 Digital Photography I.

JOU 175 Special Topics
0-12 CREDIT HOURS
**PREREQUISITE:** This course may require prerequisites or permission of instructor

Provides students with a vehicle to pursue in depth exploration of special topics of interest.

JOU 206 Intermediate Newswriting and Editing
3 CREDIT HOURS
**PREREQUISITE:** JOU 106 with a grade of C or better

Presents how to gather information as an investigative reporter through research of local state and federal government publications, how to cover police beat and city hall, how our courts and regulatory agencies function, and how to cover other challenges as the environment, religion, science, medical, public safety and business.

JOU 221 Newspaper Design I
3 CREDIT HOURS
**PREREQUISITE:** JOU 106 with a grade of C or better

Provides students with experience in newswriting, editing, design, layout and advertising for newspaper production. Students may be required to work on the college newspaper or other news-oriented publications.

JOU 222 Newspaper Design II
3 CREDIT HOURS
**PREREQUISITE:** JOU 221 with a grade of C or better

Allows students to build their newspaper production experience through work on the college newspaper or other approved news-oriented publications.

JOU 225 Internet Media
3 CREDIT HOURS
**PREREQUISITE:** ENG 121 with a grade of C or better

Explores techniques and approaches in the latest delivery methods for internet-based journalism. Students explore digital media outlets such as blogs, microblogs, audio and video podcasts, e-zines and social networks. Students create journalistic pieces for internet-based media, focusing on best journalistic practices, ethics of internet media, and technology emergence effecting digital journalism. Concepts in video production, photography, writing, sourcing, editing and additional relevant skills necessary for the citizen journalist are introduced. Students create all components for the online dissemination of news, documentary and infotainment.

JOU 231 Intro to Public Relations
4 CREDIT HOURS
**PREREQUISITE:** ENG 121 with a grade of C or better

Focuses on public relations and its role for the individual, the non-profit organization, business and government; research methodology, principles and practices necessary to become a public relations practitioner; and media channels best suited to a persuasive appeal or crisis.

JOU 241 Feature and Magazine Writing
3 CREDIT HOURS
**PREREQUISITE:** ENG 121 with a grade of C or better

Studies trade, consumer and technical markets; manuscript development with emphasis on nonfiction; submission techniques; and trends affecting the marketing of manuscripts.

JOU 251 Media Law and Ethics
3 CREDIT HOURS
**PREREQUISITE:** JOU 106 with a grade of C or better, or department chair permission

Students study and interact with precedent and case studies of statutory law surrounding the journalistic enterprise in America, and the effects of media law on a free and unbridled press. Topics include censorship, defamation, publicity and privacy, free expression, chilling effect, access to information, and press freedom. Students are challenged to think critically about the interpretation and application media law and to discern between issues of legal media practice and advisable professional ethics.

JOU 280 Internship
1-6 CREDIT HOURS
**PREREQUISITE:** ENG 121 and JOU 105 with grade of C or better

Provides structured and guided individualized research that is organized and tailored around the interests and needs of the individual student who may use journalism skills and experiences acquired during previous coursework.

JOU 285 Independent Study
0-12 CREDIT HOURS
**PREREQUISITE:** Instructor permission

Meets individual needs of students. Students engage in intensive study or research under the direction of a qualified instructor.

**LIT — LITERATURE COURSES**

LIT 115 Introduction to Literature I: GT-AH2
3 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Examines significant writings in world literature from the ancients through the Renaissance. Emphasizes careful readings and understanding of the works and their cultural backgrounds. This course is one of the Statewide Guaranteed Transfer courses. GT-AH2

LIT 126 Study of Poetry
3 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Focuses on careful reading and interpretation of various poems representing types and periods of poetry. It examines formal as well as thematic elements of poetry. Critical thinking, discussion, and writing about poetry will enhance perceptive reading skills and heighten awareness of the human condition.

LIT 175 Special Topics
0-12 CREDIT HOURS
**PREREQUISITE:** This course may require prerequisites or permission of instructor

Provides students with a vehicle to pursue in depth exploration of special topics of interest.

LIT 201 World Literature to 1600: GT-AH2
3 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Examines significant writings in world literature from the ancients through the seventeenth century to the present. Emphasizes careful reading and understanding of the works and their cultural backgrounds. This is one of the Statewide Guaranteed Transfer courses. GT-AH2

LIT 202 World Literature After 1600: GT-AH2
3 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Examines significant writings in world literature from the seventeenth century to the present. Emphasizes careful reading and understanding of the works and their cultural backgrounds. This is one of the Statewide Guaranteed Transfer courses. GT-AH2
**LIT 205 Ethnic Literature: GT-AH2**  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores  
Focuses on significant texts by ethnic Americans including African-Ameri- 
can, Native American, Latino/a, and Asian Americans. Emphasizes careful 
reading and understanding of the cultural and literary elements of the works. 
This course is one of the Statewide Guaranteed Transfer courses. GT-AH2

**LIT 211 American Literature To Civil War: GT-AH2**  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores  
Provides an overview of American literature from the Native American 
through the nineteenth century. It explores ideas, historical and social contexts, 
themes and literary characteristics of works in various genres by major writers. This course is one of the Statewide Guaranteed Transfer courses. GT-AH2

**LIT 212 American Literature After Civil War: GT-AH2**  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores  
Provides an overview of American literature from the mid-nineteenth cen-
tury to the present. It explores ideas, historical and social contexts, themes and 
literary characteristics of works in various genres by major writers. This course is one of the Statewide Guaranteed Transfer courses. GT-AH2

**LIT 225 Introduction to Shakespeare: GT-AH2**  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores  
Examines a selection of works by William Shakespeare. It focuses on careful 
reading and interpretation of the plays and poems, includes pertinent infor-
mation about Elizabethan England, and examines formal as well as thematic 
elements of the selected works. This course is one of the Statewide Guar-
anteed Transfer courses. GT-AH2

**LIT 235 Science Fiction**  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores  
Examines the techniques and issues of science fiction through a close reading 
of a variety of writers in the genre.

**LIT 246 Literature of Women: GT-AH2**  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores  
Examines the techniques and themes in literature by and about women by ex-
amining women’s issues from various genres. This course is one of the State-
wide Guaranteed Transfer courses. GT-AH2

**LIT 255 Children’s Literature**  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better, or equivalent ACT/SAT scores  
Evaluates the criteria for selecting appropriate literature for children through 
exploration of genres, age levels, values taught through literature, and the lit-
erary and artistic quality of various texts.

**LIT 259 Survey of African American Literature: GT-AH2**  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores  
Examines African American literature from 1750 to the present, exploring 
ideas, historical and social contexts, themes, and literary characteristics of 
works in various genres by major writers. This course is one of the Statewide 
Guaranteed Transfer courses. GT-AH2

**LIT 267 The Bible as Literature**  
3 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores  
Introduces the Bible as the textual centerpiece of Western literature. Stu-
dents will encounter the various literary genres represented in Biblical texts, 
the process of canonization, ways in which the Bible has been read by its vari-
ous interpretive communities, and some impacts of the Bible in such areas as 
law, poetry, fiction, psychology, ethics, and theology.

**LIT 275 Special Topics**  
0-12 CREDIT HOURS  
**PREREQUISITE:** This course may require prerequisites or permission of instructor  
Provides students with a vehicle to pursue in depth exploration of special top-
is of interest.

**LIT 285 Independent Study**  
0-12 CREDIT HOURS  
**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores  
Explores particular authors, topics, themes in depth, such as Ibsen, Faulkner 
or Twain, or great fiction of the nineteenth century.

**MAC — MACHINE TECHNOLOGIES COURSES**

**MAC 100 Machine Shop Safety**  
1 CREDIT HOUR  
**PREREQUISITE:** Math assessment score of 20 or better, or equivalent ACT/SAT scores  
Covers the hazards of a machine shop including health and safety, locating essen-
tial safety information from a code or other standard, location and use of safety 
and emergency equipment, and identifying and applying shop safety procedures.

**MAC 101 Introduction to Machine Shop**  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 100 with a grade of C or better  
Reinforces safety procedures, use of bench tools, layout tools, power saws, 
drill presses, precision measurement tools, and various hand tools related to 
the machine shop. End mill and drill angles and construction. Also included 
are sharpening drill bits and general purpose turning tools for the lathe and 
determining speeds and feeds for both the lathe and the milling machine.

**MAC 102 Blueprint Reading**  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 100 with a grade of C or better  
Students read blueprints and interpret symbols, notes, dimensions and toler-
ances.

**MAC 110 Introduction to Engine Lathe**  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 101 with a grade of C or better  
Introduces basic lathe applications which will consist of identifying lathe com-
ponents and controls, understanding turning safety, calculating speeds and 
feeds, using various tools and tool holders, identifying basic tool geometry, and 
the use of common lathe spindle tooling. Students will perform basic lathe op-
erations, which will consist of facing, center-drilling, chuck turning, turning 
between centers, boring, grooving, tapers, knurling, and single point threading. 
Students will be required to produce specified parts to a tolerance of +/- .004 
inches and perform competencies set by manufacturing standards.

**MAC 111 Intermediate Engine Lathe**  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 110 and MAT 108 with a grade of C or better  
Teaches students to prepare single point external and internal unified screw 
threads to a Class 3 fit along with threading tolerances and classes. Teacher the 
mechanics of the leadscrew and feedbars of a lathe. Generate angles with the 
compound rest within one degree and perform intermediate tool grinding.

**MAC 112 Advanced Engine Lathe**  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 110 with a grade of C or better  
Prepares students to form radius, single-point isometric threads, turn spheri-
cal radius, use a radius gauge, as well as advanced taper techniques and work 
support devices. Students will perform advanced grooving operations and ad-
vanced tool grinding.
MAC 120 Introduction to Milling Machine  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 101 with a grade of C or better  
Teaches students to identify the major parts of the vertical mill, align a vise, use an indicator, and edge finder. Introduces concepts such as boring head and advanced holding devices. Teaches speeds and feed calculations, mill flat, square surfaces, drill and ream holes, and work within a plus or minus .002 inch tolerance.

MAC 121 Intermediate Milling Machine  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 120 and MAT 118 with a grade of C or better  
Teaches students to indicate a milling head for simple milling operations. Prepares students to determine hole locations by coordinates. Introduction to trigonometry used in manufacturing. Using a mill for advance techniques such as squaring a block, perform angle layouts with various methods including a sign bar. Perform simple keyseat and slotting operations.

MAC 122 Advanced Milling Machine Operations  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 121 with a grade of C or better  
Prepares students to determine hole locations by coordinates and degrees, use a rotary table and indexing head. Use a jig bore to drill holes by the coordinate method, and work within plus or minus .001 inch tolerance. Advanced mill head indicating techniques. Advanced pocketing slotting and keyseat techniques. Advanced edging techniques.

MAC 141 Advanced Machining Operations  
4 CREDIT HOURS  
**PREREQUISITE:** MAC 110 or MAC 111 with a grade of C or better  
Provides the student the use of various conventional machine tools used in a machine shop environment. The use of engine lathes, horizontal and vertical milling machines, surface grinders, drill presses, pedestal grinders, power cut-off saws and other machine tools commonly used to produce quality machined parts in today’s manufacturing environments. Machining competencies will stressed and students will be required to produce parts manufactured by local manufacturing companies with the consideration of ISO quality standards.

MAC 145 Production Manufacturing Concepts  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 111 and MAC 121 with a grade of C or better  
Familiarizes the student to concepts related to manufacturing environments. Topics will consist of, but not be limited to, Material Identifications, Shop Floor Management, Just-in-Time Manufacturing, Kan-Ban Systems, Statistical Quality Control, Total Quality Management. Various lectures and demonstrations of these processes will be delivered. Students may be required to research, explore, and report on particular manufacturing processes or topics.

MAC 178 Machining Workshop  
1-6 CREDIT HOURS  
**PREREQUISITE:** MAC 110 or MAC 120 with a grade of C or better  
Provides students with an experiential learning opportunity.

MAC 201 Introduction to CNC Turning Operations  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 121 and MAC 111 with a grade of C or better, or chair permission  
Covers computer numerical control (CNC) lathe operations, control functions, the letter address system, the program format, and machine setup. G & M codes, control functions, the letter address system, and math issues related to CNC are included. This class is NOT offered on an open-entry, open-exit basis.

MAC 205 Introduction to CNC Milling Operations  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 111 and MAC 121 with a grade of C or better, or chair permission  
Provides transitional information between conventional machining applications and the typical applications found in Computer Numerical Control Machining. Topics may consist of Numerical Control Systems, The Cartesian Coordinate System, High Efficiency Tooling Applications, Objectives of Numerical Control, Calculating Speed and Feed Rates, Defining and Calculating Tool Motion, Fixturing Requirements, Basic Program Structure, Programming Codes, and Basic Conversational Programming. Operations of NC machines may be required.

MAC 207 CNC Milling Lab  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 205 with a grade of C or better  
Prepares students to write programs and run parts from both blueprints provided and per individual student designs. Proofing and editing programs, sub-programs, managing cutter compensations, fixture offsets, and overall execution at the machine will be the primary focus.

MAC 220 Modern Production Manufacturing  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 145 with a grade of C or better, or chair permission  
Exposes students to advanced machining processes typically found in state-of-the-art manufacturing environments. Students will learn how to use precision machining to make fixtures, tooling plates, cutting tools, and other complex designs using machining applications. Students will be required to use their skills, competencies, and knowledge to maintain and support a CNC production environment.

MAC 240 CAD/CAM 2-D  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 205 with a grade of C or better  
Provides the student with the essential concepts and techniques that are required to successfully create part geometry, generate tool path, verify tool path models, and post process the NC codes. The student will be exposed to a 2-axis machining, 3-axis machining wire frame and surface modeling, lathe programming, and DNC systems. Programming projects and models will be demonstrated in the CNC manufacturing lab.

MAC 245 CAD/CAM 3-D  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 240 with a grade of C or better, or chair permission  
Covers both the production and surfacing of three-dimensional geometry in a self-paced setting. Issues will be covered related to the production of wire frames, solids, surfaces, the joining of surfaces, joining of solids. Managing construction planes, sweeping, rotating, and controlling parameter settings. A familiarity with Mastercam (GibbsCAM), CNC programming techniques, and CNC operations is recommended.

MAC 246 CAD/CAM 3D Lab  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 240 with a grade of C or better  
**COREQUISITE:** MAC 245  
Requires students to produce a variety of three dimensional lab exercises on robotic machinery in a self-paced format in conjunction with MAC 245. Coursework will focus primarily on advanced geometry to include developing an understanding of CNC codes related to work offsets, cutter compensations, and tool management within CAD/CAM programs on the milling machine.

MAC 250 Advanced Inspection Techniques  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 145 with a grade of C or better, or chair permission  
Exposes the student to the principles of dimensional metrology. Students will learn how to use common measuring instruments relating to state-of-the-art manufacturing environments. Students will also learn the importance of Quality Control, TQM, and SPC processes as they relate to manufacturing environments. Use of a coordinate measuring machine will be delivered.

MAC 251 Introduction to Wire EDM  
2 CREDIT HOURS  
**PREREQUISITE:** MAC 245 with a grade of C or better, or chair permission  
Review the basic operation and theory of the wire EDM machines. Distinguish wire EDM machines from other advanced CNC machines.

MAC 252 Practical Metallurgy  
3 CREDIT HOURS  
**PREREQUISITE:** MAC 100 with a grade of C or better, and chair permission  
Offers a study of metallurgical terms and definitions in an effort to understand both the behavior of metals and their service to industry. Characteristics during heating, cooling, shaping, forming, and the stresses related to their mechanical properties are covered. The theory behind the alloys, heat treatment processes, and the impact they have on strength, toughness, hardness, elasticity, ductility, malleability, wear resistance and fatigue resistances is investigated.
MAC 253 Wire EDM Operation
3 CREDIT HOURS
PREREQUISITE: MAC 251 with a grade of C or better, or chair permission
Prepare, operate, and maintain the wire EDM machine. Create basic G-code without the use of CAM software.

