Study Buddies Guide

Introduction to Study Buddies:

Overview:

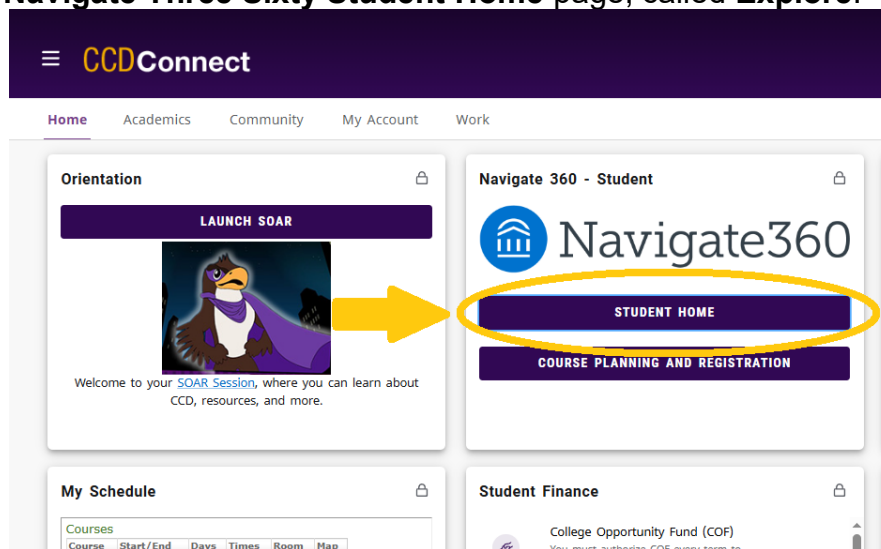

The **Study Buddies** feature allows students to connect with their peers for academic support, helping them to join study groups, collaborate on coursework, and improve their understanding of course material. This feature encourages collaboration, making it easier for students to find study partners and stay on track with their studies.

Getting Started with Study Buddies:

1. Accessing Study Buddies on Desktop

1.1. Access Navigate Three Sixty

On the **C-C-D Connect dashboard**, click **Navigate Three Sixty - Student Home**. This will take you to the **Navigate Three Sixty Student Home** page, called **Explore**.

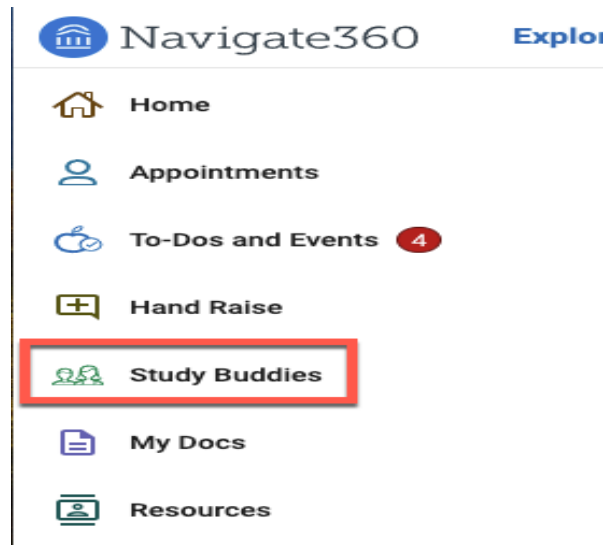

1.2. Access Study Buddies

On the left-hand side, select the **Study Buddies** icon to open the Study Buddies feature.
