President: Special Elections are now closed. Intent/Ballots will be up on March 18 early in the morning. Students can only vote once.

- 2026-2027 Elections are open. Sent emails to students & club advisors. Will keep trying to do outreach.
- Please let students know in your classes, etc. We have to do tabling for 2026-2027 Elections.

- Worked on a flyer for WHM. - Sent to Kloe & Kenan waiting to place date information, will be sent to marketing soon once finalized.
- Again, if you are in SGA Spaces, please keep the area clean. You can ask SPARC for cleaning wipes or vacuum.

Vice-President:

Good day dear peers and guests/visitors, we appreciate your time and effort to attend our meeting, we express our gratitude.

- (Conversation with Skip Spear about the concerns regarding “ICE” on campus, security, {Dominic will have an appointment with him to talk more deeply about that matter}).
- (Please don’t leave material on SGA areas, use your corresponding spaces {no SGA members}).
- I will not be able for participation on the first hours thanks to my meeting with D. Trujillo. Regarding “swag/purple bags that Nicole C., told us: we can grab them.” Sorry for the inconvenience.
- Future meeting with Skip Spear today after our SGA meeting.
- Concern about the time for the voting/tabling. Do we will have enough time? I want to make sure the students know we are on an special elections, we can set some flyers out of confluence building and down in the food court.
- Latest information about our Bill SB26-034.
- Special thanks to the person have been taking part on this. I am honored to have you as my colleague.

Treasurer:

Worked on two bills this week, one for the women's history month event that we will be hosting this coming month. I need everyone's availability so we can table properly. Either march 30th or 31st. [SGA Bill 25.26 SGA Womens History Month Event.docx](#)

Second bill, I want to expand the allowed amount for the SGA Support scholarship. Expanding the budget from 1,500 to around 3,500. Giving more club funds will help the student body feel more engaged on campus. This will be presented next week.
