#### II. Announcement:

#### III. Reports:

President: Deep cleaned SGA office.

- Reached out to the election committee.
- Worked on SGA Support Scholarship with Kenan. Finalized flyer.
- Reports: members should have reports, keep it concise, and written on shared meeting agenda document.
- Discussion during meetings, let's make sure we stay on topic.
- Feedback: Sign in sheets is edited regarding name space & printed in office.

Vice-President:

- Introduction of the bill.
- I personally appreciate the responsibility and the support from all of you that went with us to the Capitol to participate as witnesses.
- Conversation with Spear; new Hispanic museum. Governor Jared is helping us with it.
- I would love if the advisor shared a formal speech to share on my classes and let them know about the future/next elections for SGA CCD.
- Concerns about police/safety.
- Post-hearing conversation with the senate members.
- Bill, meals for Fridays after our meetings and gear for the SGA.

Secretary:

Treasurer:

Worked on the support scholarship and sent out emails to all clubs, thank you Kloe and April for the help creating and maintaining the form from last semester.

Parliamentarian:

- Gave testimony at Capitol on Monday Feb 9<sup>th</sup> in front of the Senate Education Committee to voice support for SB26-034
- Was approached by a student regarding CCD's specific policy regarding procedures about what to do if ICE is on campus, gave them what information I knew and directed them to the ombudswoman for further information. Sounded like they were in favor of having a lockdown policy for Confluence.

SACAB:

Devynn: Attending the Senate Education Committee for SB26-034. It passed out of the Education committee and will go through another reading on with the CAW on the Senate floor. Then it will go through the House Education Committee; it would be awesome to see as many CCD reps as possible testifying in person or virtually.

SSAC Rep: 2/9 SSAC day the Capital was a huge success. SSAC representatives spoke to Governor Polis and his team about the needs and concerns of CCCS students. Representatives met with the Colorado Department of higher Education and presented the student survey entailing what students feel they need to afford and have a better quality of life while pursuing their degrees. I discussed the need for more approved vendors for the SPARC pantry as well as ways to gauge the specific needs for CCD students.

AMC Rep:

Lowry Rep:

#### **IV. Advisor Reports:**

- With SSAC on Monday
- Special Election assistance
  - Sat in first EC meeting
- Black History Month Events Reminder

- Black Excellence Community Fair @ CHR on Tues
- Tickets for Godspeed @ DCPA sold-out, waiting for students to pick up tickets. Optional discussion after play.
- Teams Communication Reminder
  - We are using Teams! Move all communication to Teams!
- Bills Timeline
  - We don't have set Bylaws regarding bill presentations. If bill requires funding, there needs to be 48 hrs notice with Kenan and there needs to be a discussion prior to vote. Keep in mind Advisor hours are 8a-5p, plan accordingly. Introduce and share information with SGAers before presenting, so we are all on the same page.
- Regular Election/Bylaw timeline
  - Special Elections timeline is set, but it's time to start thinking about establishing a timeline for regular elections as well. Aim to have comments in Bylaws done by Mid-March so we can give student body our proposed changes.
- Office Update
  - Probably won't be able to move into the new sga office this semester; more time is needed so that better changes can be implemented for future SGAs.
  - Please share ideas with advisors about what we'd like for this space to look like for us! Feedback would be appreciated by our meeting next Friday.
- SGA Support Scholarship – Clubs & Orgs
  - Adding meeting times for SSS, would be a good idea to use office hours to connect with clubs so they know when they can come in and bring it up during Tabling.
- What we Carry Attendance Thank you
- Reminder- Feedback boxes
  - Two more left in office, want them to get used!

## **V. Old Business:**

- Short update on Special Elections
  - The committee went over the timeline and voting dates and approved them.
  - Members had ideas on how we can facilitate outreach and answer questions.
  - Five candidates have already submitted intent.

## **VI. New Business:**

### SGA Bill Uniform

- [SGA\\_BillUniform\\_Support Allocation2026.docx](#)
- Motion to Table (Skylar)
  - 2<sup>nd</sup> (Isaias)

- 4/4, Passes unanimously

**VII. Action Items:**

**VIII. Open Form:**

Add signature section to bills or leave President & Advisors names blank so they can add it themselves after reviewing bills.

Skylar asked students at AMC for suggestions; students usually must ask teachers for items in locked cabinets, can be hard if instructors are predisposed. Ideas for vending machines or token system to rent out equipment (PPE, welding equipment, etc.)

Nicole reiterates having a deadline to submit bylaw revisions, having it ready in a month from today so it can be shown to students.

Isaias goes over his report backs.

**VIII. Adjournment (April) moves to adjourn this meeting at (1:28)pm**
