Established in 1967, CCD offers a high-quality education in a diverse setting that prepares students to transfer to a four-year school or to enter the workforce with in-demand skills. Our shared downtown campus gives students a full college experience, our professors & small class sizes offer personalized attention and our low tuition rate is a smart choice, costing students about one-half to one-third of a 4-year university.

In Fall 2019, the majority of CCD students came from four counties: Denver (49%), Adams (12%), Arapahoe (20%), Jefferson (9%)

1,877 HS Concurrent Enrollment students from 54 high schools took 5,178 courses in AY 19/20.