MAC 257 Wire EDM Programming
3 CREDIT HOURS
PREREQUISITE: MAC 253 with a grade of C or better, or chair permission
Create a G-code program for a wire EDM machine, using CAM software. Use the program to create products on a wire EDM machine.

MAC 259 Introduction to the 5-Axis Milling Machine
2 CREDIT HOURS
PREREQUISITE: MAC 245 with a grade of C or better, or chair permission
Demonstrate knowledge of the 5-axis milling machine; basic operation and theory. Distinguish 5-axis milling machines from other CNC machines.

MAC 260 5-Axis Milling Machine Operation
3 CREDIT HOURS
PREREQUISITE: MAC 259 with a grade of C or better, or chair permission
Prepare, operate, and maintain the 5-axis milling machine. Create basic G-code without the use of CAM software.

MAC 261 5-Axis Milling Machine Programming
3 CREDIT HOURS
PREREQUISITE: MAC 260 with a grade of C or better, or chair permission
Create 5-axis milling machine programs using CAM software. Students will work from prepared blueprints.

MAC 262 Introduction to Multi-Axis Machining
2 CREDIT HOURS
PREREQUISITE: MAC 245 with a grade of C or better, or chair permission
Demonstrate knowledge of the multi-axis machine; learn basic operation and theory that distinguish multi-axis machines from other CNC machines.

MAC 263 Multi-Axis Machine Operation
3 CREDIT HOURS
PREREQUISITE: MAC 262 with a grade of C or better, or chair permission
Prepare, operate, and maintain for the multi-axis machine. Create basic G-code without the use of CAM software.

MAC 264 Multi-Axis Machine Programming
3 CREDIT HOURS
PREREQUISITE: MAC 263 with a grade of C or better, or chair permission
Create a Multi-axis machine program using CAM software. Students will work from prepared blue prints.

MAC 278 Machining Workshop
3 CREDIT HOURS
PREREQUISITE: MAC 205 and MAN 108 with a grade of C or better, English assessment score of 95 or better, and Math assessment score of 45 (EA) or better
Provides the student with an introduction to machining in the work place.

MAC 280 Machining Internship
3 CREDIT HOURS
PREREQUISITE: MAC 201 and MAC 205 with a grade of C or better, a grade point average of 2.5 or better, and chair permission
Offers individualized instruction at job site. The student is encouraged to develop skills needed to enter employment in the machining industry.

MAN — MANAGEMENT COURSES
MAN 116 Principles of Supervision
3 CREDIT HOURS
PREREQUISITE: BUS 115 with a grade of C or better
Studies the principles and techniques of supervising and motivating personnel. This course is designed for students who are interested in supervising others or for those currently in supervision. Course content focuses on the human interaction in supervision.

MAN 128 Human Relations in Organizations
3 CREDIT HOURS
Explores the importance of effective communication in our personal lives as well as in the world of business. Practical business applications such as employee motivation, handling customer complaints, and effectively resolving conflict in the workplace will be a major part of the curriculum.

MAN 160 Entrepreneurship
3 CREDIT HOURS
PREREQUISITE: ACC 101 and BUS 115 with a grade of C or better
Teaches entrepreneurs planning skills from business concept development to the actual development of a comprehensive business plan. This practical approach includes one-on-one counseling with the instructor and professional volunteer counselors. Guest speakers are an integral part of the course. Topics include marketing strategies and tactics, profitability, human resource management, financial management and projections, innovations, and loan negotiations.

MAN 175 Special Topics
2-12 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor
Provides students with a vehicle to pursue special topics of interest in business. The content of this course is designed on an as needed basis to provide current, up-to-date information.

MAN 200 Human Resources Management I
3 CREDIT HOURS
PREREQUISITE: BUS 115 with a grade of C or better
Provides the student with a broad overview of the contemporary issues, theories and principles used to effectively manage human resources. Topics include recruiting, hiring, compensation and benefits, training and development, employee relations and legal issues.

MAN 216 Small Business Management
3 CREDIT HOURS
PREREQUISITE: ACC 101 with a grade of C or better, or BUS 115 with a grade of C or better, or CCR 092 with a grade of C or better
Examines the elements necessary for the successful formation of a new small business. It is also designed to enhance the skills of those already involved in the operation of a small business. The course includes the development of a complete small business plan.

MAN 224 Leadership
3 CREDIT HOURS
PREREQUISITE: BUS 115 with a grade of C or better
Focuses on the leadership skills necessary to bring about change in an organization. Students learn to develop and communicate a shared vision, to empower employees, to manage conflict, to negotiate, and to develop organizations so that all are working toward common goals.

MAN 225 Managerial Finance
3 CREDIT HOURS
PREREQUISITE: BUS 115 with a grade of C or better
Examines the concepts and techniques used to analyze financial accounting information for managerial planning, decision making and control. The focus of the course is on decision-making relating to the areas of budgets, forecasts, cost volume production, ROI and financial statements.

MAN 226 Principles of Management
3 CREDIT HOURS
PREREQUISITE: BUS 115 with a grade of C or better
Presents a survey of the principles of management. Emphasis is on the primary functions of planning, organizing, leading and controlling with a balance between the behavioral and operational approach.

MAN 241 Project Management in Organizations
3 CREDIT HOURS
PREREQUISITE: MAN 226 with a grade of C or better
Introduces students to the planning, implementation, and control activities of project management, including project and performance evaluation, quality control and work flow analysis. Emphasis will be on the initiating, planning, executing, controlling and closing activities of project management.

MAN 242 Project Management Tools and Techniques
3 CREDIT HOURS
PREREQUISITE: MAN 241 with a grade of C or better
Emphasizes project management techniques and tools wherein students will learn the necessary skills to track a project, keeping it on time and within bud-
get. Students will apply software to solve project cases and to construct scheduling charts and reports.

**MAR — MARKETING COURSES**

**MAR 111 Principles of Sales**
3 CREDIT HOURS
**PREREQUISITE:** BUS 115 with a grade of C or better
Enables students to understand and develop ethical sales techniques and covers the role of selling the marketing process. Areas of emphasis include behavioral considerations in the buying and selling process along with sales techniques.

**MAR 117 Principles of Retailing**
3 CREDIT HOURS
**PREREQUISITE:** BUS 115 with a grade of C or better, or BUS 115 as a corequisite
Emphasizes the study of the basic principles and techniques of merchandising, operations, layout, store organization, site location, and customer service with an emphasis on retailing operations.

**MAR 160 Customer Service**
3 CREDIT HOURS
**PREREQUISITE:** BUS 115 with a grade of C or better, and grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and REA 060, or English assessment score of 95 or better and Reading assessment score of 62 or better, or equivalent ACT/SAT scores
Enables students to learn the relationship of self to customers, problem solve and understand the importance of communicating with customers. Specific emphasis is given to managing customer expectations by building customer rapport and creating positive outcomes.

**MAR 216 Principles of Marketing**
3 CREDIT HOURS
**PREREQUISITE:** BUS 115 or CBS 118 with a grade of C or better
Presents the analysis of theoretical marketing processes and the strategies of product development, pricing, promotion and distribution, and their applications to businesses and the individual consumer.

**MAR 220 Principles of Advertising**
3 CREDIT HOURS
**PREREQUISITE:** BUS 115 with a grade of C or better
Examines the principles and practices of advertising and its relationship to business in order to promote a business organization. Areas of major emphasis include advertising principles, strategies, media, copy and layout and ethical considerations.

**MAR 240 International Marketing**
3 CREDIT HOURS
**PREREQUISITE:** BUS 115 with a grade of C or better
Enables the student to explore the international marketing for U.S. products, and to explore the increasing competitive international environment and recent changes in the environment that have challenged U.S. business. The course is designed to make the reader an “informed observer” of the global market place as well as enabling him/her to develop skills to make marketing decisions in a global context.

**MAT — MATHEMATICS COURSES**

**MAT 025 Algebraic Literacy Lab**
1 CREDIT HOUR
**PREREQUISITE:** Grade of C or better in MAT 050, MAT 070, MAT 072, or MAT 090, or EA score of 45-84
**COREQUISITE:** MAT 055
Supports skill development for students registered in MAT 055 Algebraic Literacy. Topics covered in this course include those defined in MAT 055 and/or any prerequisite skills needed by the student. For students with Accuplacer score EA 45-59, this course is a required corequisite with MAT 055 Algebraic Literacy.

**MAT 050 Quantitative Literacy**
4 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in MAT 030 or MAT 045, or Math assessment score of EA 30-59 or AR 40 or better
Develops number sense and critical thinking strategies, introduces algebraic thinking, and connects mathematics to real world applications. Topics in the course include ratios, proportions, percents, measurement, linear relationship,ships, properties of exponents, polynomials, factoring, and math learning strategies. This course prepares students for Math for Liberal Arts, Statistics, Integrated Math, and college level career math courses.

**MAT 055 Algebraic Literacy**
4 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in MAT 050, MAT 070, MAT 071, or MAT 090, or EA 60-84
Students with EA 45-84 may be advised into MAT 055 but must co-enroll in MAT 025. Develops algebraic skills necessary for manipulating expressions and solving equations. Topics in the course include radicals, complex numbers, polynomials, factoring, rational expressions, quadratic equations, absolute value equations and inequalities, systems of linear equations, related applications, and math learning strategies. This course prepares students for College Algebra and Finite Math.

**MAT 091 Applied Quantitative Lab**
1 CREDIT HOUR
**PREREQUISITE:** Math assessment score of EA 30-59 or AR 40 or better
**COREQUISITE:** MAT 107 or MAT 108
Supports skill development for students registered in MAT 103, MAT 107, MAT 108, MAT 109, or MAT 112. Topics covered in the course include those defined in MAT 103/107/108/109/112 and/or any prerequisite skills needed by the student. Students with Accuplacer scores EA 30-59 or AR 40+, who are advised into MAT 103/107/108/109/112, are required to co-enroll in this course.

**MAT 092 Quant Lab**
1 CREDIT HOUR
**PREREQUISITE:** Math assessment score of EA 60-84
**COREQUISITE:** MAT 120 or MAT 135
Supports skill development for students registered in MAT 120, MAT 135, MAT 155, or MAT 156. Topics covered in this course include those defined in MAT 120/135/155/156 and/or any prerequisite skills needed by the student. Students with Accuplacer scores EA 80-84, who are advised into MAT 120, MAT 135, MAT 155, or MAT 156, are required to co-enroll in this course.

**NOTE:** CCD will enroll students with Math assessment score of EA 60-84 into MAT 092, an exception to the CCCS recommendation of EA 80-84.

**MAT 093 Algebra Lab**
1 CREDIT HOUR
**PREREQUISITE:** Math assessment score of EA 80-84
**COREQUISITE:** MAT 121 or MAT 123
Supports skill development for students registered in MAT 121 or MAT 123. Topics covered in this course include those defined in MAT 121/123 and/or any prerequisite skills needed by the student. Students with Accuplacer scores EA 80-84, who are advised into MAT 121/123, are required to co-enroll in this course.

**MAT 107 Career Math**
3 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in MAT 050, Math assessment score of 45 (EA) or better, or equivalent ACT/SAT scores
This course covers material designed for career technical or general studies students who need to study particular mathematical topics. Topics may include measurement, algebra, geometry, trigonometry, graphs, and/or finance. These are presented at an introductory level and the emphasis is on applications.

**MAT 108 Technical Mathematics**
4 CREDIT HOURS
**PREREQUISITE:** Grade of C or better in MAT 050, Math assessment score of 45 (EA) or better, or equivalent ACT/SAT scores
This course covers material designed for career technical or general studies students who need to study particular mathematical topics. Topics may include measurement, algebra, geometry, trigonometry, graphs, and/or finance. These are presented at an introductory level and the emphasis is on applications.

**MAT 111 Technology Lab for Algebra**
1 CREDIT HOUR
**PREREQUISITE:** Grade of C or better in MAT 055 or MAT 099, Math assessment of 85 (EA) or better, or equivalent ACT/SAT scores
This course explores and applies algebraic topics in a laboratory setting using graphing calculators.
MAT 112 Financial Mathematics
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 050, or Math assessment score of 60 (EA) or better
This course covers topics including pricing, taxes, insurance, interest, annuities, amortization, and investments using financial calculators and spreadsheets.

MAT 120 Mathematics for the Liberal Arts: GT-MA1
4 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 050, MAT 090, Math assessment score of 60 (EA) or better, or equivalent ACT/SAT scores
This course develops mathematical and problem-solving skills. Appropriate technological skills are included. Content is selected to highlight connections between mathematics and the society in which we live. Topics include set theory and logic, mathematical modeling, probability and statistical methods, and consumer mathematics. Additional content will include one topic in geometry, numeration systems, decision theory, or management science. This course is one of the Statewide Guaranteed Transfer courses. GT-MA1

MAT 121 College Algebra: GT-MA1
4 CREDIT HOURS
PREREQUISITE: Grade of B or better in MAT 055 or MAT 099, or Math assessment score of 85 (EA) or better, or equivalent ACT/SAT scores
Students with a grade of C in MAT 055 or MAT 099, or Math assessment score of 80-84 may enroll in MAT 121 but are required to co-enroll in MAT 093.
This course explores topics including intermediate algebra, equations, and inequalities, functions and their graphs, exponential and logarithmic functions, linear and non-linear systems, selection of topics from among graphing of the conic sections, introduction to sequences and series permutations and combinations, the binomial theorem, and theory of equations. This course is one of the Statewide Guaranteed Transfer courses. GT-MA1

MAT 122 College Trigonometry: GT-MA1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 121, Math assessment score of 63 (CLM) or better, or equivalent ACT/SAT scores
This course covers topics including trigonometric functions (with graphs and inverse functions), identities and equations, solutions of triangles, complex numbers, and other topics as time permits. This is a traditional prerequisite course to the calculus sequence. This course is one of the Statewide Guaranteed Transfer courses. GT-MA1

MAT 123 Finite Mathematics: GT-MA1
4 CREDIT HOURS
PREREQUISITE: Grade of B or better in MAT 055 or MAT 099, or Math assessment score of 85 (EA) or better, or equivalent ACT/SAT scores
Students with a grade of C in MAT 055 or MAT 099, or Math assessment score of 80-84 may enroll in MAT 123 but are required to co-enroll in MAT 093.
This course covers topics including functions, matrix algebra, linear programming, and an introduction to probability and counting techniques. Emphasis is on applications. This course may include other topics such as statistics when time permits. This course is primarily intended for business, life science, or social science majors. This course is one of the Statewide Guaranteed Transfer courses. GT-MA1

MAT 125 Survey of Calculus: GT-MA1
4 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 121 or MAT 123, or Math assessment score of 63 (CLM) or better, or equivalent ACT/SAT scores
This course includes derivatives, integrals and their applications, with attention restricted to algebraic, exponential and logarithmic functions for business, life science and/or social science majors. This course is one of the Statewide Guaranteed Transfer courses. GT-MA1
NOTE: This class is for business students, not science/engineering students.

MAT 135 Introduction to Statistics: GT-MA1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or REA 090, or Reading assessment score of 80 or better, and grade of C or better in MAT 050, MAT 090, Math assessment score of 60 (EA) or better, or equivalent ACT/SAT scores
This course explores and applies data presentation and summarization, introduction to probability concepts and distributions, statistical inference—estimation, hypothesis testing, comparison of populations, correlation, and regression. This course is one of the Statewide Guaranteed Transfer courses. GT-MA1

MAT 155 Integrated Math I
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 050, MAT 090, or Math assessment score of 60 (EA) or better, or equivalent ACT/SAT scores
This course engages students in the concepts of school mathematics, including the recognition of numerical and geometric patterns and their application to a variety of mathematical situations; mathematical problem-solving, reasoning, critical thinking, and communication; algebraic thinking, representation, analysis, manipulation, generalizations and extensions.
NOTE: This course is designed for students who are seeking an AA degree with an emphasis in education.

