COMMUNITY COLLEGE OF DENVER
Addendum to the 2011-2012 Online and Printed Catalogs

This addendum is an integral part of the college's 2011-2012 Academic Catalog; the purpose of this document is to amend current information or include additional information. The information published herein is effective the 2011-2012 school-year. If any of these changes impact a student's ability to graduate, please contact the dean for your area. All changes are shaded gray.

Statewide Transfer Degree Programs

Community College of Denver students who follow the prescribed program in the following areas will be able to transfer their degrees and enroll as juniors in any Colorado public four-year program: Business, Economics, History, Mathematics, Psychology (both AA and AS), Spanish, a General Associate of Arts and a General Associate of Science. All courses must be completed with a grade of “C” or better. Course substitutions are not permitted with any Statewide Transfer Degree Plan. The elective options for these programs are included below; these elective options are to be used as of November 16, 2011.

BUSINESS ASSOCIATE OF ARTS DEGREE PLAN

Required Courses that Fulfill General Education Requirements .................................................................37

Communication ................................................................................................................................................6
ENG 121 English Composition I: ..............................................GT-CO1
ENG 122 English Composition II: ........................................GT-CO2
or
ENG 122 English Composition II: ........................................GT-CO2
and a GT-CO3 course ......................................................GT-CO3

Mathematics ...................................................................................................................................................8
MAT 121 College Algebra: ......................................................GT-MA1
or
MAT 123 Finite Mathematics: ............................................GT-MA1
MAT 125 Survey of Calculus: .............................................GT-MA1
or
a higher level Calculus course

Arts & Humanities .........................................................................................................................................6
Two guaranteed transfer Arts & Humanities courses (GT-AH1, GT-AH2, GT-AH3, GT-AH4)

History ............................................................................................................................................................3
One guaranteed transfer History course.........................GT-HI1

Social & Behavioral Sciences .........................................................6
ECO 201 Principles of Macroeconomics: ......................GT-SS1
ECO 202 Principles of Microeconomics: .........................GT-SS1

Natural & Physical Sciences .................................................8
Two guaranteed transfer Natural & Physical Sciences courses (GT-SC1, GT-SC2)

Additional Required Courses ..................................................23
ACC 121 Accounting Principles I ........................................4
ACC 122 Accounting Principles II .....................................4
BUS 115 Introduction to Business .......................................3
BUS 216 Legal Environment of Business .........................3
BUS 217 Business Communications and Report Writing ....3
BUS 226 Business Statistics ...............................................3
COM 115 Public Speaking ..................................................3

Total .............................................................................................................................................................60

NOTE: Course substitutions are not permitted for any Statewide Transfer Degree program.

ASSOCIATE OF GENERAL STUDIES DEGREE

The Community College of Denver offers the Associate of General Studies Generalist degree. It requires lower-division core general education courses that transfer to all majors at all state baccalaureate colleges and universities. Only grades of “C” or better are acceptable for the core general education requirements. Up to four credits of physical education may apply toward this degree.

Associate of General Studies Generalist Degree (AGS-G)

Transferability of this customized degree program depends upon the courses taken and the receiving institution. The AGS Degree is limited to 60 credits, and requires at least 30 semester hours of general education. Fifteen of these semester hours must be in prescribed general education courses labeled as those accepted in the State Guaranteed General Education Transfer and designated as such in the college catalogue. Advising is available in Plaza 262.

Program Admission Requirements

See individual articulated degree options.

Credit Hours

Credits are the hours of credit awarded to the course. An associate degree requires a minimum of 60 credits. Credit hours in parenthesis, e.g., (3), are options from which students may choose. They are not included in the total credit hours listed below. An average full-time student course load is 15 credit hours. An AGS degree takes four semesters of 15 credits each semester, assuming that all courses count toward the degree.

Associate of General Studies Degree, Generalist

AGS Liberal Arts Core

Core course requirements may NOT be waived or substituted.

AGS Degree Program Requirements

Communications

You must take both ENG courses and one COM course. ................................................................. 9

Intro. Writing Course

ENG 121 English Composition I: GT-CO1

Intermediate Writing Course
ENG 122  English Composition II: GT-CO2
COM course requirement is a Colorado Community College System requirement and is in addition to the State Guaranteed General Education Transfer Courses. IT IS NOT GUARANTEED TO TRANSFER.

COM 115  Public Speaking
OR
COM 125  Interpersonal Communication

Mathematics .................................................................3-5
You must take one course from the list below.
MAT 120, MAT 121, MAT 122, MAT 123, MAT 125, MAT 135, MAT 155*, MAT 156*,
MAT 201, MAT 202, MAT 204, MAT 266: GT-MA1
* MAT 155 and MAT 156 must BOTH be taken to meet the core math requirements.

