The Computer Information Systems (CIS) Program at Community College of Denver offers a clear pathway so you can reach your educational goals. Start by earning a certificate in Computer Technology, then move on to earn an Associate of Applied Science (AAS) Degree. Once you earn your 2-year AAS degree, you can transfer directly to Metropolitan State University of Denver to earn a 4-year Bachelor's degree! Your job options grow with each extra step, as does your earning potential! CCD... Start here. *Go Anywhere!*
