

Your initial tuition classification was determined by the information provided on your Admissions Application. If you feel the decision was based on incomplete information, please complete the following questions in their entirety. This form is to be completed in full and returned to Admissions, Registration, & Records **NO LATER THAN THE LAST DATE TO DROP (CENSUS) YOUR COURSES**. Failure to do so may result in non-resident tuition classification for the semester without the right to appeal.

Active-duty members of the armed forces, their spouse, and dependent children whose permanent duty station is in Colorado will be charged in-state tuition, even if the permanent duty station changes, as long as the student (armed forces member, their spouse, or dependent child) is continually enrolled in classes. Contact your military base Education Office for documentation.

- **If you attended CCD and paid non-resident tuition during the past three semesters – Please fill out the Petition for In-State Tuition Application.**
- **If you are an individual who was emancipated prior to turning 23 years of age – Please fill out the Petition for In-State Tuition Application.**
