- Get your books and supplies before classes begin and review your books before the first day. Visit AurariaBooks.com or participate in Lending Library, CCD.edu/Books.
- Obtain your student ID card and RTD pass by bringing a copy of your current schedule, a valid, government issued photo ID and \$22 to Tivoli Station.
- Use your student email address to stay in constant contact with the College. Check this email regularly.

2. Be a Model Student

- Advocate for yourself.
 - Attend all classes.
 - Sit at the front of the room or close to the instructor and participate in class discussions.
 - Ask questions and listen to other students.
 - Take notes.
 - Review your notes after each class.
- Make an appointment to speak with your instructor during office hours to ask questions and get help; do so before you are struggling.

- **Want an A instead of a B? Not sure if you will pass a class?** Visit our computer & tutoring services labs regularly for assistance.
- Know students in your classes. Form and attend study groups.
- If you need to make-up or retake an exam, contact your professor and then schedule your exam at CCD.edu/Testing.
- Attend Student Success Workshops, CCD.edu/Student-Success.

4 Plan Your Degree Path

CNF 123 | 303.556.2481
CCD.edu/Advising

Meet with your academic advisor at least **one month before registration opens**.

- **First-time new students** – Advisors will help navigate the transition into college, including investigating choices before selecting a certificate or degree program, sharing college preparation course information, core program requirements and how to access college support services. Check your student email address for college correspondence.
- **Continuing students** – Advisors serve as your 'graduation coach' and offer continued support focused on the successful completion of your chosen academic program. Review your degree plan in DegreeWorks and with your advisor. Log into CCDConnect and click on "DegreeWorks." Meet with your advisor at least twice during the semester to discuss campus resources and your graduation plan.
- For Health Sciences programs, call 303.365.8300 and make an appointment with the advisor at Lowry.

Need to withdraw? Consult with your academic advisor and Financial Aid office for the impact on your degree plan and your aid.

Accommodations needed for courses?

Call 303.556.3300 or stop by the Accessibility Center, CNF 121, to discuss options.

5. Campus Jobs & Career Exploration

- Get a campus job either as a work-study or student hourly employee. Visit CCD.edu/Work-Study.

Class schedules are available online at CCD.edu. Register early through CCDConnect to get the classes you need and at the time you want.

7. Get Financial Aid

CNF 120 | 303.556.5503
CCD.edu/FinAid

Complete the Free Application for Federal Student Aid (FAFSA) at FAFSA.gov every year to determine eligibility to receive financial aid money such as the Federal Pell Grant, Federal Direct Loans as well as CCD scholarships.

- Priority deadline for the FAFSA is April 15. CCD's School Code is 009542.
- Financial aid application processing takes two to four weeks for you to be awarded. Some funds run out quickly, so start early and follow up with the Financial Aid office.
- To retain financial aid eligibility, you must meet Satisfactory Academic Progress (SAP) requirements, which include maintaining an overall 2.0 GPA and not failing or withdrawing from too many classes.

Questions? Speak with a Financial Aid advisor in CNF 120.

View your registration, financial aid status, and access your student email account online by logging into CCDConnect.

Renew your FAFSA for the upcoming academic year at FAFSA.gov or stop by Financial Aid, CNF 120.

Need Assistance? For FAFSA or scholarship application help, call TRIO EOC at 303.352.8746.

8. Pay for Classes

CNF 119 | 303.556.2075
CCD.edu/Tuition

If you are approved for financial aid, confirm that your award is enough to cover the bill. Check with the cashier about Nelnet Business Solutions (payment option).

- If you register for a course after the payment deadline, payment is due at the time you register.
- If you miss the payment deadline, you may be dropped from classes and need to re-register. Your original classes may or may not be available.
- Access your Student Refund Account to select your refund preferences once you receive the information in the mail. Contact the Cashier's office with questions about your refund preferences: 303.352.2075 or businessoffice@ccd.edu

Students in their first year of college (fall and spring terms) can participate in this program to help ensure a beneficial, worthwhile and helpful transition to college.

Denver Scholars (Denver Scholarship Foundation)

Select Denver Scholars are coached to help ensure they keep their scholarship and maintain success as a college student. In addition, the SEED Program was built for Denver Scholars who have the desire to transfer to four-year institutions.

Urban Male Initiative (UMI)

UMI is for students identifying as male and provides resources for skill development, leadership and degree completion.

Women Intentional about Success & Excellence (WISE)

ARO is the first point of contact for prospective and new students. We provide information about college programs, services and enrollment. We also lead the Student Ambassador Leadership Program and informational campus tours (CCD.edu/Tours).

All new students must attend orientation or complete online orientation before receiving advising. (A hold will be placed on your account until you have completed a live or online session.) You'll learn about financial aid, academic advising, student rights and responsibilities, campus resources, how to be a successful student, ways to get involved on campus and it is a great opportunity for you to ask questions.

