# Navigate360 – Student Application Favorites

### **Introduction to Favorites:**

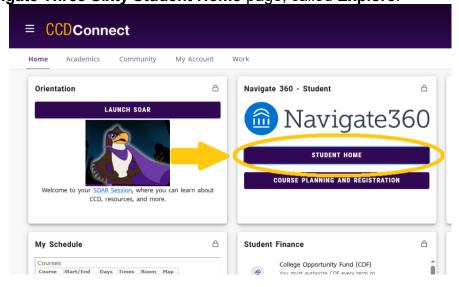

Overview:

The **Favorites** feature allows students to save and quickly access important resources within the Navigate Three Sixty platform. By favoring resources like academic advising or specific programs, students can stay organized and easily return to the most relevant information when needed. This tool helps streamline the student experience and keeps essential resources within reach.

## **Getting Started with Favorites:**

- 1. Accessing the Favorites on Desktop
  - 1.1. Access Navigate Three Sixty

On the CCD Connect dashboard, click Navigate Three Sixty - Student Home. This will take you to the Navigate Three Sixty Student Home page, called Explore.

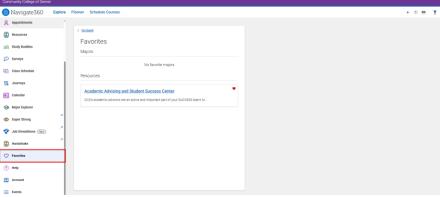

1.2. Access the Favorites Section

On the left-hand side, select the **Favorites** icon to open the favorites section.
