Source Data: SURDS Enrollment, SURDS Financial Aid, Banner Demographic File, Banner Graduation Application File, National Student Clearing House										
Financial Aid received includes merit, need, non-need based, scholarship, grant, loan, or work study										
Percentages are of term total enrollment (# FT/n). Percentages in each group total 100 (%FT + % PT = 100%).										
Minority male percentages are of the total males in the term.										
Minority includes Black/African American, Hawaiian or Pacific Islander, Hispanic, Native American/Alaskan Native, two or more not exclusively asian and white										

Data at a glance:

- Full time students have higher transfer rates than part time students
- Male and female students transfer on average in equal percentages
- Traditional students and non-traditional under fifty transfer on average in equal percentages
- Students over 50 have low transfer rates
- White students transfer rate higher than that of all other ethnicities
- Unknown transfer rate to high (where are these students going?)
- African American and Hispanic students transfer rate on average lower than 12.5%
- Transfer rates in academic centers are higher than completion percentages
