Internal Messaging

D2L messages are only inside of D2L. No external email such as Google, Yahoo, Hotmail, etc. can be sent from D2L internal messaging.

What to Note of:

- An orange dot in the upper right corner of the messages icon indicates that you have new internal messages in D2L.
- To check messages and compose internal messages by clicking on the envelope icon
- Reminder: Composing messages through Classlist is best and easiest – refer to Classlist above
