

Navigate360 – Student Application Forge

Introduction to Forge:

Overview:

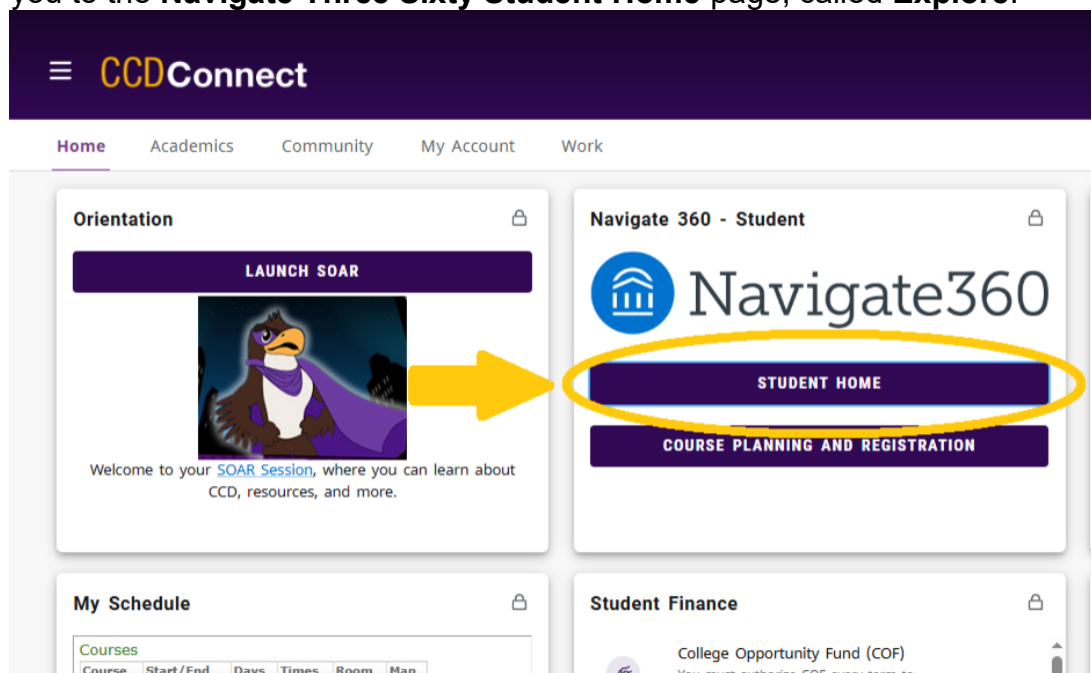

The **Forge** feature offers students free, self-paced virtual job simulations from leading companies, allowing them to explore careers, build real-world skills, and gain a hiring advantage. Accessible via Navigate360 Student, it helps students experience day-in-the-life tasks, connect with employers, and improve job prospects by more than tripling their chances of landing roles. This tool helps streamline the student experience and keeps essential resources within reach.

Getting Started with Forge:

1. Accessing the Forge on Desktop

1.1. Access Navigate Three Sixty

On the **C-C-D Connect dashboard**, click **Navigate Three Sixty - Student Home**. This will take you to the **Navigate Three Sixty Student Home** page, called **Explore**.

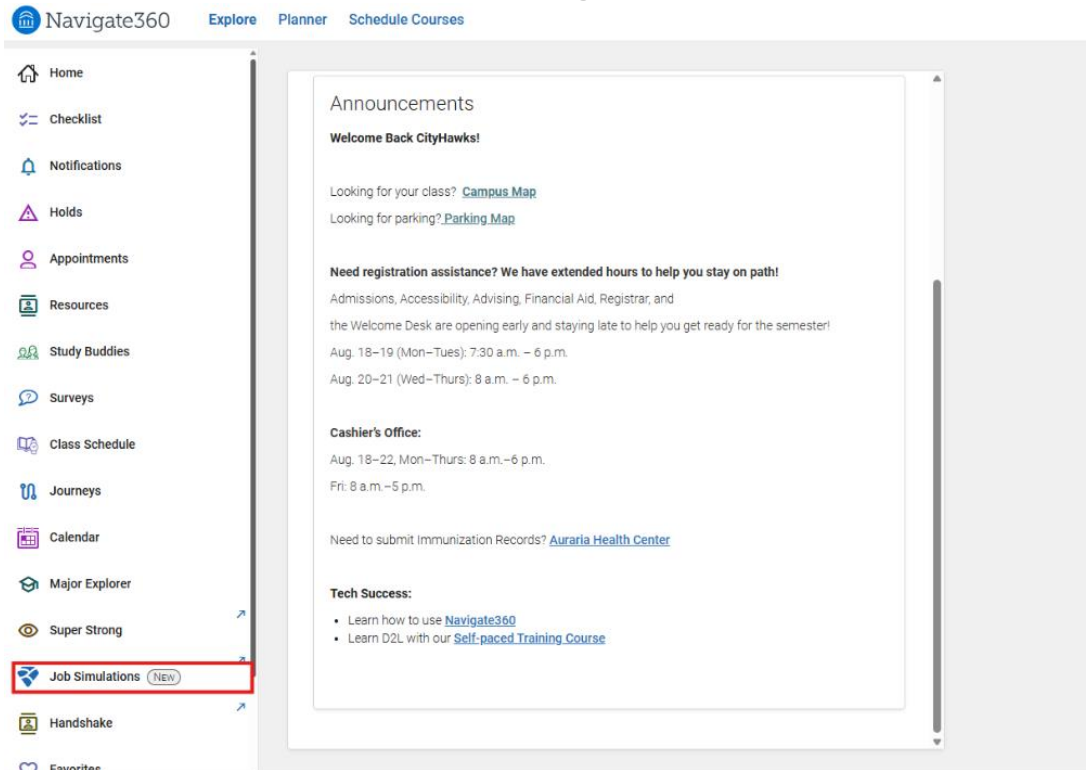

1.2. Access the Forge Section

On the left-hand side, select the **Forge** icon to open the forage section.
