Vice-President:

Secretary:

Treasurer:

Worked on and finalized 2 bills, one for the support scholarship and the other for various items from SGA tabling and events.

Parliamentarian:

- Tabled at Ready, Set, Succeed on Mon 3/9 and in Cherry Creek Weds 3/11
  - Spread awareness about voting period taking place from 3/18-3/20 @ CHR
- Meeting with Kloece regarding pending changes to Bylaws
  - For the most part changes seemed common sense, edited document is available under Bylaws folder if you'd like to see it
  - Some remaining areas of contention we should vote on next week:
    - Secretary voting rights
    - Ability to revise bylaws with majority vote of SGA instead of student body.
    - Clemency for GPA requirements under extenuating circumstances.
    - Student Code of Conduct violations resulting in immediate removal.
- Thanks to Dominic & Kenan for attending my show! We'd love to play at a CCD event if the opportunity arises.

SACAB:

Dominic's Report:

- Sorry I could not be with you all today!
- ABOD will vote on a new campus policy in April which will send email alerts instead of text emergency alerts and close the Tivoli, King Center, and Library to the public in the instance of a "minor emergency" including the unlikely presence of federal law enforcement on campus.
- SB26-034 to give SACAB a vote has passed the house; Governor Polis has 8 days remaining to veto it.
- CU SGA and their campus activities team have expressed interest in working with CCD SGA to host a tri-institutional celebration when SB26-034 hopefully becomes law.
- Case had an amazing show at the Federal Theatre, thank you for the invite!
