Lowry Rep: Lowry Tabling event was highly successful and came in contact with 39 people. The health science program is moving to Auraria soon, what resources are available for Lowry?

The recommendations from students and faculty included:

- Toilet seat covers for the bathroom
- Bike racks
- Gardening or landscaping (feels like a county jail at that place)
- The food bank is really struggling. They have almost nothing available
- Scholarships are difficult for students to access
- Printing and copying are an issue. Students say they use up their limit quickly and then they must pay out of pocket.
- The period product dispensers require money, and they are broken in both women's restrooms.

Also, we need more shirts to give out during events (The only sizes available are 2x and 3x.)
