# CITYHAWKS

In May 2020, Community College of Denver (CCD) made the difficult decision to cancel our in-person Commencement due to COVID-19 and a virtual celebration was held. In May 2021, COVID-19 restrictions are still impacting large indoor gatherings, so on May 13, 2021, CCD will hold a drive-through celebration on the Auraria Campus as well as a virtual celebration at [CCD.edu/GradCelebration](https://ccd.edu/GradCelebration) to recognize graduates of the classes of 2020 and 2021.

Summer 2019, Fall 2019, Spring 2020, Summer 2020, Fall 2020 and Spring 2021 graduates will be honored in the May 13, 2021 Commencement Celebrations.

We're so proud of our graduates' perseverance and tenacity in facing the current challenges.

*Stay strong, CityHawks!*

## DEGREES & CERTIFICATES

---

CCD offers a variety of certificate and degree programs.

### CERTIFICATES

The college specially designs courses and sequences of courses in cooperation with business, commerce and local government that lead to a certificate award for students who complete the programs. Study for a certificate provides opportunity and rewards for students who wish to improve skills in their occupational/vocational fields. Courses in certificate sequences apply toward appropriate associate degree programs at CCD. Certificates are offered in more than 50 fields/occupations.

### DEGREES

#### Associate of Arts (AA) Degree

A CCD Associate of Arts (AA) degree provides a learning foundation in communications, social science, arts and humanities. Although some students earn their AA for personal enrichment, most plan to transfer their AA credits to four-year colleges and universities to earn baccalaureate (bachelors') degrees. Twenty-two Statewide AA transfer degrees known as Degrees with Designation (DwD) are offered.

#### Associate of Science (AS) Degree

The CCD Associate of Science (AS) degree is a university parallel/transfer program in mathematics and the sciences. Eight statewide AS transfer degrees known as Degrees with Designation (DwD) are offered.

#### Associate of General Studies (AGS) Degree

CCD offers an Associate of General Studies (AGS) degree. This degree requires the lower-division core general education courses, which transfer to all majors at all state four-year colleges and universities.

#### Associate of Applied Science (AAS) Degree

An Associate of Applied Science (AAS) degree program at CCD prepares students for entry-level employment in a given occupation or helps students upgrade employable skills. AAS degrees are offered in nearly 30 areas of emphasis at the college.

#### Bachelor of Applied Science (BAS) Degree

CCD offers the Bachelor of Applied Science (BAS) as a degree completion program enabling students with a prior AAS to enhance their professional development and expand their career options.
