Changing Lives. Transforming Futures.

“CCD ... brought me back to life and taught me to keep dreaming. CCD embraced and nurtured me and transformed me into the person I am today.”

— Chris C. CCD Student

Last Year

The Community College of Denver awarded nearly \$585,000 in scholarships to more than 600 students.

More than \$1 million was generated for programming aid for CCD including support for the Advanced Manufacturing Center, Building Crafts, lab assistants for Biology and the enhancements of mental health on campus.
