It's a great day to be a CityHawk!

Welcome to Community College of Denver (CCD)! As you begin your academic journey at CCD know that we are committed to helping you achieve your educational goals. Whether you are here to earn a certificate to enhance your work skills, to complete an associate degree to enter the workforce or transfer to a four-year college, or to earn one of our bachelor's degrees, CCD is here to help you succeed on your path. This CityHawk SOAR Guide was developed with you in mind so you can plan your academic year.

Enclosed within these pages is information about academic advising, financial aid and scholarships, our tutoring center, career and transfer services, and the counseling center. This guide also includes a daily planner so you can stay on track with important dates. Organize your day to do the important things needed to achieve academic success such as mapping out your study and class times, assignments and exams.

Also, be sure to familiarize yourself with our Student Code of Conduct and other policies on campus.

We know that being a college student can be challenging, but the payoff is one that will bring feelings of achievement and self-confidence, in addition to setting you on the path to financial independence.

CCD faculty and staff are here to help, and we believe in you and your success.

Have a wonderful year!

Marielena DeSanctis, Ph.D., President  
Community College of Denver

# Steps to Success

## 1. Plan Your Degree Path

Meet with your Academic Advisor at least one month before registration opens.

- First-time new students – Advisors will help navigate the transition into college, including investigating choices before selecting a certificate or degree program, sharing college preparation course information, core program requirements and how to access college support services.
- Continuing students – Advisors serve as your 'graduation coach' and offer continued support focused on the successful completion of your chosen academic program. Meet with your Advisor at least twice during the semester to discuss campus resources and your graduation plan.

Need to withdraw from a course? Consult with your Academic Advisor and Financial Aid for the impact on your degree plan and your aid.

## 2. Start Each Semester off Right

Use this planner to set class times, study and work schedules, and appointments with instructors.

- Log into D2L and review the syllabus for each registered class and confirm important dates with your instructors.
- Immediately add dates from the syllabus into this planner:
  - Exam dates
  - Project and homework due dates
  - Study group meeting times
  - Time to read, study and do homework
- Get your books and supplies before classes begin. Visit <https://tivolistation.bncollege.com> or participate in the Lending Library.
- Use your student email address to stay in constant contact with the College. Check this email regularly.

## 3. Be a Successful Student

- Advocate for yourself.
  - Attend all classes.
  - Participate in class discussions.
  - Ask questions and listen to other students.
  - Take notes and review after each class.
- Make an appointment to speak with your instructor during office hours to ask questions and get help; do so before you are struggling.
- Visit our computer & tutoring services labs regularly for assistance.
- Know students in your classes. Form and attend study groups.
- If you need to make-up or retake an exam, contact your instructor.

## 4. Get Involved & Have Fun

- Experience campus events, discuss hot topics and enjoy free food, see [CCD.edu/Calendar](http://CCD.edu/Calendar).
- Join a student club by visiting Tivoli 260 or start your own.
- Check your email for the weekly student newsletter.

## 5. Campus Jobs & Career Exploration

- Get a campus job either as a work-study or student hourly employee. Visit [CCD.edu/Work-Study](http://CCD.edu/Work-Study).
- Set an appointment to receive resume and cover letter help, by visiting [CCD.edu/Career](http://CCD.edu/Career).

## 6. Don't Forget to Register Early for Classes

Class schedules are available on the website. Register early through Navigate to get the classes you need at the time you want.

## 7. Get Financial Aid

- Complete the Free Application for Federal Student Aid (FAFSA) at [FAFSA.gov](http://FAFSA.gov)
- Priority deadline for the FAFSA is April 15. CCD's School Code is 009542.
- To retain financial aid eligibility, you must meet Satisfactory Academic Progress (SAP) requirements, which include maintaining an overall 2.0 GPA and not failing or withdrawing from too many classes.
- Need Assistance? For FAFSA or scholarship application help, call TRIO EOC.

## 8. Pay for Classes

CNF 119 | 303.352.2075 | [CCD.edu/Tuition](http://CCD.edu/Tuition)

Tuition is due the Monday before the semester begins. If you are approved for financial aid, confirm that your award is enough to cover the bill. If it is not, you must set up a payment plan for the difference. Check with the cashier for your payment options. If you register for a course after the payment deadline, payment is due at the time you register.

- If you miss the payment deadline, you may be at risk for having your balance to Virtuoso Collections agency and a registration hold added to your account.
- Access your Student Refund Account (Bank Mobile) to select your refund preferences once you receive the information in the mail. Contact the Cashier's office.

## 9. Transfer to a Four-Year

College or University

Visit the Career & Transfer Center to plan for steps to transfer after you graduate.

- Tell your Academic Advisor that you want to graduate and transfer to a college or university.
- Request a transfer-planning guide for your major from the four-year institution.
- Request an official transcript to send to the four-year college. Call 303.556.2420, email [ORR@ccd.edu](mailto:ORR@ccd.edu) or visit [CCD.edu/Transcripts](http://CCD.edu/Transcripts).

## 10. Graduate!

- Talk with your advisor each semester to stay on track for graduation.
- Apply to graduate at [CCD.edu/GradApp](http://CCD.edu/GradApp) when you register for the final semester.
- Participate in commencement whether you graduate in the summer, fall or spring and **Celebrate!**

## Additional Services

# Abbreviations, Definitions and Symbols

## Abbreviations, Definitions & Symbols

**Accelerated:** A fast-paced, intensive learning option to complete course work in less time than a full semester. Accelerated courses are scheduled usually the first or second half of a semester.