Arts & Humanities ..............................................................9
Select 3 courses from the following with no more than 2 courses from one category:
Arts & Humanities:
ART 110, 111, 112: GT-AH1
MUS 120, 121, 122, 123: GT-AH1
THE 105, 211, 212: GT-AH1
Literature and Humanities:
HUM 115, 121, 122, 123: GT-AH2
LIT 115, 201, 202, 205, 211, 212, 225: GT-AH2
Ways of Thinking
PHI 111, 112, 113, 114, 218: GT-AH3

Foreign Languages
ARA 111, 112, 211, 212  [GT-AH4  200 level only]
CHI 111, 112, 211, 212  [GT-AH4  200 level only]
FRE 111, 112, 211, 212  [GT-AH4  200 level only]
GER 111, 112, 211, 212  [GT-AH4  200 level only]
ITA 111, 112, 211, 212  [GT-AH4  200 level only]
JPN 111, 112, 211, 212  [GT-AH4  200 level only]
SPA 111, 112, 211, 212  [GT-AH4  200 level only]

History
You must take a minimum of one course from the list below.
HIS 101, 102, 111, 112, 201, 202, 225, 236, 243, 244, 247, 249, 255: GT-HI1

Social & Behavioral Sciences
You must take two courses (minimum 6 credits) from this list.
Economic and Political Systems
ECO 201, 202: GT-SS1
POS 105, 111, 125, 205: GT-SS1

Geography
GEO 105: GT-SS2

Human Behavior and Social Systems
ANT 101, 107, 111, 201, 215: GT-SS3
JOU 105: GT-SS3
PSY 101, 102, 205, 217, 226, 227, 235, 238, 240, 249: GT-SS3

Natural and Physical Sciences ..................................................4-5
Select 1 laboratory-based course from the following:
AST 101, 102: GT-SC1
BIO 105, 111, 112, 201, 202, 204, 208, 220, 221: GT-SC1
CHE 101, 102, 111, 112: GT-SC1
GEY 111, 121: GT-SC1
PHY 105, 111, 112, 211, 212: GT-SC1
SCI 155 AND SCI 156

Electives
18-26 additional credits needed to reach at least 60. Minimum of 6 credits hours must be 100 Level GT courses or 200 Level courses.

Total ..................................................................................60
Exactly 60 credits are required for the AGS degree. Credits above that amount might not transfer.

Please note: Any course whose number begins with "0" in any prefix will not meet requirements for the AGS-G degree. English and mathematics courses numbered before the core general education courses will not meet requirements for the AGS-G. All General Education courses must be completed with a C grade or better for all AGS degrees.

MAMMOGRAPHY CERTIFICATE

The Health Sciences Center at Community College of Denver is now offering a Certificate in Mammography. The program will assist the qualified student in obtaining the necessary didactic education and mandatory clinical competencies to prepare them to sit for the American Registry of Radiologic Technologists (ARRT) Mammography Certification Examination. The program has been designed to be in compliance with all Colorado State and U.S. Federal education requirements, and will prepare students for entry-level clinical practice.

Apply to CCD for enrollment in the Spring 2012 semester to become proficient in the art of mammography. The clinical component is tailored to meet the needs of the individual student, with weekday clinical placement available.

Program Application Requirements

- Current ARRT Certification in Radiologic Technology
- Minimum 1 year of healthcare experience
- CPR—BLS for healthcare providers
- Current immunizations
- Successfully complete a background check

After accepted to the program students must have a “temporary” mammography certificate.

RTE 250 Mammography .....................................................................................................................................................3 Credits
RTE 291 Mammography Internship .....................................................................................................................................3 Credits
Total ........................................................................................................................................................................ 6 Credits

Changes in Certificate Programs

BUSINESS TECHNOLOGY
Office Assistant Certificate title should include "General"
Certificate in Business Technology
General Office Assistant Certificate

COMPUTED TOMOGRAPHY CERTIFICATE

Under program admission requirements as of November 16, 2011, applicants must have a minimum of one year patient care experience.

COMPUTER INFORMATION SYSTEMS

Change the following for the corresponding programs in the 2011-2012 catalog:

Associate of Applied Science Degree in Computer Information Systems

This transferable degree prepares students to obtain entry-level employment in the Information Technology (IT) industry. The business core ensures that students will have the business foundation necessary to compete in the workforce. Potential students should see an IT advisor for more information on transferability.

This degree transfers to Metropolitan State College of Denver’s Bachelors of Science Degree in Computer Information Systems.

### Credit Transfer Limitations:

Courses transferred into the Computer Information Systems or the Information Technology degree/certificate options have the following time limits:

- Application courses – 5 years
- Programming courses – 5 years
- Networking Courses – 5 years
- Certification courses – 3 years
- General education courses – 10 years
- Business courses – 10 years

If the transferring student has current industry experience, the time limit for applicable courses may be waived upon approval of the program chair.