MAT 156 Integrated Math II
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 155
This course furthers MAT 155 concepts and will include fundamentals of probability, statistics, and Euclidean geometry. Mathematical problem-solving, reasoning, critical thinking, and communication will continue to be an integral part of this sequence.
NOTE: This course is designed for students who are seeking an AA degree with an emphasis in education.

MAT 166 Pre-Calculus: GT-MA1
5 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 121, or Math assessment score of 63 (CLM) or better, or equivalent ACT/SAT scores
Reviews college algebra and college trigonometry intended for those planning to take calculus. Topics include algebraic manipulations, properties of algebraic and trigonometric functions and their graphs, trig identities and equations, conic sections, polar coordinates and parametric equations. This course is one of the Statewide Guaranteed Transfer courses. GT-MA1

MAT 175 Special Topics
1-12 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

MAT 201 Calculus I: GT-MA1
5 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 122 or MAT 166, or Math assessment score of 103 (CLM), or equivalent ACT/SAT scores
This course introduces single variable calculus and analytic geometry. It includes limits, continuity, derivatives, and applications of derivatives as well as indefinite and definite integrals and some applications. This course is one of the Statewide Guaranteed Transfer courses. GT-MA1

MAT 202 Calculus II: GT-MA1
5 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 201
This course continues the study of single variable calculus which will include techniques of integration, polar coordinates, analytic geometry, improper integrals, and infinite series. This course is one of the Statewide Guaranteed Transfer courses. GT-MA1

MAT 203 Calculus III: GT-MA1
4 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 202
Focuses the traditional subject matter of the Calculus. Topics include vectors, vector-valued functions, and multivariable calculus including partial derivatives, multiple integrals, line integrals and application. This course is one of the Statewide Guaranteed Transfer courses. GT-MA1

MAT 204 Calculus III with Engineering Applications: GT-MA1
5 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 202
This course focuses on the competencies established in MAT 203 Calculus III with an additional emphasis on word problems and problem solving. This is the third course in the three-course calculus sequence. This course will additionally contain a thorough examination of multiple integration. This will include double and triple integrals, line integrals, Stokes’ and Green’s Theorems, and their applications. A graphing calculator is required for this course. This course is one of the Statewide Guaranteed Transfer courses. GT-MA1
MAT 255 Linear Algebra
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 202
Explores vector spaces, matrices, linear transformations, matrix representation, eigenvalues, and eigenvectors.

MAT 265 Differential Equations: GT-MA1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 202
Explores techniques of problem solving and applications. Topics include first, second, and higher order differential equations, series methods, approximations, systems of differential equations, and Laplace transforms. This course is one of the Statewide Guaranteed Transfer courses: GT-MA1

MAT 266 Differential Equations with Linear Algebra
4 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 202
This course covers first and second order differential equations, series solutions, Laplace transforms, linear algebra, eigenvalues, first order systems of equations, and numerical techniques are covered.

MAT 275 Special Topics
1-12 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

MGD — MULTIMEDIA GRAPHIC DESIGN COURSES

MGD 101 Introduction to Computer Graphics
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better; or equivalent ACT/SAT scores
Introduces the student to the computer system developed for graphics. The student will learn the hardware and software components for multimedia production. Each student will explore basic computer operations, ergonomics, file management, scanning techniques, archiving capabilities, and utilization of the multimedia development server and internet connection.

MGD 105 Typography and Layout
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in MGD 101 and MGD 116
Covers the creation and production of graphic projects, emphasizing the layout creative design process, problem solving, and research. Provides experience producing thumbnails, roughs and digital layouts emphasizing refined creative typography.

MGD 111 Adobe Photoshop I
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in MGD 101 and MGD 116; or MGD 116 as a corequisite
Concentrates on the high-end capabilities of a raster photo-editing software as an illustration, design and photo retouching tool. Students explore a wide range of selection and manipulation techniques that can be applied to photos, graphics and videos.

MGD 112 Adobe Illustrator I
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in MGD 101 and MGD 116
Acquaints students with the processes of a vector drawing program on the computer. Students learn how to use the tools to create digital artwork that can be used in web design, print media and digital screen design.

MGD 114 Adobe InDesign
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in MGD 101 and MGD 116
Introduces students to InDesign, a page layout program which integrates seamlessly with other Adobe design programs. InDesign delivers creative freedom and productivity to DTP. Class discussions and independent projects supplement hands-on classroom work.

MGD 116 Typography I
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in MGD 101, or MGD 101 as a corequisite
Introduces the history and concepts of typography as applied to graphic communications. Explores appropriate use of typography in a variety of design applications, emphasizing the basic design principles of typographic composition and typesetting. Covers type recognition and typographic terms.

MGD 141 Web Design I
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in MGD 101 or instructor permission, and grade of C or better in MGD 116
Introduces web site planning, design and creation using industry-standards-based web site development tools. Screen-based color theory, web aesthetics, use of graphics editors and intuitive interface design are explored.

MGD 203 Design and Concept
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in MGD 103
Covers the process of comprehensive problem solving of complex and advanced print design. Provides experience in digital production of designs, using multiple computer applications emphasizing concept.

MGD 213 Electronic Prepress
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in MGD 103
Explores in detail the electronic prepress process. Students examine steps for preparing a digital file for trapping, output considerations and proofing techniques. Creating effective electronic designs and efficient use of today’s software programs are also covered.

MGD 285 Independent Study
0-12 CREDIT HOURS
PREREQUISITE: Instructor permission
Meets the individual needs of students. Students engage in intensive study or research under the direction of a qualified instructor.

MOT — MEDICAL OFFICE TECHNOLOGY COURSES

MOT 110 Medical Office Administration
4 CREDIT HOURS
PREREQUISITE: Grade of C or better in ENG 121 and HPR 178
Introduces the administrative duties specifically used in medical offices.

MOT 120 Medical Office Financial Management
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in HPR 137, HPR 178 and MOT 110
Covers the practical uses of accounts and records with emphasis on accounting principles and analysis for use in a medical office.

MOT 130 Insurance Billing and Coding
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in HPR 137, HPR 178 and MOT 110
Introduces outpatient coding with an ultimate goal to present a clear picture of medical procedures and services performed (CPT codes), correlating the diagnosis, symptom, complaint or condition (ICD-9 codes), thus establishing the medical necessity required for third-party reimbursement.

MOT 136 Introduction to Clinical Skills
2-3 CREDIT HOURS
PREREQUISITE: Grade of C or better in ENG 121
Provides hands on experience with the basic clinical skills required for assisting with patient care in an ambulatory setting. Delivers the theory behind each skill presented as well as proper technique for performing each skill. Includes knowledge and/or performance of universal precautions/OSHA regulations, HIPAA, medical asepsis, procedural gowning and gloving, patient draping and positioning, and measurement of vital signs.

MOT 138 Medical Assisting Laboratory Skills
4 CREDIT HOURS
PREREQUISITE: Grade of C or better in BIO 201, BIO 202, COM 220, ENG 121, HPR 136, HPR 178, MOT 136 and PSY 101
Introduces the student to basic routine laboratory skills and techniques for collection, handling, and examination of laboratory specimens often encountered in the ambulatory care setting. Emphasizes hands-on experience.
MOT 140 Medical Assisting Clinical Skills
3 CREDIT HOURS
**Prerequisite:** Grade of C or better in BIO 201, BIO 202, ENG 121, HPR 106, HPR 178, MOT 136 and PSY 101, and grade of C or better in MAT 121 or Math assessment score of 95 or better.
Provides hands on experience with the clinical skills required for assisting with patient care. Delivers the theory behind each skill presented as well as proper technique for performing each skill.

MOT 150 Pharmacology for Medical Assistants
3 CREDIT HOURS
**Prerequisite:** Grade of C or better in BIO 201, BIO 202, HPR 106, HPR 178 and MOT 136
**Corequisite:** HPR 137
Provides an overview of pharmacology language, abbreviations, systems of measurement and conversions. The Controlled Substances Act, prescriptions, forms of medications, patient care applications, drug classifications/interactions, and safety in drug therapy and patient care are presented. Information regarding the measurement of medications, dosage calculations, routes of administration, and commonly prescribed drugs in the medical office is provided.

MOT 183 Medical Assistant National Examination
0-12 CREDIT HOURS
**Prerequisite:** Current CPR and First Aid Certificates and grade of C or better in BIO 201, BIO 202, COM 220, ENG 121, HPR 106, HPR 137, HPR 178 and PSY 101
Provides supervised placement in contracted facility for guided experience in application of knowledge and skill acquired in the classroom. The student assists with a variety of business and clinical procedures. Positions are non-paid due to CAAHEP requirement. Student must have permission by program coordinator to begin internship.

MOT 189 Review for Medical Assistant National Examination
0.25-6 CREDIT HOURS
**Prerequisite:** Grade of C or better in BIO 201, BIO 202, COM 220, ENG 121, HPR 106, HPR 137, HPR 178 and PSY 101
Prepares the candidate sitting for the National Registration/Certification Examination for Medical Assistant through review and practice. These examinations are given with the intent of evaluating the competency of entry-level practitioners in Medical Assisting, therefore supporting quality care in the office or clinic.

MOT 209 Introduction to ICD-9 Coding
2 CREDIT HOURS
Covers how to use the ICD-9-CM coding system for insurance claims. The course will introduce student to using the HCFA 1500 form generated from the physician’s office.

MUS — MUSIC COURSES

MUS 100 Introduction to Music Theory I
3 CREDIT HOURS
**Prerequisite:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or Math assessment score of 95 or better, or equivalent ACT/SAT scores
Introduces the basics of music theory. Course designed to help the beginning music student, or those students with limited background in music theory, study the basic elements of music. Topics include notation, rhythm, scales, key signatures, intervals, chord, beginning level melodic and rhythm dictation, ear-training and sight-singing skills.

MUS 106 Introduction to Songwriting
3 CREDIT HOURS
**Prerequisite:** MUS 100 with a grade of C or better
Examines the various processes and styles of songwriting and offers techniques and ideas for creating songs ranging from functional to original. You will explore the common factors in all styles of songwriting, and use them to bring out creative song ideas whether you have written songs before or have just always wanted to see if you could. A basic knowledge of music reading for any instrument and elementary music theory is recommended, but not required.

MUS 110 Music Theory I
3 CREDIT HOURS
**Corequisite:** MUS 112 and MUS 131
Presents music fundamentals, diatonic four-part harmony, analysis, ear training, and keyboard harmony. For music majors transferring to a 4-year program.

MUS 111 Music Theory II
3 CREDIT HOURS
**Prerequisite:** MUS 110 with a grade of C or better
**Corequisite:** MUS 113 and MUS 132
Presents chromatic four-part harmony, analysis, ear training, and keyboard harmony.

MUS 112 Ear Training/Sight-singing I Lab
1 CREDIT HOUR
**Corequisite:** MUS 110 and MUS 131
Presents exercises in sight-singing with melodic and rhythmic dictation.

MUS 113 Ear Training/Sight-singing II Lab
1 CREDIT HOUR
**Prerequisite:** MUS 112 with a grade of C or better
**Corequisite:** MUS 111 and MUS 132
Presents exercises in sight-singing with melodic and rhythmic dictation.
MUS 120 Music Appreciation: GT-AH1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Covers the basic materials of music, musical forms, media, genres and musical periods. Emphasizes the development of tools for intelligent listening and appreciation. This course is one of the Statewide Guaranteed Transfer courses. GT-AH1

MUS 121 Music History Medieval thru Classical Period: GT-AH1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Studies the various periods of music history with regard to the composers, aesthetics, forms, and genres of each period. Considers music from the Middle Ages through the Classical period. This course is one of the Statewide Guaranteed Transfer courses. GT-AH1

MUS 122 Music History Early Romantic Period to Present: GT-AH1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Studies the various period of music history with regard to the composers, aesthetics, forms and genres of each period. Considers music from the early Romantic period to the present. This course is one of the Statewide Guaranteed Transfer courses. GT-AH1

MUS 123 Survey of World Music: GT-AH1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Provides an overview of non-Western music from around the world; provides basic listening skills and the historical/cultural context for a variety of world music styles to enable an understanding and appreciation of non-Western musical expression. This course is one of the Statewide Guaranteed Transfer courses. GT-AH1

MUS 131 Music Class I
2 CREDIT HOURS
PREREQUISITE: MUS 100 with a grade of C or better, or instructor permission
Applies the fundamentals of music to the voice or specific musical instruments. This course also introduces basic techniques, repertoire, and sight-reading. First year, first term.

MUS 132 Music Class II
2 CREDIT HOURS
PREREQUISITE: MUS 131 or MUS 141 with a grade of C or better, or instructor permission
Applies the fundamentals of music to the voice or specific musical instruments. The course also introduces basic techniques, repertoire, and sight-reading. First year, second term.

MUS 141 Private Instruction I (Cello, Composition, Conducting, Guitar/Bass, Piano, Songwriting, Viola, Violin, Voice, Woodwinds)
1-2 CREDIT HOURS
PREREQUISITE: MUS 100 with a grade of C or better, or instructor permission
1 credit primarily for non-music majors. 2 credits for music majors planning to transfer to 4 year school. Offers private instruction consisting of a thirty or sixty minute lesson per week. Participation in a student performance is required at least once each term for 1 credit. Regular attendance at and participation in student performances is required for 2 credits. First year, first term.

MUS 142 Private Instruction II (Cello, Composition, Conducting, Guitar/Bass, Piano, Songwriting, Viola, Violin, Voice, Woodwinds)
1-2 CREDIT HOURS
PREREQUISITE: MUS 141 with a grade of C or better, or instructor permission
1 credit primarily for non-music majors. 2 credits for music majors planning to transfer to 4 year school. Offers private instruction consisting of a thirty or sixty minute lesson per week. Participation in a student performance is required at least once each term for 1 credit. Regular attendance at and participation in student performances is required for 2 credits. First year, second term.

MUS 151 Ensemble I
1 CREDIT HOUR
First year, first term. Rehearses and performs various types of musical literature.

MUS 152 Ensemble II
1 CREDIT HOUR
PREREQUISITE: MUS 151 with a grade of C or better, or instructor permission
Rehearses and performs various types of musical literature. First year, second term.

MUS 153 Ensemble III
1 CREDIT HOUR
PREREQUISITE: MUS 152 with a grade of C or better, or instructor permission
Rehearses and performs various types of musical literature. First year, third term.

MUS 154 Ensemble IV
1 CREDIT HOUR
PREREQUISITE: MUS 153 with a grade of C or better, or instructor permission
Rehearses and performs various types of musical literature. First year, fourth term.

MUS 161 Computer Music Application I
3 CREDIT HOURS
Introduces students to the Digital Audio Workstation, current practices with MIDI instruments, MIDI sequencing, MIDI editing, music notation programs.

MUS 162 Computer Music Application II
3 CREDIT HOURS
PREREQUISITE: MUS 161 with a grade of C or better, or instructor permission
Designed to build on MUS 161. Course will further explore the Digital Audio Work (DAW) environment. Advanced music notation software techniques, creating unique synthesizer timbres, and audio/video synchronization will be among the topics explored.

MUS 163 Music Audio Production I
3 CREDIT HOURS
Designed to give music majors and students with a strong interest in music a basic understanding of the Music Production process. This includes the basic knowledge of audio/music production, the fundamentals of sound and micro-phone, digital and analog technology, recording, and mixing.

