This application will NOT qualify you for federal grants, federal work-study or loans. If you are a US citizen or eligible non-citizen, you must complete the Free Application for Federal Student Aid (FAFSA) to determine your eligibility for federal and/or state aid.

ASSET, DACA and Undocumented students, may be considered for institutional aid at the Community College of Denver (CCD). In addition, ASSET students may qualify for STATE aid. In order to review your eligibility for institutional aid at CCD, you must submit this form and complete CCD's scholarship application at CCD.edu/Scholarships (click "Apply for Scholarships Now!").

Use your 2018 IRS federal tax form to complete the income-related items below. ASSET, DACA and Undocumented students should not complete the online FAFSA.

Colorado residents are given priority when awarding institutional aid like scholarships. If you think, you may qualify for in-state tuition classification because you attended a Colorado high school for more than three years, please see CCD.edu/ASSET or contact the Admissions Office at ccd.residency@ccd.edu.