### Associate of Applied Science Degree in Information Technology

#### Information Technology

This program prepares students to obtain an entry-level position in the Information Technology industry. This degree offers students a broad educational background in computer information systems. Students can choose to specialize in a specific IT category by using the nine elective credits to focus on a particular area. Students completing this degree will qualify for the CompTIA A+ certification exams, and gain experience in networking, computer security and database management. Students will enhance their communication skills, and obtain an exposure to the business environment.
Program Admission Requirements
1. Meet minimum assessment scores or prerequisites required for general education courses in the program.
2. Completion of 6 credit hours of college-level work.

Certificate in Information Technology  
Computer Service and Support Certificate  

This program prepares students as entry-level computer service technicians. Students completing this certificate will be prepared for the CompTIA A+ certification exams and the MCDST (Microsoft Certified Desktop Service Technician) certification exams. Students will obtain the skills necessary to assemble and repair personal computers and peripherals, install software applications, and configure personal computers on the network.

Certificate in Information Technology
Network Security Certificate
This program prepares students as entry-level network security specialists. Students can choose the Network Security emphasis to obtain skills in network infrastructure security and cryptography, or choose the Forensics emphasis to become versed in digital investigations and data recovery techniques.

Program Admission Requirements
Meet minimum assessment scores or prerequisites required for general education courses in the program.

VETERINARY TECHNOLOGY
Changes to Veterinary Technology program
Completed applications with all accompanying forms can be postmarked through June 30 for fall classes and through October 31 for spring classes.

Step 3: Official transcripts are not required for prerequisites taken at CCD. If you are submitting prerequisites from another regionally accredited institution submit a Transcript Evaluation Form (do not submit this form with your application) and all official transcripts from the previously attended institution and have them sent directly to:

CCD Admissions, Registration and Records Office:
Admissions, Registration and Records
Campus Box 201
PO box 173363
Denver, CO 80217-3363

Veterinary Technology prerequisite changes
BIO 111 or 4 credits of college general biology with lab
PSY 101 General Psychology or SOC 101 Intro to Sociology
MAT 107 or higher

Course Corrections

END — ELECTRONEURODIAGNOSTIC TECHNOLOGY
END 280 Internship Technology
Should be 5 credits instead of 6.

RTE — RADIOGRAPHY
RTE 181 Radiographic Internship I
Should be 5 credits to agree with the required credits for graduation. This course is listed as 5 credits in the Colorado Common Course Number System. In error, our 2011-12 catalog lists it as 1.5 credits; current CCD students taking the course this fall are taking the required 5 credit hour course. With this correction, the total program credits is now 76-80 credits

RTE 284 Advanced Clinical (CT), 1-6 credits
This is a name change so that the name of the course agrees with the Colorado Common Course Number System. The course number and credits are not changing.
All changes are shaded gray.

RTH — RADIATION THERAPY
RTH 281 Radiographic Internship V
This should be for 8 credits to agree with the program section.

RTH 283 Internship III
This should be 8 credits to agree with the program section.

New Courses

Beginning Spring, 2012

ANT — ANTHROPOLOGY
ANT 250 Medical Anthropology GT-SS3, 3 credit hours
Prerequisite: ENG 121 with a grade of C or better
Studies the basic principles of medical anthropology, an applied field within the discipline of cultural anthropology. Includes the cross-cultural study of practices and beliefs regarding illness, health, death, prevention and therapy; and the interaction of the medical systems between Western and other cultures. This course is one of the Statewide Guaranteed Transfer courses. GT-SS3.

ART — ART
ART 122 Drawing for the Graphic Novel, 3 credit hours
Prerequisite: ART 121 with a grade of C or better, or instructor consent
Introduces the drawing and fine art principles used in developing illustrations for the graphic novel. Students explore the graphic novel as a vehicle for a unique, personal venue for artistic expression. Students explore the history of the graphic novel as well as examine different artistic styles used in the development of graphic novel illustrations. The application of artistic concepts in the creation of an individual graphic work and thorough examination of course material in terms of style, design considerations and visual elements are the primary focus. Students will create images for a graphic novel, focusing on unity of style and techniques for creating images appropriate to story line using black and white or grayscale illustrations.

CIS — COMPUTER INFORMATION SYSTEMS
CIS 101 Alternative Input/Output for Computers, 1 credit hour
Focuses on teaching alternative methods for inputting data into a computer. Individualized for each student, the course covers such programs as Dragon NaturallySpeaking, Dragon Dictate, or Job Access with Speech (JAWS). It is designed for students who have little or no previous computer experience.

CNG — COMPUTER NETWORK TECHNOLOGIES
CNG 124 Networking I: Network +, 3 credit hours
Provides students with the knowledge necessary to understand, identify and perform necessary tasks involved in supporting a network. Covers the vendor-independent networking skills and concepts that affect all aspects of networking, such as installing and configuring the TCP/IP. This course also prepares students for the Networking II: Network + course.