MUS 175 Special Topics
0-12 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

MUS 210 Music Theory III
3 CREDIT HOURS
PREREQUISITE: MUS 111 with a grade of C or better, or instructor permission
COREQUISITE: MUS 212
Continues study of four-part music, including extended harmonic progressions of ninth, eleventh, thirteenth chords, extended alteration, non-chord tones, modulation and compositions.

MUS 211 Music Theory IV
3 CREDIT HOURS
PREREQUISITE: MUS 210 and MUS 212 with a grade of C or better, or instructor permission
COREQUISITE: MUS 213
Offers a continuation of chromatic harmony, analysis, ear-training, and keyboard harmony. New topics will include Impressionism and 20th Century styles of composition.

MUS 212 Advanced Ear Training/Sight-singing I Lab
1 CREDIT HOUR
PREREQUISITE: MUS 111 and MUS 113 with a grade of C or better
COREQUISITE: MUS 210
Presents modulating and chromatic exercises in sight-singing and dictation. Dictation includes four-part writing.

MUS 213 Advanced Ear Training/Sight-singing II Lab
1 CREDIT HOUR
PREREQUISITE: MUS 210 and MUS 212 with a grade of C or better
COREQUISITE: MUS 211
Presents modulating and chromatic exercises in sight-singing and dictation. Dictation includes four-part writing.
MUS 241 Private Instruction III: (Cello, Composition, Conducting, Guitar/Bass, Piano, Songwriting, Violin, Viola, Voice, Woodwinds) 1-2 CREDIT HOURS
Prerequisite: MUS 142 with a grade of C or better, or instructor permission
1 credit primarily for non-music majors. 2 credits for music majors planning to transfer to 4 year school. Offers private instruction consisting of a thirty or sixty minute lesson per week. Participation in a student performance is required at least once each term for 1 credit. Regular attendance at and participation in student performances is required for 2 credits. Second year, first term.

MUS 242 Private Instruction IV (Cello, Composition, Conducting, Guitar/Bass, Piano, Songwriting, Violin, Viola, Voice, Woodwinds) 1-2 CREDIT HOURS
Prerequisite: MUS 241 with a grade of C or better, or instructor permission
1 credit primarily for non-music majors. 2 credits for music majors planning to transfer to 4 year school. Offers private instruction consisting of a thirty or sixty minute lesson per week. Participation in a student performance is required at least once each term for 1 credit. Regular attendance at and participation in student performances is required for 2 credits. Second year, third term.

MUS 244 Private Instruction IV: (Cello, Composition, Conducting, Guitar/Bass, Piano, Songwriting, Violin, Viola, Voice, Woodwinds) 2 CREDIT HOURS
Prerequisite: MUS 242 with a grade of C or better
1 credit primarily for non-music majors. 2 credits for music majors planning to transfer to 4 year school. Offers private instruction consisting of a thirty or sixty minute lesson per week. Participation in a student performance is required at least once each term for 1 credit. Regular attendance at and participation in student performances is required for 2 credits. Second year, fourth term. May be repeated for credit more than once per individual institution policy.

MUS 251 Ensemble I 1 CREDIT HOUR
Prerequisite: MUS 152 with a grade of C or better
Rehearses and performs various types of musical literature. Second year, first term.

MUS 252 Ensemble II 1 CREDIT HOUR
Prerequisite: MUS 251 with a grade of C or better
Rehearses and performs various types of musical literature. Second year, second term.

MUS 275 Special Topics 0-12 CREDIT HOURS
Prerequisite: This course may require prerequisites or permission of instructor
Covers specific topics in music. This course is offered as needed for credit appropriate to the topic and each offering includes a description of the topic(s).

MUS 285 Independent Study 0-12 CREDIT HOURS
Prerequisite: Instructor permission
Meets the individual needs of students. Students engage in intensive study or research under the direction of a qualified instructor.

NUA — NURSE AIDE COURSES

NUA 101 Nurse Aide Health Care Skills 4 CREDIT HOURS
Corequisite: NUA 170
Prepares the student to perform the fundamental skills of the nurse aide. Basic nursing skills, communication skills, restorative services, personal care skills, safety and emergency care issues are covered. Includes knowledge and/or principles of asepsis, OSHA and HIPAA regulations. Ethical behaviors, cultural sensitivity and principles of mental health will be addressed, as well as patient/resident rights.

NUA 102 Certification Exam Prep 0.5 CREDIT HOURS
Prerequisite: Grade of C or better in NUA 101 and NUA 170
Helps prepare the student for the state certification exam through mock testing.

NUA 105 Home Health Aide Theory 2 CREDIT HOURS
Prerequisite: Grade of C or better in NUA 101 and NUA 170, or a current and unencumbered Colorado Nurse Aide license
Corequisite: NUA 106
Introduces the student to the expanding field of Home Health Nursing. The student will discover the uniqueness of Home Health Care and the vital role that the nursing assistant plays as part of the home care team. The student will learn how to assist home care patients with activities of daily living and maintain a safe, clean and comfortable environment. The student will also learn the differences and challenges of caring for patient in their natural home environment versus institutional settings.

NUA 170 Nurse Aide Clinical Experience 1 CREDIT HOUR
Prerequisite: NUA 101
Corequisite: NUA 107
Applies knowledge gained from NUA 101 in a clinical setting.

NUA 171 Advanced Nurse Aide Clinical 0.25-6 CREDIT HOURS
Prerequisite: Grade of C or better in NUA 101 and NUA 170
Prepares the student to move toward more independent functioning within the nurse aide scope of practice, in applying knowledge and skills gained in NUA 101 and NUA 170. The student will learn skills that enhance communication, cultural competency, end of life care, critical thinking and organizational skills.

NUA 180 Home Health Aide Internship 0.25-6 CREDIT HOURS
Prerequisite: Grade of C or better in NUA 101 and NUA 170, or a current and unencumbered Colorado Nurse Aide license
Corequisite: NUA 105
Prepares the nurse aide for entry-level into the home health care setting.

OSH — OCCUPATIONAL SAFETY TECHNICIAN COURSES

OSH 116 OSHA Voluntary Compliance 3 CREDIT HOURS
Prerequisite: Math assessment score of 20 or better, or equivalent ACT/SAT scores
Provides a 30-Hour OSHA certification course for general industry. Participants will review the current OSHA standards contained in 29 CFR 1910 and participants that complete the course will receive a certificate of completion from the United States Department of Labor, Occupational Safety and Health Administration. The course is taught by instructors certified by the Occupational Safety and Health Administration.

OUT — OUTDOOR STUDIES COURSES

OUT 112 Mountain Orientation 2 CREDIT HOURS
Prerequisite: English assessment score of 20 or better, or equivalent ACT/SAT scores
A concentrated field experience in the Colorado mountain environment is provided in this course. Emphasis is on backpacking skills, safety procedures, ecology, geology, geography and group dynamics.

OUT 131 Rock Climbing I 2 CREDIT HOURS
Prerequisite: English assessment score of 20 or better, or equivalent ACT/SAT scores
Introduces basic rock climbing, improving dexterity, problem solving skills and the physical work capacity of an individual. Enables the student to gain an understanding of the general principles of climbing; how equipment works and how it is used; basic climbing skills and techniques; safety and climbing etiquette and terminology.

OUT 135 Risk Management for Outdoor Professionals 1 CREDIT HOUR
Prerequisite: English assessment score of 20 or better, or equivalent ACT/SAT scores
Introduces risk management in the outdoor environment. Students will gain a better understanding of the inherent risks associated with various outdoor activities. They will learn how to analyze and minimize those risks, how to establish emergency protocols to react to those risks, and how to take the proper steps to resolve the consequences from those risks. After learning to identify, assess and reduce the risk, students will write a risk management plan specific to their area of interest. This course will cover outdoor leadership skills and delve into backcountry emergency situations and scenarios.
OUT 145 Introduction to Winter Sports
1 CREDIT HOUR
PREREQUISITE: English assessment score of 20 or better, or equivalent ACT/SAT scores
COReQUISITE: OUT 145 or chair permission
Provides an overview of at least two of the following winter sports: alpine skiing, snowboarding, ice skating, telemark skiing, nordic skiing, snowshoeing, or skate skiing. Enables the student to gain the knowledge and techniques necessary for winter sports on beginner to intermediate groomed or backcountry terrain. Incorporates multiple field trips to ski areas or other outdoor venues.

OUT 168 Avalanche Awareness Level I
1 CREDIT HOUR
PREREQUISITE: English assessment score of 20 or better, or equivalent ACT/SAT scores
COReQUISITE: OUT 145 or chair permission
Emphasizes the latest information available about the study of avalanches, snow science, rescue equipment, and rescue techniques. Provides students with the knowledge and skills necessary to help instill good judgment and sound skills when making day-to-day travel decisions in the winter environment. This course fulfills the National Ski Patrol’s Basic (Level 1) Avalanche course requirements.

PAR — PARALEGAL COURSES
PAR 115 Introduction to Law
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Provides an understanding of the role of paralegals, issues facing paralegals, the working of the legal system, and ethical questions. Legal terminology and an overview of the substantive areas of law will be discussed.

PAR 116 Torts
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Focuses on tort law, including negligence, intentional torts, and strict liability, with an emphasis on personal injury litigation.

PAR 117 Family Law
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Emphasizes domestic law, common property, dissolutions, adoptions, legal separation, and other family law issues.

PAR 118 Contracts
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Examines the basic principles of contract law.

PAR 125 Property Law
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Focuses on real estate law, ownership, sale, leasing, financing and government regulation of land.

PAR 126 Administrative Law
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Introduces administrative and regulatory agencies, their jurisdiction, rule-making and decision-making processes.

PAR 201 Civil Litigation
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

PAR 202 Evidence
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Introduces the student to State and Federal Rules of Evidence, and application to the trial process.

PAR 205 Criminal Law
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Introduces basic concepts of criminal law and criminal procedure, including Colorado statutes and Rules of Procedure.

PAR 206 Business Organizations
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Focuses on the study of the major types of business organizations.

PAR 208 Probate and Estates
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Provides an understanding of the creation and administration of an estate, including wills and trusts, and the probate process.

PAR 209 Constitutional Law
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Emphasizes the study of the powers of government as they are allocated and defined by the United States Constitution.

PAR 210 Sexual Orientation and the Law
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Provides the substantive legal knowledge that students need to understand the relationship between American law and sexual minorities. Includes a comprehensive understanding of the unique legal issues facing lesbians and gay men, and covers the practical application of the law to these situations.

PAR 211 Legal Research
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Introduces students to basic legal research tools including statutes, digests, case law, citations, encyclopedias, dictionaries, and online databases.

PAR 212 Legal Writing
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
This course enables the student to practice the content and conventions of legal writing.

PAR 217 Environmental Law
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Covers state and federal laws concerning the environment, including chemical safety laws, workplace safety, and hazardous waste.

PAR 218 Bankruptcy Law
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Focuses on federal and state laws and procedures involving bankruptcy.

PAR 275 Special Topics
0-12 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor
Provides students with a vehicle to pursue in depth exploration of special topics of interest.
Guaranteed Transfer courses. GT-AH3

Introduces students to the major world religions from both the Eastern and Western world such as Hinduism, Buddhism, Confucianism, Taoism, Zoroastrianism, Judaism, Christianity, Islam, Bahá’í, and influential pre-literate traditions. Utilizes religious studies methods (historical, sociological, legal, psychological and phenomenological), to understand the historical development of each religious tradition in terms of communities, cultural context, and modern manifestations; paying particular attention to differences between sects, denominations, schools, and factions within each tradition. Focus will include the examination of the charismatic leaders, prophets, and narratives that inform the worldview of each tradition. The course is one of the Statewide Guaranteed Transfer courses. GT-AH3

PHI 115 World Religions — West: GT-AH3
3 CREDIT HOURS

Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Introduces students to religions of the Western world: Zoroastrianism, Judaism, Christianity, Islam, Bahá’í, and influential pre-literate traditions. Utilizes religious studies methods (historical, sociological, legal, psychological and phenomenological), to understand the historical development of each religious tradition in terms of communities, cultural context, and modern manifestations; paying particular attention to differences between sects, denominations, schools, and factions within each tradition. Focus will include the examination of the charismatic leaders, prophets, and narratives that inform the worldview of each tradition. This course is one of the Statewide Guaranteed Transfer courses. GT-AH3

PHI 116 World Religions — East: GT-AH3
3 CREDIT HOURS

Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Introduces students to religions of the Eastern world: Hinduism, Buddhism, Jainism, Taoism, Confucianism, Sikhism, Shinto, and influential pre-literate traditions. Utilizes religious studies methods (historical, sociological, legal, psychological, and phenomenological), to understand the historical development of each religious tradition in terms of communities, cultural context, and modern manifestations; paying particular attention to differences between sects, denominations, schools, and factions within each tradition. Focus will include the examination of the charismatic leaders, prophets, and narratives that inform the worldview of each tradition. This course is one of the Statewide Guaranteed Transfer courses. GT-AH3

PHI 175 Special Topics

1-12 CREDIT HOURS

Prerequisite: This course may require prerequisites or permission of instructor

Provides students with a vehicle to pursue in depth exploration of specific topics of interest.

PHI 205 Business Ethics
3 CREDIT HOURS

Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Analyzes ethical behavior for business. The premise is that ethics deals with right and wrong standards of behavior that are determined by the ethical and social expectations of society in general, and further, that we expect responsible people to observe the ethical standards of our society. A case approach is used throughout the course. The ethical issues involve trade-offs among ethical decisions and economics, legal, social, and cultural concepts.

PHI 214 Philosophy of Religion: GT-AH3
3 CREDIT HOURS

Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Focuses on the critical examination of the fundamental concepts, ideas, and implications of religion. Includes the nature of God, the varieties of religious experience, argument concerning God’s existence, the Problem of Evil, faith and reason, religion and human destiny, and the connection between religion and ethics. This course is one of the Statewide Guaranteed Transfer courses. GT-AH3

PHI 218 Environmental Ethics: GT-AH3
3 CREDIT HOURS

Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Critically analyzes theories of value of the natural world. Topics include the relation between scientific and moral principles; theories of the moral worth of persons, animals, plants and other natural objects; historical, religious and cultural influences on conceptions of nature; alternative accounts of human relationships and responsibilities to nature, including deep ecology and eco-feminism; and the connection between moral and political values and economic policies. This course is one of the Statewide Guaranteed Transfer courses. GT-AH3
PHI 220 Philosophy of Death and Dying: GT-AH3
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores.
Examines relationships among modern nation states. Topics include political philosophy and ideology, democratic and non-democratic governments and processes, and international relations. This course is one of the Statewide Guaranteed Transfer courses. GT-SS1

PHI 275 Special Topics
0-12 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor.
Focuses on directed readings and independent study on specific philosophical topics.

PHYSICS COURSES

PHY 105 Conceptual Physics with Lab: GT-SC1
4 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090 and/or REA 090; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; and Math assessment score of 60 or better, or equivalent ACT/SAT scores.
Focuses on mechanics, heat, properties of matter, electricity and magnetism, light, and modern physics. Incorporates laboratory experience. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

PHY 111 Physics: Algebra-Based I with Lab: GT-SC1
5 CREDIT HOURS
PREREQUISITE: Grade of C or better in MAT 121 or Math assessment score of 63 (CLM) or better; and grade of C or better in MAT 100 or MAT 100; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; and Math assessment score of 60 or better, or equivalent ACT/SAT scores.
Explores the physical world through reasoning, mathematics, and experimentation. Examines kinematics, force, circular motion, energy, momentum, torque, rotational dynamics, simple harmonic motion, temperature, heat and thermodynamics. The concepts and theories presented are explored through demonstrations and hands-on experiments. It is a general physics course that is recommended for all of the health sciences and all other interested students. Students entering engineering or one of the advanced sciences should register for PHY 211. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

PHY 112 Physics: Algebra-Based II with Lab: GT-SC1
5 CREDIT HOURS
PREREQUISITE: PHY 111 and PHY 112 with a grade of C or better.
Expands upon PHY 111 and explores sound waves, electric fields, electric circuits, magnetic fields, light optics, and modern physics. Explores the concepts and theories presented in class through demonstrations and hands-on experiments. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

PHY 175 Special Topics
1-12 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor.
Provides students with a vehicle to pursue in-depth exploration of special topics of interest.

