Document Summary

- KPMG Study suggests plans for AHEC changes, does not address CCD inadequacies, which has been called unsustainable by CDD executives

- SB26-034: Headed to house education committee Thursday March 5 at 1:30PM

Dominic has been in contact with CCD CFO Alberto, there was an ask for more student engagement.

SSAC Rep:

Nothing new to report

AMC Rep:

Working with director of facilities at AMC Antonio, want to get students eye exams. Want to get a vending machine so that students can easily get PPE, currently have to go home if they do not

have equipment. Canteen, the current vendor, has no PPE options. AMC has had discussions with AIRGAS to provide PPE, would require a 7-year contract.

- Maybe collaborate with Health Center regarding eye exams.