Financial Aid advisors assist you with federal and state financial aid to meet the cost of college education. The Free Application for Federal Student Aid (FAFSA) is required to apply for grants, scholarships, work-study employment and loans.

Scholarships require a separate application. Our students who research and apply for scholarships are able to complete their educational goals faster and are more successful in their classes. Why? Because they can focus simply that: their education. CCD Foundation and CCD Institutional scholarships are open to Colorado Residents, including DREAMers & Undocumented Students. Visit CCD.edu/Scholarships to learn more.

Complete the FAFSA online at FAFSA.gov and submit all the documents by April 15 each year. Some supporting documents, such as federal income tax transcripts and/or verification worksheets may be needed to determine eligibility for aid. Applications received after April 15 will be awarded based on the remaining availability of funds. Please call, email or stop by for help with all your financial aid questions.

Policies You Should Know

Student Code of Conduct

ccd.edu/StudentCode

CCD values involvement, integrity, lifelong learning and excellence. In the spirit of these values, we have the expectation that you adhere to a Code of Conduct, which is reflective of the values of the College.

The Office of Student Conduct believes that learning takes place outside the classroom, as well as inside the classroom. Our goal is to use the conduct process as a tool for educating you on personal conduct, ethical reasoning and community responsibility. We will treat each case individually and each student with respect. We will involve the entire community in a culture of conversation, where reporting is a natural byproduct of a sincere commitment to the safety, security and learning environment of the campus.

The Code of Conduct for CCD coincides with the Colorado Community College System (CCCS) policy on Student Disciplinary Procedure. According to CCCS policy SP 4-30, you are expected to adhere to the Student Code of Conduct and policies and procedures of the College.

Full version of the Student Code of Conduct at ccd.edu/StudentCode. To report student conduct concerns, visit ccd.edu/IncidentReport or visit ccd.edu/StudentConduct for support.

Academic Integrity Policy

ccd.edu/Academicintegrity

You are expected to adhere to the Academic Integrity Policy. The following are guidelines to assist you in observing academic integrity:

- You must do your own work and submit only your own work on examinations, reports, and projects; unless otherwise permitted by the instructor.
- You are encouraged to contact your instructor about appropriate citation guidelines.

- You may benefit from working in groups. However, you must not collaborate or cooperate with others on graded assignments, examinations, or other academic exercises unless clearly directed to do so by the instructor.
- You must follow all written and/or verbal instructions given by instructors or designated college representatives prior to taking examinations, placement assessments, tests, quizzes and evaluations.
- You are responsible for adhering to course requirements as specified by the instructor in the course syllabus.

Notice of Non-Discrimination

ccd.edu/Notice-Non-Discrimination

CCD prohibits all forms of discrimination and harassment, including those that violate federal and state law, or the State Board for Community Colleges and Occupational Education Board Policies 3-120 or 4-120. The College does not discriminate on the basis of sex/gender, race, color, age, creed, national or ethnic origin, physical or mental disability, veteran status, pregnancy status, religion, genetic information, gender identity, or sexual orientation in its employment practices or educational programs and activities. Community College of Denver will take appropriate steps to ensure that the lack of English language skills will not be a barrier to admission and participation in vocational education programs.

The College has designated Patty Davies as its Affirmative Action Officer / Equal Opportunity Coordinator / Title IX Coordinator with the responsibility to coordinate its civil rights compliance activities and grievance procedures.

<p>For information, contact: Patty Davies Title IX/EO HR Director 303.352.3310</p> <p>Administration Building, Room 310 Campus Box 240 P.O. Illegal Drugs

The policy for Auraria and the institution prohibits the sale, manufacture, distribution, use or possession of illegal drugs on the Auraria Campus. This policy applies equally to administrators, faculty, staff, and students.

NOTE: Although possession and use of marijuana consistent with

the requirements of the Colorado Constitution is no longer a crime in the State of Colorado, the possession and use of marijuana remains illegal under federal law. Consistent with federal law, including the Controlled Substances Act and the Drug Free Schools and Communities Act, the use and/or possession of marijuana continues to be prohibited while a student is on college-owned or college-controlled property, and/or any function authorized or supervised by the college and/or in state owned or leased vehicles.

Potential Sanctions for Violations of the Alcohol & Drug Policy

At CCD, any student who is found to be in violation of the alcohol and/or drug policy will be adjudicated under the Student Code of Conduct, CCD.edu/StudentCode.

A student found responsible for a violation may face sanctions, which range from a warning to expulsion as well as education or restorative sanctions.

More specific and detailed information about Auraria and institutional policies addressing drug and alcohol concerns can be found on operations manuals, student handbooks, personnel offices or under administrative policy information.