PHY 211 Physics: Calculus-Based I with Lab: GT-SC1
5 CREDIT HOURS
PREREQUISITE: MAT 201 with a grade of C or better.
Coresquisite: MAT 202
Explores the physical world through reasoning, mathematics, and experimentation. Covers kinematics, force, gravity, energy, momentum, torque, rotational dynamics, and fluids, and may include thermodynamics. The concepts and theories presented in class are explored through demonstrations and hands-on experiments. This first semester calculus-based physics course is recommended for students entering engineering or one of the advanced sciences. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

PHY 212 Physics: Calculus-Based II with Lab: GT-SC1
5 CREDIT HOURS
PREREQUISITE: PHY 211 and MAT 202 with a grade of C or better.
Expands upon PHY 211 and explores twentieth century advances in physics. Topics may include special and general relativity, quantum theory, atomic physics, solid state physics, nuclear physics, semiconductor physics, and cosmology.

POS — POLITICAL SCIENCE COURSES

POS 105 Introduction to Political Science: GT-SS1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; or equivalent ACT/SAT scores, or chair permission.
Focuses on a survey of the discipline of political science, including political philosophy and ideology, democratic and non-democratic governments and processes, and international relations. This course is one of the Statewide Guaranteed Transfer courses. GT-SS1

POS 111 American Government: GT-SS1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better; or equivalent ACT/SAT scores, or chair permission.
Includes the background of the U.S. Constitution, the philosophy of American government, general principles of the Constitution, federalism, and civil liberties. Examines public opinion and citizen participation, political parties, interest groups, and the electoral process, and the structure and functions of the national government. This course is one of the Statewide Guaranteed Transfer courses. GT-SS1

POS 125 American State and Local Government: GT-SS1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better; or equivalent ACT/SAT scores, or chair permission.
Emphasizes the structure and function of state, county, and municipal governments, including their relations with each other and with national government. Includes a study of Colorado government and politics. This is a Statewide Guaranteed Transfer course. GT-SS1

POS 136 American Presidency
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, and REA 090 and/or Reading assessment score of 80 or better; or equivalent ACT/SAT scores, or chair permission.
Focuses on the office of the president as a branch of government. Examines the individuals who have occupied and shaped the presidency, and changes in the office itself.

POS 175 Special Topics
2-12 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor.
Provides students with a vehicle to pursue in-depth exploration of special topics of interest.

POS 205 International Relations: GT-SS1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in ENG 121, or instructor permission.
Examines relationships among modern nation states. Topics include diplo-
macy, nationalism, ideologies, power and influence, conflict and cooperation, the role of non-state actors, the international economy, and theoretical attempts to understand international behavior. This course is one of the Statewide Guaranteed Transfer courses. GT-SS1

PSM 132 Homeland Defense: Forecasting Terrorism
3 CREDIT HOURS

PREREQUISITE: English assessment score of 20 or better, or equivalent ACT/SAT scores

Examines the variety of new indicators, warning methodologies, and analytical tools available to analysts; review of the extensive academic, governmental, and policy literature on terrorism forecasting that has been developed to assess and forecast terrorism in its numerous dimensions. Students will comprehend the various analytical capabilities of the types of terrorist threats that are most likely to confront the USA and its allies in the near future, and predict how to develop proactive defenses for the long term protection of our society.

PSM 133 Homeland Security: Chemical and Biological Defense
3 CREDIT HOURS

PREREQUISITE: English assessment score of 20 or better, or equivalent ACT/SAT scores

Provides an overview of the radiological, chemical, biochemical, and biological threat to Homeland Security. Analysis of the agents and means of dissemination or attack that an adversary nation, group, or terrorist cell may employ to deliver these agents; review the current and projected means, techniques, and procedures for defense against such agents; review of theory and practices in chemical and biological threats to develop proactive defensive postures to defeat these threats.

PSM 204 Terrorism, Intelligence, and Justice
3 CREDIT HOURS

PREREQUISITE: English assessment score of 20 or better, or equivalent ACT/SAT scores

Provides the student with an interactive opportunity for students to develop enforcement strategies for investigating terrorism, intelligence gathering, and justice. The course will focus on the history and development of traditional and non-traditional terrorist actors, cells, supporting countries, and homeland defensive methodologies for the security professional. The operational strategies of law enforcement in combating terrorism, including electronic surveillance, intelligence operations and covert operations will be discussed and applied in role-play situations.

PSM 221 Forensic Computer Analysis: Computer Forensics I
3 CREDIT HOURS

PREREQUISITE: English assessment score of 20 or better, or equivalent ACT/SAT scores

Offers the student an overview of computer forensics, while discussing the different aspects of computers as it pertains to the forensic field, loss prevention, security management, and homeland security. Introduction to the legal aspects as it pertains to the search and seizure of computers and the effects of new legislation that changes our concepts of privacy and ownership.

PSM 222 Forensic Computer Analysis: Computer Forensics II
3 CREDIT HOURS

PREREQUISITE: PSM 221 with a grade of C or better

Provides the student with enhanced materials built on the foundations of PSM 221 - Computer Forensics I. Introduces and incorporates software used within the security industry to identify and locate evidence on a computer system. The procedures of computer seizure are reintroduced along with the proper guidelines of computer seizure.

PSY — PSYCHOLOGY COURSES

PSY 101 General Psychology I: GT-SS3
3 CREDIT HOURS

PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Focuses on the scientific study of behavior including motivation, emotion, physiological psychology, stress and coping, research methods, consciousness, sensation, perception, learning and memory. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

PSY 102 General Psychology II: GT-SS3
3 CREDIT HOURS

PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Focuses on the scientific study of behavior including cognition, language, intelligence, psychological assessment, personality, abnormal psychology, therapy, life span development, and social psychology. The course is one of the Statewide Guaranteed Transfer courses. GT-SS3
PSY 175 Special Topics  
1-12 CREDIT HOURS  
PREREQUISITE: This course may require prerequisites or permission of instructor  
Provides students with a vehicle to pursue in-depth exploration of special topics of interest.

PSY 200 Research Methodology  
3 CREDIT HOURS  
PREREQUISITE: ENG 121 and MAT 120 with a grade of C or better  
Introduces research methods and designs including correlational studies, experimental designs and quasi-experimental designs. Additional topics include evaluations of scientific research, data analysis, report writing and research ethics.

PSY 205 Psychology of Gender: GT-SS3  
3 CREDIT HOURS  
PREREQUISITE: ENG 121 with a grade of C or better  
Examines gender comparisons in work, courtship, family life, and sexual behavior throughout the life span. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

PSY 207 Introduction Forensic Psychology  
3 CREDIT HOURS  
PREREQUISITE: ENG 121 with a grade of C or better  
Introduction to Forensic Psychology is a course in an overview of Forensic Psychology. As such, it explores both current research and practice in five areas. These areas are police psychology, criminal psychology, victimology, correctional psychology and the interface of psychology and the courts. The course facilitates an understanding of the numerous careers related to forensic psychology, how to prepare for them and current research and practice in each of the five broad areas of forensic psychology.

PSY 217 Human Sexuality: GT-SS3  
3 CREDIT HOURS  
PREREQUISITE: ENG 121 with a grade of C or better  
Surveys physiological, psychological, and psychosocial aspects of human sexuality. Topics include relationships, sexual identity, and sexual health. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

PSY 226 Social Psychology: GT-SS3  
3 CREDIT HOURS  
PREREQUISITE: ENG 121 with a grade of C or better  
Focuses on the behavior of humans in social settings, including attitudes, aggression, conformity, cooperation and competition, prejudice, and interpersonal attraction. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

PSY 227 Psychology of Death and Dying: GT-SS3  
3 CREDIT HOURS  
PREREQUISITE: ENG 121 with a grade of C or better  
Examines the philosophies of life and death, emphasizing dying, death, mourning, and the consideration of one’s own death. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

PSY 231 Positive Psychology  
3 CREDIT HOURS  
PREREQUISITE: ENG 121 with a grade of C or better  
Focuses on human strengths rather than the traditional view of psychology that tends to focus on the worst of human nature. This course is designed to explore strengths-based research, concepts of happiness, helpfulness, and resiliency. The research and theories about human nature will go beyond simply not being mentally ill as a form of mental health, which will include optimism, post-traumatic growth, and how to increase emotional, psychological and social functioning. Overall, this course will be focused on understanding one’s own sense of life satisfaction and how to further improve well-being.

PSY 235 Human Growth and Development: GT-SS3  
3 CREDIT HOURS  
PREREQUISITE: ENG 121 with grade of C or better  
Examines human development from conception through death emphasizing physical, cognitive, emotional and psychosocial factors. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

PSY 238 Child Development: GT-SS3  
3 CREDIT HOURS  
PREREQUISITE: ENG 121 with a grade of C or better  
Focuses on growth and development of the individual, from conception through childhood, emphasizing physical, cognitive, emotional, and psychosocial factors. The course is one of the Statewide Guaranteed Transfer courses. GT-SS3

PSY 240 Health Psychology: GT-SS3  
3 CREDIT HOURS  
PREREQUISITE: ENG 121 with a grade of C or better  
Students will learn an overview of the scientific study of attitudes, behaviors and personality variables related health, illness and bodily systems. Emphasis is on the interaction of biological, psychological and social factors that cause illness and influence its treatment and prevention. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

PSY 249 Abnormal Psychology: GT-SS3  
3 CREDIT HOURS  
PREREQUISITE: ENG 121 and PSY 101 or PSY 102 with a grade of C or better  
Examines abnormal behavior and its classifications, causes, treatment, and prevention. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

PSY 251 Introduction to Evolutionary Psychology  
3 CREDIT HOURS  
PREREQUISITE: ENG 121 and PSY 101 or PSY 102 with a grade of C or better  
Introduces the principles of Natural Selection and applies them to Psychology and the study of human behavior. The course lays the framework for a biologically based approach to psychology and provides a metatheory for the discipline by examining current experimental data.

PSY 255 Brain and Behavior  
3 CREDIT HOURS  
PREREQUISITE: ENG 121 with a grade of C or better  
Provides an introduction to the study of the relationship between brain function and behavior. The course presents neuroanatomy and neurophysiology as they relate to human experience and behavior. It demonstrates the application of neuroscience concepts to understand and intervene in human behaviors and disorders. Students will be introduced to modern research methods and ethics in the study of brain and behavior.

PSY 258 Introduction to Neuropsychology  
3 CREDIT HOURS  
PREREQUISITE: ENG 121 and PSY 101 with a grade of C or better  
Focuses on introduction to basic neuropsychological terms and concepts with emphasis on application of thinking and behavior in humans.

PSY 265 Psychology of Personality: GT-SS3  
3 CREDIT HOURS  
PREREQUISITE: ENG 121 and PSY 102 with a grade of C or better  
Examines the structure, function, and development of personality. Investigates the major contemporary theories of personality. Covers psychodynamic, behavioral, cognitive-social learning, humanistic, trait, and, optionally, neuropsychological, existential, and/or Eastern perspectives. The underlying assumptions and research support for these theories are appraised. Enables the student to gain an appreciation of the value of alternative theoretical approaches to this subfield of psychology. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

PSY 268 Organizational Psychology  
3 CREDIT HOURS  
PREREQUISITE: ENG 121 and PSY 101 or PSY 102 with a grade of C or better  
Provides a comprehensive study of psychological principles and theories as applied to organizational behavior. Topics include motivation, job satisfaction, conflict supervision, human relations, and stress management.

PSY 269 Psychology of Leadership  
3 CREDIT HOURS  
PREREQUISITE: ENG 121 and PSY 101 or PSY 102 with a grade of C or better  
Studies and applies the theories and techniques of leadership and group processes. In addition, introduces leadership skills and experiences with applications in group and community settings.
**REC — RECREATION COURSES**

**REC 101 Recreation-Principles and Practice**
3 CREDIT HOURS
**Prerequisite:** English assessment score of 20 or better, or equivalent ACT/SAT scores
Examines the structure and economics of recreation in the United States as well as the inter-relationships between private, public and volunteer recreation groups. Introduces the history, philosophy and theories of recreation as well as career opportunities and professionalism in recreation.

**REC 210 Principles of Outdoor Recreation**
3 CREDIT HOURS
**Prerequisite:** REC 101 with a grade of C or better, or chair permission
Includes lecture and practical outdoor experience relating to problems and trends in outdoor recreation.

**RTE — RADILOGIC TECHNOLOGY, COMPUTED TOMOGRAPHY, AND MAMMOGRAPHY COURSES**

**RTE 101 Introduction to Radiography**
2 CREDIT HOURS
**Prerequisite:** Grade of C or better in BIO 201 and BIO 202, or BIO 106, grade of C or better in PSY 101, SOC 101, or PSY 235, and grade of C or better in ENG 121, HPR 178, and MAT 121 or higher
Offers an introduction to radiology including equipment, exposure, positioning and the knowledge necessary for the radiography student to provide safe patient care including communication skills, body mechanics, patient transfer, and radiography as a profession.

**RTE 111 Radiographic Patient Care**
2 CREDIT HOURS
**Prerequisite:** BIO 201 and BIO 202, or BIO 106, ENG 121, HPR 178, MAT 121 or higher, PSY 101 or SOC 101 or PSY 235 and RTE 101 with a grade of C or better
**Corequisite:** RTE 111, RTE 141, and RTE 181
Offers expansion of the information presented in RTE 101, including diversity, universal precautions, legal considerations and ethics. Includes lecture and laboratory experience in the patient care areas of asepsis, vital signs, venipuncture, medical emergencies, assistance with drug administration, patient with special needs, and death and dying.

**RTE 121 Radiologic Procedures I**
3 CREDIT HOURS
**Prerequisite:** BIO 201 and BIO 202, or BIO 106, ENG 121, HPR 178, MAT 121 or higher, PSY 101 or SOC 101 or PSY 235 and RTE 101 with a grade of C or better
**Corequisite:** RTE 111, RTE 141, and RTE 181
Introduces fundamentals of radiographic positioning, including use of radiographic equipment and safety, positioning terminology, anatomy, pathology, and skills necessary to perform radiographic procedures of the chest, abdomen, upper extremity, gastrointestinal and urinary systems.

**RTE 122 Radiologic Procedures II**
3 CREDIT HOURS
**Prerequisite:** RTE 101, RTE 111, RTE 121, RTE 141, and RTE 181 with a grade of C or better
**Corequisite:** RTE 133, RTE 142, and RTE 162
Introduces additional material building on RTE 121 including the knowledge of anatomy, pathology, and skills necessary to perform radiographic procedures of the lower extremity, pelvis, spine, and bone thorax.

**RTE 131 Radiographic Pathology and Image Evaluation I**
1.5 CREDIT HOURS
**Prerequisite:** RTE 101, RTE 111, RTE 121, RTE 141, and RTE 181 with a grade of C or better
**Corequisite:** RTE 122, RTE 142, and RTE 162
Provides a detailed anatomic discussion of the respiratory, digestive, and genitourinary systems and related medical terminology. This course will also cover the details of bony anatomy including the bone structure, pathology and arthrology.

**RTE 132 Radiographic Pathology and Image Evaluation II**
1.5 CREDIT HOURS
**Prerequisite:** RTE 101, RTE 111, RTE 121, RTE 122, RTE 131, RTE 141, RTE 142, RTE 181, RTE 182, and RTE 183 with a grade of C or better
**Corequisite:** RTE 122, RTE 231, and RTE 281
Provides detailed anatomic/pathologic discussion of the spine, circulatory system, nervous system and skull and related medical terminology.