CNG 125 Networking II: Network +, 3 credit hours
Continues to provide students with the knowledge necessary to implement and support a network. Focuses on the vendor-independent networking skills and concepts that affect all aspects of networking. The Networking I and II: Network + courses prepare students for the Network + certification.

COM — COMMUNICATIONS
COM 105 Career Communications, 3 credit hours
Prerequisite: ENG 090 with a grade of C or better, or English assessment score of 95 or better, or equivalent ACT/SAT scores.
Develops skills needed in obtaining and keeping a job. Includes job searching, applications, resumes, interviews, and the dynamics of customer, peer, and managerial relationships. Emphasizes speaking, writing, listening, critical reading skills, and vocabulary development essential to the employment world.

EDU — EDUCATION
EDU 250 CTE in Colorado, 1 credit hour
Explores common elements of Career and Technical Education philosophy and current practices. It details the philosophy of Career and Technical Education (CTE), the federal Carl D. Perkins legislation and related guidelines for CTE, the Colorado Technical Act, national and state regulatory agencies, the CCCS program approval process, enrollment management and advising strategies, relevant local and national issues, and quality assurance principles.
EDU 260  Adult Learning and Teaching, 3 credit hours
Examines the philosophy of community colleges and/or secondary schools and the roles and responsibilities of the faculty member within the college/school community. Introduces basic instructional theories and applications, with particular emphasis on adult learners. Includes syllabus development, learning goals and outcomes, and lesson plans. Emphasizes teaching to a diverse student body, classroom management, assessment and instructional technology.

EMS — EMERGENCY MEDICAL SERVICES
EMS 126  EMT Basic Refresher, 2 credit hours
Provides the student with a refresher course designed to meet the recertification requirements for the State of Colorado and/or a portion of the recertification requirements for National Registry

ENG — ENGLISH
ENG 226  Fiction Writing, 3 credit hours
Prerequisite: ENG 221 with a grade of C or better, or Instructor consent
Teaches techniques for creating fiction, including the study and appreciation of the language and forms of the short story.

ENG 228  Writing for the Graphic Novel, 3 credit hours
Prerequisite: ENG 221 with a grade of C or better, or Instructor consent
Introduces story analysis and writing concepts used in writing for the graphic novel. Students explore the graphic novel as a vehicle for a unique, personal venue for written expression. Students explore the history and universal themes of the graphic novel as well as examine the principles of composition, different writing styles and processes used in the development of the graphic novel. The application of writing styles, script development and revision processes necessary for the creation of an individual graphic work and thorough examination of course material in terms of writing style, process considerations and written themes are the primary focus. Students create outlines, scripts and a final written work for a graphic novel, focusing on unity of style and techniques for authoring appropriate to story lines.

ENG 236 Writing the Film, 3 credit hours
Prerequisite: ENG 221 with a grade of C or better, or Instructor consent
Guides students in the development of a treatment, outline, and opening act for a feature film, script, focusing on specific script format, ideation, film genre conceptualization, plot structure and character development. Students complete a 30-minute spec script, as well as a full treatment and outline for a feature film.

HUM — HUMANITIES
HUM 175  1-6 credit hours
Provides students with a vehicle to pursue an in-depth exploration of special topics of interest.

MAN — MANAGEMENT
MAN 128  Human Relations in Organizations , 3 credit hours
Explores the importance of effective communication in our personal lives as well as in the world of business. Practical business applications such as employee motivation, handling customer complaints, and effectively resolving conflict in the workplace will be a major part of the curriculum.

POS — POLITICAL SCIENCE
POS 225  Comparative Government: GT-SS1, 3 credit hours
Focuses on a comparison of the basic features of selected developed and developing countries. Topics include ideologies, political parties, interest groups, and governmental institutions.

PSY 231  Positive Psychology, 3 credit hours
Prerequisite: ENG 121 with a grade of C or better
Focuses on human strengths rather than the traditional view of psychology that tends to focus on the worst of human nature. This course is designed to explore strengths-based research, concepts of happiness, helpfulness, and resiliency. The research and theories about human nature will go beyond simply not being mentally ill as a form of mental health, which will include optimism, post-traumatic growth, and how to increase emotional, psychological and social functioning. Overall, this course will be focused on understanding one’s own sense of life satisfaction and how to further improve well-being.

RTE — RADIOLOGIC SCIENCE
RTE 250 Mammography, 3 credit hours
Introduces the fundamentals of mammography as required for ARRT mammography certification

RTE 291 Mammography Internship, 3 credit hours
Provides clinical experience for demonstrating and documenting clinical competencies required by the American Registry of Radiologic Technologist for application for registry examination.