**Corequisite:** A course you must take during the same semester

**Prerequisite:** A course you must have taken during any semester before this one, or an appropriate test series must have been completed.

**Arranged:** Class meeting time or faculty contact to be arranged. Call the academic center for details.

**Combo Class:** Combined lecture- and lab-based instruction. See instructor for times.

### Days of the Week:

M – Monday

F – Friday

T – Tuesday

S – Saturday

W – Wednesday

U – Sunday

R – Thursday

**Guaranteed Transfer Courses:** The general education core requirements you complete at CCD meet the lower-division general education requirements of all public baccalaureate colleges and universities in Colorado. For more information download the college catalog at [CCD.edu](http://CCD.edu).

**Hybrid Course:** Course with both in-class sessions and online meetings, exercises, and/or scheduled discussions. [View Hybrid Course computer requirements.](#)

**Late-Start Course:** A class that starts two to three weeks after the traditional start date.

**Learning Community Course:** Two classes are paired to form a Learning Community in which students, ideas, and resources are linked to create a supportive learning environment. Students must register for both classes.

**Online Courses:** CCD online courses are listed in the schedule and are identified by section numbers that begin with "7." CCCOnline courses are identified by section numbers that begin with "C."

# Guided Pathways

[CCD.edu/Pathways](http://CCD.edu/Pathways)

## **Arts, Humanities & Design**

Form a foundation for an array of learning, develop a broad understanding of the world and gain the ability to think critically and communicate effectively.

## **Business**

Build real-world experience and leadership skills to start a successful career in today's professional environment.

## **Education & Teaching**

Inspire others as a teacher or early childhood educator, where you will lay a foundation in a child's development. Work as a teacher assistant in schools or child care centers, or continue on to earn a bachelor's degree and teacher certification.

## **Health Sciences**

These programs are designed for those looking to make a difference in the lives of others. Explore your options, upgrade your skills and elevate your career in two years or less.

## **Industry, Manufacturing & Construction**

Learn by doing and develop skills valued by employers with our advanced manufacturing and architectural technology programs. These programs allow you to find a technical path that aligns with your skills and goals regardless of your level of experience.

## **Public Service**

Build real-world experience and leadership skills to start a successful career in today's professional environment.

## **Science, Technology, Engineering & Mathematics**

Careers in STEM are among the fastest growing. Build a strong knowledge base and be at the forefront of the innovations and developments that will impact our world.

## **Social & Behavioral Sciences**

Studying social and behavioral science develops your ability to think scientifically about human behavior and implements that knowledge in your personal and occupational pursuits.

# NAVIGATE

Navigate your way  
to graduation!

**Always know what's next.**

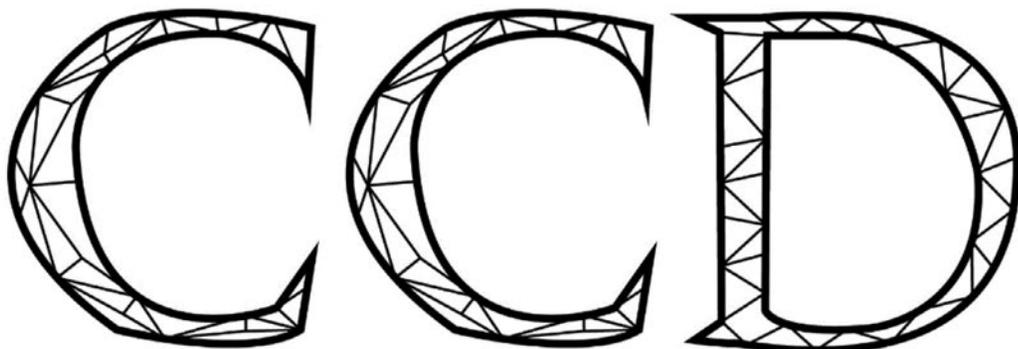

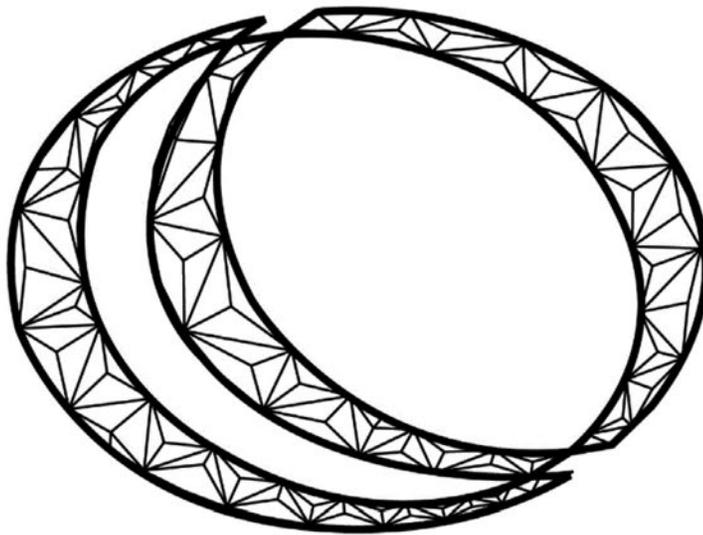

Stay updated on deadlines, forms you may need to submit, or events you might want to join.

**Create your own destiny.**