**RTE 141 Radiographic Equipment/Image/Mammography Courses**

**RTE 142 Radiographic Equipment/Imaging I**
3 CREDIT HOURS
**Prerequisite:** BIO 201 and BIO 202, or BIO 106; ENG 121; HPR 178; MAT 121 or higher, PSY 101 or SOC 101, or PSY 235 and RTE 101 with a grade of C or better
**Corequisite:** RTE 111, RTE 121, and RTE 141
Introduces the fundamental aspects of radiographic equipment, including a basic review of physics fundamentals pertaining to X-ray production, the X-ray machine, image receptors and control of scatter radiation.

**RTE 181 Radiographic Internship I**
5 CREDIT HOURS
**Prerequisite:** BIO 201 and BIO 202, or BIO 106; ENG 121; HPR 178; MAT 121 or higher, PSY 101 or SOC 101, or PSY 235 and RTE 101 with a grade of C or better
**Corequisite:** RTE 111, RTE 121, and RTE 141
Introduces the clinical education experience at the clinical education center. The student applies knowledge learned in the classroom to the actual practice of radiography.

**RTE 182 Radiographic Internship II**
5 CREDIT HOURS
**Prerequisite:** RTE 101, RTE 111, RTE 121, RTE 141, and RTE 181 with a grade of C or better
**Corequisite:** RTE 122, RTE 131, and RTE 142
Introduces additional concepts and more complex radiographic procedures to those learned in Clinical Internship I.

**RTE 183 Radiographic Internship III**
7 CREDIT HOURS
**Prerequisite:** RTE 101, RTE 111, RTE 121, RTE 122, RTE 131, RTE 141, RTE 142, RTE 181, and RTE 182 with a grade of C or better
Reinforces the basic concepts of Clinical Internship I and II.

**RTE 221 Advanced Medical Imaging**
3 CREDIT HOURS
**Prerequisite:** RTE 101, RTE 111, RTE 121, RTE 122, RTE 131, RTE 141, RTE 142, RTE 181, RTE 182, and RTE 183 with a grade of C or better
**Corequisite:** RTE 132, RTE 231, and RTE 281
Introduces advanced imaging techniques including radiography of the cranium, facial bones and special radiographic procedures. These concepts are combined with the basic oral communication techniques necessary for the professional radiographer.

**RTE 231 Radiation Biology/Protection**
2 CREDIT HOURS
**Prerequisite:** RTE 101, RTE 111, RTE 121, RTE 122, RTE 131, RTE 141, RTE 142, RTE 181, RTE 182, and RTE 183 with a grade of C or better
**Corequisite:** RTE 132, RTE 231, and RTE 281
Provides the basic knowledge and understanding of the biologic effects of ionizing radiation and radiation protection and safety.

**RTE 240 Principles of CT Imaging**
3 CREDIT HOURS
**Prerequisite:** ARRT or NMTCB Certified
Exploration of the history, physical principles and instrumentation involved in Computed Tomography (CT). CT image creation, processing and display will be examined from data acquisition through post-processing and ar-
chiving. Patient factors and other related elements affecting image quality will be explained, as well as artifact production and reduction. Radiation protection practices and quality control will also be explored.

**RTE 250 Mammography**  
3 CREDIT HOURS  
**PREREQUISITE:** ARRT Certified  
Introduces the fundamentals of mammography as required for ARRT mammography certification.

**RTE 255 Multiplanar Sectional Imaging**  
2 CREDIT HOURS  
**PREREQUISITE:** ARRT or NMTCB Registered  
Offers a course designed to increase knowledge in multi-planar/multi-modality sectional anatomy for imaging professionals, radiologic technology students, and other interested health care professionals. Correlative studies of line drawings, cadaverous photographs, MRI, and CT images are thoroughly studied.

**RTE 275 Special Topics**  
1-12 CREDIT HOURS  
**PREREQUISITE:** This course may require prerequisites or permission of instructor  
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

**RTE 281 Radiographic Internship IV**  
8 CREDIT HOURS  
**PREREQUISITE:** RTE 101, RTE 111, RTE 121, RTE 122, RTE 131, RTE 141, RTE 142, RTE 181, RTE 182, and RTE 183 with a grade of C or better  
**COREQUISITE:** RTE 132, RTE 221, and RTE 231  
Introduces the student to the radiographic specialty areas of Pediatrics, Geriatrics, the out-patient clinic, as well as increasing proficiency in general radiography.

**RTE 282 Radiographic Clinical Internship V**  
8 CREDIT HOURS  
**PREREQUISITE:** RTE 101, RTE 111, RTE 121, RTE 122, RTE 131, RTE 132, RTE 141, RTE 142, RTE 181, RTE 182, RTE 183, RTE 221, RTE 231, and RTE 281 with a grade of C or better  
**COREQUISITE:** RTE 289  
Introduces the student to the radiographic specialty areas of pediatrics, geriatrics, the outpatient clinic, portable and trauma radiography as well as increasing proficiency in general radiography.

**RTE 284 Advanced Clinical (CT Clinical Internship)**  
1-12 CREDIT HOURS  
**PREREQUISITE:** ARRT or NMTCB Certified  
Provides the student with supervised hands-on training in advanced field of medical imaging. Allows the student to gain the clinical experience necessary to work in the specified area of advanced practice.

**RTE 286 Advanced Clinical Specialty II**  
6 CREDIT HOURS  
**PREREQUISITE:** RTE 240, RTE 255, and RTE 284 with a grade of C or better  
Provides the student with supervised hands-on training in advanced field of medical imaging. Allows the student to gain the clinical experience necessary to work in the specified area of advanced practice.

**RTE 289 Radiographic Capstone**  
3 CREDIT HOURS  
**PREREQUISITE:** RTE 101, RTE 111, RTE 121, RTE 122, RTE 131, RTE 132, RTE 141, RTE 142, RTE 181, RTE 182, RTE 183, RTE 221, RTE 231, and RTE 281 with a grade of C or better  
**COREQUISITE:** RTE 282  
Prepares the radiologic technology student to sit for the American Registry of Radiologic Technologists (ARRT) certification examination through a comprehensive review of RTE program curriculum, with practice answering certification examination-type questions through the administration of multiple mock certification exams. Provides the student with the requisite skills to effectively search for a job in medical imaging.

**RTE 291 Mammography Internship**  
3-6 CREDIT HOURS  
**PREREQUISITE:** ARRT Certified  
Provides clinical experience for demonstrating and documenting clinical competencies required by the American Registry of Radiologic Technologist for application for registry examination.

**RTH — RADIATION THERAPY COURSES**

**RTH 221 Principles of Radiation Therapy I**  
3 CREDIT HOURS  
Introduces the radiation therapy profession. Develops understanding of the principles of the cancer management team emphasizing patient care and assessment, detection and diagnosis, and imaging and processing. Introduces treatment machines and quality assurance fundamentals for treatment procedures.

**RTH 222 Principles of Radiation Therapy II**  
2 CREDIT HOURS  
Develops ability to think critically about therapist’s role for continuous quality improvement in Radiation Oncology. Emphasizes the simulation process for localization of target and treatment volumes. Categorizes treatment machines, immobilization devices, and relates surface and sectional anatomy for simulation and treatment procedures.

**RTH 225 Oncology Pathophysiology**  
3 CREDIT HOURS  
Content is designed to introduce concepts related to the disease process. An emphasis on etiological considerations, neoplasia, and associated diseases of the radiation therapy patient. Explain principles of oncologic pathophysiology and the interactions of radiation with cancer cells, tissues and the body as a whole. Discussion of the theories and principles of tolerance dose, time-dose relationships, fractionation schemes and the relationship to the clinical practice of radiation therapy will be discussed, examined and evaluated.

**RTH 242 Radiation Physics**  
3 CREDIT HOURS  
Presents radiation oncology physics as it is practiced in the clinic: structure of matter, nuclear transformations, production of x-rays and interactions, measurement of ionizing radiation and absorbed dose, quality of x-ray beams, radiation protection and brachytherapy.

**RTH 243 Oncology Principles and Practice**  
2 CREDIT HOURS  
Examines and evaluates the management of neoplastic disease applying concepts and principles of the patient condition, treatment and prognosis. Uses case studies to integrate physiology, histology, grading, and staging with treatment of anatomical regions and outcomes.

**RTH 244 Oncology Principle & Practice II**  
2 CREDIT HOURS  
Examines and evaluates the management of neoplastic disease applying concepts and principles of the patient condition, treatment and prognosis. Uses case studies to integrate physiology, histology, grading, and staging with treatment of anatomical regions and outcomes.

**RTH 245 Portal Design I**  
3 CREDIT HOURS  
Simulate typical radiation therapy treatment portals designed for radiation therapy treatments. To include specific anatomy and primary routes of spread for sites where radiation is traditionally indicated in a patients treatment management for the following anatomic areas: Head & Neck, Central Nervous System, Breast, Lung.

**RTH 246 Portal Design II**  
2 CREDIT HOURS  
Simulate typical radiation therapy treatment portals designed for radiation therapy treatments. To include specific anatomy and primary routes of spread for sites where radiation is traditionally indicated in a patients treatment management for the following: Gastrointestinal Cancers, Genitourinary Cancers, Gynecological Cancers.

**RTH 247 Portal Design III**  
2 CREDIT HOURS  
Simulate typical radiation therapy treatment portals designed for radiation therapy treatments. To include specific anatomy and primary routes of spread for sites where radiation is traditionally indicated in a patients treatment management for the following: Pediatric Cancers, Soft Tissue Sarcomas, Radiation Therapy Emergencies.
RTH 261 Treatment Planning
3 CREDIT HOURS
Analyses principles of multiple beam planning to determine dose distribution for specific anatomic sites. Applies complex dose calculations. Constructs and compares isodose distributions. Interprets and critiques treatment plans and brachytherapy procedures.

RTH 281 Internship I
12 CREDIT HOURS
Synthesizes the leadership skills required for patient care and management in simulation, treatment planning and delivery of treatment. The student completes core competency documentation. There will be a scheduled 2-hour lab time for the learner to use the computer for clinical assignments as needed.

RTH 282 Internship II
12 CREDIT HOURS
Synthesizes the leadership skills required for patient care and management in simulation, treatment planning and delivery of treatment. The student completes core competency documentation. There will be a scheduled 2-hour lab time for the learner to use the computer for clinical assignments as needed.

RTH 283 Internship III
12 CREDIT HOURS
Synthesizes the leadership skills required for patient care and management in simulation, treatment planning and delivery of treatment. The student completes core competency documentation. There will be a scheduled 2-hour lab time for the learner to use the computer for clinical assignments as needed.

RTH 284 Internship IV
8 CREDIT HOURS
Synthesizes the leadership skills required for patient care and management in simulation, treatment planning and delivery of treatment. The student completes core competency documentation. There will be a scheduled 2-hour lab time for the learner to use the computer for clinical assignments as needed.

SCI — SCIENCE COURSES
SCI 155 Integrated Science I - Physics and Chemistry with Lab: GT-SC1
4 CREDIT HOURS
**Prerequisite:** Designed for education majors, Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; and a grade of C or better in MAT 099 or MAT 055; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; and Math assessment score of 85 or better; or equivalent ACT/SAT scores.

Examines the nature of energy and matter, their interactions and changes, and the application of fundamental concepts to the study of our natural world. These concepts will be explored in hands-on laboratory experiments. This course integrates the fundamental concepts and ideas about the nature of physics and chemistry with the natural world. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

**Note:** This class is designed for students who are seeking an AA degree with an emphasis in education.

SCI 156 Integrated Science II - Earth and Life Science with Lab: GT-SC1
4 CREDIT HOURS
**Prerequisite:** Designed for education majors, Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; and a grade of C or better in MAT 099 or MAT 055; or English assessment score of 95 or better and/or Reading assessment score of 80 or better; and Math assessment score of 85 or better; or equivalent ACT/SAT scores.

Examines earth and biological systems, living and non-living environments, through the application of fundamental energy and matter concepts. These systems and concepts will be explored in hands-on laboratory experiments. This course is one of the Statewide Guaranteed Transfer courses. GT-SC1

**Note:** This class is designed for students who are seeking an AA degree with an emphasis in education.

SOC — SOCIOLOGY COURSES
SOC 101 Introduction to Sociology I: GT-SS3
3 CREDIT HOURS
**Prerequisite:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores.

Examines the basic concepts, theories, and principles of sociology as well as human culture, social groups, and the social issues of age, gender, class, and race. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

SOC 102 Introduction to Sociology II: GT-SS3
3 CREDIT HOURS
**Prerequisite:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores.

Examines social institutions and organizations from the macro perspective. Emphasizes issues of social change, demography, social movements, and conflicts and trends within education, religion, family, political, and economic structures. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

SOC 201 Introduction to Gerontology
3 CREDIT HOURS
**Prerequisite:** ENG 121, and SOC 101 or SOC 102 with a grade of C or better.

Acquaints students with the major issues and concepts pertinent to the field of gerontology. The course introduces various theoretical perspectives on aging, the changing trends in life expectancy and other demographic considerations, and the interrelationship between elders and key social institutions. It provides an overview of physical, cognitive, and socioemotional factors associated with aging.

SOC 203 Urban Socio-Anthropology
3 CREDIT HOURS
**Prerequisite:** ENG 121, and ANT 101, SOC 101, or SOC 102 with grade of C or better.

Examines how cities and city life are shaped by cultural, social, political, and economic forces operating at many different levels. Additionally, SOC 203 examines the history and theoretical roots of urban anthropology and sociology, ethnographic fieldwork in urban environment, and urban social organization in cross-cultural perspectives.

SOC 205 Sociology of Family Dynamics: GT-SS3
3 CREDIT HOURS
**Prerequisite:** ENG 121, and SOC 101 or SOC 102 with grade of C or better.

Focuses on the family as an institution and how social, cultural and personal factors influence family relations. The stability and diversity of the family will be explored, along with current trends and some alternative life styles. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

SOC 207 Environmental Sociology: GT-SS3
3 CREDIT HOURS
**Prerequisite:** ENG 121, and SOC 101 or SOC 102 with a grade of C or better.

Examines the history and theoretical roots of urban anthropology and sociology, ethnographic fieldwork in urban environment, and urban social organization in cross-cultural perspectives.

SOC 210 Technology and Society
3 CREDIT HOURS
**Prerequisite:** ENG 121, and SOC 101 or SOC 102 with a grade of C or better.

This course analyzes the relationship between technology and human society and culture; how technology has influenced the development of society and how social and cultural forces have influenced the development of technology. The course will examine both current and historical examples of key technologies and the ways their development and utilization have been constrained by society and culture. In particular, the course will explore the implications of living in a modern society defined by increasing dependence on complex technologies and rapid technological change.

SOC 215 Contemporary Social Problems: GT-SS3
3 CREDIT HOURS
**Prerequisite:** ENG 121, and SOC 101 or SOC 102 with a grade of C or better.

Explores current social issues that result in societal problems. It focuses on such issues as civil liberties, gender discrimination, substance abuse, crime, poverty, and social change. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

SOC 216 Sociology Of Gender: GT-SS3
3 CREDIT HOURS
**Prerequisite:** ENG 121, and SOC 101 or SOC 102 with a grade of C or better.

