- Need student representative from SGA on Academic Standards and Faculty Council. Christopher will find out when they meet.
- B. Vice-President's Report:
- RTD Referendum – student feedback coming in about fee increases and not being able to opt out of pass. Encourages all members to remind students of the positive points of the pass. Judi suggests asking students what their maximum price point is for the pass to get feedback to give to SACAB. Antwon suggests getting information to our SACAB rep and having them get it on the agenda early for next year and possibly meeting with RTD reps, voicing concerns, and getting more data for our students.
- C. Treasurer's Report:
- Budget meeting this morning reviewed and adjusted budget for remainder of the year. Approx. \$1,300 outstanding.
- D. Secretary's Report:
- Election Forums in CHR on 2/23 2-3pm and 2/24 1-2pm. Would like to have SGA members come and talk about their experience on SGA and to help inform and recruit new members. Fliers going up for these dates and elections. Election is 4/11-15. If you are running again you must come to an orientation. Dates and times to follow.
  - 1 iPad Mini and 2 Beats headphones left for giveaways.

VIII. Open Forum/Public Comments/Adjournment:

- Dean of Enrollment Services Open Forums. They are all from 11 a.m. to 12 p.m.:  
Monday, February 29<sup>th</sup>, Confluence 107/109  
Tuesday, March 1, Confluence 107/109  
Thursday, March 3, Confluence 105
- Moriah is submitting her letter of intent to SGA for the position of Treasurer. Questions asked about her intent and ideas for her position. To be reviewed and discussed next week upon vote.
- Judi's Update
  - Discusses plan for Boulder Creek. Meeting with design consultants and Metro to plan. Would like to brand CCD's presence at Colfax lightrail entrance.
  - Would like SGA to discuss and write up a resolution for CCD's Tivoli presence. CCD has 1.5% equitable presence in the Tivoli as of now. Would you like to keep CCD offices in the Tivoli? Would you like more? Discuss, research and write proposal.
  - Next week there will be an update to the Academic Honesty Policy submitted for approval to the President's Cabinet Meeting. Christopher will review.
  - Update coming to Financial Aid update to ensure classes are only paid for that are applicable to degree plan. FASFA will not apply to classes that are not required for your chosen degree. This has always been the rule but has not been enforced. Judi recommends all students to make sure they are enrolled in a "Degree with Designation" as this is a guarantee transfer of all your credits to a 4-year institution and it will be clear what classes you'll take.

Adjournment: (12:03pm)