Gives students the theoretical and factual background necessary to understand the phenomenon of gender stratification in American and other cul-
tutes. Students will be exposed to a history of gender stratification in human societies, theoretical explanations for this and insights into the consequences of gender differentiation in our world today. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

**SOC 218 Sociology of Diversity: GT-SS3**

3 CREDIT HOURS  
**PREREQUISITE:** ENG 121; and SOC 101 or SOC 102 with a grade of C or better

Examines the nature, identification, and explanation of deviant categories. Theories of deviant behavior as well as methods of treatment related to deviancy will also be considered. The course will study society’s attempts to control, change, and institutionalize those acts, individuals or groups that a population may deem unacceptable. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

**SOC 220 Sociology of Religion: GT-SS3**

3 CREDIT HOURS  
**PREREQUISITE:** ENG 121; and SOC 101 or SOC 102 with a grade of C or better

Examines the concepts, relationships, and research as they relate to religion in human culture. The interaction between society and religion is thus examined as a wide variety of religious beliefs and practices. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

**SOC 223 Chicanos in a Changing Society**

3 CREDIT HOURS  
**PREREQUISITE:** ENG 121 with a grade of C or better

Explores the lives and roles of Chicanos and Chicanas (Americans of Mexican descent). It introduces students to the Chicano community, its historical, political and social development. It explores the ways in which Chicano communities interrelate with Anglo and multicultural societies as well as its future prospects.

**SOC 221 Spanish Language I**

3 CREDIT HOURS  
**PREREQUISITE:** SPA 101 or SPA 102 with a grade of C or better

Continues SPA 111 Spanish Language I, SPA 112 Spanish Language II and SPA 211 Spanish Language III in the development of increased functional proficiency in listening, speaking, reading and writing the Spanish language. This course is designed for students who have studied two years of Spanish in high school and possess linguistic and cultural knowledge that true beginners do not, but are not ready yet to move to the intermediate level because they need an in-depth review of essential structures.  
**NOTE:** This course is for students who have not taken SPA 111. If a student is currently enrolled in SPA 111, they must enroll in SPA 112 for the next level of study.

**SPA 211 Spanish Language I**

3 CREDIT HOURS  
**PREREQUISITE:** SPA 111 or SPA 112 with a grade of C or better, or instructor permission

Designed as an introduction to a working knowledge of the target language, cultural behaviors and values useful in various professional fields such as health care, law enforcement, bilingual education, business, and others.

**SPA 112 Spanish Language II**

5 CREDIT HOURS  
**PREREQUISITE:** SPA 111 with a grade of C or better, or a placement score of 282 or better

Expands students’ interpretive, interpersonal, and presentational communicative abilities in the language. Integrates these skills with the study of the cultures in which the language is used. Offers a foundation in the analysis of culture and develops intercultural communicative strategies.

**SPA 113 Spanish Language III**

5 CREDIT HOURS  
**PREREQUISITE:** SPA 112 with a grade of C or better, or an equivalent ACT/SAT score

Develops students’ interpretive, interpersonal, and presentational communicative abilities in the language. Integrates these skills with the study of the cultures in which the language is used. Offers a foundation in the analysis of culture and develops intercultural communicative strategies.
THE 211 Development of Theatre Greek to Renaissance: GT-AH1
3 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Surveys the history and evolution of drama from Ancient Greece to the Renaissance, emphasizing all aspects of the art from period values to analysis of dramatic literature and performance. This course is one of the Statewide Guaranteed Transfer courses. GT-AH1

THE 175 Special Topics
0-12 CREDIT HOURS
Prerequisite: This course may require prerequisites or permission of instructor
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

SPA 262 Composition For The Heritage Language Speaker
3 CREDIT HOURS
Prerequisite: Instructor permission
Provides formal composing instruction to Spanish Language students whether native or bilingual who want to develop their existing proficiency in the target language.

SPA 265 Independent Study
0-12 CREDIT HOURS
Prerequisite: Instructor permission
Meets the individual needs of students. Students engage in intensive study or research under the direction of a qualified instructor.

THE 129 Introduction to the Entertainment Industry
3 CREDIT HOURS
Prerequisite: This course may require prerequisites or permission of instructor
Teaches the student an overview of what the Entertainment Industry is and what skill sets are required to enter this field.

THE 131 Theatre Production I
3 CREDIT HOURS
Prerequisite: THE 131 with a grade of C or better and instructor permission
Allows students to put into practice theories of theatre production. Participation in set construction, scenic artistry, costuming, lighting, sound, acting, stage managing, and administration is available.

THE 132 Theatre Production II
3 CREDIT HOURS
Prerequisite: THE 131 with a grade of C or better and instructor permission
Allows students to put into practice theories of theatre production. Participation in set construction, scenic artistry, costuming, lighting, sound, acting, stage managing, and administration is available.

THE 150 Comedy
3 CREDIT HOURS
Prerequisite: This course may require prerequisites or permission of instructor
Teaches students how to work on scenes, monologues and supplied material as well as through original material. Helps students learn improvisation comedy skills, stand-up comedy skills for performance along with the business aspect of comedy. Students will learn the career and marketing end of putting together a show for performance.

THE 151 Stagecraft I
3 CREDIT HOURS
Prerequisite: This course may require prerequisites or permission of instructor
Focuses upon fundamental theories and construction of flats, platforms, stairs, soft scenery and other aspects of Stagecraft. Allows students to put into practice theories of theatre production. Participation in set construction, scenic artistry, costuming, lighting, sound, acting, stage managing, and administration is available.

THE 210 Theatre Appreciation: GT-AH1
3 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Includes discussions, workshops and lectures designed to discover, analyze and evaluate all aspects of the theatre experience: scripts, acting, directing, staging, history, criticism and theory. This course is one of the Statewide Guaranteed Transfer courses. GT-AH1

THE 106 Cross-Cultural Storytelling
4 CREDIT HOURS
Offers international students and American students the opportunity to share ethnic/cultural experiences by using the theatre techniques of storytelling, improvisation, mime, verbal and non-verbal language, scripting and staging techniques resulting in performance projects.

THE 108 Theatre Script Analysis: GT-AH1
3 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Introduces students to methods of reading and analyzing literature for the stage. In addition, students will apply staging and design concepts in visualizing and analyzing how a play looks, sounds, and feels when produced. This course is one of the Statewide Guaranteed Transfer courses. GT-AH1

THE 111 Acting I
3 CREDIT HOURS
Covers basic acting techniques and approaches including scene study, improvisation, and script analysis. It includes practical application through classroom performance.

THE 112 Acting II
3 CREDIT HOURS
Prerequisite: THE 111 with a grade of C or better
Continues to explore basic acting techniques and approaches including scene study, improvisation, and intermediate script analysis. It includes practical application through classroom performance.

THE 115 Stage Movement for Actors
3 CREDIT HOURS
Prerequisite: THE 114 with a grade of C or better
Introduces the vocabulary of human movement, techniques of physical training, and anatomy and kinesiology for the actor. The course includes forms of basic dance and the coordination of movement with vocal delivery.

THE 116 Technical Theatre
3 CREDIT HOURS
Prerequisite: This course may require prerequisites or permission of instructor
Introduces hands-on methods of constructing and painting scenery and properties and operating stage lighting. Students also learn the proper procedures of using shop equipment and serving on stage crews.

THE 120 Native American Theatre
3 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Survey of the history and evolution of American Indian Theatre and the development of Native American theatrical forms.

THE 121 Development of Theatre Greek to Renaissance: GT-AH1
3 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Surveys the history and evolution of drama from Ancient Greece to the Renaissance, emphasizing all aspects of the art from period values to analysis of dramatic literature and performance. This course is one of the Statewide Guaranteed Transfer courses. GT-AH1

THE 141 Drama for Health Care
3 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Helps students learn improvisation, scene construction and delivery skills for health care, law enforcement, bilingual education, business, and others.

THE 142 Drama for Business
3 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Focuses upon the practical applications of theatre in business organizations.

THE 143 Drama for Law Enforcement
3 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Introduces the methodologies for the use of theatre in the Law Enforcement field.

THE 130 Theatre Production II
3 CREDIT HOURS
Prerequisite: THE 130 with a grade of C or better
Continues to explore basic acting techniques and approaches including scene study, improvisation, and intermediate script analysis. It includes practical application through classroom performance.

THE 114 Stage Movement for Actors
3 CREDIT HOURS
Prerequisite: THE 113 with a grade of C or better
Introduces the vocabulary of human movement, techniques of physical training, and anatomy and kinesiology for the actor. The course includes forms of basic dance and the coordination of movement with vocal delivery.

THE 105 Theatre Appreciation: GT-AH1
3 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Includes discussions, workshops and lectures designed to discover, analyze and evaluate all aspects of the theatre experience: scripts, acting, directing, staging, history, criticism and theory. This course is one of the Statewide Guaranteed Transfer courses. GT-AH1

THE 103 Theatre Aspects of American Life
3 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Covers basic acting techniques and approaches including scene study, improvisation, and script analysis. It includes practical application through classroom performance.

THE 102 TheatreAspects of American Life
3 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Covers basic acting techniques and approaches including scene study, improvisation, and script analysis. It includes practical application through classroom performance.

THE 110 Theatre in Denver
3 CREDIT HOURS
Prerequisite: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Accomplishes students with the range of theatre companies and productions in the Denver area. The itinerary is designed to provide the greatest variety of theatrical experiences within the logistical circumstances of each semester’s offerings. Accordingly, students will confront a broad spectrum of dramatic literature performed by various companies in distinct milieu.
THE 212 Development of Theatre Restoration to Modern: GT-AH1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Surveys the history and evolution of drama from the Renaissance to the present, emphasizing all aspects of the art from period values to the analysis of dramatic literature and performance. This course is one of the Statewide Guaranteed Transfer courses. GT-AH1

THE 215 Playwriting: GT-AH1
3 CREDIT HOURS
PREREQUISITE: Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores
Gives students the opportunity to learn and practice playwriting techniques, thereby improving creative writing skills. Elements of dramatic structure, dialogue, styles, and theatrical practices are emphasized. This course is one of the Statewide Guaranteed Transfer courses. GT-AH1

THE 218 Readers Theatre
3 CREDIT HOURS
Studies ensemble interpretation of literature—poetry, prose, and drama, primarily through the medium of the spoken word.

THE 220 Directing I
3 CREDIT HOURS
PREREQUISITE: THE 105 or THE 111 or THE 215 with a grade of C or better
Covers basic techniques for stage directing in contemporary theatre. Topics to be covered include stage composition, script analysis, work with actors, and the collaborative role of the director.

THE 231 Theatre Production III
3 CREDIT HOURS
PREREQUISITE: THE 131 or THE 130 with a grade of C or better
Allows students to put into practice theories of theatre production. Participation in set construction, scenic artistry, costuming, lighting, sound, acting, stage managing, and administration is available.

THE 232 Theatre Production IV
3 CREDIT HOURS
PREREQUISITE: THE 131, THE 132, or THE 231 with a grade of C or better
Allows students to put into practice theories of theatre production. Participation in set construction, scenic artistry, costuming, lighting, sound, acting, stage managing, and administration is available.

THE 240 Theatre Voice and Diction
3 CREDIT HOURS
Provides students with individual tutorials which define, design and apply specific vocal techniques to abate singing and speech difficulties. Master class performances provide the opportunity to conjure the energy, charisma and stage command necessary for presentations.

THE 275 Special Topics
0-12 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor
Explores current topics, issues and activities related to one or more aspects of the named discipline.

THE 284 Internship: Theatre
0-12 CREDIT HOURS
PREREQUISITE: Instructor permission
Provides students with the opportunity to supplement coursework with practical work experience related to their educational program. Students work under the immediate supervision of experienced personnel at the business location and with the direct guidance of the instructor.

THE 285 Independent Study
0-12 CREDIT HOURS
PREREQUISITE: Instructor permission
Emphasizes structured and guided, individualized research that is organized and tailored around the interests and needs of the individual student.

VET — VETERINARY TECHNOLOGY AND VETERINARY ASSISTANT COURSES

VET 102 Veterinary Medical Terminology
1 CREDIT HOUR
PREREQUISITE: Admission into the Veterinary Technology or Veterinary Technology Assistant program
Introduces the student to the structure of medical terms with emphasis on using and combining the most common prefixes, roots and suffixes. Includes terms related to major body systems, oncology, psychiatry, as well as clinical laboratory and diagnostic procedures and imaging. Class structure provides accepted pronunciation of terms and relative use in the veterinary specific setting.

VET 103 Veterinary Assistant Restraint and Handling
2 CREDIT HOURS
PREREQUISITE: Math assessment score of 57 (AR) or better, English assessment score of 70 or better, Reading assessment score of 62 or better, and admission into the Veterinary Assistant program
Corequisite: VET 113, VET 114, and VET 120
Introduces students to basic animal care skills and clinical procedures common to a veterinary assistant in practice. Laboratories provide practice in restraint, grooming and physical exam techniques.

VET 106 Exotic Animal Handling
2 CREDIT HOURS
PREREQUISITE: BIO 111 and ENG 121 with a grade of C or better, and admission into the Veterinary Technology program
Designed to provide students knowledge and skills required for veterinary technicians. This course focuses on exotic animal husbandry, handling, restraint and specific problems encountered with exotic animals.

VET 108 Introduction to Laboratory Procedures
3 CREDIT HOURS
PREREQUISITE: BIO 111 and ENG 121 with a grade of C or better, and admission into the Veterinary Technology program
Studies the biology, clinical appearance and laboratory diagnosis of parasitic diseases of veterinary and zoonotic importance.

VET 109 Applied Comprehension Animal Behavior
3 CREDIT HOURS
This course explores the topic of companion animal behavior through critical reviews of behavioral literature and its implications for applied techniques in behavior, demonstrations of applied techniques for modifying animal behavior and the application of the principles of companion animal body posture and communication to everyday treatment of animals. Focuses on treatment of animals in veterinary practice, including improving handling techniques and safety.

VET 113 Vet Assist Surgical & Nursing Care
3 CREDIT HOURS
PREREQUISITE: Math assessment score of 57 (AR) or better, English assessment score of 70 or better, Reading assessment score of 62 or better, and admission into the Veterinary Assistant program
Corequisite: VET 103, VET 114, and VET 120
Introduces surgical assisting of the veterinarian and/or the veterinary technician, including basic knowledge of surgical instruments and surgery room hygiene. Also introduces basic nursing care of animal patients including safety concerns and nursing procedures.

VET 114 Vet Assist Lab & Clinical Procedures
3 CREDIT HOURS
PREREQUISITE: Math assessment score of 57 (AR) or better, English assessment score of 70 or better, Reading assessment score of 62 or better, and admission into the Veterinary Assistant program
Corequisite: VET 103, VET 113, and VET 120
Covers selected areas of common laboratory and diagnostic imaging procedures performed in a veterinary hospital. Emphasis is on assisting the veterinarian and/or veterinary technician with these procedures.

VET 115 Surgical Nursing
2 CREDIT HOURS
PREREQUISITE: VET 108, VET 116, and VET 205 with a grade of C or better
Constructed for the student with limited background in veterinary medicine. The course expresses the need for familiarity with instruments, surgical support equipment, and proficiency in the proper preparation of the operating room.
VET 116 Humane Treatment and Handling of Animals
3 CREDIT HOURS
Prerequisite: Admission into the Veterinary Technology program
Designed to give students knowledge and skills required for veterinary technicians. The course focuses upon animal welfare and humane treatment during handling and restraint, behavior, safety, equipment choice, and typical clinical procedures.

VET 120 Office Procedures and Relations
2 CREDIT HOURS
Prerequisite: Admission into the Veterinary Technology or Veterinary Assistant program
Presents common veterinary office procedures including administration, professional etiquette, client relations, career development and job searching skills. Enrichment of computer skills in relationship to current veterinary management software will be emphasized.

VET 134 Diagnostic Imaging
2 CREDIT HOURS
Prerequisite: VET 108, VET 116, VET 205, and VET 206 with a grade of C or better
Corequisite: VET 187
Covers selected areas of diagnostic imaging with an emphasis on radiology. Topics will include radiation properties, x-ray production, radiographic equipment, darkroom procedures, the radiographic image, animal positioning and radiation safety. An introduction to special imaging techniques such as computed tomography (CT scan) and ultrasound will also be included.

VET 175 Special Topics
1-12 CREDIT HOURS
Prerequisite: This course may require prerequisites or permission of Instructor
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

VET 182 Internship I
3 CREDIT HOURS
Prerequisite: VET 108, VET 116, VET 120, and VET 205 with a grade of C or better
Provides students with the opportunity to supplement coursework with practical work experience related to their educational program. Students work under the immediate supervision of experienced personnel at the business location and with the direct guidance of the instructor.

VET 183 Internship
3 CREDIT HOURS
Prerequisite: VET 103, VET 113, VET 114, and VET 120 with a grade of C or better
Provides students with the opportunity to supplement coursework with practical work experience related to their educational program. Students work under the immediate supervision of experienced personnel at the business location and with the direct guidance of the instructor.

VET 187 Cooperative Education: Diagnostic Imaging
1 CREDIT HOUR
Prerequisite: VET 116, VET 205, and VET 206 with a grade of C or better
Corequisite: VET 134
Gains experience utilizing radiographic equipment, positioning of animals for radiographs, developing a technique chart and radiographic film. This is a one credit class which requires 45 contact hours in a private practice or research related facility.

VET 205 Veterinary Anatomy and Physiology I
4 CREDIT HOURS
Prerequisite: BTO 111 and ENG 121 with a grade of C or better, and admission into the Veterinary Technology program
Provides background in the anatomy and physiology of animals. The class covers the structure and function of each body system, including skeletal, muscular, circulatory, integumentary, and respiratory. Other subjects include principles of metabolism and unique characteristics of common domestic species. Applied laboratory experiences are included.

VET 206 Veterinary Anatomy and Physiology II
4 CREDIT HOURS
Prerequisite: VET 108, VET 116, and VET 205 with a grade of C or better
Provides additional detail in anatomy and physiology of companion and farm animal species. The class covers interrelationships between body systems including respiratory, cardiovascular, urogenital, and reproductive. Additional topics include metabolism and digestion, acid/base balance, neuroendocrinology, and reproductive endocrinology. Applied laboratory experiences are included.

VET 224 Pharmacology for Veterinary Technicians
3 CREDIT HOURS
Prerequisite: VET 108, VET 116, VET 120, and VET 205 with a grade of C or better
Provides background in pharmacology principles including topics such as mechanism of drug action, types of drugs, anesthetic agents, pharmacy management and calculations related to drug dosages.

VET 225 Anesthesiology
3 CREDIT HOURS
Prerequisite: VET 108, VET 115, VET 116, VET 120, VET 182, VET 205, VET 206, and VET 224 with a grade of C or better
Covers appropriate forms of injectable and gaseous anesthesia for surgical and diagnostic procedures. Other topics include anesthesia monitoring, emergency procedures, and control of post-surgical pain.

VET 227 Animal Nutrition
2 CREDIT HOURS
Prerequisite: Anatomy and Physiology course or graduation from an AAVMA accredited school
Gives students a foundation in the principles of animal nutrition. The course focuses on the basic elements of nutrition including the major categories of nutrients, and their sources, digestion, and metabolism. Both large and small animal feeds and feeding will be covered. The course emphasizes the relationship between nutrition and health.

VET 240 Veterinary Medicine and Surgery
4 CREDIT HOURS
Prerequisite: VET 108, VET 115, VET 116, VET 120, VET 134, VET 182, VET 187, VET 205, VET 206, VET 224, VET 225, VET 227, VET 241, and VET 281 with a grade of C or better
Presents commonly encountered medical and surgical conditions of the dog and cat with the emphasis on the role of the veterinary technician in the management of these entities. The course also includes special techniques laboratories in small animal medicine that provide a hands-on teaching experience in catheterization, collection of bone marrow aspirates, and centers.

VET 241 Clinical Laboratory Procedures
4 CREDIT HOURS
Prerequisite: VET 205 and VET 206 with a grade of C or better
Discusses the biochemical derangements that characterize disease. Topics include proper collection and analysis of urine, blood, and cytological samples; basic principles of anatomic pathology; necropsy procedure and sample collection.

VET 242 Veterinary Critical Care
2 CREDIT HOURS
Prerequisite: VET 108, VET 115, VET 116, VET 120, VET 134, VET 182, VET 187, VET 205, VET 206, VET 224, VET 225, VET 227, VET 241, VET 281, and VET 240 with a grade of C or better, or VET 240 as a corequisite
Provides instruction in appropriate nursing assessment, monitoring and intervention with emergencies. Uses knowledge and understanding of overall anatomy, physiology, and disease or accident process to assist in veterinarian’s diagnoses and treatment.

VET 243 Veterinary Diagnostic Microbiology
3 CREDIT HOURS
Prerequisite: VET 281, VET 225, VET 227, and VET 241 with a grade of C or better
Includes the biology, clinical appearance and laboratory diagnosis of bacterial and viral diseases of veterinary and zoonotic importance.

VET 250 Clinical Competency Evaluation
1 CREDIT HOUR
Prerequisite: VET 108, VET 115, VET 116, VET 120, VET 134, VET 182, VET 187, VET 205, VET 206, VET 224, VET 225, VET 227, VET 241, and VET 281 with a grade of C or better
Evaluates the students’ clinical skills and knowledge after successful completion of the internship courses, in order to prepare them for the national board examination and clinical practice. Evaluation of clinical skills and knowledge includes selected clinical laboratory techniques (parasitology, hematology; urinalysis; cytology; chemistry, serology; microbiology); diagnostic imaging; office procedures; surgical preparation, instrumentation and assistance; anesthesia induction, monitoring, and drug handling techniques; small, large and laboratory animal diagnostic and therapeutic techniques; and pharmacology calculations, labeling and drug classification.
VEI 281 Internship II
4 CREDIT HOURS
PREREQUISITE: VEI 182 with a grade of C or better
Provides students with the opportunity to supplement coursework with practical work experience related to their educational program. Students work under the immediate supervision of experienced personnel at the business location and with the direct guidance of the instructor.

VEI 282 Internship III
5 CREDIT HOURS
PREREQUISITE: VEI 281, and VEI 225 with a grade of C or better, or VEI 225 as a corequisite.
Provides students with the opportunity to supplement coursework with practical work experience related to their educational program. Students work under the immediate supervision of experienced personnel at the business location and with the direct guidance of the instructor.

WEL — WELDING AND FABRICATION COURSES

WEL 100 Safety for Welders
1 CREDIT HOUR
PREREQUISITE: Math assessment score of 20 or better, or equivalent ACT/SAT scores.
Covers the hazards of welding on health and safety, locating essential safety information from a code or other standard, and identifying and applying shop safety procedures.

WEL 101 Allied Cutting Processes
4 CREDIT HOURS
PREREQUISITE: WEL 100 with a grade of C or better.
Covers setting up equipment and performing cutting and gouging operations, utilizing the oxyacetylene, air carbon arc, exothermic, and plasma arc cutting processes. This course will also provide an introduction to blueprint reading.

WEL 102 Oxyacetylene Joining Processes
4 CREDIT HOURS
PREREQUISITE: WEL 100 with a grade of C or better.
Introduces safety inspections, minor repairs, operating parameters, oxyacetylene welding equipment, and oxyacetylene welding, brazing, and soldering operations. Blueprint reading skills will be practiced in this course.

WEL 103 Basic Shielded Metal Arc I
4 CREDIT HOURS
PREREQUISITE: WEL 101 with a grade of C or better.
Covers performing safety inspections, making minor repairs, adjusting operating parameters, and operating SMAW equipment utilizing E-6010 electrodes. Layout procedures and practices will also be introduced.

WEL 104 Basic Shielded Metal Arc II
4 CREDIT HOURS
PREREQUISITE: WEL 103 with a grade of C or better.
Covers performing safety inspections, making minor repairs, adjusting operating parameters, and operating SMAW equipment utilizing E-7018 electrodes. Layout procedures will be practiced during this class.

WEL 106 Blueprint Reading for Welders and Fitters
4 CREDIT HOURS
PREREQUISITE: WEL 100 with a grade of C or better.
Covers interpreting weld symbols on blueprints, identifying proper layout methods and tools, and proper joint design necessary for various welding processes.

WEL 110 Advanced Shielded Metal Arc I
4 CREDIT HOURS
PREREQUISITE: WEL 104 and MAT 108 with a grade of C or better.
Covers safety inspections, minor repairs, operating parameters, operation of SMAW equipment, and SMAW operations on groove and fillet welds utilizing E-6010 and E-7018 electrodes. Layout procedures will be practiced during this course.

WEL 111 Advanced Shielded Metal Arc II
4 CREDIT HOURS
PREREQUISITE: WEL 110 with a grade of C or better.
Covers safety inspections, minor repairs, operating parameters, operation of SMAW equipment utilizing various electrodes, essential welding information from codes or other standards, and performance of weld inspections.

WEL 112 Introduction to Gas Tungsten Arc Welding
4 CREDIT HOURS
PREREQUISITE: WEL 101, WEL 102 and MAT 108 with a grade of C or better.
Covers welding in all positions and on various joint configurations using the GTAW (TIG) welding process on carbon steel, stainless steel and aluminum. Student should be familiar with basic metallurgy pertaining to the weldability of metals, structural joints, and safety in the welding industry.

WEL 123 Introduction to Metal Arc Welding
4 CREDIT HOURS
PREREQUISITE: WEL 101, WEL 102 and MAT 108 with a grade of C or better.
Covers welding in all positions and on various joint configurations using the GMAW (MIG) welding process on carbon steel, stainless steel and aluminum. Student should be familiar with basic metallurgy pertaining to the weldability of metals, structural joints, and safety in the welding industry.

WEL 124 Basic Flux Cored Arc Welding
1 CREDIT HOUR
PREREQUISITE: WEL 103 with a grade of C or better.
Introduces safety inspections, minor repairs, operating parameters, and operating FCAW equipment utilizing self shielded wire, and principles of joint design, preparation, and material selection to welding operations.

WEL 125 Special Topics
3-4 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor.
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

WEL 126 Special Topics
3-4 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor.
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

WEL 127 Special Topics Workshop: Welding Lab
1-6 CREDIT HOURS
PREREQUISITE: WEL 101, WEL 102 and WEL 106 with a grade of C or better.
COREQUISITE: Any other welding class, except WEL 100, WEL 101, and WEL 102.
Provides students with an experiential learning experience.

WEL 128 Gas Metal Arc Welding I
4 CREDIT HOURS
PREREQUISITE: WEL 125 with a grade of C or better.
Covers safety inspections, minor repairs, operating parameters, operation of GMAW equipment, utilizing a variety of electrodes and base metals, and fundamental principles of welding metallurgy to welding, fabrication, and inspection.

WEL 129 Flux Cored Arc Welding I
4 CREDIT HOURS
PREREQUISITE: WEL 103 with a grade of C or better and English assessment score of 50 or better.
Reading assessment score of 40 or better, and Math assessment score of 59 (EA) or 40 (AR) or better.
Teaches how to safely set up and operate the flux core arc welding equipment.

WEL 130 Special Topics
3-4 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor.
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

WEL 131 Special Topics Workshop: Welding Lab
1-6 CREDIT HOURS
PREREQUISITE: WEL 101, WEL 102, and WEL 106 with a grade of C or better.
Provides students with an experiential learning experience.

WEL 132 Flux Cored Arc Welding II
4 CREDIT HOURS
PREREQUISITE: WEL 125 with a grade of C or better.
Covers safety inspections, minor repairs, operating parameters, operation of FCW equipment utilizing self shielded wire, and principles of joint design, preparation, and material selection to welding operations.

WEL 133 Special Topics
3-4 CREDIT HOURS
PREREQUISITE: This course may require prerequisites or permission of instructor.
Provides students with a vehicle to pursue in depth exploration of special topics of interest.

WEL 134 Flux Cored Arc Welding II
4 CREDIT HOURS
PREREQUISITE: WEL 103 with a grade of C or better and English assessment score of 50 or better.
Reading assessment score of 40 or better, and Math assessment score of 59 (EA) or 40 (AR) or better.
Covers safety inspections, minor repairs, operating parameters, operation of FCW equipment utilizing gas shielded wire, and applying fundamentals of welding applications and cost estimating to welding, fabrication, and inspection.

WEL 135 Advanced Gas Tungsten Arc Welding
4 CREDIT HOURS
PREREQUISITE: WEL 124 with a grade of C or better.
Covers welding in all positions on carbon steel, stainless steel and aluminum plate and carbon steel pipe with the GTAW process. Student should be famil-
iar with basic metallurgy pertaining to the weldability of metals, structural joints, and safety in the welding industry.

**WEL 230 Pipe Welding I**
4 CREDIT HOURS

**PREREQUISITE:** WEL 110 and WEL 124 with a grade of C or better, or chair permission

Covers safety inspections, minor repairs, operating parameters, and operation of SMAW, GMAW, and FCAW equipment in a variety of positions on plain carbon steel pipe joints. Also covers evaluating and solving complex welding and fabrication problems and administering hands-on training and supervision of other students during assigned fabrication and welding operations.

**WEL 280 Internship**
3 CREDIT HOURS

**PREREQUISITE:** WEL 111, WEL 124, and WEL 125 with a grade of C or better; a grade point average of 2.5 or better; and chair permission

Offers individualized instruction at job site. The student is encouraged to develop skills needed to enter employment in the welding industry.

---

**WST — WOMEN'S STUDIES COURSES**

**WST 200 Introduction to Women's Studies: GT-SS3**
3 CREDIT HOURS

**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Examines the nature and function of women in society from an interdisciplinary perspective, focusing on the similarity and diversity of women's experience over time and across cultures. The course will examine topics such as sex role, socialization, political and philosophical perspectives on women's issues, and women's accomplishments in history, art, literature, science, health issues and the family. Students will gain an awareness of the limitations of traditional scholarship on women, and gain a means of practical application of the new scholarship on women's roles and nature. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

**WST 225 Women and Social Action: GT-SS3**
3 CREDIT HOURS

**PREREQUISITE:** Grade of C or better in CCR 092, CCR 093, CCR 094, or ENG 090; or English assessment score of 95 or better, or equivalent ACT/SAT scores

Enables students to gain an understanding of the role of the systems of oppression in society and avenues available to them to create both individual and collective change through social action. Each student becomes aware of their ability to enact change and the empowerment that process provides. We will explore issues of diversity including, but not limited to race, class, gender, age and disability. The course emphasizes critical thinking skills and is informed by feminist pedagogy. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

**WST 240 Goddesses and Women in the Ancient World: GT-SS3**
3 CREDIT HOURS

**PREREQUISITE:** Grade of C or better in ENG 121

Surveys gender socialization and the roles, challenges, contributions, and images of women in the development of cultures. Through a study of arts, literature, music, politics, religion, philosophy, laws, and social standards students are introduced to the history of ideas that have defined women’s place in societies. It examines goddesses, rituals, and ceremonies and how the image of the Feminine Divine changed from matriarchal cultures through the establishment of patriarchal cultures. These topics will be viewed through diverse cultures, including European and non-European, from the Ancient World through the Middle Ages. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3

**WST 249 Women's Sexuality: GT-SS3**
3 CREDIT HOURS

**PREREQUISITE:** Grade of C or better in ENG 121

Explores how different cultures have understood women’s sexuality and the power of femininity. The course addresses theories of sexuality and erotic power, women’s sexualities across cultures and throughout the lifespan, the perception of sexuality in religion and history, and creative visualizations of women’s sexuality in literature, visual, musical and performance art. This course is a part of the Statewide Guaranteed Transfer courses. GT-SS3

**WST 275 Special Topics**
1-12 CREDIT HOURS

**PREREQUISITE:** This course may require prerequisites or permission of instructor

Provides students with a vehicle to pursue in depth exploration of special topics of interest.
